Termination of Conversion Rights:

Cheniere Energy, Inc. may elect during a 30 consecutive trading day period to terminate the right of holders to convert all or part of their Notes if the daily VWAP of its Common Stock is greater than or equal to 130% of the conversion price for at least 20 trading days during such 30 consecutive trading day period. If Cheniere Energy, Inc. elects to terminate the conversion rights with respect to the Notes on or prior to March 15, 2020, the conversion rate for any Notes converted in connection with such termination of conversion rights will be increased as set forth under “Description of the Notes — Adjustment to Conversion Rate Upon Conversion in Connection with a Make-Whole Fundamental Change or Termination of Conversion Rights.”

Optional Redemption:

After March 15, 2020, Cheniere Energy, Inc. may, at its option, redeem all or part of the Notes at a redemption price equal to the accreted amount of the Notes to be redeemed, plus accrued but unpaid interest, if any, to, but not including, the redemption date.

The accreted amount schedule is attached hereto.

The “cash settlement averaging period” with respect to any Note for purposes of any conversion in connection with an optional redemption shall be, if the relevant conversion date occurs after the date of an issuance of a redemption notice and on or prior to the third scheduled trading day immediately preceding the related redemption date, the 15 consecutive trading day period beginning on, and including, the 17th scheduled trading day preceding the redemption date, and all corresponding calculations for such purpose will be based on 15 consecutive trading days.

Adjustment to Conversion Rate Upon Conversion in Connection with a Make-Whole Fundamental Change or Termination of Conversion Rights:

The following table sets forth the number of additional shares of Common Stock, if any, by which the conversion rate with respect to the Notes will be increased for conversions in connection with a “make-whole fundamental change” (as defined in the “Description of the Notes”) or a termination of conversion rights.

The exact stock prices and effective dates may not be set forth in the table above, in which case:

- if the stock price is between two stock prices in the table or the effective date is between two effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the amount of the number of additional shares set forth for the higher and lower stock prices and the earlier and later effective dates, as applicable, based on a 365-day year;

-
- if the stock price is greater than \$300.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above), no additional shares will be added to the conversion rate; and
 - if the stock price is less than \$81.40 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above), no additional shares will be added to the conversion rate.

Notwithstanding the foregoing, in no event will the conversion rate be increased on account of a make-whole fundamental change or a termination of conversion rights to exceed 12.2850 shares of Common Stock per \$1,000 principal amount of the Notes, subject to adjustment in the same manner as the conversion rate is required to be adjusted as set forth under “Description of the Notes—Conversion Rights—Conversion Rate Adjustments.”

Net Proceeds:

Cheniere Energy, Inc. estimates that the net proceeds from this offering, after deducting estimated fees and expenses payable by Cheniere Energy, Inc., will be approximately \$496.5 million. Cheniere Energy, Inc. intends to use the net proceeds for general corporate purposes.
