Item 4.01 Changes in Registrant's Certifying Accountant.

On March 18, 2014, the Audit Committee of the Board of Directors of Cheniere Energy, Inc. (the "Company"), approved the appointment of KPMG LLP ("KPMG") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, and approved the dismissal of Ernst & Young LLP ("EY") as its independent registered public accounting firm.

The reports of EY on the Company's consolidated financial statements for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2013 and 2012 and through March 18, 2014, there were no disagreements with EY on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of EY, would have caused EY to make reference thereto in its reports on the financial statements for such periods. During this time, there have been no "reportable events," as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested that EY furnish it with a letter addressed to the Securities and Exchange Commission stating whether EY agrees with the above statements. A copy of such letter dated March 24, 2014, is filed as Exhibit 16.1 to this Current Report on Form 8-K.

During the fiscal years ended December 31, 2013 and 2012, and in connection with the internal restructuring and formation of a subsidiary of the Company, Cheniere Energy Partners LP Holdings, LLC, the Company consulted with KPMG regarding the application of ASC 810, *Consolidation*, with respect to accounting for variable interest entities and identification of primary beneficiaries. In connection with the issuance of Class B units by a subsidiary of the Company, Cheniere Energy Partners, L.P., the Company consulted with KPMG regarding the application of ASC 480, *Distinguishing Liabilities from Equity*, ASC 815, *Derivatives and Hedging*, ASC 470, *Debt*, and ASC 260, *Earnings per Share* with respect to the classification of the Class B units as debt or equity, the identification of any embedded or freestanding derivatives requiring separate accounting, identification and measurement of beneficial conversion features, and consideration of effects to the Company's earnings per share calculation. Also related to the issuance of the Class B units, the Company consulted with KPMG regarding the application of ASC 810, *Consolidation* relating to the consolidation of Cheniere Energy Partners, L.P. In connection with the Company's long-term debt and related interest rate swaps, the Company consulted with KPMG regarding the application of ASC 470, *Debt*, and ASC 815, *Derivatives and Hedging* with respect to the accounting for debt issuance costs, the identification of embedded derivatives requiring bifurcation and separate accounting, and the application of cash flow hedge accounting to the Company's interest rate swaps. The Company also consulted with KPMG regarding the application of ASC 718, *Compensation - Stock Compensation*, and ASC 505, *Equity* and ASC 260, *Earnings per Share*, to its stock compensation plans. Decisions regarding the accounting treatment of these items were made by the Company with consideration given to the interpretive guidance provided by KPMG related to the application of applicable accounting principles and the Company's accounting for the above mentioned matters as described in the notes to the financial statements was consistent with the views provided by KPMG.

The Company's accounting for these matters was discussed with EY and reflected in the Company's audited consolidated financial statements for the years ended December 31, 2013 and 2012.

Except for the consultations described in the preceding paragraphs, during the fiscal years ended December 31, 2013 and 2012 and through March 18, 2014, the Company has not consulted with KPMG

regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on its consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to it by KPMG that KPMG concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a “disagreement,” as defined in Item 304(a)(1)(iv) of Regulation S-K, or a “reportable event” described in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested that KPMG review the disclosure required by Item 304(a) of Regulation S-K included in this Current Report on Form 8-K and furnish it with a letter addressed to the Securities and Exchange Commission containing any new information, clarification of the Company’s expression of KPMG’s views, or the respects in which KPMG does not agree with the statements made by the Company in response to Item 304(a) of Regulation S-K. A copy of the letter dated March 24, 2014, is filed as Exhibit 16.2 to this Form 8-K.
