ITEM 1. SECURITY AND ISSUER.

The title of the class of equity securities to which this Statement on Schedule 13D (this "Statement") relates is common stock, par value \$.003 per

share (the "Common Stock"), of Cheniere Energy, Inc. (the "Issuer"). The address of the principal executive offices of the Issuer is Two Allen Center, 1200 Smith Street, Suite 1710, Houston, Texas 77002.

ITEM 2. IDENTITY AND BACKGROUND.

- (a) William D. Forster (the "Reporting Person").
- (b) c/o Cheniere Energy, Inc.
1200 Smith Street, Two Allen Center
Suite 1710
Houston, Texas 77002
- (c) President, CEO and a director of the Issuer, a company engaged in the exploration for and exploitation of oil and gas.
- (d) During the last five years, the Reporting Person has not been convicted in a criminal proceeding.
- (e) During the last five years, the Reporting Person has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, which as a result of such proceeding, was or is subject to judgment, decree or final order enjoining future violations, or prohibiting or mandating activities subject to federal or state securities laws or finding any violations with respect to such laws.

(f) The Reporting Person is a United States citizen.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The shares of Common Stock owned by the Reporting Person were acquired in exchange for 2,846,211 shares of the common stock of Cheniere Energy Operating Co., Inc. ("Operating"), concurrently with the exchange by the other stockholders of Operating for new shares of the Issuer totalling in aggregate approximately 93% of the total issued and outstanding shares of Common Stock (the "Exchange"), in connection with the reorganization of the Issuer consummated on July 3, 1996 (the "Reorganization") pursuant to and in accordance with a certain Agreement and Plan of Reorganization dated as of April 16, 1996 (the "Reorganization Agreement") among the Issuer, Operating, the stockholders of Operating, including the Reporting Person, and Buddy Young.

The Reorganization Agreement is Exhibit A to this Statement. The description of the Reorganization Agreement contained herein is qualified in its entirety by reference to the full text of the Reorganization Agreement which is incorporated herein by reference to such Exhibit A, and made a part hereof.

ITEM 4. PURPOSE OF TRANSACTION.

The purpose of the transaction to which this Statement relates was to obtain control of the Issuer in furtherance of the Reorganization of the Issuer. On July 3, 1996, a special meeting of stockholders of the Issuer was called (the "Special Meeting") to approve the Reorganization, including the divestiture of the then existing television production and health information business of the Issuer, and the Exchange, and, in connection therewith, to amend the certificate of incorporation of the Issuer as follows:

1. to change the authorized capital stock of the Issuer to a total of 21,000,000 shares, comprised of 20,000,000 shares of Common Stock, par value \$.003 per share, and 1,000,000 shares of preferred stock, the rights, powers and preference of which shall be set by resolution of the Board of Directors of the Issuer;
2. to change the name of the Issuer to Cheniere Energy, Inc. from BEXY Communications, Inc.; and
3. to add a provision limiting the liability of the Issuer's directors and to provide for indemnification of officers and directors of the Issuer to the fullest extent permitted by Delaware law.

In addition, at the Special Meeting, the stockholders of the Issuer elected three new directors nominated by Operating, including the Reporting Person. Immediately following the consummation of the Reorganization, the Board of Directors of the Issuer elected an additional director and elected new executive officers of the Issuer, including the election of the Reporting Person as President and Chief Executive Officer of the Issuer.

It is the current intention of the Issuer that shares of the newly-authorized class of preferred stock will be issued in connection with corporate finance transactions. However, because of the ability of the Board of Directors of the Issuer to set by resolution of the Board, the rights, powers and preferences of the preferred stock, the preferred stock could be utilized as an antitakeover device, causing potential purchasers of the Issuer's capital stock to incur additional costs and otherwise discourage a potential bidder for the Common Stock.

The Reporting Person acquired the shares of Common Stock reported in this Statement with the intent and purpose of acquiring control of the Issuer. The Reporting Person has no present intention of either acquiring additional shares or disposing of his shares of Common Stock. Because of the amount of Common Stock owned by the Reporting Person and by virtue of his offices as President, Chief Executive Officer and a director of the Issuer, the Reporting Person may be deemed to control the Issuer.

The Reporting Person does not anticipate that there will be any change in the Issuer's dividend policy with respect to the Common Stock, although, in the event of the issuance of shares of a series of preferred stock, the Reporting Person anticipates that dividends would be paid on such series.
