Item 1.01. Entry into a Material Definitive Agreement.

Amended and Restated Working Capital Facility

On June 29, 2018, Cheniere Corpus Christi Holdings, LLC (the "Borrower"), Cheniere Corpus Christi Pipeline, L.P. ("CCP"), Corpus Christi Pipeline GP, LLC ("CCP GP") and Corpus Christi Liquefaction, LLC ("CCL") (CCP, CCP GP and CCL collectively the "Guarantors," and the Borrower and the Guarantors collectively the "Loan Parties"), each indirect wholly owned subsidiaries of Cheniere Energy, Inc., entered into the Amended and Restated Working Capital Facility Agreement (the "Working Capital Facility Agreement") with The Bank of Nova Scotia, as Working Capital Facility Agent, Société Générale, as Security Trustee, and working capital lenders and issuing banks party thereto from time to time. The Working Capital Facility Agreement amends and restates the Borrower's existing working capital facility agreement to provide for approximately \$850 million of incremental commitments to the Loan Parties thereunder, increasing the total committed amount under the Working Capital Facility Agreement to \$1.2 billion.

The Working Capital Facility is intended to be used for loans ("Working Capital Loans") to, and the issuance of letters of credit ("Letters of Credit") on behalf of, the Borrower, for certain working capital requirements related to developing and placing into operation the Corpus Christi natural gas liquefaction facilities and Corpus Christi natural gas pipeline and related facilities near Corpus Christi, Texas (the "CCL Project").

The Working Capital Facility will be used for (i) payment of gas purchase, transportation and storage expenses (including to meet credit support requirements under gas purchase, transportation or storage agreements); (ii) funding of debt service reserves; (iii) other working capital and other general corporate purposes; and (iv) the payment of transaction fees and expenses. Up to \$250 million may be used for general corporate purposes. The entire amount of the Working Capital Facility will be available for the issuance of Letters of Credit.

The Working Capital Facility allows the Borrower to request incremental commitments up to the maximum allowed under the Common Terms Agreement (as defined below) for the Working Capital Facility subject to customary conditions precedent.

Conditions Precedent to Extensions of Credit

Advances of Working Capital Loans and issuances of Letters of Credit under the Working Capital Facility are subject to customary conditions precedent, including the absence of defaults, bring-down of certain representations and warranties, perfection of security interests, payment of applicable fees and expenses and certifications as to construction progress.

Interest and Fees

Loans under the Working Capital Facility, including Working Capital Loans and any loans deemed made in connection with a draw upon any Letters of Credit ("LC Loans") (collectively, the "Revolving Loans") will bear interest at a variable rate per annum equal to LIBOR or the base rate (the highest of (a) the federal funds rate plus 0.50%, (b) the prime rate published in The Wall Street Journal (or if the Wall Street Journal ceases to publish such rate, the

prime lending rate as set forth on the Bloomberg PRIMBB Index or any other service as determined by the Working Capital Facility Agent from time to time) and (c) the LIBOR for an interest period of one month plus 0.5%), plus the applicable margin. The applicable margin for LIBOR Revolving Loans ranges from 1.25% to 1.75%, and the applicable margin for base rate Revolving Loans ranges from 0.25% to 0.75%, in each case, based on the Borrower's debt ratings then in effect. Interest on Working Capital Loans and LC Loans is due and payable on the date such loans become due. Interest on LIBOR Revolving Loans is due and payable at the end of each LIBOR period, and interest on base rate Revolving Loans is due and payable at the end of each calendar quarter.

The Borrower will pay (i) a commitment fee on the average daily amount of the excess of the total commitment amount over the principal amount outstanding in an amount equal to an annual rate of 40% of the applicable margin for LIBOR loans; (ii) a letter of credit fee equal to an annual rate equal to the applicable margin for LIBOR Revolving Loans on the undrawn portion of all Letters of Credit issued under the Working Capital Facility; and (iii) a letter of credit fronting fee to each issuing bank that has issued fronted Letters of Credit in an amount equal to an annual rate of 0.20% of the undrawn portion of all Letters of Credit issued by such issuing bank. Each of these fees is payable quarterly in arrears. In the event that draws are made upon any Letters of Credit issued under the Working Capital Facility and the Borrower does not elect for such draw to be deemed an LC Loan (an "LC Draw"), the Borrower is required to pay the full amount of the LC Draw on or prior to 12:00 p.m., New York City time, on the business day immediately succeeding its timely receipt of notice of the LC Draw. Any such LC Draw shall bear interest at an annual rate equal to the base rate plus 2.0%.

In connection with the Working Capital Facility, the Borrower will pay upfront fees to the agents and lenders under the Working Capital Facility together with additional transaction fees in the aggregate amount of approximately \$[14] million. Annual administrative fees must also be paid to the Working Capital Facility Agent under the Working Capital Facility.

Repayments

The Working Capital Facility matures on June 29, 2023 (the "Maturity Date"). LC Loans have a term of up to one year.

The Borrower is required to reduce the aggregate outstanding principal amount of all Working Capital Loans to zero for a period of five consecutive business days at least once each year. The Borrower may prepay the Revolving Loans at any time without premium or penalty upon three business days' notice.

Covenants and Events of Default

The Working Capital Facility generally incorporates the representations, warranties, covenants, reporting requirements and mandatory prepayment provisions of the Amended and Restated Common Terms Agreement, dated as of May 22, 2018, among the Borrower and certain other parties thereto and Société Générale, as security trustee and intercreditor agent (the "Common Terms Agreement"), which was previously disclosed in the Borrower's Current Report on Form8-K, filed with the Securities and Exchange Commission on May 22, 2018.

Upon the discharge of all debt governed by the Common Terms Agreement (other than the Working Capital Facility), the representations, warranties and covenants in the Common Terms Agreement will no longer apply and will be replaced with the representations, warranties and covenants contained in the Working Capital Facility, which address matters customary in project financings and are generally less restrictive than those in the Common Terms Agreement. The Working Capital Facility includes customary events of default which are subject to customary grace periods and materiality standards.

Collateral

The Revolving Loans, the Borrower's existing term loan facility, senior notes and obligations under the interest rate protection agreements entered into in connection with the term loan facility (collectively, the "Secured Obligations") are secured on a *pari passu* basis by a first priority lien (subject to customary permitted encumbrances) in substantially all of the assets of the Borrower and the Guarantors. In addition, the Secured Obligations are secured by a pledge of all of the membership interests in the Borrower and each of the Guarantors. The Borrower is also required to establish and maintain certain deposit accounts which are subject to the control of Société Générale, as security trustee. The Revolving Loan proceeds and other receipts will be deposited into these accounts or applied directly for the purposes for which they are borrowed. The liens securing the Secured Obligations are evidenced by customary mortgage and other security documents and are subject to customary intercreditor arrangements.

The foregoing description of the Working Capital Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Working Capital Facility agreement, which is filed as Exhibit 10.1 to this report and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form8-K is incorporated by reference into this Item 2.03.

- (vi) that each of the conditions precedent to such Working Capital Borrowing has been satisfied or waived.

(f) The currency specified in a Working Capital Disbursement Request must be US Dollars.

(g) If no election as to whether the requested Working Capital Borrowing is of LIBOR Loans or Base Rate Loans, then the requested Working Capital Borrowing shall be LIBOR Loans; *provided* that, if the applicable Working Capital Disbursement Request is delivered to the Working Capital Facility Agent later than 12:00 noon, New York City time, on the third Business Day prior to the proposed Borrowing Date, the requested Working Capital Borrowing shall be Base Rate Loans. If no initial Interest Period is specified with respect to any requested LIBOR Loans, then the requested Working Capital Borrowing shall be made as a LIBOR Loan with an initial Interest Period of one month.

Section 2.04 Funding. (a) Subject to clause (c) below, on the proposed Borrowing Date of each Working Capital Borrowing, each Working Capital Lender shall make a Working Capital Loan in the amount of its Commitment Percentage of such Working Capital Borrowing by wire transfer of immediately available funds to the Working Capital Facility Agent, not later than 1:00 p.m., New York City time, and the Working Capital Facility Agent shall transfer and deposit the amounts so received as set forth in Section 2.01(c) or (d) (*Working Capital Loans*), as applicable; *provided* that, if a Working Capital Borrowing does not occur on the proposed Borrowing Date because any condition precedent to such requested Working Capital Borrowing herein specified has not been met, the Working Capital Facility Agent shall return the amounts so received to each Working Capital Lender without interest as soon as possible.

(b) Subject to Section 5.04 (*Obligation to Mitigate*), each Working Capital Lender may (without relieving the Borrower of its obligation to repay a Working Capital Loan in accordance with the terms of this Agreement), at its option, fulfill its Working Capital Debt Commitments with respect to any such Working Capital Loan by causing any domestic or foreign branch or Affiliate of such Working Capital Lender to make such Working Capital Loan.

(c) Unless the Working Capital Facility Agent has been notified in writing by any Working Capital Lender prior to a proposed Borrowing Date that such Working Capital Lender will not make available to the Working Capital Facility Agent its portion of the Working Capital Borrowing proposed to be made on such date, the Working Capital Facility Agent may assume that such Working Capital Lender has made such amounts available to the Working Capital Facility Agent on such date and the Working Capital Facility Agent in its sole discretion may, in reliance upon such assumption, make available to the Borrower, or the applicable Working Capital Lender in cases of payment of interest and Working Capital Commitment Fees payable in accordance with Section 2.01(d) (*Working Capital Loans*) above, a corresponding amount. If such corresponding amount is not in fact made available to the Working Capital Facility Agent by such Working Capital Lender and the Working Capital Facility Agent has made such amount available to the Borrower, or the applicable Working Capital Lender in cases of payment of interest and Working Capital Commitment Fees payable in accordance with Section 2.01(d) (*Working Capital Loans*) above, the Working Capital Facility Agent shall be entitled to recover on demand from such Working Capital Lender such corresponding amount plus interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Working Capital Facility Agent to the

Borrower to the date such corresponding amount is recovered by the Working Capital Facility Agent at an interest rate *per annum* equal to the Federal Funds Effective Rate. If such Working Capital Lender pays such corresponding amount (together with such interest), then such corresponding amount so paid shall constitute such Working Capital Lender's Working Capital Loan included in such Working Capital Borrowing. If such Working Capital Lender does not pay such corresponding amount forthwith upon the Working Capital Facility Agent's demand, the Working Capital Facility Agent shall promptly notify the Borrower and the Borrower shall promptly repay such corresponding amount to the Working Capital Facility Agent plus interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Working Capital Facility Agent to the Borrower to the date such corresponding amount is recovered by the Working Capital Facility Agent at an interest rate *per annum* equal to the Base Rate plus the Applicable Margin. If the Working Capital Facility Agent receives payment of the corresponding amount from each of the Borrower and such Working Capital Lender, the Working Capital Facility Agent shall promptly remit to the Borrower such corresponding amount. If the Working Capital Facility Agent receives payment of interest on such corresponding amount from each of the Borrower and such Working Capital Lender for an overlapping period, the Working Capital Facility Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. Nothing herein shall be deemed to relieve any Working Capital Lender from its obligation to fulfill its Working Capital Debt Commitments hereunder and, for the avoidance of doubt, a Working Capital Lender that fails to make all or any portion of any payment on the due date for such payment shall be deemed in default of its obligations under Section 2.01 (*Working Capital Loans*) above. Any payment by the Borrower pursuant to this Section 2.04(c) (*Funding*) shall be without prejudice to any claim the Borrower may have against a Working Capital Lender that shall have failed to make such payment to the Working Capital Facility Agent. The failure of any Working Capital Lender to make available to the Working Capital Facility Agent its portion of the Working Capital Borrowing shall not relieve any other Working Capital Lender of its obligations, if any, hereunder to make available to the Working Capital Facility Agent its portion of the Working Capital Borrowing on the date of such Working Capital Borrowing, but no Working Capital Lender shall be responsible for the failure of any other Working Capital Lender to make available to the Working Capital Facility Agent such other Working Capital Lender's portion of the Working Capital Borrowing on the date of any Working Capital Borrowing. A notice of the Working Capital Facility Agent to any Working Capital Lender or the Borrower with respect to any amounts owing under this Section 2.04(c) (*Funding*) shall be conclusive, absent manifest error.

(d) Each of the Working Capital Lenders shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Working Capital Lender resulting from each Loan made by such Working Capital Lender, including the amounts of principal and interest payable and paid to such Working Capital Lender from time to time hereunder.

(e) The Working Capital Facility Agent shall maintain at the Working Capital Facility Agent's office (i) a copy of any Lender Assignment Agreement delivered to it pursuant to Section 11.04 (*Assignments*) and (ii) a register for the recordation of (A) the names and addresses of the Working Capital Lenders and the Issuing Banks, (B) all the Working Capital Debt Commitments of, and principal amount of and interest on the Working Capital Loans and

LC Loans owing and paid to, each Working Capital Lender pursuant to the terms hereof from time to time, (C) the amount, beneficiary and termination date of all outstanding Letters of Credit, (D) the Issuing Bank Limit of each Issuing Bank and (E) amounts received by the Working Capital Facility Agent from the Borrower and whether such amounts constitute principal, interest, fees or other amounts and each Working Capital Lender's or Issuing Bank's share thereof (the "**Working Capital Register**"). The Working Capital Register shall be available for inspection by the Borrower, any Joint Lead Arranger, any Issuing Bank and any Working Capital Lender at any reasonable time and from time to time upon reasonable prior notice.

(f) The entries made by the Working Capital Facility Agent in the Working Capital Register or the accounts maintained by any Working Capital Lender or any Issuing Bank shall be conclusive and binding evidence, absent manifest error, of the existence and amounts of the obligations recorded therein; *provided* that, the failure of any Working Capital Lender, Issuing Bank or the Working Capital Facility Agent to maintain such Working Capital Register or accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Working Capital Loans or LC Loans in accordance with the terms of this Agreement. In the event of any conflict between the accounts and records maintained by any Working Capital Lender and the accounts and records of the Working Capital Facility Agent in respect of such matters, the accounts and records of the Working Capital Facility Agent shall control, in the absence of manifest error.

Section 2.05 Termination or Reduction of Commitments. (a) All unused Working Capital Debt Commitments, if any, shall be automatically and permanently terminated (without premium or penalty) as of 5:00 p.m. (New York time) on the last day of the Working Capital Availability Period that is a Business Day.

(b) The Borrower may cancel or reduce permanently the whole or any part of the unutilized Aggregate Working Capital Debt Commitments and a proportionate amount of the Non-Fronting Limit upon at least three (3) Business Days' prior written notice to the Working Capital Facility Agent in accordance with Section 3.2 *Right of Repayment and Cancellation in Relation to a Single Facility Lender*, Section 3.7 *Pro Rata Payment* and Section 3.8 *Reductions and Cancellations of Facility Debt Commitments* of the Common Terms Agreement (other than Section 3.8(c) which shall not apply to a reduction or cancellation of Working Capital Debt Commitments) and certification by the Borrower to the Working Capital Facility Agent that the letter of credit capacity under the portion of the Working Capital Debt Commitments to be cancelled, after taking into account other funding sources irrevocably available to the Loan Parties, is not required to satisfy any express obligation to the Loan Parties to provide letters of credit at such time; *provided* that, in accordance with Section 3.8 *Reductions and Cancellations of Facility Debt Commitments* and Section 3.7(b)(i) *Pro Rata Payments* of the Common Terms Agreement and Section 2.3(a)(ii)(B) *Payments and Prepayments* of the Common Security and Account Agreement (i) any such cancellation of Working Capital Debt Commitments and Non-Fronting Limits may be made without *pro rata* cancellation of Facility Debt Commitments under any other Facility Agreements then in effect and (ii) the Working Capital Lenders shall not be entitled to *pro rata* cancellation in the case of a cancellation of Facility Debt Commitments under any other Facility Agreements. Where such cancellation or reduction is to be made *pro rata* among the Working Capital Lenders, the

Aggregate Working Capital Debt Commitments and Non-Fronting Limits shall be automatically and permanently reduced (*pro rata* among all Working Capital Lenders in accordance with their Commitment Percentage). Any such partial cancellation or reduction pursuant to this Section 2.05(b) shall be in the minimum amount of \$1,000,000 or an integral multiple of \$1,000,000 in excess thereof. From the effective date of any such reduction or cancellation, the Working Capital Commitment Fees shall be computed on the undrawn portion of the Working Capital Debt Commitments as so reduced or cancelled.

(c) On the date of incurrence of any Replacement Senior Debt in accordance with Section 6.3 (*Replacement Senior Debt*) of the Common Terms Agreement, no *pro rata* repayment of Working Capital Loans or cancellations of Working Capital Debt Commitments of the Working Capital Lenders shall be required to be made by the Loan Parties.

(d) The Borrower shall have the right to permanently terminate the Working Capital Debt Commitment of any Non-Consenting Lender on a non-*pro rata* basis, pursuant to Section 5.04 (*Obligation to Mitigate*).

(e) All unused Working Capital Debt Commitments, if any, shall be terminated upon the occurrence of a Working Capital Facility Event of Default if required pursuant to Section 9.03 (*Acceleration Upon Bankruptcy*) or Section 9.04 (*Action Upon Event of Default*) in accordance with the terms thereof.

Section 2.06 [Reserved].

Section 2.07 [Reserved].

Section 2.08 Incremental Commitments.

(a) *Commitment Increase*. The Borrower may from time to time, by written notice to the Working Capital Facility Agent (a "**Commitment Increase Notice**"), request increases in the Working Capital Debt Commitments and an equal increase in the Non-Fronting Limit of the relevant Working Capital Lender or other Person that is an Eligible Assignee (each, a "**Commitment Increase**") up to an aggregate principal amount not to exceed the maximum amount of Working Capital Debt permitted pursuant to Section 6.2(a) (*Working Capital Debt*) of the Common Terms Agreement.

(b) *Commitment Increase Notice*. The Commitment Increase Notice shall specify (i) the date on which the Borrower proposes that such Commitment Increase shall be effective, which shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to the Working Capital Facility Agent and (ii) the identity of each Working Capital Lender or other Person that is an Eligible Assignee (each, an "**Incremental Lender**") to whom the Borrower proposes any portion of the Commitment Increase be allocated and the amounts of such allocations; *provided* that, any Working Capital Lender approached to provide all or a portion of the Commitment Increase may elect or decline, in its sole and absolute discretion, to participate.

(c) *Incremental Amendments*. Each Commitment Increase shall become Working Capital Debt Commitments and Non-Fronting Limits (or, in the case of an increase in the commitment of an existing Working Capital Lender, an increase in such Working Capital Lender's applicable Working Capital Debt Commitment and Non-Fronting Limit) under this Agreement pursuant to an amendment (such amendment, an **"Incremental Amendment"**) to this Agreement executed by the Borrower, the Working Capital Facility Agent and each Incremental Lender (with the consent of no other Working Capital Lender being required) which provides solely for (i) the increase in the applicable Working Capital Debt Commitments and Non-Fronting Limits, (ii) amendments required to reflect the relative unfunded Commitments of the Incremental Lenders and (iii) the joinder of each Incremental Lender that is not already an existing Working Capital Lender to this Agreement. The effectiveness of any Incremental Amendment shall be subject solely to the conditions that (A) no Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default shall exist on such date of effectiveness before or after giving effect to such Commitment Increase, (B) each Incremental Lender that is not already a Working Capital Lender shall be entitled to receipt of any required reliance letters in respect of the legal opinions provided to the Working Capital Facility Agent pursuant to Section 7.01(e) (*Opinions from Counsel*), (C) since the time of the financial statements most recently provided pursuant to Section 10.1(a) (*Accounting, Financial and Other Information*) of the Common Terms Agreement no developments have occurred which, individually or in the aggregate have resulted in or could reasonably be expected to result in a Material Adverse Effect and (D) each Incremental Lender who is not already a Working Capital Lender is reasonably acceptable to the Working Capital Facility Agent and each Issuing Bank.

ARTICLE III
LETTERS OF CREDIT

Section 3.01 [Reserved].

Section 3.02 Letters of Credit. (a) Subject to the terms and conditions set forth herein and, as applicable, the terms and conditions set forth in the Common Terms Agreement, the Borrower may (but is not required to), deliver to the Working Capital Facility Agent (which shall promptly distribute copies thereof to the Working Capital Lenders) and (1) the Issuing Bank designated by the Borrower in its sole discretion with respect to Fronted Letters of Credit and (2) each Issuing Bank with a Non-Fronting Limit with respect to Non-Fronted Letters of Credit, a letter of credit request substantially in the form of Exhibit B-7 hereto or such other form as required by the applicable Issuing Bank (a **"Request for Issuance"**) for the issuance, extension, modification or amendment of a Letter of Credit from time to time during the Working Capital Availability Period. Each Request for Issuance shall include (i) the date (which shall be a Business Day, but in no event later than the date that occurs five (5) Business Days prior to the Termination Date) of issuance of such Letter of Credit (or the date of effectiveness of such extension, modification or amendment) and the stated expiry date thereof (which will be consistent with Section 3.02(d)), (ii) the proposed stated amount of such Letter of Credit, (iii) the intended beneficiary of such Letter of Credit, (iv) a description of the intended use of such Letter of Credit and (v) whether such Letter of Credit is to be a Fronted Letter of Credit or a Non-Fronted Letter of Credit. Each Request for Issuance shall be irrevocable unless modified or rescinded by the Borrower not less than one (1) Business Day prior to the proposed date of issuance (or effectiveness) specified therein.

(b) The Borrower may request Letters of Credit up to the lesser of (i) an aggregate stated amount for all requested and issued Letters of Credit of (A) in the case of Fronted Letters of Credit, the aggregate Fronting Limit of all Issuing Banks with a Fronting Limit; and (B) in the case of Non-Fronted Letters of Credit, the aggregate Non-Fronting Limit of all Issuing Banks with a Non-Fronting Limit and (ii) the Aggregate Working Capital Debt Commitments; *provided*, in each case, that no Issuing Bank shall be required to issue any Letter of Credit or any amendment to increase the face or stated amount of any Letter of Credit if, after such issuance or amendment, (A) the aggregate Commitment Exposure for all Working Capital Lenders shall exceed the Aggregate Working Capital Debt Commitments, (B) the LC Exposure of such Issuing Bank with a Fronting Limit shall exceed its Fronting Limit; (C) the LC Exposure of such Issuing Bank with a Non-Fronting Limit shall exceed its Non-Fronting Limit or (D) the Commitment Exposure of such Issuing Bank shall exceed its Working Capital Debt Commitment in its capacity as a Working Capital Lender. For the avoidance of doubt, subject to compliance with the foregoing requirements, the Borrower may request Fronted Letters of Credit from an Issuing Bank with a Fronting Limit up to the Issuing Bank's full Fronting Limit.

(c) Promptly after its receipt of a Request for Issuance, the Issuing Bank will confirm with the Working Capital Facility Agent (by telephone or in writing) that the Working Capital Facility Agent has received a copy of such Request for Issuance from the Borrower and, if not, the Issuing Bank will provide the Working Capital Facility Agent with a copy thereof. Unless the Issuing Bank has received notice (by telephone or in writing) from the Working Capital Facility Agent (including at the request of any Working Capital Lender) no later than the Business Day prior to the proposed date of issuance (or effectiveness) (i) directing the Issuing Bank not to issue (or extend, amend or modify) such Letter of Credit as a result of the limitations set forth in Section 3.02(b), or (ii) that one or more of the applicable conditions precedent in Section 7.02 (*Conditions to Each Working Capital Borrowing*) is not then satisfied or waived, then (A) the applicable Issuing Bank shall issue (or extend, modify or amend) each Letter of Credit not later than 12:00 noon, New York City time, on the later of (1) the proposed date of issuance (or effectiveness) specified in such Request for Issuance and (2) one (1) Business Day after the receipt of the Request for Issuance (taking into account that any Request for Issuance received after 12:00 noon, New York City time, on any Business Day will be deemed received on the next Business Day), and (B) such issuance (or effectiveness) shall be subject to the terms and conditions hereof, including fulfillment of the applicable conditions precedent and the other requirements set forth herein. An Issuing Bank shall issue (or extend, amend or modify) a requested Letter of Credit to the Borrower or directly to the intended beneficiary and shall provide notice and a copy thereof to the Intercreditor Agent and the Working Capital Facility Agent, which, in the case of a Fronted Letter of Credit, shall promptly furnish copies thereof to the Working Capital Lenders, and to the extent that such Letter of Credit was issued directly to the intended beneficiary, such Issuing Bank shall provide notice and a copy thereof to the Borrower.

(d) Letters of Credit shall expire no later than the earlier of (i) one year from the date of issuance of such Letter of Credit and (ii) five (5) Business Days prior to the Termination Date. Each Letter of Credit may, if requested by the Borrower, provide that it will be automatically renewed or extended for a stated period of time at the end of its then-scheduled expiration date (but in any event shall not be extended for longer than one year from

the date of effectiveness of such extension or beyond five (5) Business Days prior to the Termination Date) unless the Issuing Bank that issued the Letter of Credit notifies the beneficiary thereof prior to such expiration date that such Issuing Bank elects not to renew or extend such Letter of Credit. In no event shall the Working Capital Lenders have any obligation to pay any amount to (or for the account of) any Issuing Bank or any other Person, in respect of a drawing under a Letter of Credit that occurs after the Working Capital Final Maturity Date.

(e) Notwithstanding anything in this Agreement to the contrary, no Issuing Bank will have any obligation to issue or renew, or extend the expiry date of, any Letter of Credit if any judgment, order, or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing or renewing or extending the expiry date of such Letter of Credit, or any Government Rule or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of new letters of credit or the renewal or extension of the expiry date of issued letters of credit generally or the issuance, renewal or extension of the expiry date of a Letter of Credit specifically or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve, or capital requirement, or shall impose upon such Issuing Bank any loss, cost, or expense. Each Issuing Bank shall provide the Borrower with prompt notice of the occurrence of any event described in this Section 3.02(e) not later than two (2) Business Days after obtaining knowledge of the occurrence of any such event.

(f) The Borrower may designate any requested Letter of Credit as a Fronted Letter of Credit or a Non-Fronted Letter of Credit; *provided* that, (i) the Borrower may only request Fronted Letters of Credit from an Issuing Bank that is specified in this Agreement as having a Fronting Limit, (ii) the Borrower may only request Non-Fronted Letters of Credit with respect to requirements under firm transportation agreements related to the Development or for the purpose of funding the Senior Debt Service Reserve Account and (iii) if the Borrower wishes to request Letters of Credit from any Issuing Banks that do not have a Fronting Limit, the Borrower shall determine the specific amount to be covered by such Letters of Credit to be provided to a specific beneficiary (the "**Non-Fronted LC Amount**"), and it shall make requests for Non-Fronted Letters of Credit simultaneously to all the Issuing Banks under this Agreement such that the aggregate stated amount of all such Non-Fronted Letters of Credit issued to such beneficiary is equal to the Non-Fronted LC Amount and the stated amount of the Non-Fronted Letter of Credit of each individual Issuing Bank is equal to its Commitment Percentage of the Non-Fronted LC Amount. No Working Capital Lender is required to participate in the extension of credit resulting from the issuance (or extension, modification or amendment) of a Non-Fronted Letter of Credit issued by an Issuing Bank other than itself. Each Working Capital Lender severally agrees with each Issuing Bank to participate in an amount equal to its Commitment Percentage in the extension of credit resulting from the issuance (or extension, modification or amendment) of a Fronted Letter of Credit by such Issuing Bank and each drawing of the LC Available Amounts thereunder, in the manner and the amount provided in Section 3.03 (*Reimbursement to Issuing Banks*), and the issuance of such Fronted Letter of Credit shall be deemed to be a confirmation by the Issuing Bank and each Working Capital Lender of such participation in such amount; *provided* that, no Working Capital Lender shall be required to participate in a Fronted Letter of Credit if such Working Capital Lender's Commitment Exposure would exceed its Working Capital Debt Commitment as a result of such participation.

(g) In addition to the date of issuance, stated expiry date, stated amount, beneficiary and intended use specified in the applicable Request for Issuance, each Letter of Credit shall provide (unless the Borrower specifies otherwise in such Request for Issuance) for:

(i) payment in immediately available funds in US Dollars on a Business Day;

(ii) multiple drawings and partial drawings;

(iii) applicability of the International Standby Practices 1998, International Chamber of Commerce Publication No. 590 (1998) (“**ISP98**”), Uniform Customs and Practice for Documentary Credits, International Chamber of Commerce Publication No. 600 (2007) (“**UCP 600**”), or such other rules as the Borrower and the applicable Issuing Bank shall agree, and shall, as to matters not governed by ISP98, UCP 600 or such other rules, be governed and construed in accordance with the laws of the State of New York and applicable U.S. federal law; and

(iv) a drawing by the beneficiary of the full available amount thereof if either (A) the Issuing Bank that issued the Letter of Credit ceases to satisfy the minimum credit ratings for an Issuing Bank hereunder (as set forth in the definition of “Issuing Bank” in Exhibit A (Definitions) hereto) and such Letter of Credit has not been replaced by an Issuing Bank satisfying such minimum credit ratings within twenty (20) days or such shorter number of days as required under the document, if any, with respect to which such Letter of Credit is issued; *provided* that, the right to draw under this clause (A) shall only be included in the applicable Letter of Credit to the extent required under such document with respect to which such Letter of Credit is issued or (B) the Issuing Bank that issued the Letter of Credit notifies the Borrower (which shall promptly notify the beneficiary) prior to the then-scheduled expiration date that such Issuing Bank elects not to renew or extend such Letter of Credit. For the avoidance of doubt, the right to draw under clause (A) above shall be included in any Letter of Credit issued to fund the Senior Debt Service Reserve Accounts; and

(v) in the case of a Non-Fronted Letter of Credit, the beneficiary will be required to certify that it is making *pro rata* draw with all other Letters of Credit issued in favor of such beneficiary in respect of a Non-Fronted LC Amount based on the percentage of such Non-Fronted Letter of Credit to Non-Fronted LC Amount as notified to the beneficiary by the Borrower.

Section 3.03 Reimbursement to Issuing Banks

(a) An Issuing Bank shall give the Working Capital Facility Agent, the Security Trustee, the Borrower and each of the Working Capital Lenders prompt notice of any payment made by such Issuing Bank in accordance with the terms of any Letter of Credit issued by such Issuing Bank (an “**LC Payment Notice**”) no later than 10:00 a.m., New York City time, on the Business Day immediately succeeding the date of such payment by such Issuing Bank.

(b) Upon delivery to the Borrower of an LC Payment Notice on or before 10:00 a.m., New York City time, on the Business Day immediately succeeding the date of such payment by an Issuing Bank, unless the Borrower provides written notice to such Issuing Bank and the Working Capital Facility Agent electing to have the reimbursement obligation converted into an LC Loan in accordance with Sections 3.03(e) and (f), the Borrower shall, on or before 12:00 noon, New York City time, on such Business Day, reimburse such Issuing Bank for such payment (an “**LC Reimbursement Payment**”) by paying to the Working Capital Facility Agent, for the account of such Issuing Bank, an amount equal to the payment made by such Issuing Bank plus interest on such amount at a rate per annum equal to the Base Rate plus 2.00%; *provided* that, if an Issuing Bank delivers an LC Payment Notice to the Borrower after 10:00 a.m., New York City time, on the Business Day immediately succeeding the date of payment by such Issuing Bank, the Borrower shall make the LC Reimbursement Payment on or before 12:00 noon, New York City time, on the next succeeding Business Day. An Issuing Bank’s failure to provide an LC Payment Notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank for any payment it makes under any Letter of Credit. In the case of any Non-Fronted Letters of Credit issued with respect to a specific Non-Fronted LC Amount, the Borrower may not elect to make an LC Reimbursement Payment and/or convert a reimbursement obligation into a LC Loan for some but not all the Issuing Banks providing Non-Fronted Letters of Credit with respect to such Non-Fronted LC Amount.

(c) If the Borrower fails to make the LC Reimbursement Payment as required under Section 3.03(b) (*Reimbursement to Issuing Banks*) or provides written notice to such Issuing Bank and the Working Capital Facility Agent electing to have the reimbursement obligation converted into an LC Loan, such reimbursement obligation shall automatically convert to an LC Loan. If such LC Loan relates to a Fronted Letter of Credit, the Working Capital Facility Agent shall promptly notify each of the Working Capital Lenders of the amount of its share of the payment made under such Fronted Letter of Credit, which shall be such Working Capital Lender’s Commitment Percentage of such amount paid by such Issuing Bank (the “**Working Capital Lender Payment Notice**”). Subject to Section 3.02(f) (*Letters of Credit*), each Working Capital Lender hereby severally agrees to pay the amount specified in the Working Capital Lender Payment Notice in immediately available funds to the Working Capital Facility Agent for the account of such Issuing Bank with respect to a Fronted Letter of Credit plus interest on such amount at a rate per annum equal to the Federal Funds Effective Rate from the date of such payment by such Issuing Bank to the date of payment to such Issuing Bank by such Working Capital Lender. Each Working Capital Lender shall make such payment by not later than 4:00 p.m., New York City time, on the date it received the Working Capital Lender Payment Notice (if such notice is received at or prior to 1:00 p.m., New York City time) and before 12:00 noon, New York City time, on the next succeeding Business Day following such receipt (if such notice is received after 1:00 p.m., New York City time). In the case of Fronted Letters of Credit, each Working Capital Lender shall indemnify and hold harmless such Issuing Bank from and against any and all losses, liabilities (including liabilities for penalties), actions, suits, judgments, demands, costs, and expenses (including reasonable attorneys’ fees and expenses) resulting from any failure on the part of such Working Capital Lender to provide, or from any delay in providing, the Working Capital Facility Agent for the account of such Issuing

Bank with its Commitment Percentage of the amount paid under the Fronted Letter of Credit but no such Working Capital Lender shall be so liable for any such failure on the part of or caused by any other Working Capital Lender or the willful misconduct or gross negligence, as determined by a court of competent jurisdiction by a final and non-appealable order, of the Working Capital Facility Agent. Each Working Capital Lender's obligation to make each such payment to the Working Capital Facility Agent for the account of the applicable Issuing Bank in the case of payments made in respect of a Fronted Letter of Credit shall be several and not joint and shall not be affected by (A) the occurrence or continuance of any Working Capital Facility Event of Default, (B) the failure of any other Working Capital Lender to make any payment under this Section 3.03 (*Reimbursement to Issuing Banks*), or (C) the date of the drawing under the applicable Letter of Credit issued by the applicable Issuing Bank; *provided* that, such drawing occurs prior to the earlier of (i) the Working Capital Final Maturity Date or (ii) the termination date of the applicable Fronted Letter of Credit. Each Working Capital Lender further agrees that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(d) The Working Capital Facility Agent shall pay to the applicable Issuing Bank in immediately available funds the amounts paid in respect of a Fronted Letter of Credit pursuant to Section 3.03(b) (*Reimbursement to Issuing Banks*) and Section 3.03(c) (*Reimbursement to Issuing Banks*) before the close of business on the day such payment is received; *provided* that, any amount received by the Working Capital Facility Agent that is due and owing to such Issuing Bank and remains unpaid to such Issuing Bank on the date of receipt shall be paid on the next succeeding Business Day with interest payable at the Federal Funds Effective Rate.

(e) For so long as any Working Capital Lender is a Defaulting Lender under clause (a) of the definition thereof, each Issuing Bank in respect of a Fronted Letter of Credit shall be deemed, for purposes of Section 4.17 (*Sharing of Payments*) and Article IX (*DEFAULT AND ENFORCEMENT*), to be a Working Capital Lender hereunder in substitution of such Defaulting Lender, owed a loan in an amount equal to the outstanding principal amount due and payable by such Defaulting Lender to the Working Capital Facility Agent for the account of each Issuing Bank in respect of such Fronted Letter of Credit pursuant to subsection (c) above. Notwithstanding anything else to the contrary contained herein, the failure of any Working Capital Lender to make any required payment in response to any LC Payment Notice in respect of a Fronted Letter of Credit shall not increase the total aggregate amount payable by the Borrower with respect to the payment described in the related LC Payment Notice in respect of a Fronted Letter of Credit above the total aggregate amount that would have been payable by the Borrower at the applicable rate for Working Capital Loans if such Defaulting Lender would have funded its payments to such Working Capital Facility Agent in a timely manner in response to such LC Payment Notice in respect of a Fronted Letter of Credit.

(f) Each payment made by a Working Capital Lender under subsection (c) above shall constitute an LC Loan deemed made by such Working Capital Lender to the Borrower on the date of such payment by an Issuing Bank under a Fronted Letter of Credit issued by such Issuing Bank. All such payments by the Working Capital Lenders in respect of any one such payment by such Issuing Bank shall constitute a single LC Loan hereunder. Each payment made by an Issuing Bank in respect of a Non-Fronted Letter of Credit that is not

reimbursed by the Borrower or that is converted into an LC Loan by notice from the Borrower pursuant to clause (c) above shall constitute an LC Loan deemed made by such Issuing Bank in its capacity as a Working Capital Lender. LC Loans that are converted to LIBOR Loans in respect of Non-Fronted Letters of Credit with respect to a specific Non-Fronted LC Amount shall constitute a single LIBOR Loan for the purposes of Section 4.05(e) (*Interest Rates*) hereunder. Each LC Loan initially shall be a Base Rate Loan.

Section 3.04 Obligations Absolute. The payment obligations of each Working Capital Lender under Section 3.03(c) (*Reimbursement to Issuing Banks*) and of the Borrower under this Agreement in respect of any payment under any Letter of Credit and any LC Loan shall be unconditional and irrevocable (subject only to the Borrower's and each Working Capital Lender's right to bring suit against an Issuing Bank pursuant to Section 3.05 (*Liability of the Issuing Banks and the Working Capital Lenders*) following the reimbursement of such Issuing Bank for any such payment), and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following circumstances:

(a) any lack of validity or enforceability of any Finance Document or any other agreement or instrument relating thereto or to such Letter of Credit;

(b) any amendment or waiver of, or any consent to departure from, all or any of the Finance Documents;

(c) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against any beneficiary, or any transferee, of such Letter of Credit (or any Persons for whom any such beneficiary or any such transferee may be acting), any Issuing Bank, or any other Person, whether in connection with this Agreement, the transactions contemplated herein or by such Letter of Credit, or any unrelated transaction;

(d) any statement or any other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(e) payment in good faith by an Issuing Bank under any Letter of Credit issued by such Issuing Bank against presentation of a draft or certificate which does not comply with the terms of such Letter of Credit; or

(f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Section 3.05 Liability of the Issuing Banks and the Working Capital Lenders. The Borrower assumes all risks of the acts and omissions of any beneficiary or transferee of any Letter of Credit, and none of the Working Capital Facility Agent, the Issuing Banks, the Working Capital Lenders nor any of their respective Related Parties shall be liable or responsible for (a) the use that may be made of such Letter of Credit or any acts or omissions of any beneficiary or transferee thereof in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by the applicable Issuing Bank against presentation of documents that do not comply with the terms of such Letter of

Credit, including failure of any documents to bear any reference or adequate reference to such Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under such Letter of Credit; *provided* that, in each case, payment by the applicable Issuing Bank shall not have constituted gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable order. The Borrower and each Working Capital Lender shall have the right to bring suit against an Issuing Bank, and such Issuing Bank shall be liable to the Borrower and any Working Capital Lender, to the extent of any direct, as opposed to consequential, damages suffered by the Borrower or such Working Capital Lender caused by such Issuing Bank's willful misconduct or gross negligence as determined by a court of competent jurisdiction by a final and non-appealable order, including such Issuing Bank's willful failure to make timely payment under such Letter of Credit following the presentation to it by the beneficiary thereof of a draft and accompanying certificate(s) which strictly comply with the terms and conditions of such Letter of Credit.

Section 3.06 Resignation as an Issuing Bank. Any Issuing Bank may, upon thirty (30) days' prior written notice to the Borrower resign as an Issuing Bank. In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint a successor Issuing Bank hereunder from among the Working Capital Lenders who meet the requirements hereunder to be an Issuing Bank; *provided, however*, that no failure by the Borrower to appoint any such successor shall affect the resignation of any Issuing Bank. If any Working Capital Lender resigns as an Issuing Bank, it shall retain all the rights, powers, privileges and duties of Issuing Bank hereunder with respect to all Letters of Credit that it issued, including Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all LC Exposure with respect thereto (including the right to require the Working Capital Lenders to make LC Loans or fund participations in Letters of Credit). Upon the appointment of a successor Issuing Bank and such successor Issuing Bank's acceptance, in writing, of the appointment and agreement to be bound by all of the terms and conditions contained in this Agreement and the other Finance Documents binding on it in such capacity, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the Issuing Bank as the case may be and (b) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the applicable Issuing Bank to effectively assume the obligations of such Issuing Bank with respect to such Letters of Credit.

Section 3.07 Non-Fronted Letters of Credit. The Borrower agrees that in the event that it has provided any Non-Fronted Letter of Credit in respect a Non-Fronted LC Amount, it shall instruct the beneficiary thereof to draw on such Non-Fronted Letter of Credit in proportion to the Commitment Percentage of each Issuing Bank. In the event that the Borrower has funded the Senior Debt Service Reserve Account using Non-Fronted Letters of Credit from each Issuing Bank, the Security Trustee hereby agrees (without the need for any further action or instruction from any Senior Creditors) to draw on such Non-Fronted Letters of Credit only on *pro rata* basis based on the Commitment Percentage as notified by the Borrower to the Security Trustee or, failing such notification, as provided to the Security Trustee by the Working Capital Facility Agent on request.

Section 3.08 Existing Letters of Credit. Notwithstanding the amendment and restatement of the Initial Working Capital Facility Agreement, the Letters of Credit set forth on Schedule 3.08 (Existing Letters Of Credit), which Letters of Credit were issued pursuant to, and were outstanding under, the Initial Working Capital Facility Agreement will continue to be outstanding under this Agreement, as if such Letters of Credit had been issued as Fronted Letters of Credit pursuant to this Article III. Each Working Capital Lender severally agrees to participate in such Letter of Credit in accordance with the terms of Section 3.02(f) (*Letters of Credit*) in an amount equal to its Commitment Percentage.

ARTICLE IV
REPAYMENTS, PREPAYMENTS, INTEREST AND FEES

Section 4.01 Repayment of LC Loans. The Borrower unconditionally and irrevocably promises to pay to the Working Capital Facility Agent for the ratable account of each Working Capital Lender the aggregate outstanding principal amount of each LC Loan no later than 5:00 p.m., New York City time, on the LC Loan Termination Date.

Section 4.02 Repayment of Working Capital Borrowings. (a) The Borrower shall reduce the aggregate outstanding principal amount of all Working Capital Loans to zero Dollars (\$0) for a period of five (5) consecutive Business Days at least once every calendar year; *provided* that, the Borrower will determine in its sole discretion when during any calendar year it elects to satisfy such requirement and the Working Capital Facility Agent shall have no duty to monitor compliance with this Section 4.02(a).

(b) Notwithstanding anything to the contrary set forth in Section 4.02(a), the Borrower unconditionally and irrevocably promises to pay to the Working Capital Facility Agent for the ratable account of each Working Capital Lender, on the Working Capital Final Maturity Date, an amount equal to the aggregate principal amount of all Working Capital Loans then-outstanding.

Section 4.03 [Reserved].

Section 4.04 Interest Payment Dates. (a) Interest accrued on each Working Capital Loan or LC Loan shall be payable, without duplication, on the following dates (each, an “**Interest Payment Date**”):

- (i) with respect to any repayment or prepayment of principal on a Working Capital Loan or LC Loan, on the date of each such repayment or prepayment;
- (ii) [Reserved];
- (iii) with respect to Working Capital Loans, on the Working Capital Final Maturity Date;
- (iv) with respect to LC Loans, on the LC Loan Termination Date;

(v) with respect to LIBOR Loans, (A) on the last day of each applicable Interest Period, (B) in the case of any Interest Period that has a duration of more than three months, the day three months after the first day of such Interest Period, and (C) if applicable, on any date on which such LIBOR Loan is converted to a Base Rate Loan; and

(vi) with respect to Base Rate Loans, on each CTA Payment Date beginning on the first CTA Payment Date after the date of the disbursement or, if applicable, any date on which such Base Rate Loan is converted to a LIBOR Loan.

(b) Interest accrued on the Working Capital Loans, or LC Loans, or other monetary Working Capital Obligations, after the date such amount is due and payable (whether on the Working Capital Final Maturity Date or any other date for payment of such obligation under or pursuant to this Agreement upon acceleration or otherwise) shall be payable upon demand.

(c) Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the occurrence of an event set forth in Section 15.1(d)(i) (*Bankruptcy*) of the Common Terms Agreement or Section 4(a) (*Bankruptcy*) of Schedule 9.02 (Events of Default after Term Loan Discharge Date) of this Agreement (whichever is applicable at the time) only to the extent it relates to Section 15.1(d)(i) (*Bankruptcy*) of the Common Terms Agreement or Section 4(a) (*Bankruptcy*) of Schedule 9.02 (Events of Default after Term Loan Discharge Date) of this Agreement (whichever is applicable at the time).

Section 4.05 Interest Rates. (a) Each LIBOR Loan shall accrue interest at a rate *per annum* during each Interest Period applicable thereto equal to the sum of the LIBOR for such Interest Period plus the Applicable Margin for such Working Capital Loans or LC Loans.

(b) On or before 12:00 noon, New York City time, at least three (3) Business Days prior to the end of each Interest Period for each LIBOR Loan, the Borrower shall deliver to the Working Capital Facility Agent an Interest Period Notice setting forth the Borrower's election with respect to the duration of the next Interest Period applicable to such LIBOR Loan, which Interest Period shall be one (1), two (2), three (3) or six (6) months in length; *provided* that, (i) if any Working Capital Facility Declared Default has occurred and is Continuing, all LIBOR Loans shall convert into Base Rate Loans at the end of the then-current Interest Period and (ii) if any Unmatured Working Capital Facility Event of Default has occurred and is Continuing, all LIBOR Loans shall convert into LIBOR Loans with an Interest Period of one month, at the end of the then-current Interest Periods (in which case the Working Capital Facility Agent shall so notify the Borrower and the Working Capital Lenders). After such Working Capital Facility Declared Default or Unmatured Working Capital Facility Event of Default has ceased, the Borrower may convert each such Base Rate Loan or LIBOR Loan with an Interest Period of one month into a LIBOR Loan in accordance with this Agreement by delivering an Interest Period Notice in accordance with Section 4.06 (*Conversion Options*).

(c) If the Borrower fails to deliver an Interest Period Notice in accordance with Section 4.05(b) above with respect to any LIBOR Loan, such LIBOR Loan shall be made as, or converted into, a Base Rate Loan at the end of the then-current Interest Period.

(d) Each LIBOR Loan shall bear interest from (and including) the first day of the applicable Interest Period to (but excluding) the last day of such Interest Period at the interest rate determined as applicable to such LIBOR Loan.

(e) Notwithstanding anything to the contrary, the Borrower shall not have more than twelve (12) LIBOR Loans outstanding at any one time.

(f) Each Base Rate Loan shall accrue interest at a rate *per annum* equal to the sum of the Base Rate plus the Applicable Margin for such Working Capital Loans or LC Loans.

(g) All Base Rate Loans shall bear interest from and including the date such Base Rate Loan is made (or, if previously a LIBOR Loan, the day on which such LIBOR Loan is converted to a Base Rate Loan as required under Section 4.05(c) (*Interest Rates*) or Section 4.06 (*Conversion Options*) or under Article V (*LIBOR AND TAX PROVISIONS*)) to (but excluding) the date such Working Capital Loan or LC Loan or portion thereof is paid at the interest rate determined as applicable to such Base Rate Loan (or the date such Working Capital Loan or LC Loan is converted to a LIBOR Loan).

Section 4.06 Conversion Options. The Borrower may elect from time to time to convert LIBOR Loans to Base Rate Loans or Base Rate Loans to LIBOR Loans (subject to Section 4.05(e) (*Interest Rates*), Section 5.01 (*LIBOR Lending Unlawful*) and Section 5.02 (*Inability to Determine LIBOR*)), as the case may be, by delivering a completed Interest Period Notice to the Working Capital Facility Agent notifying the Working Capital Facility Agent of such election no later than 12:00 noon, New York City time, on the third Business Day preceding the proposed conversion date (which notice, in the case of conversions to LIBOR Loans, shall specify the length of the initial Interest Period therefor); *provided* that, (i) no Base Rate Loan may be converted into a LIBOR Loan when any Working Capital Facility Declared Default has occurred and is Continuing and (ii) no Base Rate Loan may be converted into a LIBOR Loan with an Interest Period greater than one month when any Unmatured Working Capital Facility Event of Default has occurred and is Continuing and, in each case, the Working Capital Facility Agent has determined not to permit such conversions. Upon receipt of any such notice the Working Capital Facility Agent shall promptly notify each relevant Working Capital Lender thereof.

Section 4.07 Post-Maturity Interest Rates; Default Interest Rates. If all or a portion of the principal amount of any Working Capital Loan or LC Loan is not paid when due (whether on the Working Capital Final Maturity Date, by acceleration or otherwise, or in the case of LC Loans, the LC Loan Termination Date or otherwise) or any Working Capital Obligation (other than principal on the Working Capital Loans or LC Loans) is not paid or deposited when due (whether on the Working Capital Final Maturity Date, by acceleration or otherwise), (i) all such overdue amounts of principal on the Working Capital Loans or LC Loans shall bear interest at a rate *per annum* equal to the rate that would otherwise be applicable thereto plus the Default Rate and (ii) all such other defaulted amounts of Working Capital Obligations (other than principal on the Working Capital Loans or LC Loans) shall bear interest at a rate *per annum* equal to the rate then applicable to Base Rate Loans plus the Default Rate, from the date of such non-payment until the amount then due is paid in full (after as well as before judgment).

Section 4.08 Interest Rate Determination. The Working Capital Facility Agent shall determine the interest rate applicable to the Working Capital Loans or LC Loans and shall give prompt notice of such determination to the Borrower and the Working Capital Lenders. In each such case, the Working Capital Facility Agent's determination of the applicable interest rate shall be conclusive, in the absence of manifest error.

Section 4.09 Computation of Interest and Fees. (a) All computations of interest for Base Rate Loans when the Base Rate is determined by the Working Capital Facility Agent's "prime rate" shall be made on the basis of a year of three hundred and sixty-five (365) or three hundred and sixty-six (366) days, as the case may be, and actual days elapsed. All computations of interest for LIBOR Loans, and for Base Rate Loans when the Base Rate is determined by LIBOR shall be made on the basis of a 360 day year and actual days elapsed. All computations of commissions or fees owed hereunder (other than Working Capital Commitment Fees, Fronting Fees and LC Fees, which shall be computed in accordance with the provisions of Section 4.15 (*Fees*) below) shall be made on the basis of a year of three hundred and sixty-five (365) or three hundred and sixty-six (366) days, as the case may be, and actual days elapsed.

(b) Interest shall accrue on each Working Capital Loan and LC Loan for the day on which the Working Capital Loan or LC Loan is made, and shall not accrue on a Working Capital Loan or LC Loan, or any portion thereof, for the day on which the Working Capital Loan or LC Loan or such portion is paid; *provided* that, any Working Capital Loan or LC Loan that is repaid on the same day on which it is made shall bear interest for one day.

(c) Each determination by the Working Capital Facility Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 4.10 Terms of All Prepayments. The Borrower shall make prepayments of Working Capital Loans or LC Loans and all reductions and cancellations of Working Capital Debt Commitments in accordance with the terms of Article 3 (*Repayment, Prepayment and Cancellation*) of the Common Terms Agreement and subject to the following terms and the terms of Section 4.11 (*Voluntary Prepayment*) and Section 4.12 (*Mandatory Prepayment*):

(a) upon the prepayment of any Working Capital Loans or LC Loans (whether a voluntary prepayment, a mandatory prepayment or a prepayment upon acceleration or otherwise), the Borrower shall satisfy all applicable provisions under this Agreement; and

(b) together with any prepayment of Working Capital Loans or LC Loans, the Borrower shall pay to the Working Capital Facility Agent, for the account of the Working Capital Lenders or the Issuing Banks who made any Working Capital Loan or LC Loan being prepaid, the sum of the following amounts:

- (i) the principal of, and accrued but unpaid interest on, the Working Capital Loans or LC Loan to be prepaid;
- (ii) any additional amounts required to be paid under Section 5.05 (*Funding Losses*); and

(iii) any other Working Capital Obligations required to be paid to the respective Working Capital Lenders or Issuing Banks in connection with any prepayment under the Finance Documents.

Section 4.11 Voluntary Prepayment. (a) The Borrower may, in accordance with Section 3.5 (*Voluntary Prepayments*) of the Common Terms Agreement and on not less than three (3) Business Days' prior written notice to the Intercreditor Agent and the Working Capital Facility Agent, prepay amounts outstanding under the Working Capital Facility Agreement at any time in whole or in part, without penalty or premium and without any reduction in commitments; *provided* that, (i) each partial voluntary prepayment of LIBOR Loans shall be in a minimum amount of \$5,000,000 and incremental multiples of \$1,000,000 in excess thereof and (ii) each partial voluntary prepayment of Base Rate Loans shall be in a minimum amount of \$1,000,000 and incremental multiples of \$500,000 in excess thereof. Such notice may be conditional and subject to revocation as set forth in Section 3.5(b) (*Voluntary Prepayments*) of the Common Terms Agreement. If any such notice is revoked in accordance with Section 3.5(b) (*Voluntary Prepayments*) of the Common Terms Agreement, the Borrower shall pay any Breakage Costs incurred by any Working Capital Lender as a result of such notice and revocation, as set forth in Section 3.5(b) (*Voluntary Prepayments*) of the Common Terms Agreement.

(b) After the Borrower has delivered a notice of voluntary prepayment in accordance with Section 4.11(a) above, the prepayment date specified in the notice shall be deemed the due date for the principal amount (and the interest thereon) to be paid thereunder and should the Borrower fail to pay any such principal amount and/or interest and/or Breakage Costs (if any, in accordance with Section 3.6 (*Prepayment Fees and Breakage Costs*) of the Common Terms Agreement) due on such date, the Borrower shall pay interest on such overdue amounts in accordance with Section 4.07 (*Post-Maturity Interest Rates; Default Interest Rates*).

(c) Pursuant to Section 3.7 (*Pro Rata Payments*) of the Common Terms Agreement and Section 2.3(a)(i)(B) (*Payments and Prepayments*) of the Common Security and Account Agreement (i) any voluntary prepayment of Working Capital Loans or LC Loans may be made without a voluntary *pro rata* prepayment of Senior Debt under any other Senior Debt Instrument and (ii) any voluntary prepayment of Senior Debt under any other Senior Debt Instrument may be made without a voluntary *pro rata* prepayment of Working Capital Loans or LC Loans.

Section 4.12 Mandatory Prepayment. (a) The Borrower shall prepay the Working Capital Loans or LC Loans in accordance with Section 3.4 (*Mandatory Prepayments*) and Section 3.7 (*Pro Rata Payments*) of the Common Terms Agreement solely in the following circumstances:

(i) other than LC Loans incurred to fund a reimbursement obligation with respect to a drawing under a Letter of Credit, as needed to comply with Section 4.02(a) (*Repayment of Working Capital Borrowings*); *provided* that, for the avoidance of doubt, the Borrower shall not be required to cause any issued and outstanding Letters of Credit to be cancelled or returned;

(ii) [Reserved];

(iii) in accordance with Section 3.4(a)(iv) (*Mandatory Prepayments – LNG SPA Prepayment Event*) of the Common Terms Agreement, to the extent required under Section 8.2 (*LNG SPA Mandatory Prepayment*) of the Common Terms Agreement;

(iv) in accordance with Section 3.4(a)(v) (*Mandatory Prepayments – Change of Control*) of the Common Terms Agreement as a result of the occurrence of a Change of Control after the earlier to occur of the: (i) end of the Term Loan Availability Period; and (ii) the Term Loan Discharge Date.

(v) in accordance with Section 3.4(vi) (*Mandatory Prepayments – Illegality*) of the Common Terms Agreement as a result of the occurrence of an Illegality Event with respect to a Working Capital Lender.

Working Capital Debt Commitments shall be cancelled in the case of the mandatory prepayments set forth in clause (iii) and (iv) above as provided in Section 3.4(a)(iv) (*Mandatory Prepayments – LNG SPA Prepayment Event*) and Section 3.4(c)(v) (*Mandatory Prepayments – Change of Control*) of the Common Terms Agreement and shall be suspended in the case of the mandatory prepayment set forth in clause (v) above as provided in Section 3.4(vi) (*Mandatory Prepayments – Illegality*) of the Common Terms Agreement.

(b) *Application of Prepayments of Loans to Base Rate Loans and LIBOR Loans.* Any prepayment of Working Capital Loans or LC Loans of a Working Capital Lender pursuant to this Section 4.12 (*Mandatory Prepayment*) shall be applied *first* to such Working Capital Lender's Base Rate Loans to the full extent thereof and *second* to such Working Capital Lender's LIBOR Loans.

Section 4.13 Time and Place of Payments. (a) Except as otherwise provided in Section 3.03(b) (*Reimbursement to Issuing Banks*), the Borrower shall make each payment (including any payment of principal or interest on any Working Capital Loan or LC Loan or any Fees or other Working Capital Obligations) hereunder without set-off (except as and to the extent permitted under Section 2.01(d) (*Working Capital Loans*) above), deduction or counterclaim not later than 12:00 noon, New York City time (except in the case of payments permitted under Section 2.01(d) (*Working Capital Loans*) above, which may be made in accordance with the timing provided in Section 2.04(a) (*Funding*)), on the date when due in US Dollars and, in immediately available funds, to the Working Capital Facility Agent at the account set forth in Schedule 4.13 (*Working Capital Facility Agent Account Details*) hereto or at such other office or account as may from time to time be specified by the Working Capital Facility Agent to the Borrower. Funds received after 12:00 noon, New York City time, shall be deemed to have been received by the Working Capital Facility Agent on the next succeeding Business Day.

(b) The Working Capital Facility Agent shall promptly remit in immediately available funds to each Working Capital Secured Party its share, if any, of any payments received by the Working Capital Facility Agent for the account of such Working Capital Secured Party.

(c) Whenever any payment (including any payment of principal of or interest on any Working Capital Loan or LC Loan or any Fees or other Working Capital Loan Obligations) hereunder shall become due, or otherwise would occur, on a day that is not a Business Day, such payment shall (except as otherwise required by the proviso to the definition of "Interest Period" with respect to LIBOR Loans and in the case of the Working Capital Final Maturity Date and the LC Loan Termination Date, as applicable, in which case the due date for payment shall be the immediately preceding Business Day) be made on the immediately succeeding Business Day, and such increase of time shall in such case be included in the computation of interest or Fees, if applicable.

Section 4.14 Borrowings and Payments Generally. (a) Unless the Working Capital Facility Agent has received notice from the Borrower prior to the date on which any payment is due to the Working Capital Facility Agent for the account of the Working Capital Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Working Capital Facility Agent may assume that the Borrower has made such payment on such date in accordance with this Agreement and may, in reliance upon such assumption, distribute to the Working Capital Lenders or applicable Issuing Bank the amount due. If the Borrower has not in fact made such payment, then each of the Working Capital Lenders or the Issuing Bank severally agrees to repay to the Working Capital Facility Agent forthwith on demand the amount so distributed to such Working Capital Lender or Issuing Bank in immediately available funds with interest thereon, for each day from (and including) the date such amount is distributed to it to (but excluding) the date of payment to the Working Capital Facility Agent, at the Federal Funds Effective Rate. A notice of the Working Capital Facility Agent to any Working Capital Lender or Issuing Bank with respect to any amount owing under this Section 4.14 (*Borrowings and Payments Generally*) shall be conclusive, absent manifest error.

(b) Nothing herein shall be deemed to obligate any Working Capital Lender or Issuing Bank to obtain funds for any Working Capital Loan, LC Loan or Letter of Credit reimbursement obligation in any particular place or manner or to constitute a representation by any Working Capital Lender or Issuing Bank that it has obtained or will obtain funds for any Working Capital Loan or LC Loan in any particular place or manner.

Section 4.15 Fees. (a) From and including the date hereof until the Termination Date, the Borrower agrees to pay to the Working Capital Facility Agent, for the account of each Working Capital Lender a commitment fee (a "**Working Capital Commitment Fee**") on the daily average amount of such Working Capital Lender's unused Working Capital Debt Commitment at a rate *per annum* equal to 40% of the Applicable Margin for LIBOR Loans from the date hereof until the Working Capital Final Maturity Date, payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing on the first such date to occur following the date hereof, and the Termination Date. Notwithstanding the foregoing, the Borrower will not be required to pay any Working Capital Commitment Fee to any Working Capital Lender with respect to any period in which such Working Capital Lender was a Defaulting Lender.

(b) The Borrower agrees to pay to the Working Capital Facility Agent for the account of each Working Capital Lender a letter of credit fee (the "**LC Fee**") on (i) the average daily aggregate amount of such Working Capital Lender's Commitment Percentage of the LC Available Amount, if any, of all Fronted Letters of Credit and (ii) the average daily aggregate amount of the LC Available Amount, if any, of any Non-Fronted Letters of Credit issued by such Working Capital Lender in its capacity as an Issuing Bank, each at a rate *per annum* equal to the Applicable Margin for LIBOR Loans, payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing on the first such date to occur following the date of issuance of any Letter of Credit hereunder, and on the Working Capital Final Maturity Date; *provided, however*, that upon the occurrence and during the continuance of a Working Capital Facility Event of Default, with respect to any outstanding Letters of Credit which are not cash collateralized pursuant to Section 9.06 (*Application of Proceeds*), such LC Fee shall be increased by 2.0% *per annum*.

(c) The Borrower agrees to pay to each Issuing Bank a letter of credit fronting fee (the "**Fronting Fee**") in an amount equal to 0.20% per annum of the aggregate LC Available Amount of each Fronted Letter of Credit issued by such Issuing Bank, payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing on the first such date to occur following the date of issuance of such Letter of Credit hereunder, and on the Working Capital Final Maturity Date.

(d) Borrower agrees to pay to the Working Capital Facility Agent, for its own account, and to each Working Capital Lender the fees payable in the amounts and at the times separately agreed upon in the Fee Letters.

(e) All Fees shall be paid on the dates due in immediately available funds. Once paid, none of the Fees shall be refundable under any circumstances.

(f) All Working Capital Commitment Fees, Fronting Fees and LC Fees shall be computed on the basis of 360-day year, as prorated for any partial quarter, as applicable.

(g) The Borrower shall not be liable to pay any Working Capital Lender or Issuing Bank any upfront fees, fronting fees or agent fees, nor shall it be liable to pay any other fees, costs, expenses or charges with respect to the transactions contemplated under this Agreement, other than as may be specifically stated in this Agreement, the Fee Letters or any other agreement in writing between such Working Capital Lender or Issuing Bank and the Borrower.

Section 4.16 Pro Rata Treatment. (a) The portion of any Working Capital Borrowing shall be allocated by the Working Capital Facility Agent among the Working Capital Lenders such that, following each Working Capital Borrowing, the ratio of each Working Capital Lender's outstanding Working Capital Debt Commitment to the outstanding Aggregate Working Capital Debt Commitments is equal to each Working Capital Lender's Commitment Percentage.

(b) Except as otherwise provided in Section 5.01 (*LIBOR Lending Unlawful*), each reduction of Working Capital Debt Commitments of any type, pursuant to Section 2.05 (*Termination or Reduction of Commitments*) or otherwise, shall be allocated by the Working

Capital Facility Agent *pro rata* among the Working Capital Lenders in accordance with, and subject to the exceptions in, Section 3.8 *Reductions and Cancellations of Facility Debt Commitments*) of the Common Terms Agreement. Each reduction of Issuing Bank Limits shall be allocated by the Working Capital Facility Agent *pro rata* among the Issuing Banks.

(c) Except as otherwise required under Section 3.7 (*Pro Rata Payment*) of the Common Terms Agreement and Section 4.11 (*Voluntary Prepayment*), Section 4.12 (*Mandatory Prepayment*) or Article V (*LIBOR AND TAX PROVISIONS*), (i) each payment or prepayment of principal of the Working Capital Loans or LC Loans shall be allocated by the Working Capital Facility Agent *pro rata* among the Working Capital Lenders in accordance with the respective principal amounts of their outstanding Working Capital Loans or LC Loans, (ii) each payment of interest on the Working Capital Loans or LC Loans shall be allocated by the Working Capital Facility Agent *pro rata* among the Working Capital Lenders in accordance with the respective interest amounts outstanding on their Working Capital Loans or LC Loans and (iii) each payment of the Working Capital Commitment Fee shall be allocated by the Working Capital Facility Agent *pro rata* among the Working Capital Lenders in accordance with their respective Working Capital Debt Commitments.

Section 4.17 Sharing of Payments. (a) If any Working Capital Lender or Issuing Bank obtains any payment or other recovery (whether voluntary, involuntary, by application of setoff or otherwise) on account of any Working Capital Loan or LC Loan (other than pursuant to the terms of Article V (*LIBOR AND TAX PROVISIONS*) or Section 4.16 (*Pro Rata Treatment*)) in excess of its *pro rata* share of payments then or therewith obtained by all Working Capital Lenders holding Working Capital Loans or LC Loans (as applicable), such Working Capital Lender or Issuing Bank shall purchase from the other Working Capital Lenders (for cash at face value) such participations in Working Capital Loans or LC Loans made by them as shall be necessary to cause such purchasing Working Capital Lender or Issuing Bank to share the excess payment or other recovery ratably with each of them; *provided, however*, that, if all or any portion of the excess payment or other recovery is thereafter recovered from such purchasing Working Capital Lender or Issuing Bank, the purchase shall be rescinded and each Working Capital Lender that has sold a participation to the purchasing Working Capital Lender or Issuing Bank shall repay to the purchasing Working Capital Lender or Issuing Bank the purchase price to the ratable extent of such recovery together with an amount equal to such selling Working Capital Lender's ratable share (according to the proportion of (x) the amount of such selling Working Capital Lender's required repayment to the purchasing Working Capital Lender or Issuing Bank to (y) the total amount so recovered from the purchasing Working Capital Lender or Issuing Bank) of any interest or other amount paid or payable by the purchasing Working Capital Lender or Issuing Bank in respect of the total amount so recovered. The Borrower agrees that any Working Capital Lender or Issuing Bank or so purchasing a participation from another Working Capital Lender pursuant to this Section 4.17(a) (*Sharing of Payments*) may, to the fullest extent permitted by law, exercise all its rights of payment (including pursuant to Section 11.13 (*Right of Set-Off*)) with respect to such participation as fully as if such Working Capital Lender or Issuing Bank were the direct creditor of the Borrower in the amount of such participation. The provisions of this Section shall not be construed to apply to any payment by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by any Working Capital Lender as consideration for the assignment or sale of a participation in any of its Loans.

(b) If under any applicable bankruptcy, insolvency or other similar law, any Working Capital Lender or any Issuing Bank receives a secured claim in lieu of a setoff to which this Section 4.17 (*Sharing of Payments*) applies, such Working Capital Lender or Issuing Bank shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Working Capital Lenders or the Issuing Banks entitled under this Section 4.17 (*Sharing of Payments*) to share in the benefits of any recovery on such secured claim.

ARTICLE V
LIBOR AND TAX PROVISIONS

Section 5.01 LIBOR Lending Unlawful. In the event that it becomes unlawful or, by reason of a Change in Law, any Working Capital Lender is unable to honor its obligation to make or maintain LIBOR Loans, then such Working Capital Lender will promptly notify the Borrower of such event (with a copy to the Working Capital Facility Agent and Intercreditor Agent) and such Working Capital Lender's obligation to make or to continue LIBOR Loans, or to convert Base Rate Loans into LIBOR Loans, as the case may be, shall be suspended until such time as such Working Capital Lender may again make and maintain LIBOR Loans. During such period of suspension, the Loans that would otherwise be made by such Working Capital Lender as LIBOR Loans shall be made instead by such Working Capital Lender as Base Rate Loans and each LIBOR Loan made by such Working Capital Lender and outstanding will automatically, on the last day of the then existing Interest Period therefor if such Working Capital Loan may lawfully remain outstanding until the end of such Interest Period, and otherwise immediately, convert into a Base Rate Loan. At the Borrower's request, each Working Capital Lender shall use reasonable efforts, including using reasonable efforts to designate a different lending office for funding or booking its Working Capital Loans or to assign its rights and obligations under the Finance Documents to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Working Capital Lender, such designation or assignment (i) would eliminate or avoid such illegality and (ii) would not subject such Working Capital Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Working Capital Lender. The Borrower shall pay all reasonable costs and expenses incurred by any Working Capital Lender in connection with any such designation or assignment.

Section 5.02 Inability to Determine LIBOR. If prior to the commencement of any Interest Period for a LIBOR Loan:

(a) the Working Capital Facility Agent reasonably determines that adequate and reasonable means do not exist for ascertaining LIBOR for such Interest Period; or

(b) the Working Capital Facility Agent is advised by the Required Working Capital Lenders that such Required Working Capital Lenders have reasonably determined that LIBOR for such Interest Period will not adequately and fairly reflect the cost to such Working Capital Lenders of making or maintaining their LIBOR Loans for such Interest Period;

then the Working Capital Facility Agent shall give notice thereof to the Borrower and the Working Capital Lenders by telephone or telecopy as promptly as practicable thereafter and,

until the Working Capital Facility Agent notifies the Borrower and the Working Capital Lenders that the circumstances giving rise to such notice no longer exist (which notice of subsequent change in circumstances shall be given as promptly as practicable), (i) any Interest Period Notice that requests the conversion of any Working Capital Loan to, or continuation of any Working Capital Loan as, a LIBOR Loan shall be ineffective and such Working Capital Loan shall be converted to a Base Rate Loan on the last day of the Interest Period applicable thereto, and (ii) if any Working Capital Disbursement Request requests a LIBOR Loan, such Working Capital Loan shall be made as a Base Rate Loan, or, at the election of the Borrower (upon receipt of the determination to be made by the Required Working Capital Lenders and only if they are able to agree on such a determination), made as a Working Capital Loan bearing interest at such rate as the Required Working Capital Lenders shall determine adequately reflects the costs to the Working Capital Lenders of making such Loans. The Working Capital Facility Agent shall promptly give notice to the Borrower, the Working Capital Lenders and the Intercreditor Agent when the circumstances that gave rise to such notice no longer exist and, in such event, any outstanding Base Rate Loans may be converted, on the last day of the then current Interest Period, to LIBOR Loans.

Section 5.03 Increased Costs. (a) If any Working Capital Lender or Issuing Bank incurs additional costs or suffers a reduction, in each case, as described in Section 22.1(a) (*Increased Costs*) of the Common Terms Agreement, the Borrower shall compensate such Working Capital Lender or Issuing Bank in accordance with Section 22.1(a) (*Increased Costs*) of the Common Terms Agreement (except to the extent the Borrower is excused from payment pursuant to Section 5.04 *Obligation to Mitigate*). In determining the amount of such compensation, such Working Capital Lender or Issuing Bank may, subject to Section 22.1(e) (*Increased Costs*) of the Common Terms Agreement, use any method of averaging and attribution that it (in its sole discretion) shall deem appropriate.

(b) If any Working Capital Lender, any Issuing Bank or any Working Capital Lender's or Issuing Bank's holding company has suffered, or would suffer, a reduced rate of return as described in Section 22.1(b) (*Increased Costs*) of the Common Terms Agreement, the Borrower shall compensate such Working Capital Lender or Issuing Bank or (without duplication) such Working Capital Lender's or Issuing Bank's holding company in accordance with Section 22.1(b) (*Increased Costs*) of the Common Terms Agreement (except to the extent the Borrower is excused from payment pursuant to Section 5.04 (*Obligation to Mitigate*)).

(c) To claim any amount under this Section 5.03 (*Increased Costs*), the Working Capital Facility Agent or a Working Capital Lender or Issuing Bank, as applicable, shall promptly deliver a certificate in accordance with Section 22.1(c) (*Increased Costs*) of the Common Terms Agreement (with a copy to the Working Capital Facility Agent, if delivered by a Working Capital Lender or Issuing Bank). The Borrower shall pay the Working Capital Facility Agent or Working Capital Lender or Issuing Bank, as applicable, in accordance with Section 22.1(c) (*Increased Costs*) of the Common Terms Agreement.

(d) Promptly after the Working Capital Facility Agent or Working Capital Lender or Issuing Bank, as applicable, has determined that it will make a request for increased compensation pursuant to this Section 5.03 (*Increased Costs*), such Person shall notify the Borrower thereof (with a copy to the Working Capital Facility Agent and the Intercreditor

Agent). Failure or delay on the part of the Working Capital Facility Agent or Working Capital Lender or Issuing Bank to demand compensation pursuant to this Section 5.03 (*Increased Costs*) shall not constitute a waiver of such Person's right to demand such compensation; *provided* that, the Borrower shall not be required to compensate a Person pursuant to this Section 5.03 (*Increased Costs*) for any increased costs or reductions outside of the period referred to in Section 22.1(d) (*Increased Costs*) of the Common Terms Agreement.

(e) Notwithstanding any other provision in this Agreement, no Working Capital Lender or Issuing Bank shall demand compensation pursuant to this Section 5.03 (*Increased Costs*) in the circumstances described in Section 22.1(e) (*Increased Costs*) of the Common Terms Agreement.

Section 5.04 Obligation to Mitigate. (a) If any Working Capital Lender or any Issuing Bank requests compensation under Section 5.03 (*Increased Costs*), or if the Borrower is required to pay any additional amount to any Working Capital Lender or Issuing Bank or any Governmental Authority for the account of any Working Capital Lender or Issuing Bank pursuant to Section 5.06 (*Taxes*), then such Working Capital Lender or Issuing Bank shall have an obligation to mitigate such compensation in accordance with Section 19.5(a) (*Mitigation Obligations; Replacement of Lenders*) of the Common Terms Agreement.

(b) The Borrower may require a Working Capital Lender or Issuing Bank to assign and delegate (in accordance with and subject to the restrictions contained in Section 11.04 (*Assignments*)) its interests, rights and obligations under this Agreement and the related Finance Documents in accordance with Section 19.5(c) (*Mitigation Obligations; Replacement of Lenders*) of the Common Terms Agreement. Nothing in this Section shall be deemed to prejudice any rights that the Borrower, the Working Capital Facility Agent or any Working Capital Lender or Issuing Bank may have against any Working Capital Lender or Issuing Bank that is a Defaulting Lender. Notwithstanding anything in this section to the contrary, any Working Capital Lender that acts as an Issuing Bank may not be replaced hereunder at any time it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such Working Capital Lender (including the furnishing of a backstop standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to such outstanding Letter of Credit.

Section 5.05 Funding Losses. In the event of (a) the payment of any principal of any LIBOR Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Loan Facility Event of Default), (b) the conversion of any LIBOR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any LIBOR Loan on the date specified in any notice delivered pursuant hereto (other than through any default by the relevant Working Capital Lender seeking reimbursement) or (d) the assignment of any LIBOR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 5.04 (*Obligation to Mitigate*) (a "**Breakage Event**"), then, in any such event, the Borrower shall compensate each Working Capital Lender for the Breakage Costs. Such Breakage Costs shall be determined by the Working Capital Facility Agent based upon the information delivered to it by

such Lender. To claim any amount under this Section 5.05 (*Funding Losses*), the Working Capital Facility Agent shall promptly deliver to the Borrower a certificate setting forth in reasonable detail any amount or amounts that the applicable Working Capital Lender is entitled to receive pursuant to this Section 5.05 (*Funding Losses*) (including calculations, in reasonable detail, showing how the Working Capital Facility Agent computed such amount or amounts), which certificate shall be based upon the information delivered to the Working Capital Facility Agent by such Working Capital Lender. The Borrower shall pay to the Working Capital Facility Agent for the benefit of the applicable Working Capital Lender the amount due and payable and set forth on any such certificate within thirty (30) days after receipt thereof.

Section 5.06 Taxes. Any and all payments on account of any Working Capital Obligations shall be made in accordance with the provisions of Article 21 *Tax Gross-up and Indemnities*) of the Common Terms Agreement.

(d) An event of default under this Working Capital Facility Agreement shall be deemed to be declared, in respect of any Working Capital Facility Event of Default referred to in Section 15.1(d)(i) (*Loan Facility Events of Default – Bankruptcy*) of the Common Terms Agreement or Schedule 9.02(4)(a) (*Events of Default After the Term Loan Discharge Date – Bankruptcy*) (whichever is applicable at the time), immediately and automatically upon its occurrence, without the requirement for any certification, declaration or other notice from a Working Capital Lender, an Issuing Bank, the Intercreditor Agent or any Senior Creditor in accordance with Section 15.2(a) (*Declaration of Loan Facility Declared Default*) of the Common Terms Agreement.

ARTICLE X
THE WORKING CAPITAL FACILITY AGENT

Section 10.01 Appointment and Authority.

(a) Each of the Working Capital Lenders and the Issuing Banks hereby appoints, designates and authorizes The Bank of Nova Scotia as its Working Capital Facility Agent under and for purposes of each Finance Document to which the Working Capital Facility Agent is a party, and in its capacity as the Working Capital Facility Agent, to act on its behalf as Senior Creditor Group Representative and the Designated Voting Party (as defined in the Intercreditor Agreement) for the Working Capital Lenders and the Issuing Banks. The Bank of Nova Scotia hereby accepts this appointment and agrees to act as the Working Capital Facility Agent for the Working Capital Lenders and the Issuing Banks in accordance with the terms of this Agreement. Each of the Working Capital Lenders and the Issuing Banks hereby appoints and authorizes the Working Capital Facility Agent to execute and enter into each of the Common Terms Agreement, Intercreditor Agreement and Common Security and Account Agreement on behalf of each Working Capital Lender and Issuing Bank, in its name, place and stead, to bind it to the representations, warranties, terms and conditions contained therein and to act on behalf of such Working Capital Lender or Issuing Banks under each Finance Document to which it is a party and in the absence of other written instructions from the Required Working Capital Lenders received from time to time by the Working Capital Facility Agent (with respect to which the Working Capital Facility Agent agrees that it will comply, except as otherwise provided in this Section 10.01 (*Appointment and Authority*) or as otherwise advised by counsel, and subject in all cases to the terms of the Intercreditor Agreement), to exercise such powers hereunder and thereunder as are specifically delegated to or required of the Working Capital Facility Agent by the terms hereof and thereof, together with such powers as may be reasonably incidental thereto. Where the Working Capital Facility Agent is required or permitted to act under this Agreement or under any other Finance Document, the Working Capital Facility Agent shall, notwithstanding anything herein or therein to the contrary, (i) be entitled to request instruction or direction in respect of any such rights, powers and discretions or clarification of any written instruction received by it, as to whether, and in what manner, it should exercise or refrain from exercising its rights, powers and discretions and (ii) unless the terms of the agreement unambiguously mandate the action, may refrain from acting (and will incur no liability in refraining to act) until that direction, instruction or clarification is received by it from the relevant parties or from a court of competent jurisdiction. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement with reference to the Working Capital Facility Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Government Rule. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Except to the extent that the Working Capital Facility Agent is acting on express instructions, the Working Capital Facility Agent shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of his or her own affairs (taking into account the interests of all the Working Capital Lenders and the Issuing

Banks benefiting from this Agreement). Nothing in this Agreement or any other Finance Document shall, in any case in which the Working Capital Facility Agent has failed to show such degree of care and skill, exempt the Working Capital Facility Agent from or indemnify it against any liability arising out of its own gross negligence, fraud or willful misconduct in relation to its duties under this Agreement or any other Finance Document as determined by a court of competent jurisdiction in a final non-appealable judgment.

(c) The Working Capital Facility Agent may not begin any legal action or proceeding in the name of a Working Capital Lender or an Issuing Bank, except as specifically permitted under the terms of this Agreement or the other Finance Documents.

(d) The provisions of this Article X (*THE WORKING CAPITAL FACILITY AGENT*) are solely for the benefit of the Working Capital Facility Agent and the Working Capital Lenders and the Issuing Banks, and neither the Borrower nor any other Person shall have rights as a third party beneficiary of any of such provisions other than the Borrower's rights under Section 10.07(a) and (b) (*Resignation or Removal of Working Capital Facility Agent*).

Section 10.02 Rights as a Working Capital Lender or Hedging Bank. Each Person serving as the Working Capital Facility Agent hereunder or under any other Finance Document shall have the same rights and powers in its capacity as a Facility Lender or Hedging Bank, as the case may be, as any other Facility Lender or Hedging Bank, as the case may be, and may exercise the same as though it were not the Working Capital Facility Agent. Each such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or Affiliates of the Borrower as if such Person were not the Working Capital Facility Agent hereunder and without any duty to account therefor to the Working Capital Lenders or the Issuing Banks.

Section 10.03 Exculpatory Provisions. (a) The Working Capital Facility Agent shall not have any duties or obligations except those expressly set forth herein and in the other Finance Documents. Without limiting the generality of the foregoing, the Working Capital Facility Agent shall not:

(i) be subject to any fiduciary or other implied duties (except for an implied covenant of good faith), regardless of whether a Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default has occurred and is Continuing;

(ii) have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Finance Documents that the Working Capital Facility Agent is required to exercise as directed in writing by the Required Working Capital Lenders (or such other number or percentage of the Working Capital Lenders or the Issuing Banks as shall be expressly provided for herein or in the other Finance Documents); *provided* that, the Working Capital Facility Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Working Capital Facility Agent to liability or that is contrary to any Finance Document or applicable Government Rule; or

(iii) except as expressly set forth herein and in the other Finance Documents, have any duty to disclose, nor shall the Working Capital Facility Agent be liable for any failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Working Capital Facility Agent or any of its Affiliates in any capacity.

(b) The Working Capital Facility Agent shall not be liable for any action taken or not taken by it (i) with the prior written consent or at the request of the Required Working Capital Lenders (or such other number or percentage of the Working Capital Lenders or the Issuing Banks as may be necessary, or as the Working Capital Facility Agent may believe in good faith to be necessary, under the circumstances as provided in Section 11.01 (*Decisions; Amendments; Etc.*)) or (ii) in the absence of its own gross negligence, fraud or willful misconduct. The Working Capital Facility Agent shall not be deemed to have knowledge or notice of the occurrence of any Working Capital Facility Event of Default unless the Working Capital Facility Agent has received a written notice in accordance with Section 9.04(d) (*Action Upon Event of Default*) or with Section 2.4(d) (*Defaults*) of the Intercreditor Agreement or from the Intercreditor Agent, the Loan Parties, Holdco or a Senior Creditor Group Representative referring to this Working Capital Facility Agreement, describing events or actions constituting a Working Capital Facility Event of Default and indicating that such notice is a notice of default. If the Working Capital Facility Agent receives such a notice of the occurrence of any Working Capital Facility Event of Default, the Working Capital Facility Agent shall give notice thereof to the Working Capital Lenders, the Issuing Banks and the Intercreditor Agent. Subject to Section 16 (*Common Remedies and Enforcement*) of the Common Terms Agreement, the Working Capital Facility Agent shall take such action with respect to such Working Capital Facility Event of Default as is provided in Article IX (*DEFAULT AND ENFORCEMENT*).

(c) The Working Capital Facility Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Finance Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence or Continuance of any Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Finance Document or any other agreement, instrument or document, or the perfection or priority of any Lien or security interest created or purported to be created by any Security Document, (v) the nature or sufficiency of any payment received by the Working Capital Facility Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, or (vi) the satisfaction of any condition set forth in Article VII (*CONDITIONS PRECEDENT*) or elsewhere herein, other than to confirm receipt of any items expressly required to be delivered to the Working Capital Facility Agent, except those irregularities or errors of which the Working Capital Facility Agent has actual knowledge, and *provided* that nothing

herein shall constitute a waiver by any Loan Party or any Working Capital Lender or any Issuing Bank of any of their rights against the Working Capital Facility Agent as a result of its gross negligence, fraud or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable judgment. If any remittance or communication received by the Working Capital Facility Agent appears manifestly erroneous or irregular to the Working Capital Facility Agent, it shall be under a duty to make prompt inquiry to the Person originating such remittance or communication in order to determine whether a clerical error or inadvertent mistake has occurred.

(d) The Working Capital Facility Agent shall not be liable to the Loan Parties for any breach by any Working Capital Lender or any Issuing Bank of this Agreement or any other Finance Document (other than by the Working Capital Facility Agent's own gross negligence, willful misconduct or fraud as determined by a court of competent jurisdiction in a final and nonappealable judgment) or be liable to any Working Capital Lender or any Issuing Bank for any breach by any Loan Party of this Agreement or any other Finance Document.

Section 10.04 Reliance by Working Capital Facility Agent. (a) The Working Capital Facility Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Working Capital Facility Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Working Capital Loan or issuance of a Letter of Credit that by its terms must be fulfilled to the satisfaction of each Working Capital Lender, each Issuing Bank or the Required Working Capital Lenders (as applicable), the Working Capital Facility Agent may presume that such condition is satisfactory to such Working Capital Lender, Issuing Bank or the Required Working Capital Lenders, as the case may be, unless the Working Capital Facility Agent has received notice to the contrary from such Working Capital Lender, Issuing Bank or the Intercreditor Agent prior to the making of such Working Capital Loan or issuance of such Letter of Credit. The Working Capital Facility Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Working Capital Facility Agent shall not be responsible for the negligence or misconduct of any legal counsel, independent accountants and other experts selected by it in good faith, and shall not be required to make any investigation as to the accuracy or sufficiency of any such advice or services; *provided* that, nothing herein shall constitute a waiver by the Loan Parties or the Working Capital Lenders or the Issuing Banks of any of their rights against (A) the Working Capital Facility Agent as a result of its gross negligence, fraud or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment or (B) such counsel, accountants or other experts.

(b) Each Loan Party and each Working Capital Lender and each Issuing Bank shall deliver to the Working Capital Facility Agent (or, in the case of the Loan Parties, deliver to the Intercreditor Agent for delivery to each Facility Agent) a list of authorized signatories, together, in the case of the Loan Parties, with a certificate of an officer of such party certifying

the names and true signatures of such authorized signatories who are authorized to sign any notice, certificate, instrument, demand, request, direction, instruction, waiver, receipt, consent, agreement or other document or communication furnished to the Working Capital Facility Agent hereunder or under the other Finance Documents and the Working Capital Facility Agent shall be entitled to rely conclusively on such list until a new list is furnished by a Loan Party or a Working Capital Lender or an Issuing Bank, as the case may be, to the Working Capital Facility Agent (or, in the case of the Loan Parties, to the Intercreditor Agent for delivery to each Facility Agent).

Section 10.05 Delegation of Duties. The Working Capital Facility Agent may perform any and all of its duties and exercise any and all its rights and powers hereunder or under any other Finance Document by or through any one or more sub-agents appointed by the Working Capital Facility Agent. The Working Capital Facility Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article X (*THE WORKING CAPITAL FACILITY AGENT*) shall apply to any such sub-agent and to the Related Parties of the Working Capital Facility Agent, and shall apply to all of their respective activities in connection with their acting as or for the Working Capital Facility Agent.

Section 10.06 Indemnification by the Working Capital Lenders. Without limiting the obligations of the Loan Parties hereunder or under the other Finance Documents, each Working Capital Lender agrees that it shall, from time to time on demand by the Working Capital Facility Agent, indemnify the Working Capital Facility Agent and its Related Parties (ratably in accordance with its then applicable proportionate share) for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including reasonable legal fees) or disbursements of any kind or nature whatsoever, which may at any time be imposed on, incurred by or asserted against the Working Capital Facility Agent or any of its Related Parties in any way relating to or arising out of this Agreement, the other Finance Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or the enforcement of any of the terms hereof or thereof or of any such other documents; *provided, however*, that no Working Capital Lender shall be liable for any of the foregoing to the extent they arise solely from the Working Capital Facility Agent's gross negligence, fraud or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The Working Capital Facility Agent shall be fully justified in taking, refusing to take or continuing to take any action hereunder unless it shall first be indemnified to its satisfaction by the Working Capital Lenders against any and all liability and expense which may be incurred by it by reason of taking, refusing to take or continuing to take any such action. Without limitation of the foregoing, each Working Capital Lender agrees to reimburse, ratably in accordance with all its Working Capital Debt Commitments, the Working Capital Facility Agent promptly upon demand for any out-of-pocket expenses (including counsel fees) incurred by the Working Capital Facility Agent in connection with the preparation, execution, administration, amendment, waiver, modification or enforcement of, or legal advice in respect of rights or responsibilities under, the Finance Documents, to the extent that the Working Capital Facility Agent is not reimbursed promptly for such expenses by the Loan Parties in accordance with the Finance Documents; *provided that*, upon recovery of any or all of such costs and expenses by the Working Capital Facility Agent from the Loan Parties, the Working Capital Facility Agent shall remit to each Working Capital Lender that has paid such costs and expenses

to the Working Capital Facility Agent pursuant to this Section 10.06 (*Indemnification by the Working Capital Lenders*) its ratable share of such amounts so recovered. The obligation of the Working Capital Lenders to make payments pursuant to this Section 10.06 (*Indemnification by the Working Capital Lenders*) is several and not joint or joint and several, and the same shall survive the payment in full of the Working Capital Obligations and the termination of this Agreement and the other Finance Documents.

Section 10.07 Resignation or Removal of Working Capital Facility Agent.

(a) The Working Capital Facility Agent may resign from the performance of all its functions and duties hereunder and under the other Finance Documents at any time by giving thirty (30) days' prior notice to the Borrower and the Working Capital Lenders and the Issuing Banks. The Working Capital Facility Agent may be removed at any time (i) by the Required Working Capital Lenders for such Person's gross negligence, fraud or willful misconduct or (ii) by the Borrower, with the consent of the Required Working Capital Lenders, for such Person's gross negligence, fraud or willful misconduct. In the event The Bank of Nova Scotia is no longer the Working Capital Facility Agent, any successor Working Capital Facility Agent may be removed at any time with cause by the Required Working Capital Lenders. Any such resignation or removal shall take effect upon the appointment of a successor Working Capital Facility Agent, in accordance with this Section 10.07 (*Resignation or Removal of Working Capital Facility Agent*) and Section 19.3 (*Replacement of Facility Agents*) of the Common Terms Agreement.

(b) Upon any notice of resignation by the Working Capital Facility Agent or upon the removal of the Working Capital Facility Agent by the Required Working Capital Lenders, or by the Borrower with the approval of the Required Working Capital Lenders pursuant to Section 10.07(a) (*Resignation or Removal of Working Capital Facility Agent*), the Required Working Capital Lenders shall appoint a successor Working Capital Facility Agent, hereunder and under each other Finance Document to which the Working Capital Facility Agent is a party, such successor Working Capital Facility Agent to be a commercial bank or financial institution having combined capital and surplus of at least \$1,000,000,000; *provided* that, if no Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default shall then be Continuing, the appointment of a successor Working Capital Facility Agent shall also be subject to the prior written consent of the Borrower (such acceptance not to be unreasonably withheld, conditioned or delayed). The fees payable by the Borrower to a successor Working Capital Facility Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor.

(c) If no successor Working Capital Facility Agent shall have been so appointed and shall have accepted such appointment within sixty (60) days after (i) the retiring Working Capital Facility Agent gives notice of its resignation or (ii) the date fixed for such removal, as applicable, the Working Capital Facility Agent shall, at the expense of the Loan Parties, petition any court of competent jurisdiction in the United States for the appointment of a successor Working Capital Facility Agent. Such court may thereupon, after such notice, if any, as it may prescribe, appoint a successor Working Capital Facility Agent. If no successor Working Capital Facility Agent shall have been so appointed in accordance with clauses (a) and (b) above or (A) this clause (c) and shall have accepted such appointment within ninety (90) days

or (B) in the case of this clause (c) if the Working Capital Facility Agent, acting reasonably, cannot determine a court of competent jurisdiction in the United States that will consider the petition contemplated in this clause (c) within sixty (60) days, in each case after (x) the retiring Working Capital Facility Agent gives notice of its resignation or (y) the date fixed for such removal, as applicable, the Working Capital Facility Agent may, at the expense of the Loan Parties, appoint a successor Working Capital Facility Agent meeting the criteria set forth in Section 10.07(b) (*Resignation or Removal of Working Capital Facility Agent*); *provided* that, if no Working Capital Facility Event of Default shall then be Continuing, the appointment of such successor Working Capital Facility Agent shall also be subject to the prior written consent of the Borrower (such acceptance not to be unreasonably withheld, conditioned or delayed); *provided, further*, that if no successor Working Capital Facility Agent shall have been so appointed by the Working Capital Facility Agent within thirty (30) days after the termination of such 90-day period, the Loan Parties may appoint a successor Working Capital Facility Agent with the consent of the Required Working Capital Lenders (such consent not to be unreasonably withheld or delayed).

(d) Upon the acceptance of a successor's appointment as Working Capital Facility Agent hereunder and compliance with the provisions of Section 19.3 (*Replacement of Facility Agents*) of the Common Terms Agreement, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Working Capital Facility Agent, and the retiring (or removed) Working Capital Facility Agent shall be discharged from all of its duties and obligations hereunder or under the other Finance Documents. After the retirement or removal of the Working Capital Facility Agent hereunder and under the other Finance Documents, the provisions of this Article X (*THE WORKING CAPITAL FACILITY AGENT*) and Section 11.07 (*Indemnification by the Borrower*) shall continue in effect for the benefit of such retiring (or removed) Person, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Person was acting in its capacity as Working Capital Facility Agent.

(e) Notwithstanding anything in this Agreement, no resignation or, as the case may be, removal of the Working Capital Facility Agent shall be effective until the following conditions are satisfied:

(i) the Working Capital Facility Agent has transferred to its successor all the rights and obligations in its capacity as Working Capital Facility Agent under this Working Capital Facility Agreement, the Common Terms Agreement and the other Finance Documents to which it is party as the Working Capital Facility Agent; and

(ii) the requirements of Section 19.3 (*Replacement of Facility Agents*) of the Common Terms Agreement have been satisfied.

Section 10.08 No Amendment to Duties of Working Capital Facility Agent Without Consent. The Working Capital Facility Agent shall not be bound by any waiver, amendment, supplement or modification of this Agreement or any other Finance Document that affects its rights or duties hereunder or thereunder unless such Working Capital Facility Agent shall have given its prior written consent, in its capacity as Working Capital Facility Agent thereto.

Section 10.09 Non-Reliance on Working Capital Facility Agent and Working Capital Lenders and Issuing Banks. Each of the Working Capital Lenders and the Issuing Banks acknowledges that it has, independently and without reliance upon the Working Capital Facility Agent, any other Working Capital Lender or Issuing Bank or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and make its extensions of credit. Each of the Working Capital Lenders and the Issuing Banks also acknowledges that it will, independently and without reliance upon the Working Capital Facility Agent or any other Working Capital Lender or Issuing Bank or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Finance Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.10 No Joint Lead Arranger Duties. Anything herein to the contrary notwithstanding, no Joint Lead Arranger has any powers, duties or responsibilities under this Agreement, except in its capacity, as applicable, as the Working Capital Facility Agent, Working Capital Lender or Issuing Bank hereunder.

Section 10.11 Copies. The Working Capital Facility Agent shall give prompt notice to each Working Capital Lender and each Issuing Bank of receipt of each notice or request required or permitted to be given to the Working Capital Facility Agent by the Loan Parties pursuant to the terms of this Agreement or any other Finance Document (unless concurrently delivered to the Term Lenders by such Loan Party). The Working Capital Facility Agent will distribute to each Working Capital Lender and each Issuing Bank each document or instrument (including each document or instrument delivered by the Loan Parties to the Working Capital Facility Agent pursuant to Article VI (*REPRESENTATIONS AND WARRANTIES*), Article VII (*CONDITIONS PRECEDENT*) and Article VIII (*COVENANTS*)) received for the account of the Working Capital Facility Agent and copies of all other communications received by the Working Capital Facility Agent from the Loan Parties for distribution to the Working Capital Lenders and the Issuing Banks by the Working Capital Facility Agent in accordance with the terms of this Agreement or any other Finance Document.

Section 10.12 General Provisions as to Payments. (a) Subject to Section 4.16 (*Pro Rata Treatment*) above, the Working Capital Facility Agent promptly shall distribute to each Working Capital Lender and each Issuing Bank its share of each payment of (i) principal and interest payable to such Working Capital Lender or Issuing Bank on the Loans, (ii) fees hereunder received by the Working Capital Facility Agent for the account of the Working Capital Lenders or the Issuing Banks and (iii) any other Working Capital Obligations. The payments made for the account of each Working Capital Lender and each Issuing Bank shall be made and distributed to such Working Capital Lender or Issuing Bank for the account of its facility office set forth on Schedule 11.10 (*Addresses for Notices*) hereto. Each Working Capital Lender and each Issuing Bank shall have the right to alter its designated facility office upon written notice to the Working Capital Facility Agent, the Loan Parties and the Intercreditor Agent pursuant to Section 11.10 (*Notices and Other Communications*).

(b) Where a sum is to be paid to a Working Capital Lender or an Issuing Bank under the Finance Documents or another party to this Agreement by another party to this Agreement that is primarily liable for such sum, the Working Capital Facility Agent shall not be obliged to pay such sum to such other party (or to enter into or perform any related exchange contract) until it has established to its satisfaction that it has received such sum.

(c) If the Working Capital Facility Agent pays an amount to another party to this Agreement and it proves to be the case that the Working Capital Facility Agent had not actually received that amount for which another party to this Agreement is primarily liable, then the party to whom that amount (or the proceeds of any related exchange contract) was paid by the Working Capital Facility Agent shall on demand refund the same to the Working Capital Facility Agent together with interest on that amount from the date of payment to the date of receipt by the Working Capital Facility Agent, calculated by the Working Capital Facility Agent to reflect its cost of funds.

(d) The Working Capital Facility Agent acknowledges and agrees that, notwithstanding any provision to the contrary in any Finance Document, in no event shall the Working Capital Lenders or the Issuing Banks be obligated to pay any agency or other fee to the Working Capital Facility Agent even if the Loan Parties fail to do so.

Section 10.13 Agreement to Comply with Finance Documents. Each of the Working Capital Lenders and the Issuing Banks agrees for the benefit of the Borrower and each other that, in giving instructions to the Working Capital Facility Agent and the Intercreditor Agent and, where so permitted under this Agreement, the Intercreditor Agreement, Common Terms Agreement or the Common Security and Account Agreement, in taking Decisions by itself or through the Working Capital Facility Agent, including pursuing any Working Capital Lender or Issuing Bank remedies against the Borrower, that such Working Capital Lender or Issuing Bank shall act at all times in accordance with the terms of the Intercreditor Agreement, the Common Security and Account Agreement, the Common Terms Agreement, this Agreement and the applicable Finance Documents.

Section 11.04 Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that none of the Loan Parties may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Working Capital Lender, each Issuing Bank and the Working Capital Facility Agent (and any attempted assignment or other transfer by any Loan Party without such consent shall be null and void), and no Working Capital Lender or Issuing Bank may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Acceptable Lender in accordance with Section 11.04(b) and Section 11.04(i), (ii) by way of participation in accordance with Sections 11.04(d) through (f) or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.04(g) (and any other attempted assignment or transfer by any party hereto shall be null and void).

(b) (i) Subject to Section 11.04(i), Section 11.04(j) and this Section 11.04(b), any Working Capital Lender may assign all or a portion of its rights and obligations under this Agreement (including all or a portion of its Working Capital Debt Commitment with respect to the Working Capital Loans and LC Loans at the time owing to it and an equal portion of its Non-Fronting Limit), with the consent of the Issuing Banks in the case of an assignment by a Working Capital Lender. No assignment pursuant to this clause (b)(ii) shall, on the date of such assignment, result in an increase in amounts payable by the Borrower under Section 5.03 (*Increased Costs*) or Section 5.05 (*Funding Losses*), unless such increase in amounts payable measured on such date of assignment is waived by the assigning and assuming Working Capital Lenders).

(ii) [Reserved.]

(iii) Assignments made pursuant to this Section 11.04(b) shall be made with the prior written approval of the Borrower (such approval not to be unreasonably withheld or delayed and to be deemed to have been given by the Borrower if the Borrower has not responded in writing within fifteen (15) Business Days of request) unless (A) such assignment is to an Eligible Assignee or (B) a Working Capital Facility Event of Default has occurred and is Continuing; *provided, however*, that where the prior written approval of the Borrower is not required, the assigning Existing Facility Lender shall promptly notify the Borrower of any such assignment, novation or transfer.

(iv) Except in the case of (A) an assignment of the entire remaining amount of the assigning Working Capital Lender's Working Capital Debt Commitment and the Loans at the time owing to it and its entire Non-Fronting Limit or (B) an assignment to a Working Capital Lender, or an Affiliate of a Working Capital Lender, or an Approved Fund with respect to a Working Capital Lender, the sum of (1) the outstanding Working Capital Debt Commitments, if any, and (2) the outstanding Loans subject to each such assignment (determined as of the date the Lender Assignment Agreement with respect to such assignment is delivered to the Working Capital Facility Agent or, if "Trade Date" is specified in the Lender Assignment Agreement, as of the Trade Date) shall not be less than \$1,000,000 and, with respect to the assignment of the Loans in integral multiples of \$500,000, unless the Working Capital Facility Agent otherwise consents in writing.

(v) Subject to Section 11.04(g) and Section 11.04(i), each partial assignment by a Working Capital Lender shall be made as an assignment of the same percentage of outstanding Working Capital Debt Commitments, Loans and Non-Fronting Limit, under this Agreement and a proportionate part of all the assigning Working Capital Lender's rights and obligations under this Agreement with respect to such Non-Fronting Limit, Loans and the Working Capital Debt Commitment assigned.

(vi) The parties to each assignment of Working Capital Debt Commitments and Non-Fronting Limit, shall execute and deliver to the Working Capital Facility Agent a Lender Assignment Agreement, in the form of Exhibit D, together with a processing and recordation fee of \$3,500; *provided* that, (A) no such fee shall be payable in the case of an assignment to a Working Capital Lender, an Affiliate of a Working Capital Lender or an Approved Fund with respect to a Working Capital Lender and (B) in the case of contemporaneous assignments by a Working Capital Lender to one or more Approved Funds managed by the same investment advisor (which Approved Funds are not then Working Capital Lenders hereunder), only a single such fee shall be payable for all such contemporaneous assignments.

(vii) If the Acceptable Lender is not a Working Capital Lender prior to such assignment, it shall deliver to the Working Capital Facility Agent an administrative questionnaire and all documentation and other information required by bank regulatory authorities under applicable "know your customer" requirements.

(viii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Working Capital Facility Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Working Capital Facility Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Working Capital Facility Agent, and each other Working Capital Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full *pro rata* share of all Loans in accordance with its Commitment Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(ix) Subject to acceptance and recording thereof by the Working Capital Facility Agent pursuant to Section 11.04(c), from and after the effective date specified in each Lender Assignment Agreement, the Acceptable Lender thereunder shall be a party to this Agreement and, to the extent of the interest

assigned by such Lender Assignment Agreement, have the rights and obligations of a Working Capital Lender under this Agreement and the other applicable Finance Documents, and the assigning Working Capital Lender thereunder shall, to the extent of the interest assigned by such Lender Assignment Agreement, be released from its obligations under this Agreement and the other applicable Finance Documents (and, in the case of a Lender Assignment Agreement covering all of the assigning Working Capital Lender's rights and obligations under this Agreement, such Working Capital Lender shall cease to be a party hereto or benefit from any Finance Document) but shall continue to be entitled to the benefits of Section 5.01 (*LIBOR Lending Unlawful*), Section 5.03 (*Increased Costs*), Section 5.05 (*Funding Losses*), Section 5.06 (*Taxes*), Section 23.4 (*Expenses*) of the Common Terms Agreement and Section 12.18 (*Other Indemnities*) of the Common Security and Account Agreement with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided* that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Working Capital Lender's having been a Defaulting Lender.

(x) Any assignment or transfer by a Working Capital Lender of rights or obligations under this Agreement that does not comply with this Section 11.04(b) shall be treated for purposes of this Agreement as a sale by such Working Capital Lender of a participation in such rights and obligations in accordance with Sections 11.04(d) through (f). Any assignment or transfer by an Issuing Bank of rights or obligations under this Agreement that does not comply with this Section 11.04(b) and Section 3.06 (*Resignation as an Issuing Bank*), as applicable, shall be null and void. Upon any such assignment, the Working Capital Facility Agent will deliver a notice thereof to the Borrower (*provided* that failure to deliver such notice shall not result in any liability for the Working Capital Facility Agent).

(c) The Working Capital Facility Agent shall maintain the Working Capital Lender Register in accordance with Section 2.04(e) *Funding*) above.

(d) Any Working Capital Lender may at any time, without the consent of, or notice to, the Borrower or the Working Capital Facility Agent, sell participations to a Participant in all or a portion of such Working Capital Lender's rights or obligations under this Agreement (including all or a portion of its Working Capital Debt Commitment or the Loans under this Agreement owing to it); *provided* that, (i) such Working Capital Lender's obligations under this Agreement shall remain unchanged, (ii) such Working Capital Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Working Capital Facility Agent and the other Working Capital Lenders shall continue to deal solely and directly with such Working Capital Lender in connection with such Working Capital Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Working Capital Lender shall be responsible for the indemnity under Section 10.06 (*Indemnification by the Working Capital Lenders*) with respect to any payments made by such Working Capital Lender to its Participant(s).

(e) Any agreement or instrument pursuant to which a Working Capital Lender sells such participation shall provide that such Working Capital Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that, such agreement or instrument may provide that such Working Capital Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 (*Decisions; Amendments; Etc.*) that directly affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 5.03 (*Increased Costs*), Section 5.05 (*Funding Losses*) and Section 5.06 (*Taxes*) (subject to the requirements and limitations therein and in Section 21 (*Tax Gross-Up and Indemnities*) of the Common Terms Agreement, including the requirements under Section 21.5 (*Status of Facility Lenders and Facility Agents*) of the Common Terms Agreement (it being understood that any documentation required under Section 5.06 (*Taxes*) shall be delivered to the participating Working Capital Lender)) to the same extent as if it were a Working Capital Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 11.04 (*Assignments*); *provided* that, such Participant (A) agrees to be subject to the provisions of Section 5.04 (*Obligation to Mitigate*) as if it were an assignee under paragraph (b) of this Section 11.04; and (B) shall not be entitled to receive any greater payment under Section 5.03 (*Increased Costs*) or Section 5.06 (*Taxes*), with respect to any participation, than its participating Working Capital Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(f) Each Working Capital Lender that sells a participation agrees, at such Working Capital Lender's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 5.04 (*Obligation to Mitigate*) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.13 (*Right of Set-Off*) as though it were a Working Capital Lender; *provided* that, such Participant agrees to be subject to Section 4.17 (*Sharing of Payments*) as though it were a Working Capital Lender. Each Working Capital Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a Participant Register; *provided* that, no Working Capital Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Finance Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Working Capital Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Working Capital Facility Agent (in its capacity as Working Capital Facility Agent) shall have no responsibility for maintaining a Participant Register.

(g) Any Working Capital Lender or any Issuing Bank may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Working Capital Lender or Issuing Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Working Capital Lender in accordance with any applicable law, and this Section 11.04

(Assignments) shall not apply to any such pledge or assignment of a security interest; *provided* that, no such pledge or assignment of a security interest shall release a Working Capital Lender or Issuing Bank from any of its obligations hereunder or substitute any such pledgee or assignee for such Working Capital Lender as a party hereto; *provided, further*, that in no event shall the applicable Federal Reserve Bank, central bank, pledgee or trustee be considered to be a “Working Capital Lender” or “Issuing Bank”, as applicable.

(h) The words “execution”, “signed”, “signature” and words of like import in any Lender Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Government Rule, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(i) All assignments by a Working Capital Lender of all or a portion of its rights and obligations hereunder with then-outstanding Working Capital Debt Commitments and Non-Fronting Limit shall be made only as an assignment of the same percentage of outstanding Working Capital Debt Commitments, outstanding Loans, and Non-Fronting Limit under this Agreement held by such Working Capital Lender. If such Working Capital Lender has no unused Working Capital Debt Commitments, assignments of outstanding Loans owing to such Working Capital Lender may be made, together with a *pro rata* portion of such Working Capital Lender’s rights and obligations with respect to the Loans subject to such assignment, in such amounts, to such persons and on such terms as are permitted by and otherwise in accordance with Section 11.04(b).

(j) No sale, assignment, transfer, negotiation or other disposition of the interests of any Working Capital Lender or any Issuing Bank hereunder or under the other Finance Documents shall be allowed if it could reasonably be expected to require securities registration under any laws or regulations of any applicable jurisdiction.

Section 11.05 Benefits of Agreement. Nothing in this Agreement or any other Finance Document, express or implied, shall be construed to give to any Person, other than the parties hereto, the Joint Lead Arrangers, or each of their successors and permitted assigns under this Agreement or any other Finance Document, Participants to the extent provided in Section 11.04 (*Assignments*) and, to the extent expressly contemplated hereby, the Related Parties of each of the Working Capital Facility Agent, the Security Trustee and the Working Capital Lenders, any benefit or any legal or equitable right or remedy under this Agreement.

Section 11.06 Counterparts; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it has been executed by the Working Capital Facility Agent and when the Working Capital Facility Agent has received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or portable document format (“pdf”) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 11.07 Indemnification by the Borrower. (a) The Loan Parties hereby agree to indemnify each Working Capital Lender, each Issuing Bank, each Joint Lead Arranger and each Related Party of any of the foregoing Persons in accordance with Section 12.18 (*Other Indemnities*) of the Common Security and Account Agreement and Section 2.15 (*Other Indemnities*) of the Intercreditor Agreement, which shall be applied *mutatis mutandis* to the indemnified parties under this Agreement, as well as with respect to reliance by such indemnified party on each notice purportedly given by or on behalf of the Borrower pursuant to Section 11.10 (*Notices and Other Communications*).

(b) To the extent that any Loan Party for any reason fails to pay any amount required under Section 12.18 (*Other Indemnities*) of the Common Security and Account Agreement or clause (a) above to be paid by it to any of the Working Capital Facility Agent, any sub-agent thereof or any Related Party of any of the foregoing, each Working Capital Lender severally agrees to pay to the Working Capital Facility Agent, any such sub-agent, or such Related Party, as the case may be, such Working Capital Lender's ratable share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Working Capital Facility Agent or any sub-agent thereof in its capacity as such, or against any Related Party of any of the foregoing acting for the Working Capital Facility Agent or any sub-agent thereof in connection with such capacity. The obligations of the Working Capital Lenders under this Section 11.07(b) (*Indemnification by the Borrower*) are subject to the provisions of Section 2.04 (*Funding*). The obligations of the Working Capital Lenders to make payments pursuant to this Section 11.07(b) (*Indemnification by the Borrower*) are several and not joint and shall survive the payment in full of the Working Capital Obligations and the termination of this Agreement. The failure of any Working Capital Lender to make payments on any date required hereunder shall not relieve any other Working Capital Lender of its corresponding obligation to do so on such date, and no Working Capital Lender shall be responsible for the failure of any other Working Capital Lender to do so.

(c) The provisions of this Section 11.07 (*Indemnification by the Borrower*) shall not supersede Section 5.03 (*Increased Costs*) and Section 5.06 (*Taxes*).

Section 11.08 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Finance Document, the interest paid or agreed to be paid under the Finance Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Government Rule (the "**Maximum Rate**"). If the Working Capital Facility Agent, any Working Capital Lender or any Issuing Bank shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Working Capital Loans or LC Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Working Capital Facility Agent or any Working Capital Lender or any Issuing Bank exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Government Rule, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Working Capital Obligations hereunder.

Section 11.09 No Waiver: Cumulative Remedies. No failure by any Working Capital Secured Party to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Finance Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Finance Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 11.10 Notices and Other Communications. (a) Any communication between the Parties or notices provided herein to be given may be given as provided in Section 23.9 (*Notices*) of the Common Terms Agreement, which shall apply *mutatis mutandis* to this Section 11.10 (*Notices and Other Communications*) as if fully set forth herein except that references to the Intercreditor Agent shall be deemed references to the Working Capital Facility Agent as the context requires, and with respect to clauses (a) (i) and (ii) thereof, the address and notice information of the Loan Parties, each Working Capital Lender, each Issuing Bank and the Working Capital Facility Agent shall be as set forth in Schedule 11.10 (*Addresses for Notices*) hereto.

(b) The Working Capital Facility Agent, the Security Trustee, the Issuing Banks and the Working Capital Lenders shall be entitled to rely and act upon any written notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Working Capital Facility Agent, the Security Trustee, the Issuing Banks and the Working Capital Lenders by the Borrower may be recorded by the Working Capital Facility Agent, the Security Trustee, the Issuing Banks and the Working Capital Lenders, as applicable, and each of the parties hereto hereby consents to such recording.

(c) Notwithstanding the above, nothing herein shall prejudice the right of the Working Capital Facility Agent, the Security Trustee, any of the Issuing Banks and any of the Working Capital Lenders to give any notice or other communication pursuant to any Finance Document in any other manner specified in such Finance Document.

(d) Notwithstanding anything to the contrary in any other Finance Document, for so long as The Bank of Nova Scotia is the Working Capital Facility Agent, the Borrower hereby agrees that it will provide to the Working Capital Facility Agent all information, documents and other materials that it is obligated to furnish to the Working Capital Facility Agent pursuant to the Finance Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to any Working Capital Borrowing, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor,

(iii) provides notice of any Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default or (iv) is required to be delivered to satisfy any condition precedent to any Working Capital Borrowing (all such non-excluded communications being referred to herein collectively as “**Communications**”), in an electronic/soft medium in a format acceptable to the Working Capital Facility Agent at the email addresses specified in Schedule 11.10 (*Addresses for Notices*) hereto. In addition, the Borrower agrees to continue to provide the Communications to the Working Capital Facility Agent in the manner specified in the Finance Documents but only to the extent requested by the Working Capital Facility Agent.

Section 11.11 USA Patriot Act Notice. Each of the Working Capital Lenders, the Issuing Banks, the Working Capital Facility Agent and the Security Trustee hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Working Capital Lender, such Issuing Bank, the Working Capital Facility Agent or the Security Trustee, as applicable, to identify the Borrower in accordance with the USA Patriot Act.

Section 11.12 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Working Capital Facility Agent, the Security Trustee, any Issuing Bank or any Working Capital Lender, or the Working Capital Facility Agent, the Security Trustee, any Issuing Bank or any Working Capital Lender (as the case may be) exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Working Capital Facility Agent, the Security Trustee, such Issuing Bank or such Working Capital Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any Bankruptcy Proceeding or otherwise, then (a) to the extent of such recovery, the Working Capital Obligation or part thereof originally intended to be satisfied by such payment shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Working Capital Lender and each Issuing Bank severally agrees to pay to the Working Capital Facility Agent or the Security Trustee upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Working Capital Facility Agent or the Security Trustee, as the case may be, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Working Capital Lenders and the Issuing Banks under this Section 11.12 (*Payments Set Aside*) shall survive the payment in full of the Working Capital Obligations and the termination of this Agreement.

Section 11.13 Right of Set-Off. The provisions set forth in Section 23.2 (*Right of Set-Off*) of the Common Terms Agreement are incorporated by reference and shall apply *mutatis mutandis* as if fully set forth herein.

Section 11.14 Severability. If any provision of this Agreement or any other Finance Document is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Finance Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.15 Survival. Notwithstanding anything in this Agreement to the contrary, Section 5.01 (*LIBOR Lending Unlawful*), Section 5.03 (*Increased Costs*), Section 5.06 (*Taxes*), Section 10.06 (*Indemnification by the Working Capital Lenders*), Section 11.07 (*Indemnification by the Borrower*), Section 11.12 (*Payments Set Aside*) and Section 11.20 (*No Recourse*) shall survive any termination of this Agreement. In addition, each representation and warranty made hereunder and in any other Finance Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties shall be considered to have been relied upon by the Working Capital Secured Parties regardless of any investigation made by any Working Capital Secured Party or on their behalf and notwithstanding that the Working Capital Secured Parties may have had notice or knowledge of any Working Capital Facility Event of Default or Unmatured Working Capital Facility Event of Default at the time of the Working Capital Borrowing, and shall continue in full force and effect as of the date made or any date referred to herein as long as any Working Capital Loan, LC Loan or any other Working Capital Obligation hereunder or under any other Finance Document shall remain unpaid or unsatisfied.

Section 11.16 Treatment of Certain Information; Confidentiality. The Working Capital Facility Agent, the Security Trustee, each of the Issuing Banks and each of the Working Capital Lenders agree to maintain the confidentiality of the Confidential Information and all information disclosed to it concerning this Agreement and the other Finance Documents in accordance with Section 23.8 (*Confidentiality*) of the Common Terms Agreement.

Section 11.17 Waiver of Consequential Damages, Etc. (a) The provisions set forth in Section 23.19 (*Limitations on Liability*) of the Common Terms Agreement are incorporated by reference and shall apply *mutatis mutandis* as if fully set forth herein. No party hereto or its Related Parties shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Finance Documents or the transactions contemplated hereby or thereby.

Section 11.18 Waiver of Litigation Payments. To the extent that any party hereto may, in any action, suit or proceeding brought in any of the courts referred to in Section 11.03(b) (*Applicable Government Rule; Jurisdiction, Etc.*) or elsewhere arising out of or in connection with this Agreement or any other Finance Document to which it is a party, be entitled to the benefit of any provision of law requiring any other party hereto in such action, suit or proceeding to post security for the costs of such Person or to post a bond or to take similar action, each such Person hereby irrevocably waives such benefit, in each case to the fullest extent now or in the future permitted under the laws of the State of New York or, as the case may be, the jurisdiction in which such court is located.

Section 11.19 Reinstatement. This Agreement shall continue to be effective or be reinstated, as the case may be, if (and only to the extent that) any payment or performance of the obligations of the Borrower hereunder is rescinded, avoided, voidable, liable to be set aside, reduced or otherwise not properly payable to, or must otherwise be returned or restored by the Working Capital Facility Agent or any Issuing Bank or any Working Capital Lender as a result of (i) Bankruptcy, insolvency, reorganization with respect to the Borrower or the Working Capital Facility Agent, any Issuing Bank or any Working Capital Lender, (ii) upon the dissolution of, or appointment of any intervenor, conservator, trustee or similar official for the Borrower, the Working Capital Facility Agent, any Issuing Lender or any Working Capital Lender or for any substantial part of the Borrower's or any other such Person's assets, (iii) as a result of any settlement or compromise with any Person (including the Borrower) in respect of such payment or otherwise, or (iv) any similar event or otherwise and, in such case, the provisions of Section 10.1 (*Nature of Obligations*) of the Common Security and Account Agreement, which shall apply hereto *mutatis mutandis*.

Section 11.20 No Recourse. The provisions set forth in Section 10.3 (*Limitation on Recourse*) of the Common Security and Account Agreement are incorporated by reference and shall apply *mutatis mutandis* as if fully set forth herein.

Section 11.21 Intercreditor Agreement. Any actions, consents, approvals, authorizations or discretion taken, given, made or exercised, or not taken, given, made or exercised by the Working Capital Facility Agent, acting as a Senior Creditor Group Representative on behalf of the Working Capital Lenders and the Issuing Lenders, in accordance with the Intercreditor Agreement shall be binding on each Working Capital Lender and each Issuing Bank. Notwithstanding anything to the contrary herein, in the case of any inconsistency between this Agreement and the Intercreditor Agreement, the Intercreditor Agreement shall govern.

Section 11.22 Termination. This Agreement shall terminate and shall have no force and effect (except with respect to the provisions that expressly survive termination of this Agreement) in accordance with the provisions of Section 23.1 (*Termination*) of the Common Terms Agreement and if the Discharge Date with respect to the Working Capital Obligations has occurred.

Section 11.23 Acknowledgment and Consent to Bail-In of EEA Financial Institutions

(a) Notwithstanding anything to the contrary in any Working Capital Loan Document, each party hereto acknowledges that any liability of any Working Capital Lender or any Issuing Bank that is an EEA Financial Institution arising under any Working Capital Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Working Capital Lender or any Issuing Bank that is an EEA Financial Institution; and

(ii) the effects of any Bail-in Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Working Capital Loan Document; or

(C) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 11.24 Amendment and Restatement. This Agreement amends, restates and supersedes the Initial Working Capital Facility Agreement in its entirety, but does not constitute a novation of the Initial Working Capital Facility or any document entered into in connection therewith. It is the intent of the parties that the Security Interests granted in the Collateral, and the guarantees granted by the Guarantors, in each case under and pursuant to the Common Security and Account Agreement, shall continue in full force and effect with respect to the Senior Debt Obligations arising under this Agreement.

- (a) the Sharing Arrangement does not involve any sale, lease or creation of a Lien over the assets of the Development, other than:
 - (i) any sale, lease or Lien over Real Estate which (1) is owned by the Loan Parties but is not reasonably necessary for siting, constructing or operating the Project Facilities (as then under construction and/or operation), (2) would not otherwise materially adversely impact the construction and/or operation of the Project Facilities (as then under construction and/or operation) or their performance as contemplated under their applicable engineering, construction or procurement contract or (3) could not reasonably be expected to have a Material Adverse Effect (with reasonable concurrence of the Independent Engineer in the case of reliance on clauses (1) or (2)); and

-
- (ii) any Permitted Liens or any customary easements, related subordination and non-attornment provisions or similar Liens employed for the grant of quiet enjoyment rights of use over facilities whose use is shared by one or more entities and which could not reasonably be expected to have a Material Adverse Effect; and
- (b) the Sharing Arrangement satisfies the following conditions:
- (i) Cheniere LNG O&M Services, LLC remains the operator of any Project Facilities subject to such Sharing Arrangement;
 - (ii) such Sharing Arrangement provides that, as a condition precedent to the commencement of any use, sharing or pooling of capacity in a facility that is owned by an External Train Entity, that such facility has reached substantial completion in accordance with the applicable engineering, construction and procurement contract;
 - (iii) the Borrower shall have delivered to the Intercreditor Agent a certificate from an Authorized Officer of the Borrower (to which the Independent Engineer has reasonably concurred) certifying that after giving effect to such proposed Sharing Arrangement, CCL and CCP will hold capacity and use rights across the Project Facilities (as supplemented by any facilities developed and used by the External Train Entity) sufficient for the Borrower to meet its obligations under all then-effective Material Project Agreements;

 - (vi) the Borrower shall have delivered to the Intercreditor Agent a certificate from an Authorized Officer of the Borrower certifying that (1) all requirements described in this Section 13 (*Sharing of Project Facilities*) have been complied with, (2) no Material Adverse Effect could reasonably be expected to arise as a result of implementing the proposed Sharing Arrangements and (3) all

material Permits from a Governmental Authority required in respect of the implementation of such proposed Sharing Arrangement have been obtained or the Borrower shall have delivered to the Intercreditor Agent a certificate from an Authorized Officer of the Borrower certifying that it reasonably expects such material consents can be obtained by the Loan Parties when necessary without material expense or delay to implementation of the Sharing Arrangement; and

- (vii) the amount of all Senior Debt (excluding Working Capital Debt and excluding all Indebtedness under Permitted Senior Debt Hedging Instruments) of the Borrower outstanding after giving effect to such Sharing Arrangements is capable of being amortized to a zero balance by the termination date of the last to terminate of the Qualifying LNG SPAs then in effect and produces a Projected Fixed DSCR that is not less than the Projected Fixed DSCR derived from amortizing the amount of all Senior Debt (excluding Working Capital Debt and excluding all Indebtedness under Permitted Senior Debt Hedging Instruments) of the Borrower outstanding prior to giving effect to such Sharing Arrangements to a zero balance by the termination date of the last to terminate of such Qualifying LNG SPAs, in each case through the terms of such Qualifying LNG SPAs, with such calculations using such Qualifying LNG SPAs and using an interest rate equal to (1) in the case of an amortization calculation after giving effect to such Sharing Arrangements, the weighted average interest rate of all such Senior Debt (excluding Working Capital Debt) outstanding after giving effect thereto and (2) in the case of an amortization calculation prior to giving effect to such Sharing Arrangements, the weighted average interest rate of all such Senior Debt (excluding Working Capital Debt) outstanding prior to giving effect thereto.

Any such agreements shall be automatically deemed to be Material Project Agreements when the conditions above are satisfied.

14. Gas Transportation Arrangements; Gas Purchase Arrangements. CCL shall comply in all material respects with the gas sourcing plan attached as Exhibit E hereto.

15. Operating Budget. Within a reasonable period of time prior to the beginning of each calendar year following the First Phase Operational Phase Commencement Date, the Loan Parties shall prepare a proposed operating plan and budget setting forth in reasonable detail the projected requirements for Operation and Maintenance Expenses for the Loan Parties and the Development for the ensuing calendar year and provide the Independent Engineer and the Intercreditor Agent with a copy of such operating plan and budget (which shall thereafter be the “**Operating Budget**” for the Development). Each such Operating Budget shall be prepared in a manner that is consistent with Prudent Industry Practice.

16. Operating Statements and Reports. Within sixty (60) days following the end of each fiscal year, commencing with the close of the first full fiscal year after the First Phase Operational Phase Commencement Date, the Borrower shall deliver to the Intercreditor Agent and the Independent Engineer a copy of the annual operating statement and report for such fiscal year, which shall:

- (b) include a copy of any filing made by a Loan Party:
 - (i) with FERC with respect to the Development; or

 - (i) with FERC with respect to the Development in any proceeding in which a Loan Party is the captioned party or respondent; or
 - (ii) with the DOE with respect to the export of LNG from the Project Facilities in any proceeding in which a Loan Party is the captioned party or respondent (except in each case such filings as are routine or ministerial in nature), which copy may be provided by means of a link to the website where such filing is posted;
- (d) be accompanied by a description of any material:
 - (i) variance from the amount budgeted for a particular item in the relevant Operating Budget; and
 - (ii) variance in the actual costs for the then-current period from the costs incurred during the prior period; and
- (e) be certified as materially complete and correct by an Authorized Officer of the Borrower.

17. Permitted Development Expenditures. The Loan Parties may make Development Expenditures that qualify as Permitted Development Expenditures. In addition, for the avoidance of doubt, a Development Expenditure may also be made in connection with an Expansion or as a result of permitted modifications of an engineering, procurement and construction contract.

18. Expansions.

- (a) The Loan Parties, subject to satisfaction of the conditions set forth in clause (b) below, will have the right to modify existing facilities, and to construct the following additional facilities, including acquiring land for the location of such additional facilities:
- (i) one or more Trains and related storage, transportation, loading, unloading and other facilities and equipment;
 - (ii) other facilities for producing, storing, loading or unloading LNG or other products required for or associated with the production of LNG, including modifications of the then-existing facilities to provide regasification or bi-directional production service;
 - (iii) expansion of existing pipelines or construction of new pipelines, and related infrastructure;
 - (iv) other modifications of then-existing Project Facilities; and
 - (v) the construction of Project Facilities or other infrastructure pursuant to a Sharing Arrangement permitted under Section 13 (*Sharing of Project Facilities*) of this Schedule I;

(such expansions and/or modifications (and which in each case are not Permitted Development Expenditures) are referred to as **'Expansions'** and each an **"Expansion"**); *provided* that, notwithstanding the conditions set forth in Section 18(b) below, the Loan Parties may at any time (1) conduct front-end engineering, development and design work using Equity Funding; (2) prepare and submit applications for Permits related to any such Expansion; (3) undertake early works and/or pre-construction activities; and (4) enter into a construction contract or construction contracts with respect to the development of Trains, and related loading, transportation and storage facilities, that contain obligations and liabilities not exceeding \$50,000,000.

- (b) Conditions to Expansion. The Loan Parties may exercise their foregoing rights in relation to an Expansion if the following conditions are satisfied and the Borrower shall have delivered to the Working Capital Agent a certificate of the Borrower certifying that such conditions have been satisfied:
- (i) the Borrower has provided to the Working Capital Agent a funding plan covering the full amount of costs in respect thereof in order to achieve substantial completion of each Train, as applicable, forming part of such Expansion, a budget and construction

schedule of the Expansion, with an appropriate contingency and identifying the source of funds to cover such costs (being permitted Expansion Senior Debt, additional funding (including contributions in the form of Subordinated Debt or Equity Funding) from the Sponsor under an equity commitment agreement (“**Expansion Equity Funding Commitment**”) and/or Development-generated funds that are projected by the Borrower to be freely available for Restricted Payments as set forth in sub-clause (vi)(3) below);

- (ii) the Borrower shall have delivered to the Working Capital Agent a certificate from an Authorized Officer of the Borrower certifying that no Material Adverse Effect will occur, or would reasonably be expected to occur, as a result of the implementation of such proposed Expansion (including, without limitation, the construction, ownership or operation thereof), as the case may be;
- (iii) the Independent Engineer shall have certified to the Working Capital Agent that it has reviewed and concurs with the Borrower’s cost estimate under clause (i) above and the Borrower’s certification in clause (ii) above;
- (iv) the Borrower shall have delivered to the Working Capital Agent a certificate from an Authorized Officer of the Borrower certifying that:
 - (1) all material Permits from a Governmental Authority required in respect of the implementation of such proposed Expansion (excluding any FERC order or Export Authorizations which are addressed in sub-clauses (2) and (3) below) have been obtained or the Borrower shall have delivered to the Working Capital Agent a certificate from an Authorized Officer of the Borrower certifying that it reasonably expects such material consents can be obtained by the Loan Parties when necessary without material expense or delay to construction of the Expansion;
 - (2) a FERC order with respect to the Expansion: (A) has been obtained, (B) is in full force and effect and (C) is free from conditions and requirements (y) the compliance with which could reasonably be expected to have a Material Adverse Effect or (z) that the applicable Loan Party does not expect to be able to satisfy on or prior to the commencement of the relevant stage of Development except to the extent that failure to satisfy such condition or requirement would not reasonably be expected to have a Material Adverse Effect;

-
- (3) each Export Authorization in respect of the quantum of sales contemplated in connection with the Expansion: (A) has been obtained, (B) is in full force and effect and (C) is free from conditions and requirements (y) the compliance with which could reasonably be expected to have a Material Adverse Effect, or (z) that the applicable Loan Party does not expect to be able to satisfy on or prior to the commencement of the relevant stage of Development except to the extent that failure to satisfy such condition or requirement would not reasonably be expected to have a Material Adverse Effect;
 - (4) the Borrower has used reasonable commercial efforts to obtain insurance with respect to the proposed Expansion consistent with the requirements of Section 11 (*Insurance and Insurance Reporting*) of this Schedule I taking into account the type and value of the Expansion; and
 - (5) the engineering, procurement and construction contract associated with the proposed Expansion is in effect and no material payment default exists thereunder;
- (v) no Event of Default or Unmatured Event of Default has occurred and is Continuing;
- (vi) if the funding plan delivered under clause (i) above for any Expansion contemplates that:
- (1) Expansion Senior Debt is a source of funding, then (A) such Senior Debt meets the conditions in clause (c) below and (B) the cost of such Expansion that is not covered by Expansion Senior Debt is covered by Expansion Equity Funding Commitments as described in sub-clause (2) below and/or Development-generated funds meeting the requirements under sub-clause (3) below;
 - (2) Expansion Equity Funding Commitments are a source of funding, then the commitment of the Sponsor to provide such Expansion Equity Funding Commitments is set forth in an irrevocable equity commitment agreement in substantially the form of the CEI Equity Contribution Agreement and the Borrower's rights under such funding commitments have been assigned to the Security Trustee for the benefit of the Senior Creditors, and the Loan Parties have obtained a direct agreement with the Security Trustee in respect of each such funding commitment from the entity providing such funding commitment; and

- (3) Development-generated funds are a source of funding, then such funds are projected by the Borrower to be freely available for Restricted Payments (taking into account the condition to the making of Restricted Payments in Schedule II(b), but no others), such projection to be detailed, based on reasonable assumptions and certified by an Authorized Officer of the Borrower, and the Independent Engineer shall have certified to the Working Capital Facility Agent that it has reviewed and concurs with the Borrower's assumptions related to Operating and Maintenance Expenses included in any such projection of Development-generated funds. These certifications will not require any further determination by the Working Capital Facility Agent.
- (c) Conditions to Expansion Senior Debt. The Borrower may incur Senior Debt to finance a Permitted Development Expenditure or Expansion ("**Expansion Senior Debt**"), as the case may be, so long as each of the following conditions is satisfied and the Borrower shall have delivered to the Working Capital Agent a certificate from an Authorized Officer certifying that such conditions have been satisfied:
- (i) if the Expansion Senior Debt is incurred to fund Permitted Development Expenditures, (i) the design, development, construction and operation of such Permitted Development Expenditure is permitted by Section 17 (*Permitted Development Expenditures*) of this Schedule I and (ii) the aggregate amount of Expansion Senior Debt used or to be used for Permitted Development Expenditures falling into categories (b) and (c) of the definition thereof is less than \$300,000,000;
 - (ii) if the Expansion Senior Debt is incurred to fund an Expansion, the design, development, construction and operation of such Expansion is permitted by clauses (a) and (b) of this Section 18 (*Expansions*);
 - (iii) no Event of Default or Unmatured Event of Default has occurred and is Continuing;
 - (iv) in the event any Train, LNG SPA or engineering, construction and procurement contract related to the Train or Trains being financed with the proceeds of such Expansion Senior Debt (such Train, LNG SPA and engineering, construction and procurement contract, the "**Applicable Expansion Debt Assets**") are not part of the Collateral, prior to the incurrence of such Expansion Senior Debt, the applicable Loan Party will deliver such additional agreements and supplements to the Security Documents as are necessary or advisable in order to subject such Applicable Expansion Debt Assets to the Security Interests at the time such Expansion Senior Debt is incurred;

-
- (v) any Required LNG SPAs are then in effect and there is no material payment default or breach thereunder (or, for any new Required LNG SPA related to LNG to be produced from the Expansion, remain subject only to customary conditions that could be satisfied upon taking an investment decision with respect to the Expansion);
 - (vi) if the Expansion Senior Debt is incurred to fund an Expansion, the amount of all Senior Debt (excluding Working Capital Debt and excluding all Indebtedness under Permitted Senior Debt Hedging Instruments) outstanding after giving effect to the incurrence of Expansion Senior Debt is capable of being amortized to a zero balance by the termination date of the last to terminate of the Qualifying LNG SPAs then in effect and incremental Qualifying LNG SPAs entered into in respect of sales of LNG associated with the Expansion, and produces a Projected Fixed DSCR of at least 1.40:1.00 for the period commencing on the first June 30 or December 31 to occur after the last “guaranteed substantial completion date” (as defined in the applicable engineering, procurement and construction contract) with respect to any Trains then in construction or with respect to which the Expansion Senior Debt is being incurred, through the terms of such Qualifying LNG SPAs (with such ratio calculated using such Qualifying LNG SPAs and using an interest rate equal to the weighted average interest rate of Senior Debt (excluding Working Capital Debt) outstanding after giving effect to the incurrence of the Expansion Senior Debt);
 - (vii) the final maturity date of the Expansion Senior Debt is no earlier than the latest “guaranteed substantial completion date” set forth in the applicable engineering, procurement and construction contract for that part of the Development associated with the applicable Train or Trains forming part of such Expansion; and
 - (viii) the Expansion Senior Debt does not benefit from any security or guarantee from the Loan Parties or the Sponsor or its Affiliates that is in addition to any security or guarantee from such Persons provided in respect of the Initial Senior Debt unless such security or guarantee is provided for the equal and ratable benefit of each Senior Creditor.

19. Replacement Debt. At any time and from time to time, the Company may incur replacement senior debt ("**Replacement Senior Debt**"), so long as:

- (a) in the case of any Replacement Senior Debt to be incurred following the first Date of First Commercial Delivery that occurs under any Initial LNG SPA which has designated Train Two as a designated Train, the Senior Debt (excluding Working Capital Debt and excluding all Indebtedness under Permitted Senior Debt Hedging Instruments) outstanding after giving effect to the incurrence of the Replacement Senior Debt is capable of being amortized to a zero balance by the termination date of the last to terminate of the Qualifying LNG SPAs then in effect and produces a Projected Fixed DSCR of at least 1.40:1.00 for the period commencing on the first June 30 or December 31 to occur after the last "guaranteed substantial completion date" (as defined in the applicable engineering, procurement and construction contract) with respect to any Trains then in construction (or if the Date of First Commercial Delivery has occurred with respect to all Trains, the first June 30 or December 31 to occur after the date of incurrence of such Replacement Senior Debt) through the terms of such Qualifying LNG SPAs (with such ratio being calculated using such Qualifying LNG SPAs and using an interest rate equal to the weighted average interest rate of Senior Debt (excluding Working Capital Debt) outstanding after giving effect to the incurrence of the Replacement Senior Debt and the prepayment or repayment of the existing Senior Debt or cancellation of the applicable Senior Debt Commitments); and
