**NOTE 1—NATURE OF OPERATIONS AND BASIS OF PRESENTATION**

We operate two natural gas liquefaction and export facilities located in Cameron Parish, Louisiana at Sabine Pass and near Corpus Christi, Texas (respectively, the “Sabine Pass LNG Terminal” and “Corpus Christi LNG Terminal”).

CQP owns the Sabine Pass LNG Terminal, which has natural gas liquefaction facilities consisting of six operational Trains, for a total production capacity of approximately 30 mtpa of LNG (the “SPL Project”). The Sabine Pass LNG Terminal also has operational regasification facilities that include five LNG storage tanks, vaporizers and three marine berths. Additionally, the Sabine Pass LNG Terminal includes a 94-mile pipeline owned by CTPL, a subsidiary of CQP, that interconnects our facilities with a number of large interstate and intrastate pipelines. As of June 30, 2023, we owned 100% of the general partner interest and a 48.6% limited partner interest in CQP.

The Corpus Christi LNG Terminal currently has three operational Trains for a total production capacity of approximately 15 mtpa of LNG, three LNG storage tanks and two marine berths. Additionally, we are constructing an expansion of the Corpus Christi LNG Terminal (the “Corpus Christi Stage 3 Project”) for up to seven midscale Trains with an expected total production capacity of over 10 mtpa of LNG. Through our subsidiary CCP, we also own a 21.5-mile natural gas supply pipeline that interconnects the Corpus Christi LNG Terminal with several interstate and intrastate natural gas pipelines (the “Corpus Christi Pipeline” and together with the Corpus Christi LNG Terminal and the Corpus Christi Stage 3 Project, the “CCL Project”).

We have increased available liquefaction capacity at the SPL Project and the CCL Project (collectively, the “Liquefaction Projects”) as a result of debottlenecking and other optimization projects. We hold significant land positions at both the Sabine Pass LNG Terminal and the Corpus Christi LNG Terminal which provide opportunity for further liquefaction capacity expansion. In March 2023, certain of our subsidiaries submitted an application with the FERC under the Natural Gas Act for an expansion adjacent to the CCL Project consisting of two midscale Trains with an expected total production capacity of approximately 3 mtpa of LNG. In May 2023, certain subsidiaries of CQP entered the pre-filing review process with the FERC under the National Environmental Policy Act for an expansion adjacent to the SPL Project consisting of up to three Trains with an expected total production capacity of approximately 20 mtpa of LNG (the “SPL Expansion Project”). The development of these sites or other projects, including infrastructure projects in support of natural gas supply and LNG demand, will require, among other things, acceptable commercial and financing arrangements before we make a positive FID.

**Basis of Presentation**

The accompanying unaudited Consolidated Financial Statements of Cheniere have been prepared in accordance with GAAP for interim financial information and in accordance with Rule 10-01 of Regulation S-X and reflect all normal recurring adjustments which are, in the opinion of management, necessary for a fair statement of the financial results for the interim periods presented. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements and should be read in conjunction with the Consolidated Financial Statements and accompanying notes included in our [annual report on Form 10-K for the fiscal year ended December 31, 2022](#).

Results of operations for the three and six months ended June 30, 2023 are not necessarily indicative of the results of operations that will be realized for the year ending December 31, 2023.

**Recent Accounting Standards**

**ASU 2020-04**

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. This guidance primarily provides temporary optional expedients which simplify the accounting for contract modifications to existing contracts expected to arise from the market transition from LIBOR to alternative reference rates. The temporary optional expedients under the standard became effective March 12, 2020 and will be available until December 31, 2024 following a subsequent amendment to the standard.

As further detailed in [Note 9—Debt](#), our existing credit facilities include a variable interest rate indexed to SOFR, incorporated through amendments or replacements of previous credit facilities subsequent to the effective date of ASU

**CHENIERE ENERGY, INC. AND SUBSIDIARIES**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—CONTINUED**  
**(unaudited)**

2020-04. We elected to apply the optional expedients as applicable to certain modified or replaced facilities; however, the impact of applying the optional expedients was not material, and the transition to SOFR did not have a material impact on our cash flows.

Pursuant to the accounts agreements entered into with the collateral trustees for the benefit of SPL's debt holders and CCH's debt holders, SPL and CCH are required to deposit all cash received into reserve accounts controlled by the collateral trustees. The usage or withdrawal of such cash is restricted to the payment of liabilities related to the Liquefaction Projects and other restricted payments. The majority of the cash held by our subsidiaries that is restricted to Cheniere relates to advance funding for operation and construction needs of the Liquefaction Projects.

**NOTE 6—DERIVATIVE INSTRUMENTS**

We have entered into the following derivative instruments:

- commodity derivatives consisting of natural gas and power supply contracts, including those under our IPM agreements, for the development, commissioning and operation of the Liquefaction Projects and associated economic hedges (collectively, “Liquefaction Supply Derivatives”);
- LNG derivatives in which we have contractual net settlement and economic hedges on the exposure to the commodity markets in which we have contractual arrangements to purchase or sell physical LNG (collectively, “LNG Trading Derivatives”); and
- foreign currency exchange (“FX”) contracts to hedge exposure to currency risk associated with cash flows denominated in currencies other than United States dollar (“FX Derivatives”), associated with both LNG Trading Derivatives and operations in countries outside of the United States.

We recognize our derivative instruments as either assets or liabilities and measure those instruments at fair value. None of our derivative instruments are designated as cash flow or fair value hedging instruments, and changes in fair value are recorded within our Consolidated Statements of Operations to the extent not utilized for the commissioning process, in which case such changes are capitalized.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—CONTINUED**

The following table shows the fair value of our derivative instruments that are required to be measured at fair value on a recurring basis (in millions):

	Fair Value Measurements as of							
	June 30, 2023				December 31, 2022			
	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Liquefaction Supply Derivatives asset (liability)	\$ 23	\$ 47	\$ (4,611)	\$ (4,541)	\$ (66)	\$ (29)	\$ (9,924)	\$ (10,019)
LNG Trading Derivatives asset (liability)	(8)	(27)	—	(35)	1	(47)	—	(46)
FX Derivatives liability	—	(4)	—	(4)	—	(28)	—	(28)

We value our Liquefaction Supply Derivatives and LNG Trading Derivatives using a market or option-based approach incorporating present value techniques, as needed, using observable commodity price curves, when available, and other relevant data. We value our FX Derivatives with a market approach using observable FX rates and other relevant data.

The fair value of our Liquefaction Supply Derivatives and LNG Trading Derivatives are predominantly driven by observable and unobservable market commodity prices and, as applicable to our natural gas supply contracts, our assessment of the associated events deriving fair value, including, but not limited to, evaluation of whether the respective market exists from the perspective of market participants as infrastructure is developed.

We include a significant portion of our Liquefaction Supply Derivatives as Level 3 within the valuation hierarchy as the fair value is developed through the use of internal models which incorporate significant unobservable inputs. In instances where observable data is unavailable, consideration is given to the assumptions that market participants would use in valuing the asset or liability. This includes assumptions about market risks, such as future prices of energy units for unobservable periods, liquidity and volatility.

The Level 3 fair value measurements of our natural gas positions within our Liquefaction Supply Derivatives could be materially impacted by a significant change in certain natural gas and international LNG prices. The following table includes quantitative information for the unobservable inputs for our Level 3 Liquefaction Supply Derivatives as of June 30, 2023:

	Net Fair Value Liability (in millions)	Valuation Approach	Significant Unobservable Input	Range of Significant Unobservable Inputs / Weighted Average (1)
Liquefaction Supply Derivatives	\$(4,611)	Market approach incorporating present value techniques	Henry Hub basis spread	\$(1.733) - \$0.660 / \$(0.054)
		Option pricing model	International LNG pricing spread, relative to Henry Hub (2)	83% - 484% / 191%

(1) Unobservable inputs were weighted by the relative fair value of the instruments.

(2) Spread contemplates U.S. dollar-denominated pricing.

Increases or decreases in basis or pricing spreads, in isolation, would decrease or increase, respectively, the fair value of our Liquefaction Supply Derivatives.

- (5) Roll-off in the current period of amounts recognized in our Consolidated Balance Sheets at the end of the previous period due to settlement of the underlying instruments in the current period.
- (6) Transferred out of Level 3 as a result of observable market for the underlying natural gas purchase agreements.

All existing counterparty derivative contracts provide for the unconditional right of set-off in the event of default. We have elected to report derivative assets and liabilities arising from those derivative contracts with the same counterparty and the unconditional contractual right of set-off on a net basis. The use of derivative instruments exposes us to counterparty credit risk, or the risk that a counterparty will be unable to meet its commitments, in instances when our derivative instruments are in an asset position. Additionally, counterparties are at risk that we will be unable to meet our commitments in instances where our derivative instruments are in a liability position. We incorporate both our own nonperformance risk and the respective counterparty's nonperformance risk in fair value measurements depending on the position of the derivative. In adjusting the fair value of our derivative contracts for the effect of nonperformance risk, we have considered the impact of any applicable credit enhancements, such as collateral postings, set-off rights and guarantees.

**Commodity Derivatives**

SPL and CCL hold Liquefaction Supply Derivatives which are primarily indexed to the natural gas market and international LNG indices. The terms of the Liquefaction Supply Derivatives range up to approximately 15 years, some of which commence upon the satisfaction of certain events or states of affairs.

Cheniere Marketing has historically entered into, and may from time to time enter into, LNG transactions that provide for contractual net settlement. Such transactions are accounted for as LNG Trading Derivatives along with financial commodity contracts in the form of swaps or futures. The terms of LNG Trading Derivatives range up to approximately one year.

**FX Derivatives**

Cheniere Marketing holds FX Derivatives to protect against the volatility in future cash flows attributable to changes in international currency exchange rates. The FX Derivatives economically hedge the foreign currency exposure arising from cash flows expended for both physical and financial LNG transactions that are denominated in a currency other than the United States dollar. The terms of FX Derivatives range up to approximately one year.

The total notional amount of our FX Derivatives was \$414 million and \$619 million as of June 30, 2023 and December 31, 2022, respectively.

The refinancing and the replacement of the CQP Credit Facilities and the SPL Working Capital Facility resulted in an aggregate of \$ million of debt extinguishment and modification costs.

**Restrictive Debt Covenants**

The indentures governing our senior notes and other agreements underlying our debt contain customary terms and events of default and certain covenants that, among other things, may limit us, our subsidiaries' and its restricted subsidiaries' ability to make certain investments or pay dividends or distributions. SPL and CCH are restricted from making distributions under agreements governing their respective indebtedness generally until, among other requirements, appropriate reserves have been established for debt service using cash or letters of credit and a historical debt service coverage ratio and projected debt service coverage ratio of at least 1.25:1.00 is satisfied.

As of June 30, 2023, each of our issuers was in compliance with all covenants related to their respective debt agreements.

**Fair Value Disclosures**

The following table shows the carrying amount and estimated fair value of our senior notes (in millions):

	June 30, 2023		December 31, 2022	
	Carrying Amount	Estimated Fair Value (1)	Carrying Amount	Estimated Fair Value (1)
Senior notes	\$ 25,388	\$ 24,044	\$ 25,086	\$ 23,500

- (1) As of both June 30, 2023 and December 31, 2022, \$3.0 billion of the fair value of our senior notes included an illiquidity adjustment, which qualified as a Level 3 fair value measurement. The remainder of our senior notes are classified as Level 2, based on prices derived from trades or indicative bids of the instruments or instruments with similar terms, maturities and credit standing.

The estimated fair value of our credit facilities approximates the principal amount outstanding because the interest rates are variable and reflective of market rates and the debt may be repaid, in full or in part, at any time without penalty.

**NOTE 10—LEASES**

Our leased assets consist primarily of LNG vessels leased under time charters (“vessel charters”) and additionally include tug vessels, office space and facilities and land sites. All of our leases are classified as operating leases except for certain of our vessel charters and tug vessels, which are classified as finance leases.

**Transaction Price Allocated to Future Performance Obligations**

Because many of our sales contracts have long-term durations, we are contractually entitled to significant future consideration which we have not yet recognized as revenue. The following table discloses the aggregate amount of the transaction price that is allocated to performance obligations that have not yet been satisfied:

	June 30, 2023		December 31, 2022	
	Unsatisfied Transaction Price (in billions)	Weighted Average Recognition Timing (years) (1)	Unsatisfied Transaction Price (in billions)	Weighted Average Recognition Timing (years) (1)
LNG revenues	\$ 113.0	9	\$ 112.0	9
Regasification revenues	0.7	3	0.8	4
Total revenues	\$ 113.7		\$ 112.8	

(1) The weighted average recognition timing represents an estimate of the number of years during which we shall have recognized half of the unsatisfied transaction price.

We have elected the following exemptions which omit certain potential future sources of revenue from the table above:

- (1) We omit from the table above all performance obligations that are part of a contract that has an original expected duration of one year or less.
- (2) The table above excludes substantially all variable consideration under our SPAs and TUAs. We omit from the table above all variable consideration that is allocated entirely to a wholly unsatisfied performance obligation or to a wholly unsatisfied promise to transfer a distinct good or service that forms part of a single performance obligation when that performance obligation qualifies as a series. The amount of revenue from variable fees that is not included in the transaction price will vary based on the future prices of the underlying variable index, primarily Henry Hub, throughout the contract terms, to the extent customers elect to take delivery of their LNG, and adjustments to the consumer price index. Certain of our contracts contain additional variable consideration based on the outcome of contingent events and the movement of various indexes. We have not included such variable consideration in the transaction price to the extent the consideration is considered constrained due to the uncertainty of ultimate pricing and receipt. Additionally, we have excluded variable consideration related to contracts where there is uncertainty that one or both of the parties will achieve certain milestones. Approximately 64% and 74% of our LNG revenues from contracts included in the table above during the three months ended June 30, 2023 and 2022, respectively, and approximately 73% and 70% of our LNG revenues from contracts included in the table above during the six months ended June 30, 2023 and 2022, respectively, were related to variable consideration received from customers. During the three and six months ended June 30, 2023, approximately 7% of our regasification revenues were related to variable consideration received from customers and during the three and six months ended June 30, 2022, approximately 6%, of our regasification revenues were related to variable consideration received from customers.

**CHENIERE ENERGY, INC. AND SUBSIDIARIES**

We may enter into contracts to sell LNG that are conditioned upon one or both of the parties achieving certain milestones such as reaching FID on a certain liquefaction Train, obtaining financing or achieving substantial completion of a Train and any related facilities. These contracts are considered completed contracts for revenue recognition purposes and are included in the transaction price above when the conditions are considered probable of being met.

**NOTE 13—INCOME TAXES**

We recorded an income tax provision of \$363 million and \$1.7 billion during the three and six months ended June 30, 2023, respectively, and an income tax provision (benefit) of \$181 million and \$(10) million for the same periods of 2022, which was calculated using the annual effective tax rate method.

Our effective tax rate was 17.5% and 17.1% for the three and six months ended June 30, 2023, respectively, as compared to 16.5% and (8.2)% for the same periods of 2022. The effective tax rate for the periods was lower than the statutory tax rate of 21% primarily due to CQP income that is not taxable to us. The effective tax rate for the six months ended June 30, 2022 was also impacted by discrete tax benefits primarily related to stock-based compensation awards.

(1) Earnings per share in the table may not recalculate exactly due to rounding because it is calculated based on whole numbers, not the rounded numbers presented.

On July 28, 2023, we declared a quarterly dividend of \$0.395 per share of common stock that is payable on August 16, 2023 to stockholders of record as of the close of business on August 9, 2023.

Potentially dilutive securities that were not included in the diluted net income (loss) per share computations because their effects would have been anti-dilutive were as follows (in millions):

Total potentially dilutive common shares	<u>—</u>	<u>—</u>	<u>—</u>	<u>2.4</u>

(1) Includes the impact of unvested shares containing performance conditions to the extent that the underlying performance conditions are satisfied based on actual results as of the respective dates.

(2) The 2045 Cheniere Convertible Senior Notes were redeemed or converted in cash on January 5, 2022. However, the adoption of ASU 2020-06 on January 1, 2022 required a presumption of share settlement for the purpose of calculating the impact to diluted earnings per share during the period the notes were outstanding in 2022. Such impact was anti-dilutive as a result of the reported net loss attributable to common stockholders during the 2022 period.

## Overview

Cheniere, a Delaware corporation, is a Houston-based energy infrastructure company primarily engaged in LNG-related businesses. We provide clean, secure and affordable LNG to integrated energy companies, utilities and energy trading companies around the world. We aspire to conduct our business in a safe and responsible manner, delivering a reliable, competitive and integrated source of LNG to our customers.

LNG is natural gas (methane) in liquid form. The LNG we produce is shipped all over the world, turned back into natural gas (called “regasification”) and then transported via pipeline to homes and businesses and used as an energy source that is essential for heating, cooking, other industrial uses and back up for intermittent energy sources. Natural gas is a cleaner-burning, abundant and affordable source of energy. When LNG is converted back to natural gas, it can be used instead of coal, which reduces the amount of pollution traditionally produced from burning fossil fuels, like sulfur dioxide and particulate matter that enters the air we breathe. Additionally, compared to coal, it produces significantly fewer carbon emissions. By liquefying natural gas, we are able to reduce its volume by 600 times so that we can load it onto special LNG carriers designed to keep the LNG cold and in liquid form for efficient transport overseas.

We are the largest producer of LNG in the United States and the second largest LNG operator globally, based on the total production capacity of our liquefaction facilities, which totals approximately 45 mtpa as of June 30, 2023.

We own and operate a natural gas liquefaction and export facility located in Cameron Parish, Louisiana at Sabine Pass (the “Sabine Pass LNG Terminal”), one of the largest LNG production facilities in the world, through our ownership interest in and management agreements with CQP, which is a publicly traded limited partnership that we formed in 2007. As of June 30, 2023, we owned 100% of the general partner interest and a 48.6% limited partner interest in CQP. The Sabine Pass LNG Terminal has six operational Trains, for a total production capacity of approximately 30 mtpa of LNG (the “SPL Project”). The Sabine Pass LNG Terminal also has three marine berths, two of which can accommodate vessels with nominal capacity of up to 266,000 cubic meters and the third berth which can accommodate vessels with nominal capacity of up to 200,000 cubic meters, operational regasification facilities that include five LNG storage tanks with aggregate capacity of approximately 17 Bcfe and vaporizers with regasification capacity of approximately 4 Bcf/d. The Sabine Pass LNG Terminal also includes a 94-mile pipeline owned by CTPL, a subsidiary of CQP, that interconnects our facilities to several interstate and intrastate pipelines (the “Creole Trail Pipeline”).

We also own and operate a natural gas liquefaction and export facility located near Corpus Christi, Texas (the “Corpus Christi LNG Terminal”) through CCL, which has natural gas liquefaction facilities consisting of three operational Trains for a total production capacity of approximately 15 mtpa of LNG, three LNG storage tanks with aggregate capacity of approximately 10 Bcfe and two marine berths that can each accommodate vessels with nominal capacity of up to 266,000 cubic meters. Additionally, we are constructing an expansion of the Corpus Christi LNG Terminal (the “Corpus Christi Stage 3 Project”) for up to seven midscale Trains with an expected total production capacity of over 10 mtpa of LNG. In June 2022, our board of directors (our “Board”) made a positive FID with respect to the Corpus Christi Stage 3 Project and issued a full notice to proceed with construction to Bechtel Energy Inc. (“Bechtel”) effective June 16, 2022. We also own and operate through CCP a 21.5-mile natural gas supply pipeline that interconnects the Corpus Christi LNG Terminal with several interstate and intrastate natural gas pipelines (the “Corpus Christi Pipeline”) and together with the Corpus Christi LNG Terminal and the Corpus Christi Stage 3 Project, the “CCL Project”).

Our long-term customer arrangements form the foundation of our business and provide us with significant, stable, long-term cash flows. We have contracted substantially all of our anticipated production capacity under SPAs, in which our customers are generally required to pay a fixed fee with respect to the contracted volumes irrespective of their election to cancel or suspend deliveries of LNG cargoes, and under IPM agreements, in which the gas producer sells natural gas to us on a global LNG index price, less a fixed liquefaction fee, shipping and other costs. Through our SPAs and IPM agreements, we have contracted approximately 95% of the total anticipated production from the SPL Project and the CCL Project (collectively, the “Liquefaction Projects”) through the mid-2030s, excluding contracts executed to support additional liquefaction capacity beyond what is currently in construction or operation. Excluding contracts with terms less than 10 years and contracts executed to support additional liquefaction capacity beyond what is currently in construction or operation, our SPAs and IPM agreements had approximately 16 years of weighted average remaining life as of June 30, 2023. We also market and sell LNG produced by the Liquefaction Projects that is not contracted by CCL or SPL through our integrated marketing function. The majority of our contracts are fixed-priced, long-term SPAs consisting of a fixed fee per MMBtu of LNG plus a variable fee per MMBtu of LNG, with the variable fees generally structured to cover the cost of natural gas purchases and transportation and liquefaction fuel to produce LNG, thus limiting our exposure to fluctuations in U.S. natural gas prices. We continue to grow our portfolio of SPA and IPM agreements, and we believe that continued global demand for natural gas and LNG will provide a foundation for additional growth in our portfolio of customer contracts in the future.

We remain focused on safety, operational excellence and customer satisfaction. Increasing demand for LNG has allowed us to expand our liquefaction infrastructure in a financially disciplined manner. We have increased available liquefaction capacity at our Liquefaction Projects as a result of debottlenecking and other optimization projects. We hold significant land positions at both the Sabine Pass LNG Terminal and the Corpus Christi LNG Terminal, which provide opportunity for further liquefaction capacity expansion. In March 2023, certain of our subsidiaries submitted an application with the FERC under the Natural Gas Act (“NGA”) for an expansion adjacent to the CCL Project consisting of two midscale Trains with an expected total production capacity of approximately 3 mtpa of LNG (the “CCL Midscale Trains 8 & 9 Project”). Additionally, in May 2023, certain subsidiaries of CQP entered the pre-filing review process with the FERC under the National Environmental Policy Act (“NEPA”) for an expansion adjacent to the SPL Project consisting of up to three Trains with an expected total production capacity of approximately 20 mtpa of LNG (the “SPL Expansion Project”). The development of the CCL Midscale Trains 8 & 9 Project, the SPL Expansion Project or other projects, including infrastructure projects in support of natural gas supply and LNG demand, will require, among other things, acceptable commercial and financing arrangements before we make a positive FID.

Additionally, we are committed to the responsible and proactive management of our most important environmental, social and governance (“ESG”) impacts, risks and opportunities. In 2022, we published *Acting Today, Securing Tomorrow*, our third Corporate Responsibility (“CR”) report, which details our approach and progress on ESG issues, including our collaboration with natural gas midstream companies, technology providers and leading academic institutions on life-cycle assessment (“LCA”) models, quantification, monitoring, reporting and verification (“QMRV”) of greenhouse gas emissions and other research and development projects. We also co-founded and sponsored the Energy Emissions Modeling and Data Lab (“EEMDL”), a multidisciplinary research and education initiative led by the University of Texas at Austin in collaboration with Colorado State University and the Colorado School of Mines. In addition, we commenced providing Cargo Emissions Tags (“CE Tags”) to our long-term customers in June 2022 and joined the Oil and Gas Methane Partnership (“OGMP”) 2.0, the United Nations Environment Programme’s (“UNEP”) flagship oil and gas methane emissions reporting and mitigation initiative, in October 2022. Our CR report is available at [cheniere.com/our-responsibility/reporting-center](https://cheniere.com/our-responsibility/reporting-center). Information on our website, including the CR report, is not incorporated by reference into this Quarterly Report on Form 10-Q.

## Overview of Significant Events

Our significant events since January 1, 2023 and through the filing date of this Form 10-Q include the following:

### *Strategic*

- Cheniere Marketing entered into long-term SPAs with ENN LNG (Singapore) Pte. Ltd., Equinor ASA and Korea Southern Power Co. Ltd. with estimated volumes aggregating up to approximately 76 million tonnes of LNG and expected deliveries between 2026 and 2049. Approximately 43 million tonnes is subject to Cheniere making a positive FID on the first train of the SPL Expansion Project. Each of these SPAs permit Cheniere Marketing to assign or novate the agreement to certain affiliates at a later date.
- In May 2023, certain subsidiaries of CQP entered the pre-filing review process with the FERC under the NEPA for the SPL Expansion Project, and in April 2023, one of our subsidiaries executed a contract with Bechtel to provide the front end engineering and design work on the project.
- In April 2023, certain of our subsidiaries filed an application with the DOE with respect to the CCL Midscale Trains 8 & 9 Project, requesting authorization to export LNG to FTA countries and non-FTA countries.
- In March 2023, certain of our subsidiaries submitted an application with the FERC under the NGA for the CCL Midscale Trains 8 & 9 Project.
- On January 2, 2023, Corey Grindal, formerly Executive Vice President, Worldwide Trading, was promoted to Executive Vice President and Chief Operating Officer of the Company.

### *Operational*

- As of July 27, 2023, over 2,900 cumulative LNG cargoes totaling approximately 200 million tonnes of LNG have been produced, loaded and exported from the Liquefaction Projects.

### *Financial*

- In July 2023, Fitch Ratings upgraded its issuer credit rating of CCH from BBB- to BBB with a stable outlook.
- In June 2023, CQP entered into a \$1.0 billion Senior Unsecured Revolving Credit and Guaranty Agreement (the “CQP Revolving Credit Facility”), and SPL entered into a \$1.0 billion Senior Secured Revolving Credit and Guaranty Agreement (the “SPL Revolving Credit Facility”). The CQP Revolving Credit Facility and SPL Revolving Credit Facility each refinanced and replaced the respective existing credit facilities to, among other things, (1) extend the maturity date thereunder, (2) reduce the rate of interest and commitment fees applicable thereunder and (3) make certain other changes to the terms and conditions of the prior credit facilities.
- In June 2023, CQP issued \$1.4 billion aggregate principal amount of 5.95% Senior Notes due 2033 (the “2033 CQP Senior Notes”). Using contributed proceeds from the 2033 CQP Senior Notes together with cash on hand, SPL redeemed \$1.4 billion of its 5.75% Senior Secured Notes due 2024 (the “2024 SPL Senior Notes”) in July 2023.
- In January 2023, we achieved our second issuer investment grade credit rating from Fitch Ratings of BBB- with a stable outlook. In February 2023, S&P Global Ratings upgraded its issuer credit rating of SPL from BBB to BBB+ with a stable outlook.
- During the three and six months ended June 30, 2023, we accomplished the following pursuant to our capital allocation priorities:
  - We prepaid \$201 million and \$1.1 billion, respectively, of consolidated long-term indebtedness pursuant to our capital allocation plan, inclusive of \$201 million and \$600 million, respectively, of debt repurchases in the open market.
  - We repurchased approximately 2.3 million shares and 5.4 million shares, respectively, of our common stock as part of our share repurchase program for \$337 million and \$788 million, respectively.

- We paid dividends of \$0.395 and \$0.790 per share of common stock during the three and six months ended June 30, 2023, respectively.
- We continued to invest in accretive organic growth, including the Corpus Christi Stage 3 Project, as further described under *Investing Cash Flows* in [Sources and Uses of Cash](#) within Liquidity and Capital Resources.

**Net income (loss) attributable to common stockholders**

The favorable variances of \$628 million and \$6.9 billion for the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, were primarily attributable to:

- favorable variances of \$1.7 billion and \$9.9 billion (before tax and the impact of non-controlling interest) between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, from changes in fair value and settlement of derivatives between the periods, to gains of \$770 million and \$5.4 billion in the three and six months ended June 30, 2023, respectively, from losses of \$937 million and \$4.5 billion in the three and six months ended June 30, 2022, respectively, primarily related to non-cash favorable changes in fair value of our IPM agreements where we procure natural gas at a price indexed to international gas prices as a result of continued moderation of international gas price volatility and declines in international forward commodity curves.

The favorable variances were offset by:

- unfavorable variances of \$182 million and \$1.7 billion in income tax provision (benefit) between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022;
- increases in net income attributable to non-controlling interest of \$166 million and \$1.1 billion between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022; and

- decreased LNG revenues, net of cost (recovery) of sales and excluding the effect of derivatives (as further described above), of \$820 million and \$428 million between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, the majority of which was attributable to lower margins on LNG delivered.

The following is an additional discussion of the significant drivers of the variance in net income (loss) attributable to common stockholders by line item:

**Revenues**

The decreases of \$3.9 billion and \$4.1 billion between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, were primarily attributable to:

- decreased Henry Hub pricing, which contributed \$2.8 billion and \$3.6 billion decreases between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, for which the majority of our long-term contracts are indexed; and
- decreases of \$1.1 billion and \$1.2 billion between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, in revenues generated by our marketing function due to a reduction of volumes sold under short-term agreements and declining international prices.

**Operating costs and expenses (recoveries)**

The \$4.7 billion and \$13.5 billion favorable variances between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, were primarily attributable to:

- \$1.8 billion and \$9.8 billion favorable variances between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, from changes in fair value and settlements of derivatives included in cost of sales, from \$1.0 billion and \$4.4 billion of losses in the three and six months ended June 30, 2022, respectively, to \$822 million and \$5.4 billion of gains in the three and six months ended June 30, 2023, respectively, primarily related to non-cash favorable changes in fair value of our IPM agreements as described above under the caption *Net income (loss) attributable to common stockholders*; and
- \$3.0 billion and \$3.9 billion decreases between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, in cost of sales excluding the effect of derivative changes described above, primarily as a result of \$3.0 billion and \$4.0 billion, respectively, in decreased cost of natural gas feedstock largely due to lower U.S. natural gas prices.

The favorable variances were partially offset by increases in operating and maintenance expense of \$68 million and \$123 million for the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022. For the three months ended June 30, 2023, increases in operating and maintenance expense were primarily due to the completion of planned large-scale maintenance activities on two trains at the SPL Project during June 2023. Further contributing to the increase in operating and maintenance expense during the six months ended June 30, 2023 was other third party service and maintenance contract costs and natural gas transportation and storage capacity demand charges.

**Other income (expense)**

The \$145 million and \$264 million favorable variances between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, were primarily attributable to:

- \$66 million and \$118 million decreases in interest expense, net of capitalized interest between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, as a result of lower debt balances due to repayment of debt in accordance with our capital allocation plan and lower interest costs due to refinancing higher cost debt;
- \$48 million and \$81 million increases in interest income between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022 attributable to higher interest income earned on cash and cash equivalents from higher interest rates in 2023; and
- \$26 million and \$64 million favorable variances in gain (loss) on modification or extinguishment of debt between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, primarily due to

higher losses recognized from the amendment and restatement of CCH's term loan facility agreement (the "CCH Credit Facility") and CCH's working capital facility agreement (the "CCH Working Capital Facility") during the second quarter of 2022 and the redemption of our 4.25% Convertible Senior Notes due in 2045 (the "2045 Cheniere Convertible Senior Notes") during the first quarter of 2022, as compared to a minimal loss recognized in the second quarter of 2023. Further contributing to the favorable variance during the six months ended June 30, 2023 was a reduction in premiums paid for the early redemption or repayment of debt principal, as further detailed under *Financing Cash Flows* in [Sources and Uses of Cash](#) within Liquidity and Capital Resources.

#### ***Income tax provision (benefit)***

The \$182 million and \$1.7 billion unfavorable variances between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, were primarily attributable to an increase in pre-tax income.

Our effective tax rate was 17.5% and 17.1% for the three and six months ended June 30, 2023, respectively, as compared to 16.5% and (8.2)% for the three and six months ended June 30, 2022, respectively. Our effective tax rate was less than the statutory tax rate of 21% primarily due to CQP income that is not taxable to us. The effective tax rate for the six months ended June 30, 2022 was also impacted by discrete tax benefits primarily related to stock-based compensation awards.

#### ***Net income attributable to non-controlling interest***

The \$166 million and \$1.1 billion increase between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022, was primarily attributable to \$280 million and \$2.1 billion increase in CQP's consolidated net income between the three and six months ended June 30, 2023, respectively, as compared to the same periods of 2022.

#### ***Significant factors affecting our results of operations***

Below are significant factors that affect our results of operations.

#### ***Gains and losses on derivative instruments***

Derivative instruments, which in addition to managing exposure to commodity-related marketing and price risks are utilized to manage exposure to changing interest rates and foreign exchange volatility, are reported at fair value on our Consolidated Financial Statements. For commodity derivative instruments related to our IPM agreements, the underlying LNG sales being economically hedged are accounted for under the accrual method of accounting, whereby revenues expected to be derived from the future LNG sales are recognized only upon delivery or realization of the underlying transaction. Because the recognition of derivative instruments at fair value has the effect of recognizing gains or losses relating to future period exposure, and given the significant volumes, long-term duration and volatility in price basis for certain of our derivative contracts, use of derivative instruments may result in continued volatility of our results of operations based on changes in market pricing, counterparty credit risk and other relevant factors that may be outside of our control, notwithstanding the operational intent to mitigate risk exposure over time.

#### ***Commissioning cargoes***

Prior to substantial completion of a Train, amounts received from the sale of commissioning cargoes from that Train are offset against LNG terminal construction-in-process, because these amounts are earned or loaded during the testing phase for the construction of that Train. During the six months ended June 30, 2022, we realized offsets to LNG terminal costs of \$204 million corresponding to 15 TBtu attributable to the sale of commissioning cargoes from Train 6 of the SPL Project. We did not have any commissioning cargoes during the three months ended June 30, 2022 or the three and six months ended June 30, 2023.

## Liquidity and Capital Resources

The following information describes our ability to generate and obtain adequate amounts of cash to meet our requirements in the short term and the long term. In the short term, we expect to meet our cash requirements using operating cash flows and available liquidity, consisting of cash and cash equivalents, restricted cash and cash equivalents and available commitments under our credit facilities. Additionally, we expect to meet our long term cash requirements by using operating cash flows and other future potential sources of liquidity, which may include debt and equity offerings by us or our subsidiaries. The table below provides a summary of our available liquidity (in millions). Future material sources of liquidity are discussed below.

	June 30, 2023
Cash and cash equivalents (1)	\$ 4,529
Restricted cash and cash equivalents designated for the following purposes:	
SPL Project	241
CCL Project	152
Cash held by our subsidiaries that is restricted to Cheniere	247
Total restricted cash and cash equivalents	640
Available commitments under our credit facilities (2):	
SPL Revolving Credit Facility	671
CQP Revolving Credit Facility	1,000
CCH Credit Facility	3,260
CCH Working Capital Facility	1,345
Cheniere’s revolving credit agreement (the “Cheniere Revolving Credit Facility”)	1,250
Total available commitments under our credit facilities	7,526
<b>Total available liquidity</b>	<b>\$ 12,695</b>

- (1) Amounts presented include balances held by our consolidated variable interest entity, CQP, as discussed in [Note 7—Non-controlling Interest and Variable Interest Entity](#) of our Notes to Consolidated Financial Statements. As of June 30, 2023, assets of CQP, which are included in our Consolidated Balance Sheets, included \$1.8 billion of cash and cash equivalents, of which \$1.4 billion was used to partially redeem the 2024 SPL Senior Notes in July 2023.
- (2) Available commitments represent total commitments less loans outstanding and letters of credit issued under each of our credit facilities as of June 30, 2023. See [Note 9—Debt](#) of our Notes to Consolidated Financial Statements for additional information on our credit facilities and other debt instruments.

Our liquidity position subsequent to June 30, 2023 will be driven by future sources of liquidity and future cash requirements. Future sources of liquidity are expected to be composed of (1) cash receipts from executed contracts, under which we are contractually entitled to future consideration, and (2) additional sources of liquidity, from which we expect to receive cash although the cash is not underpinned by executed contracts. Future cash requirements are expected to be composed of (1) cash payments under executed contracts, under which we are contractually obligated to make payments, and (2) additional cash requirements, under which we expect to make payments although we are not contractually obligated to make the payments under executed contracts. For further discussion of our future sources and uses of liquidity, see the liquidity and capital resources disclosures in our [annual report on Form 10-K for the fiscal year ended December 31, 2022](#)

Although our sources and uses of cash are presented below from a consolidated standpoint, SPL, CQP, CCH and Cheniere operate with independent capital structures. Certain restrictions under debt and equity instruments executed by our subsidiaries limit each entity’s ability to distribute cash, including the following:

- SPL and CCH are required to deposit all cash received into restricted cash and cash equivalents accounts under certain of their debt agreements. The usage or withdrawal of such cash is restricted to the payment of liabilities related to the Liquefaction Projects and other restricted payments. In addition, SPL and CCH’s operating expenses are managed by our subsidiaries under affiliate agreements, which may require SPL and CCH to advance cash to the respective affiliates, however the cash remains restricted to Cheniere for operation and construction of the Liquefaction Projects;

- CQP is required under its partnership agreement to distribute to unitholders all available cash on hand at the end of a quarter less the amount of any reserves established by its general partner. Beginning with the distribution paid in the second quarter of 2022, quarterly distributions by CQP are comprised of a base amount plus a variable amount equal to the remaining available cash per unit, which takes into consideration, among other things, amounts reserved for annual debt repayment and capital allocation goals, anticipated capital expenditures to be funded with cash, and cash reserves to provide for the proper conduct of CQP’s business;
- Our 48.6% limited partner interest, 100% general partner interest and incentive distribution rights in CQP limit our right to receive cash held by CQP to the amounts specified by the provisions of CQP’s partnership agreement; and
- SPL and CCH are restricted by affirmative and negative covenants included in certain of their debt agreements in their ability to make certain payments, including distributions, unless specific requirements are satisfied.

Despite the restrictions noted above, we believe that sufficient flexibility exists within the Cheniere complex to enable each independent capital structure to meet its currently anticipated cash requirements. The sources of liquidity at SPL, CQP and CCH primarily fund the cash requirements of the respective entity, and any remaining liquidity not subject to restriction, as supplemented by liquidity provided by Cheniere Marketing, is available to enable Cheniere to meet its cash requirements.

### **Corpus Christi Stage 3 Project**

The following table summarizes the project completion and construction status of the Corpus Christi Stage 3 Project as of June 30, 2023:

Overall project completion percentage	38.1%
Completion percentage of:	
Engineering	63.5%
Procurement	56.3%
Subcontract work	47.1%
Construction	4.9%
Date of expected substantial completion	2H 2025 - 1H 2027

### **Sources and Uses of Cash**

The following table summarizes the sources and uses of our cash, cash equivalents and restricted cash and cash equivalents (in millions). The table presents capital expenditures on a cash basis; therefore, these amounts differ from the amounts of capital expenditures, including accruals, which are referred to elsewhere in this report. Additional discussion of these items follows the table.

	Six Months Ended June 30,	
	2023	2022
Net cash provided by operating activities	\$ 5,000	\$ 5,172
Net cash used in investing activities	(1,068)	(1,033)
Net cash used in financing activities	(1,253)	(2,990)
Effect of exchange rate changes on cash, cash equivalents and restricted cash and cash equivalents	3	—
Net increase in cash, cash equivalents and restricted cash and cash equivalents	\$ 2,682	\$ 1,149

### **Operating Cash Flows**

Our operating cash net inflows during the six months ended June 30, 2023 and 2022 were \$5.0 billion and \$5.2 billion, respectively. The \$172 million decrease between the periods was primarily related to timing of cash receipts and payments and lower cash receipts from the sale of LNG cargoes which was partially offset by lower cash outflows for natural gas feedstock, mostly due to lower U.S. natural gas prices.

We are not subject to the 15% corporate alternative minimum tax (“CAMT”) in 2023 based on enacted law and regulatory guidance; however, our CAMT status for 2023 could change in the future, depending on new regulations or regulatory guidance issued by the U.S. Department of the Treasury. The CAMT may cause volatility in our cash tax payment

obligations, particularly in periods of significant commodity, currency or financial market variability resulting from potential changes in the fair value of our derivative instruments.

#### *Investing Cash Flows*

Our investing cash net outflows in both years primarily were for the construction costs for the Liquefaction Projects. The \$35 million increase in 2023 compared to 2022 was primarily due to spend during the six months ended June 30, 2023 related to increased construction work performed by Bechtel for the Corpus Christi Stage 3 Project following our issuance of full notice to proceed to Bechtel in June 2022, partially offset by a decrease in spend due to the completion of Train 6 of the SPL Project in February 2022. We expect our capital expenditures to increase in future periods as construction work progresses on the Corpus Christi Stage 3 Project.

#### *Financing Cash Flows*

The following table summarizes our financing activities (in millions):

	Six Months Ended June 30,	
	2023	2022
Proceeds from issuances of debt	\$ 1,397	\$ 1,015
Redemptions, repayments and repurchases of debt	(1,098)	(2,715)

**Summary of Critical Accounting Estimates**

The preparation of Consolidated Financial Statements in conformity with GAAP requires management to make certain estimates and assumptions that affect the amounts reported in the Consolidated Financial Statements and the accompanying notes. There have been no significant changes to our critical accounting estimates from those disclosed in our [annual report on Form 10-K for the fiscal year ended December 31, 2022](#).

**Recent Accounting Standards**

For a summary of recently issued accounting standards, see [Note 1—Nature of Operations and Basis of Presentation](#) of our Notes to Consolidated Financial Statements.

**ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

**Marketing and Trading Commodity Price Risk**

We have commodity derivatives consisting of natural gas supply contracts for the commissioning and operation of the SPL Project and the CCL Project, and associated economic hedges (collectively, “Liquefaction Supply Derivatives”). We have also entered into physical and financial derivatives to hedge the exposure to the commodity markets in which we have contractual arrangements to purchase or sell physical LNG (collectively, “LNG Trading Derivatives”). In order to test the sensitivity of the fair value of the Liquefaction Supply Derivatives and the LNG Trading Derivatives to changes in underlying commodity prices, management modeled a 10% change in the commodity price for natural gas for each delivery location and a 10% change in the commodity price for LNG, respectively, as follows (in millions):

	June 30, 2023		December 31, 2022	
	Fair Value	Change in Fair Value	Fair Value	Change in Fair Value
Liquefaction Supply Derivatives	\$ (4,541)	\$ 1,742	\$ (10,019)	\$ 2,249
LNG Trading Derivatives	(35)	14	(46)	15

See [Note 6—Derivative Instruments](#) of our Notes to Consolidated Financial Statements for additional details about our commodity derivative instruments.

**Foreign Currency Exchange Risk**

We have entered into foreign currency exchange (“FX”) contracts to hedge exposure to currency risk associated with operations in countries outside of the United States (“FX Derivatives”). In order to test the sensitivity of the fair value of the FX Derivatives to changes in FX rates, management modeled a 10% change in FX rate between the U.S. dollar and the applicable foreign currencies as follows (in millions):

	June 30, 2023		December 31, 2022	
	Fair Value	Change in Fair Value	Fair Value	Change in Fair Value
FX Derivatives	\$ (4)	\$ —	\$ (28)	\$ 3

See [Note 6—Derivative Instruments](#) of our Notes to Consolidated Financial Statements for additional details about our foreign currency derivative instruments.

**ITEM 4. CONTROLS AND PROCEDURES**

We maintain a set of disclosure controls and procedures that are designed to ensure that information required to be disclosed by us in the reports filed by us under the Exchange Act, is recorded, processed, summarized and reported within the time periods specified in the SEC’s rules and forms. As of the end of the period covered by this report, we evaluated, under the supervision and with the participation of our management, including our Chief Executive Officer and our Chief Financial Officer, the effectiveness of our disclosure controls and procedures pursuant to Rule 13a-15 of the Exchange Act. Based on that evaluation, our Chief Executive Officer and our Chief Financial Officer concluded that our disclosure controls and procedures are effective.

During the most recent fiscal quarter, there have been no changes in our internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**PART II. OTHER INFORMATION**

**ITEM 1. LEGAL PROCEEDINGS**

We may in the future be involved as a party to various legal proceedings, which are incidental to the ordinary course of business. We regularly analyze current information and, as necessary, provide accruals for probable liabilities on the eventual disposition of these matters. There have been no material changes to the legal proceedings disclosed in our [annual report on Form 10-K for the fiscal year ended December 31, 2022](#) except for the update presented in our [quarterly report on Form 10-Q for the quarterly period ended March 31, 2023](#).

**ITEM 5. OTHER INFORMATION**

Rule 10b5-1 under the Exchange Act provides an affirmative defense that enables prearranged transactions in securities in a manner that avoids concerns about initiating transactions at a future date while possibly in possession of material nonpublic information. Our Insider Trading Policy permits our directors and executive officers to enter into trading plans designed to comply with Rule 10b5-1. During the three-month period ending June 30, 2023, none of our executive officers or directors adopted or terminated a Rule 10b5-1 trading plan or adopted or terminated a non-Rule 10b5-1 trading arrangement (as defined in Item 408(c) of Regulation S-K).

Delivery of an executed counterpart of a signature page of this Amendment by facsimile or in electronic (e.g., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Amendment. The words "execution," "signed," "signature," and words of like import in this Amendment shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Except as specifically amended by this Amendment, the Existing Agreement and the other Financing Documents shall remain in full force and effect (with the same priority, as applicable) and are hereby ratified and confirmed and this Amendment shall not be considered a novation. The execution, delivery and performance of this Amendment shall not constitute a waiver of any provision of, or operate as a waiver of any right, power or remedy of the Administrative Agent or any other party under, the Amended Agreement, any of the other Financing Documents or otherwise.

**1.10 Sustainability Adjustments.**

(a) Eligible Expenditures.

(i) Commencing with the Fiscal Year ending December 31, 2022, within 120 days after the end of each Fiscal Year Borrower may, in its sole discretion, choose to deliver an Eligible Expenditure Certificate to the ESG Coordinator and Administrative Agent related to (x) the period beginning on the Closing Date and ending on December 31, 2022, in the case of the first such certificate, and (y) the preceding Fiscal Year, in the case of each subsequent certificate (each such applicable period, a "**Measurement Period**").

(ii) From and after the date on which an Eligible Expenditure Certificate is delivered and during the then applicable Eligible Expenditure Application Period, Available Eligible Expenditures shall automatically be applied dollar-for-dollar to reduce (x) the Applicable Margin (by an amount not greater than five (5) basis points during the applicable Eligible Expenditure Application Period) and (y) the Commitment Fee Rate (by an amount not

greater than one (1) basis point during the applicable Eligible Expenditure Application Period), in each case as interest, Letter of Credit Fees and Commitment Fees become due.

(iii) For the avoidance of doubt, only one Eligible Expenditure Certificate may be delivered in respect of any Measurement Period.

(b) ESG Milestones.

(i) Following the Closing Date Borrower may, in its sole discretion, choose to deliver a Milestone Certificate to the ESG Coordinator and Administrative Agent no later than (x) June 30, 2023 (the “**Initial Milestone Certificate**”) and (y) December 31, 2023 (the “**2023 Milestone Certificate**”).

(ii) If the Initial Milestone Certificate is not delivered on or prior to June 30, 2023 (the “**Initial Milestone Long-Stop Date**”), (x) the Applicable Margin shall be increased by the Milestone Margin Adjustment and (y) the Commitment Fee Rate shall be increased by the Milestone Fee Adjustment, in each case, commencing on July 1, 2023; provided that if the 2023 Milestone Certificate is delivered on or prior to December 31, 2023, the Applicable Margin and the Commitment Fee Rate as of and following the day immediately following the date of such delivery shall be decreased to eliminate the Milestone Margin Adjustment and Milestone Fee Adjustment.

(iii) If the Initial Milestone Certificate is delivered on or prior to the Initial Milestone Long-Stop Date but (x) the Initial Milestone Certificate does not confirm that three of the ESG Milestones have been achieved and (y) the 2023 Milestone Certificate is not delivered on or prior to December 31, 2023, then, without duplication of any increase to the Applicable Margin or Commitment Fee Rate provided for in clause (ii) above, (A) the Applicable Margin shall be increased by the Milestone Margin Adjustment and (B) the Commitment Fee Rate shall be increased by the Milestone Fee Adjustment, in each case, commencing on January 1, 2024 for the remaining term of this Agreement.

(iv) Upon reasonable request from the ESG Coordinator Borrower will provide (as determined by Borrower in good faith but in consultation with the ESG Coordinator), independent verification of the achievement of one or more of the ESG Milestones described in a Milestone Certificate.

(c) If Borrower or any Lender becomes aware of any material inaccuracy in any Eligible Expenditure Certificate or Milestone Certificate, including in any calculations therein (any such material inaccuracy, a “**Pricing Certificate Inaccuracy**”), and, in the case of any Lender, such Lender delivers, not later than five (5) Business Days after obtaining knowledge thereof, a written notice to Borrower and Administrative Agent describing such Pricing Certificate Inaccuracy in reasonable detail, Borrower and Administrative Agent shall consult in good faith on corrected calculations and, to the extent corrected calculations are agreed upon, subsequent interest, Letter of Credit Fee and/or Commitment Fee payments shall be adjusted upwards or downwards (but not below zero) to correct for such Pricing Certificate Inaccuracy. If corrected calculations

are not agreed upon, any proceeding brought in connection therewith shall be subject to the dispute resolution provisions of this Agreement. It is understood and agreed that a Pricing Certificate Inaccuracy (including the effect thereof on interest and fee payments under this Agreement) shall not constitute a Default or Event of Default, provided that Borrower complies with the terms of this Section 1.10(c).

(d) Each party hereto hereby agrees that neither Administrative Agent nor ESG Coordinator shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by Borrower of any Eligible Expenditures, Milestone Margin Adjustment or Milestone Fee Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Eligible Expenditure Certificate or Milestone Certificate, as applicable (and Administrative Agent and ESG Coordinator may rely conclusively on any such certificate, without further inquiry).

**1.11 Benchmark Exculpation.** The interest rate on a Loan may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 2.24 provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative or successor rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service except to the extent caused by its gross negligence, willful misconduct or bad faith.

## **SECTION 2. LOANS AND LETTERS OF CREDIT**

### **2.1 Loans.**

(a) Loans. During the Availability Period, subject to the terms and conditions hereof, each Lender agrees to make Loans to Borrower in an aggregate amount up to but

not exceeding its Commitment; provided that, after giving effect to the making of any Loans pursuant to this Section 2.1(a), the Total Utilization of Commitments shall in no event exceed the Commitments then in effect; and provided further that, no Lender shall be required to make a Loan to Borrower in an amount that exceeds its Pro Rata Share of the aggregate Commitments at such time. Amounts borrowed pursuant to this Section 2.1 may be repaid and reborrowed during the Availability Period, in accordance with the terms of this Agreement. The Commitments shall expire on the Commitment Termination Date and Borrower hereby unconditionally promises to pay in full to Administrative Agent for the account of each Lender all Loans and all other amounts owed to such Lender hereunder with respect to the Loans and the Commitments no later than such date.

(b) Borrowing Mechanics.

(i) Loans shall be made in an aggregate minimum amount of \$2,000,000 and integral multiples of \$1,000,000 in excess of that amount, or, if the remaining total Commitments are less than \$2,000,000 or \$1,000,000, as applicable, such remaining amount.

(ii) Subject to Section 3.3 (Notices), whenever Borrower desires that a Loan be extended to Borrower, Borrower shall deliver to Administrative Agent a fully executed and delivered Funding Notice no later than (A) 12:00 p.m. (New York City time) at least three (3) Business Days in advance of the proposed Credit Date in the case of a ~~LIBO-Rate~~Term SOFR Loan, and (B) ~~+0:00 am~~10:00 a.m. (New York City time) on the proposed Credit Date in the case of a Base Rate Loan. Except as otherwise provided herein, a Funding Notice for a LIBO-Rate~~Term SOFR~~ Loan shall be irrevocable ~~on and after the related Interest Rate Determination Date~~, and Borrower shall be bound to make a borrowing in accordance therewith.

(iii) Notice of receipt of each Funding Notice in respect of a Loan, together with the applicable interest rate, shall be provided by Administrative Agent to each Lender in accordance with Section 9.1(b)(i) (Electronic Communications) with reasonable promptness, but (provided that Administrative Agent shall have received such notice by 10:00 a.m. (New York City time)) not later than 12:00 p.m. (New York City time) on the same day as Administrative Agent's receipt of such Notice from Borrower.

(iv) Each Lender shall make its Pro Rata Share of the amount of the Loan available to Administrative Agent not later than 1:00 p.m. (New York City time) on the applicable Credit Date by wire transfer of immediately available funds at the Principal Office of Administrative Agent. Except as provided herein, upon satisfaction or waiver of the conditions precedent specified herein, Administrative Agent shall make the proceeds of such Loans available to Borrower on the applicable Credit Date by causing an amount of immediately available funds equal to the proceeds of all such Loans received by Administrative Agent from the Lenders to be (x) paid to Borrower's account specified in the Funding Notice or (y) paid directly to the applicable payee's account as specified by Borrower in the Funding Notice.

(v) Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of Borrower to repay such Loan in accordance with the terms of this Agreement; and provided further that, for the avoidance of doubt, each Lender exercising such option shall continue to be required to comply with its obligations under Section 2.18 (*Obligation To Mitigate*).

## 2.2 Letters of Credit.

### (a) Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, each Issuing Bank agrees, in reliance upon the agreements of Borrower set forth in this Section 2.2, (A) from time to time on any Business Day during the Availability Period, to issue Letters of Credit for the account or benefit of Borrower or any of Borrower's Subsidiaries, and to amend or extend Letters of Credit previously issued by it in accordance with Section 2.2(c), and (B) to honor complying presentations under the Letters of Credit; provided that (1) no Letter of Credit shall be issued or extended during the last thirty (30) days of the Availability Period, (2) after giving effect to any L/C Credit Extension with respect to any Letter of Credit, the aggregate amount of Letters of Credit shall not exceed the aggregate Fronting Limit of all Issuing Banks with a Fronting Limit, (3) the sum of L/C Obligations, Loans and unpaid Letter of Credit Fees owing to such Issuing Bank shall not exceed such Issuing Bank's Commitment and its Fronting Limit, (4) the Total Utilization of Commitments shall not exceed the Commitments then in effect and (5) the outstanding amount of L/C Obligations do not exceed the L/C Sublimit. Each request by Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and fully reimbursed (including the repayment in full of all Unreimbursed Amounts and all Loans made, in each case, with respect to such Letter of Credit).

(ii) No Issuing Bank shall issue any particular Letter of Credit, if:

(A) subject to Section 2.2(c)(iii), the expiry date of the requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last extension, unless such Issuing Bank has approved such expiry date; or

(B) the expiry date of the requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless such Issuing Bank has approved such expiry date.

(iii) No Issuing Bank shall be under any obligation to issue any particular Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which is material to such Issuing Bank;

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by Administrative Agent and the applicable Issuing Bank, the requested Letter of Credit is in an initial Stated Amount less than \$100,000;

(D) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(E) the proposed use of the Letter of Credit is not in accordance with Section 2.4 (*Use of Proceeds*); or

(F) the requested form of such Letter of Credit is not acceptable to the Issuing Bank, in its reasonable discretion.

(iv) No Issuing Bank shall amend any Letter of Credit if such Issuing Bank would not be permitted at such time to issue the Letter of Credit in its amended form under the terms hereof.

(v) An Issuing Bank shall be under no obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(vi) Each Issuing Bank shall have all of the benefits and immunities (A) provided to Administrative Agent in Section 8 (*Agents*) with respect to any acts taken or omissions suffered by any Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Section 8 (*Agents*) included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to each Issuing Bank.

(b) Fronting.

(i) All Letters of Credit issued hereunder shall be Fronted Letters of Credit; provided that, Borrower may only request Letters of Credit from Issuing Banks that are specified in this Agreement as having a Fronting Limit.

(ii) Each Lender severally agrees with each Issuing Bank to participate in an amount equal to its Pro Rata Share in the extension of credit resulting from the issuance (or extension, modification or amendment) of a Letter of Credit by such Issuing Bank and each drawing of the Stated Amount thereunder, in the manner and the amount provided in Section 2.2(d) (Drawings and Reimbursements), and the issuance of such Letter of Credit shall be deemed to be a confirmation by the Issuing Bank and each Lender of such participation in such amount; provided that, no Lender shall be required to participate in a Letter of Credit if the sum of such Lender's L/C Obligations, Loans and unpaid Letter of Credit Fees owing to such Lender would exceed such Lender's Commitment as a result of such participation.

(c) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit

(i) Subject to Section 3 (Conditions Precedent), each Letter of Credit shall be issued or amended, as the case may be, upon the request of Borrower delivered to each applicable Issuing Bank during the period specified in Section 2.2(a) (with a copy to Administrative Agent) in the form of an Issuance Notice, appropriately completed and signed by an Authorized Officer of Borrower. Such Issuance Notice must be received by each applicable Issuing Bank and by Administrative Agent not later than 12:00 p.m. (New York City time) at least two (2) Business Days (or such later date and time as Administrative Agent and the applicable Issuing Bank(s) may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Issuance Notice shall specify in form and detail satisfactory to the applicable Issuing Bank: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof (including a final expiration date in the case of an Auto-Extension Letter of Credit); (D) the name and address of the beneficiary thereof; (E) the form of such letter of credit (which shall be in compliance with the requirements of this Section 2.2) and the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit, which shall be in accordance with Section 2.4 (Use of Proceeds), as certified by Borrower in such Issuance Notice; (H) the name of the applicant of such Letter of Credit; and (I) such other matters as the applicable Issuing Bank may reasonably require and shall be accompanied by such Letter of Credit application as the applicable Issuing Bank may specify to Borrower for use in connection with such requested Letter of Credit and such other information as shall demonstrate compliance of such Letter of Credit with the requirements specified in this Agreement and such Letter of Credit application. In the case of a request for an amendment of any outstanding Letter of Credit, such Issuance Notice shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (w) the Letter of Credit to be

amended; (x) the proposed date of amendment thereof (which shall be a Business Day); (y) the nature of the proposed amendment; and (z) such other matters as the applicable Issuing Bank may reasonably require and shall be accompanied by such Letter of Credit application as the applicable Issuing Bank may specify to Borrower for use in connection with such requested Letter of Credit and such other information as shall demonstrate compliance of such Letter of Credit with the requirements specified in this Agreement and such Letter of Credit application. Additionally, Borrower shall furnish to the applicable Issuing Bank and Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the applicable Issuing Bank or Administrative Agent may reasonably require.

For the avoidance of doubt, subject to compliance with the requirements of Section 2.2(a) and Section 2.2(b), Borrower may request Fronted Letters of Credit from any Issuing Bank with a Fronting Limit up to such Issuing Bank's full Fronting Limit.

(ii) Unless the applicable Issuing Bank has received written notice from Administrative Agent or Borrower, in any case, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 3 (*Conditions Precedent*) shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of Borrower or enter into the applicable amendment, as the case may be, in each case in accordance with such Issuing Bank's usual and customary business practices and, with respect to any amendment of a Letter of Credit, so long as the amendment is satisfactory to the Issuing Bank.

(iii) If Borrower so requests in any applicable Issuance Notice, the applicable Issuing Bank shall issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit such Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a date to be agreed in each such twelve-month period at the time such Letter of Credit is issued (the "**Non-Extension Notice Date**"). Once an Auto-Extension Letter of Credit has been issued, unless otherwise directed by the applicable Issuing Bank, Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Issuing Bank shall permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided that the applicable Issuing Bank shall not permit any such extension if (A) such Issuing Bank has determined that it would not be permitted, or would have no obligation (without any obligation to make any inquiry to make a determination that it is not so permitted or obligated), at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of Section 2.2(a)(ii) or Section 2.2(a)(iii) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from Administrative Agent or Borrower that one or more of the applicable conditions specified in Section 3 (*Conditions Precedent*) is not then satisfied (or a Default or an Event of

Default has occurred and is continuing), and in each such case directing such Issuing Bank not to permit such extension.

(iv) Subject to Section 2.2(a)(iii)(D) (*Letter of Credit Commitment*), if Borrower so requests in any applicable Issuance Notice and/or Letter of Credit application, as applicable, the applicable Issuing Bank may issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an “**Auto-Reinstatement Letter of Credit**”). Once an Auto-Reinstatement Letter of Credit has been issued, unless otherwise directed by the applicable Issuing Bank in its sole discretion, Borrower shall not be required to make a specific request to such Issuing Bank to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, the applicable Issuing Bank shall permit the reinstatement of all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits such Issuing Bank to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the “**Non-Reinstatement Deadline**”), such Issuing Bank shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Reinstatement Deadline from Administrative Agent or Borrower that one or more of the applicable conditions specified in Section 3 (*Conditions Precedent*) is not then satisfied (or a Default or Event of Default has occurred and is continuing) (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing such Issuing Bank not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to the beneficiary thereof, the applicable Issuing Bank will also deliver to Borrower and Administrative Agent (A) a true and complete copy of such Letter of Credit or amendment or (B) the following information in respect of such Letter of Credit or amendment: Stated Amount, expiry date, evergreen notification period and name of beneficiary.

(vi) Anything herein to the contrary notwithstanding, in the event of any conflict between the terms of any Issuance Notice, any application for a Letter of Credit and those of this Agreement, the terms of this Agreement shall be controlling.

(d) Drawings and Reimbursements.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify Borrower and Administrative Agent, and the participating Issuing Banks. Not later than 1:00 p.m. (New York City time) on the date such notice of a drawing has been honored by the applicable Issuing Bank under a Letter of Credit in accordance with normal banking procedures in the place of payment (each such date, an “**Honor Date**”), Borrower shall reimburse such Issuing Bank in an amount equal to the amount of such drawing. If Borrower fails to so reimburse such Issuing Bank by such time, such Issuing Bank shall notify Administrative Agent of the Honor Date and the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”).

In such event, Borrower shall be deemed to have requested a Base Rate Loan from such Issuing Bank to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount (in which event the unreimbursed drawing shall no longer be considered an Unreimbursed Amount for all purposes hereunder), without regard to the minimum and multiples specified in Section 2.1 (Loans) for the principal amount of Base Rate Loans or the conditions set forth in Section 3 (Conditions Precedent). Any notice given by an Issuing Bank or Administrative Agent pursuant to this Section 2.2(d)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Upon providing any notice pursuant to Section 2.2(d)(i), the applicable Issuing Bank shall be deemed to have made a Base Rate Loan to Borrower in such Unreimbursed Amount. Administrative Agent shall promptly notify each of the Lenders of the amount of its share of the payment made under such Letter of Credit, which shall be such Lender's Pro Rata Share of such amount paid by such Issuing Bank (the "**Lender Payment Notice**"). Subject to Section 2.2(b) (*Fronting*), each Lender hereby severally agrees to pay the amount specified in the Lender Payment Notice in immediately available funds to Administrative Agent for the account of such Issuing Bank with respect to such Letter of Credit plus interest on such amount at a rate per annum equal to the Federal Funds Effective Rate from the date of such payment by such Issuing Bank to the date of payment to such Issuing Bank by such Lender. Each Lender shall make such payment by not later than 4:00 p.m., New York City time, on the date it received the Lender Payment Notice (if such notice is received at or prior to 1:00 p.m., New York City time) and before 12:00 noon, New York City time, on the next succeeding Business Day following such receipt (if such notice is received after 1:00 p.m., New York City time). Each Lender shall indemnify and hold harmless such Issuing Bank from and against any and all losses, liabilities (including liabilities from penalties), actions, suits, judgments, demands, costs, and expenses (including reasonable attorneys' fees and expenses) resulting from any failure on the part of such Lender to provide, or from any delay in providing, Administrative Agent for the account of such Issuing Bank with its Pro Rata Share of the amount paid under the Letter of Credit but no such Lender shall be so liable for any such failure on the part of or caused by any other Lender or the willful misconduct or gross negligence, as determined by a court of competent jurisdiction by a final and non-appealable order, of Administrative Agent. Each Lender's obligation to make each such payment to Administrative Agent for the account of the applicable Issuing Bank in the case of payments made in respect of a Letter of Credit shall be several and not joint and shall not be affected by (A) the occurrence or continuance of any Event of Default, (B) the failure of any other Lender to make any payment under this Section 2.2(d)(ii), or (C) the date of the drawing under the applicable Letter of Credit issued by the applicable Issuing Bank; provided that, such drawing occurs prior to the earlier of (i) the Final Maturity Date or (ii) the termination date of the applicable Letter of Credit. Each Lender further agrees that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(iii) Administrative Agent shall pay to the applicable Issuing Bank in immediately available funds the amounts paid in respect of a Letter of Credit pursuant to this Section 2.2(d) before the close of business on the day such payment is received; provided that,

any amount received by Administrative Agent that is due and owing to such Issuing Bank and remains unpaid to such Issuing Bank on the date of receipt shall be paid on the next succeeding Business Day with interest payable at the Federal Funds Effective Rate.

(iv) For so long as any Lender is a Defaulting Lender under clause (a) of the definition thereof, each Issuing Bank shall be deemed, for purposes of Section 2.14 (*Ratable Sharing*) and Article 7, to be a Lender hereunder in substitution of such Defaulting Lender, owed a loan in an amount equal to the outstanding principal amount due and payable by such Defaulting Lender to Administrative Agent for the account of each Issuing Bank in respect of such Letter of Credit pursuant to Section 2.2(d)(ii) above. Notwithstanding anything else to the contrary contained herein, the failure of any Lender to make any required payment in response to any drawing notice in respect of a Letter of Credit shall not increase the total aggregate amount payable by Borrower with respect to the payment described in the related drawing notice in respect of a Letter of Credit above the total aggregate amount that would have been payable by Borrower at the applicable rate for Loans if such Defaulting Lender would have funded its payments to Administrative Agent in a timely manner in respect to such drawing notice in respect of a Letter of Credit.

(v) Each payment made by a Lender under Section 2.2(d)(ii) above shall constitute a deemed loan made by such Lender to Borrower on the date of such payment by an Issuing Bank under a Letter of Credit issued by such Issuing Bank. All such payments by the Lenders in respect of any one such payment by such Issuing Bank shall constitute a single deemed loan hereunder.

(vi) Each applicable Issuing Bank's obligation to make Loans as contemplated by this Section 2.2(d) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Issuing Bank may have against Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default; (C) the form, validity, sufficiency, accuracy, genuineness or legal effect of any Letter of Credit or any document submitted by any party in connection with the application for and issuance of a Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (D) failure of the beneficiary to comply fully with the conditions required in order to demand payment under a Letter of Credit; or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing, including any of the events specified in Section 2.2(f) (*Obligations Absolute*). No such making of a Loan shall relieve or otherwise impair the obligation of Borrower to reimburse the applicable Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(vii) In the event that more than one Letter of Credit is issued and outstanding in favor of the same beneficiary and for the same purpose, Borrower shall instruct such beneficiary of such Letters of Credit to draw on each such Letter of Credit on a ratable basis.

(e) Cash Collateral.

(i) Unreimbursed Amounts; Letter of Credit Expiration Date. Upon the request of Administrative Agent and any Issuing Bank, as applicable, (1) if such Issuing Bank has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an Unreimbursed Amount, or (2) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, Borrower shall, in each case, immediately Cash Collateralize 103% of the amount of then Outstanding Amount of all L/C Obligations.

(ii) Cash Collateralization Upon Event of Default. Without limiting Issuing Banks' or Administrative Agent's rights under applicable law or pursuant to Section 2.2(e)(i) or the applicable Issuer Documents, upon the occurrence and during the continuation of an Event of Default under Section 7 (Events of Default), Administrative Agent may, and at the direction of the Requisite Lenders shall, require Borrower to Cash Collateralize the outstanding Letters of Credit.

(iii) Grant of Security Interest. All Cash Collateral provided by or on behalf of Borrower (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts located in the United States, at one or more institutions selected by Administrative Agent. Borrower hereby grants to Administrative Agent, for the benefit of Administrative Agent and each Issuing Bank, and agrees to maintain, a first-priority security interest in all such Cash Collateral. If at any time Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than Administrative Agent and the applicable Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, Borrower will, promptly upon demand by Administrative Agent, pay or provide to Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(iv) Termination of Requirement. Cash Collateral furnished by or on behalf of Borrower shall not be released during the existence of a Default or Event of Default.

(f) Obligations Absolute. The obligation of Borrower to reimburse the applicable Issuing Bank for each drawing under each Letter of Credit and to repay each Loan deemed made pursuant to Section 2.2(d) (Drawings and Reimbursements) shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Financing Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any Issuing Bank or any other Person, whether in connection with this Agreement, the

transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the applicable Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of Borrower or any waiver by such Issuing Bank which does not in fact materially prejudice Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by the applicable Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the UCC or the ISP, as applicable;

(vii) any payment by the applicable Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the applicable Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(viii) any amendment or waiver of or any consent or departure from all or any of the provisions of the Financing Documents or Letter of Credit;

(ix) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of Borrower; or

(x) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, Borrower.

Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with Borrower's instructions or other irregularity, Borrower will immediately notify the applicable Issuing Bank. Borrower shall be conclusively deemed to have waived any such claim against such Issuing Bank and its correspondents unless such notice is given as aforesaid.

(g) Role of an Issuing Bank. Borrower agrees that, in paying any drawing under a Letter of Credit, the applicable Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any Issuing Bank shall be liable or responsible for any of the matters described in Sections 2.2(f)(i) through 2.2(f)(ix) (*Obligations Absolute*); provided that, anything in such Sections to the contrary notwithstanding, Borrower may have a claim against any Issuing Bank, and such Issuing Bank may be liable to Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by Borrower which Borrower proves were caused by such Issuing Bank's willful misconduct or gross negligence or such Issuing Bank's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of all the documents specified in such Letter of Credit strictly complying with the terms and conditions of a Letter of Credit, such willful misconduct, gross negligence, or willful failure as determined by a final, non-appealable judgment of a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, any Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and such Issuing Bank shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via a Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(h) Applicability of ISP. Unless otherwise expressly agreed by the applicable Issuing Bank and Borrower when a Letter of Credit is issued or when it is amended with the consent of the beneficiary thereof, the rules of the ISP shall apply to each Letter of Credit and as to all matters not governed thereby, the law of the State of New York. Notwithstanding the foregoing, no Issuing Bank shall be responsible to Borrower for, and each Issuing Bank's rights and remedies against Borrower shall not be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-

IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(i) Letter of Credit Fees.

(i) Borrower shall pay to Administrative Agent for the account of each Issuing Bank and participating Lender, a Letter of Credit fee (the “**Letter of Credit Fee**”) for each Letter of Credit applicable to such Issuing Bank or participating Lender, as applicable, equal to the Applicable Margin for ~~LBO-Rate~~Term SOFR Loans times the daily maximum aggregate amount available to be drawn under such Letter of Credit times the Issuing Bank’s or Lender’s, as applicable, Pro Rata Share of such Letter of Credit.

(ii) Borrower agrees to pay each Issuing Bank that issues a Letter of Credit a letter of credit fronting fee (the “**Fronting Fee**”) in an amount equal to 0.15% per annum of the daily maximum aggregate amount available to be drawn under such Letter of Credit issued by such Issuing Bank.

(iii) For purposes of computing the daily maximum aggregate amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.4 (Letter of Credit Amounts). Letter of Credit Fees and Fronting Fees shall be (i) due and payable on each Quarterly Payment Date (commencing with the first such date to occur after the issuance of such Letter of Credit), on the Letter of Credit Expiration Date and thereafter on demand (to the extent remaining unpaid) and (ii) computed on a quarterly basis in arrears.

(j) Documentary and Processing Charges Payable to Applicable Issuing Bank. Borrower shall pay directly to the applicable Issuing Bank, for its own account, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank in connection with Letters of Credit issued by such Issuing Bank as from time to time in effect. Such customary fees and standard costs and charges, if any, are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of a Subsidiary or for the account of a Subsidiary, Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Borrower hereby acknowledges that the issuance of Letters of Credit in support of any obligations of Subsidiaries inures to the benefit of Borrower and such Subsidiaries, and that Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

(m) Resignation as Issuing Bank. Any Issuing Bank may, upon sixty (60) days’ notice to Borrower and Administrative Agent, resign as Issuing Bank. In the event of any such resignation as Issuing Bank, Borrower (or, if Borrower fails to make such

appointment in thirty (30) days, Administrative Agent) shall be entitled to appoint a Person who is an Eligible Assignee with the Required Ratings (or whose guarantor, as contemplated by the definition of “Required Ratings,” has the Required Ratings) and reasonably satisfactory to Administrative Agent as a successor Issuing Bank hereunder. If any Issuing Bank resigns as Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit that it issued, including Letters of Credit outstanding as of the effective date of its resignation as Issuing Bank and all L/C Obligations with respect thereto. Upon the appointment of a successor Issuing Bank, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (ii) the successor Issuing Bank shall issue letters of credit in substitution for the applicable Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the applicable Issuing Bank to effectively assume the obligations of such Issuing Bank with respect to such Letters of Credit and (iii) the resigning Issuing Bank shall assign its Letter of Credit Issuance Commitment to issue Letters of Credit and Loans, as applicable, to such successor Issuing Bank.

(n) Replacement of Issuing Banks.

(i) If at any time an Issuing Bank (or its guarantor, as contemplated by the definition of “Required Ratings”) ceases to have the Required Ratings, then such Issuing Bank shall promptly, and in any event within two (2) Business Days after such cessation, notify Borrower thereof and Borrower may, upon thirty (30) days’ prior written notice, in each case, to such Issuing Bank and Administrative Agent, (A) (x) elect to replace such Issuing Bank in its capacity as an Issuing Bank with a Person selected by Borrower and with the Required Ratings (or whose guarantor, as contemplated by the definition of “Required Ratings,” has the Required Ratings) so long as such Person is an Eligible Assignee and is reasonably satisfactory to Administrative Agent and (y) cause such Issuing Bank to assign its Letter of Credit Issuance Commitment to issue Letters of Credit and its Loans to the successor Issuing Bank or (B) cause such Issuing Bank to assign its Letter of Credit Issuance Commitment to issue Letters of Credit and its Loans, as applicable, to another or additional Issuing Bank selected by Borrower and with the Required Ratings (or whose guarantor, as contemplated by the definition of “Required Ratings,” has the Required Ratings), so long as such Person is an Eligible Assignee and is reasonably satisfactory to Administrative Agent; and

(ii) Borrower shall notify Administrative Agent of any such replacement of an Issuing Bank pursuant to Section 2.2(n)(i) above. At the time any such replacement shall become effective, Borrower shall have (A) paid all unpaid fees and Unreimbursed Amounts accrued for the account of the replaced Issuing Bank pursuant to Section 2.9 (Fees) and (B) effected the cancellation and return to the replaced Issuing Bank of its Letters of Credit outstanding at such time. From and after the effective date of any such replacement, (1) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (2) references herein to the term “**Issuing Bank**” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall

require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights, powers, privileges and duties of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

### 2.3 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares.

(i) (A) Loans made pursuant to Section 2.1 (Loans) shall be made by Lenders simultaneously and proportionately such that after giving effect to such Loans, the Outstanding Amount of each Lender's Loans and L/C Obligations shall equal their Pro Rata Shares of the aggregate Commitments, and (B) all Letters of Credit shall be issued on a non-ratable basis by Issuing Banks with a Fronting Limit to the extent provided in Section 2.2(b) (Fronting).

(ii) [Reserved].

(iii) No Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan in respect of which such other Lender has a Commitment requested hereunder nor shall any Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan in respect of which such other Lender has a Commitment requested hereunder.

(b) Availability of Funds. Unless Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to Administrative Agent the amount of such Lender's Loan requested on such Credit Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Credit Date and Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Borrower a corresponding amount on such Credit Date (any such amount made available by Administrative Agent to Borrower, the "**Corresponding Amount**"). If such Corresponding Amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such Corresponding Amount on demand from such Lender, together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the customary rate set by Administrative Agent for the correction of errors among banks for three (3) Business Days and thereafter at the Base Rate. In the event that Administrative Agent does not make available to Borrower a requested amount on the applicable Credit Date until such time as all applicable Lenders have made payment to Administrative Agent, Administrative Agent shall deem any payment by or on behalf of a Lender hereunder that is not made in immediately available funds prior to the time period specified herein and such delay causes Administrative Agent's failure to fund to Borrower in accordance with its Funding Notice, a non-conforming payment and such Lender shall not receive interest hereunder with respect to the requested amount of such Lender's Loans for the period commencing with the time specified in this Agreement for

receipt of payment by Borrower through and including the time of Borrower's receipt of the requested amount. If such Lender does not pay such Corresponding Amount forthwith upon Administrative Agent's demand therefor, Administrative Agent shall promptly notify Borrower and Borrower shall immediately pay such Corresponding Amount to Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the rate payable hereunder for Base Rate Loans for such Loans. Nothing in this Section 2.3(b) shall be deemed to relieve any Lender from its obligation to fulfill its Commitment hereunder or to prejudice any rights that Borrower may have against any Lender as a result of any default by such Lender hereunder.

**2.4 Use of Proceeds.** Letters of Credit and the proceeds of Loans shall be available and applied, respectively, for general corporate purposes of Borrower and its Subsidiaries.

**2.5 Evidence of Debt; Register; Lenders' Books and Records; Notes.**

(a) Lenders' Evidence of Debt. Each Lender and Issuing Bank shall maintain on its internal records an account or accounts evidencing the Obligations of Borrower to such Lender or Issuing Bank, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrower, absent manifest error; provided that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's or Issuing Banks' Commitment or Borrower's Obligations in respect of any applicable Loans; and provided further that, in the event of any inconsistency between the Register and any Lender's or Issuing Bank's records, the recordations in the Register shall govern.

(b) Register. Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at its Principal Office a register for the recordation of the names and addresses of all Lenders and Issuing Banks; the Commitments and Loans of each Lender and Issuing Bank; and principal amounts (and stated interest) of the Loans owing to each Lender or Issuing Bank pursuant to the terms hereof from time to time (the "**Register**"). The Register shall be available for inspection by Borrower or any Lender or Issuing Bank (with respect to (i) any entry relating to such Lender's or Issuing Bank's Loans or L/C Obligations or (ii) the identity of the other Lenders and Issuing Banks (but not any information with respect to such other Lenders' or Issuing Bank's Loans or L/C Obligations)) at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Commitments and the Loans in accordance with the provisions of Section 9.6 (*Successors and Assigns; Participations*), and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on Borrower, each Lender and each Issuing Bank, absent manifest error; provided that failure to make any such recordation, or any error in such recordation, shall not affect any Lender's or Issuing Bank's Commitment or Borrower's Obligations in respect of any Loan. Borrower hereby designates Administrative Agent to serve as Borrower's non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section

2.5(b), and Borrower hereby agrees that, to the extent Administrative Agent serves in such capacity, Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute “**Indemnitees**” under Section 9.3(a) (*Indemnity*).

(c) Notes. If so requested by any Lender or Issuing Bank by written notice to Borrower (with a copy to Administrative Agent) at least two (2) Business Days prior to the Closing Date, or at any time thereafter, Borrower shall execute and deliver to such Lender or Issuing Bank (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender or Issuing Bank pursuant to Section 9.6 (*Successors and Assigns; Participations*)) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after receipt by Borrower of such notice) a Note or Notes to evidence such Lender’s or such Issuing Bank’s Loan, as the case may be.

## **2.6 Interest on Loans.**

(a) Except as otherwise set forth herein (without duplication of amounts payable in connection with Section 2.6(f) (*Interest on Loans*)), each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise), and thereof as follows:

- (i) if a Base Rate Loan, at the Base Rate *plus* the Applicable Margin; or
- (ii) if a ~~LIBO-Rate~~Term SOFR Loan, at the Adjusted ~~LIBO-Rate~~Term SOFR *plus* the Applicable Margin.

(b) The basis for determining the rate of interest with respect to any Loan, and the Interest Period with respect to any ~~LIBO-Rate~~Term SOFR Loan, shall be selected by Borrower and notified to Administrative Agent and the Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be.

(c) In connection with ~~LIBO-Rate~~Term SOFR Loans there shall be no more than six (6) Interest Periods outstanding at any time. In the event Borrower fails to specify between a Base Rate Loan or a ~~LIBO-Rate~~Term SOFR Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if not then outstanding) will be made as (or if outstanding as a Base Rate Loan will remain as) a Base Rate Loan, or if outstanding as a ~~LIBO-Rate~~Term SOFR Loan, will be automatically converted into a Base Rate Loan on the last day of the then-current Interest Period for such Loan. In the event Borrower fails to specify an Interest Period for any ~~LIBO-Rate~~Term SOFR Loan in the applicable Funding Notice or Conversion/Continuation Notice, Borrower shall be deemed to have selected an Interest Period of one (1) month. As soon as practicable ~~after 12:00 p.m. (New York City time) on each Interest Rate on each Term~~ SOFR Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the ~~LIBO-Rate~~Term SOFR Loans for which an interest rate is then

being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to Borrower and each Lender.

(d) Interest payable pursuant to this Section 2.6 shall be computed (i) in the case of Base Rate Loans on the basis of a 365 or 366 day year, as the case may be, ~~and~~ (ii) in the case of ~~LIBO-Rate~~Term SOFR Loans, on the basis of a 360 day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a ~~LIBO-Rate~~Term SOFR Loan, the date of conversion of such ~~LIBO-Rate~~Term SOFR Loan to such Base Rate Loan shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a ~~LIBO-Rate~~Term SOFR Loan, the date of conversion of such Base Rate Loan to such ~~LIBO-Rate~~Term SOFR Loan, shall be excluded; provided that, if a Loan is repaid on the same day on which it is made, one (1) day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each such payment date; (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) shall accrue on a daily basis and shall be payable in arrears at maturity of the Loans, including final maturity of the Loans; provided, however, that with respect to any voluntary prepayment of a Base Rate Loan, accrued interest shall instead be payable on the applicable Interest Payment Date.

(f) Without duplication of any amounts payable under Section 2.6(a) (*Interest on Loans*), Borrower agrees to pay to each Issuing Bank, with respect to drawings honored under any Letter of Credit, interest on the amount paid by such Issuing Bank in respect of each such honored drawing from the date such drawing is honored to (but excluding) the date such amount is reimbursed by or on behalf of Borrower at a rate equal to (i) for the period from the date such drawing is honored to (but excluding) the date that is one (1) Business Day immediately following the date on which such drawing is honored, the rate of interest otherwise payable hereunder with respect to Base Rate Loans, and (ii) thereafter, a rate which is two percent (2%) *per annum* in excess of the rate of interest otherwise payable hereunder with respect to Base Rate Loans.

(g) Interest payable pursuant to Section 2.6(f) (*Interest on Loans*) shall be computed on the basis of a 365/366 day year for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full.

## 2.7 Conversion/Continuation.

(a) Subject to Section 2.15 (*Making or Maintaining ~~LIBO-RateTerm SOFR~~ Loans*) and so long as no Default or Event of Default shall have occurred and then be continuing:

(i) Borrower shall have the option to convert at any time all or any part of any Loans, equal to \$2,000,000 and integral multiples of \$1,000,000 in excess of that amount, from one Type of Loan to another Type of Loan; provided that a ~~LIBO-RateTerm SOFR~~ Loan may only be converted on a date other than the date of expiration of the Interest Period applicable to such ~~LIBO-RateTerm SOFR~~ Loan if Borrower shall pay all amounts due under Section 2.15 (*Making or Maintaining ~~LIBO-RateTerm SOFR~~ Loans*) in connection with any such conversion; or

(ii) in the case of ~~LIBO-RateTerm SOFR~~ Loans, Borrower shall have the option upon the expiration of any Interest Period applicable to any ~~LIBO-RateTerm SOFR~~ Loan, to continue all or any portion of such Loan equal to \$2,000,000 and integral multiples of \$1,000,000 in excess of that amount as a ~~LIBO-RateTerm SOFR~~ Loan.

(b) Subject to Section 3.3 (*Notices*), Borrower shall deliver a Conversion/Continuation Notice to Administrative Agent no later than 12:00 p.m. (New York City time) at least one (1) Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and at least three (3) Business Days in advance of the proposed Conversion/Continuation Date (in the case of a conversion to, or a continuation of, a ~~LIBO-RateTerm SOFR~~ Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any ~~LIBO-RateTerm SOFR~~ Loans shall be irrevocable ~~on and after the related Interest Rate Determination Date~~, and Borrower shall be bound to effect a conversion or continuation in accordance therewith. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be a Base Rate Loan.

**2.8 Default Interest.** If the principal amount of, any interest on or any fees in respect of the Loans or the Letters of Credit shall not be paid when due, such overdue amount shall bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is two percent (2%) per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is two percent (2%) per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans); provided that, in the case of ~~LIBO-RateTerm SOFR~~ Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such ~~LIBO-RateTerm SOFR~~ Loans shall thereupon become Base Rate Loans and such overdue amounts shall thereafter bear interest payable upon demand at a rate which is two percent (2%) per annum in excess of the interest rate otherwise payable hereunder for Base Rate

Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.8 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent, any Lender or any Issuing Bank.

**2.9 Fees.** In addition to certain fees described in Sections 2.2(i) and 2.2(j) (*Letters of Credit*):

(a) From and after the Closing Date, Borrower agrees to pay to Lenders or Issuing Banks, as applicable, commitment fees equal to an amount equal to the Commitment Fee Rate multiplied by the average of the daily Aggregate Availability (collectively, “**Commitment Fees**”).

(b) All Commitment Fees shall be paid to Administrative Agent at its Principal Office and upon receipt, Administrative Agent shall promptly distribute to each applicable Lender or Issuing Bank its Pro Rata Share thereof.

(c) All Commitment Fees shall be calculated on the basis of a 360 day year and the actual number of days elapsed and shall be payable quarterly in arrears on the last Business Day of March, June, September and December of each year during the Availability Period, commencing on the first such date to occur after the Closing Date, and on the Commitment Termination Date.

(d) In addition to any of the foregoing fees, Borrower agrees to pay to Agents and Administrative Agent for the account of Lenders and Issuing Banks such other fees in the amounts and at the times separately agreed upon (including pursuant to the Fee Letters).

**2.10 Voluntary Prepayments/Commitment Reductions.**

(a) Voluntary Prepayments.

(i) Any time and from time to time Borrower may, without premium or penalty, prepay Loans on any Business Day in whole or in part, in an aggregate minimum amount of \$2,000,000 and integral multiples of \$1,000,000 in excess of that amount; provided that, in any such case, such minimum amounts shall not apply to a prepayment of all outstanding Loans;

(ii) All such prepayments shall be made:

(A) upon not less than one (1) Business Day’s prior written or telephonic notice in the case of Base Rate

Loans; and

(B) upon not less than three (3) Business Days’ prior written or telephonic notice in the case of ~~LBO~~

~~Rate~~Term SOFR Loans;

in each case given to Administrative Agent by 12:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed by delivery of written notice thereof to Administrative Agent (and Administrative Agent will promptly transmit such original notice by facsimile or telephone to each applicable Lender or Issuing Bank). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein; provided that such prepayment obligation may be conditioned on the occurrence of any subsequent event (including a refinancing transaction) specified in such notice. Any such voluntary prepayment shall be applied as specified in Section 2.12(a) (*Application of Voluntary Prepayments*).

(b) Voluntary Commitment Reductions.

(i) Borrower may, upon not less than three (3) Business Days' prior written or telephonic notice promptly confirmed by delivery of written notice thereof to Administrative Agent (which original written notice Administrative Agent will promptly transmit by facsimile or telephone to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part, without premium or penalty, the Commitments in an amount up to the Aggregate Availability at the time of such proposed termination or reduction; provided that any such partial reduction of the Commitments shall be in an aggregate minimum amount of \$2,000,000 and integral multiples of \$1,000,000 in excess of that amount.

(ii) Borrower's notice to Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Commitments shall be effective on the date specified in Borrower's notice and shall reduce the Commitments of each Lender and/or Issuing Bank proportionately to its Pro Rata Share thereof; provided that such termination or reduction may be conditioned on the occurrence of any subsequent event (including a refinancing transaction).

**2.11 Mandatory Prepayments.**

(a) Net Debt Proceeds. No later than the third (3<sup>rd</sup>) Business Day following the date of receipt by Borrower of any Net Debt Proceeds, Borrower shall prepay Unreimbursed Amounts and Loans (and, as applicable, Cash Collateralize Letters of Credit) as set forth in Section 2.12(b) (*Application of Mandatory Prepayments*) in an aggregate amount equal to such Net Debt Proceeds.

(b) Changes of Control. No later than the third (3<sup>rd</sup>) Business Day following a Prepayment Change of Control, Borrower shall prepay all Unreimbursed Amounts and Loans (and, as applicable, Cash Collateralize Letters of Credit) as set forth in Section 2.12(b) (*Application of Mandatory Prepayments*); provided, that if the Loans are rated by at least one Ratings Agency (or, if the Loans are not rated by any Ratings Agencies, at least one Ratings Agency has assigned a rating to the corporate family of Borrower and its Subsidiaries), then such prepayments shall only be required if a Rating Decline shall have occurred during the applicable Rating Decline Period. Upon any prepayment

pursuant to this Section 2.11(b), the Commitments shall be terminated and permanently reduced to zero.

(c) Prepayment Certificate. Concurrently with any prepayment of the Loans and/or reduction of the Commitments pursuant to this Section 2.11, Borrower shall deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the calculation of the amount of the applicable net proceeds. In the event that Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, Borrower shall promptly make an additional prepayment of the Loans and/or permanent reduction of the Commitments in an amount equal to such excess, and Borrower shall concurrently therewith deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the derivation of such excess.

## **2.12 Application of Prepayments.**

(a) Application of Voluntary Prepayments. With respect to each prepayment made pursuant to Section 2.10(a) (*Voluntary Prepayments*), on the date specified in the notice of prepayment delivered pursuant to Section 2.10(a)(ii) (*Voluntary Prepayments*), such prepayment of the Loans shall be applied *pro rata* to:

- (i) the principal of, and accrued but unpaid interest on, the Loans to be prepaid;
- (ii) any additional amounts required to be paid pursuant to Section 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*); and
- (iii) any other Obligations due in connection with any prepayment under the Financing Documents.

(b) Application of Mandatory Prepayments. Any amount required to be paid pursuant to Section 2.11 (*Mandatory Prepayments*) shall be applied first, to prepay the Unreimbursed Amounts and Loans and second, to Cash Collateralize such L/C Obligations in an amount equal to the Minimum Collateral Amount. Any such prepayment of Unreimbursed Amounts and Loans shall be applied *pro rata* to:

- (i) the principal of, and accrued but unpaid interest on, such Unreimbursed Amounts and Loans;
- (ii) any additional amounts required to be paid pursuant to Section 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*); and
- (iii) any other Obligations due in connection with any prepayment under the Financing Documents.

(c) Application of Prepayments of Loans to Base Rate Loans and ~~LIBO-Rate~~Term SOFR Loans. Any prepayment of the Loans shall be applied first to Base Rate

Loans to the full extent thereof, before application to ~~LIBO-Rate~~Term SOFR Loans, in each case in a manner which minimizes the amount of any payments required to be made by Borrower pursuant to Section 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*).

### **2.13 General Provisions Regarding Payments.**

(a) All payments by Borrower of principal, interest, fees and other Obligations shall be made in immediately available funds, without reduction, defense, recoupment, setoff or counterclaim, free of any restriction or condition, and, except as otherwise required herein, delivered to Administrative Agent not later than 12:00 p.m. (New York City time) on the date due at the Principal Office of Administrative Agent for the account of Lenders.

(b) All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's or Issuing Bank's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans, in lieu of its Pro Rata Share of any ~~LIBO-Rate~~Term SOFR Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Subject to the provisos set forth in the definition of "Interest Period," whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and, with respect to such Loans only, such extension of time shall be included in the computation of the payment of interest hereunder or of the Commitment Fees hereunder.

(f) Administrative Agent shall deem any payment by or on behalf of Borrower hereunder that is not made in immediately available funds prior to 3:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Administrative Agent shall give prompt telephonic notice to Borrower and each applicable Lender

(confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 7.1(a) (*Failure To Make Payments When Due*). Interest and fees shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.8 (*Default Interest*) from the date such amount was due and payable until the date such amount is paid in full.

(g) If an Event of Default shall have occurred and not otherwise been waived, and the maturity of the Obligations shall have been accelerated pursuant to Section 7.1 (*Events of Default*) or pursuant to any sale of, any collection from, or other realization upon all or any part of the Collateral, all payments or proceeds received by Administrative Agent or Collateral Agent in respect of any of the Obligations, shall be applied in accordance with the application arrangements described in Section 4.1 (*Recoveries*) of the Collateral Agency Appointment Agreement.

(h) Loans Under Existing Credit Agreement. Borrower acknowledges and agrees that as of the Closing Date (prior to the amendment and restatement of the Existing Credit Agreement pursuant to the terms of this Agreement): (A) there are no Loans outstanding under the Existing Credit Agreement; and (B) there are no Letters of Credit outstanding under the Existing Credit Agreement. All Commitments shall hereafter be assigned or re-allocated among the Lenders, respectively, and after giving effect hereto, the percentages of Commitments as of the Closing Date are as set forth on Appendix A. Immediately prior to giving effect to the assignments and re-allocations of Commitments to occur on the Closing Date, Credit Suisse AG, Cayman Islands Branch hereby assigns 100% of its Commitments (as defined in the Existing Credit Agreement) to Credit Suisse AG, New York Branch, and Credit Suisse AG, New York Branch hereby assumes all such Commitments; provided that, interest and fees that have accrued for the account of Credit Suisse, Cayman Islands Branch prior to the Closing Date will be paid to Credit Suisse, Cayman Islands Branch. Credit Suisse, Cayman Islands Branch is executing this Agreement solely for purposes of effecting such assignment, and Credit Suisse, Cayman Islands Branch shall cease to be a Lender hereunder as of the Closing Date.

(i) Exiting Lenders. The Persons executing this Agreement under the heading “Exiting Lender”, in their capacity as an existing Lender under the Existing Credit Agreement (each, an “**Exiting Lender**”), is signing this Agreement for the sole purpose of amending and restating the Existing Credit Agreement and assigning its Commitments (as defined in the Existing Credit Agreement) to the other Lenders party hereto (including any Lender that was not a party to the Existing Credit Agreement). Upon giving effect to this Agreement on the Closing Date, the outstanding Commitments (as defined in the Existing Credit Agreement) of the Exiting Lenders shall be fully assigned at par to the other Lenders party hereto to the extent necessary such that after giving effect thereto, the Commitments shall be held by the Lenders (which, for the

avoidance of doubt, excludes the Exiting Lenders) according to Appendix A; provided that, fees that have accrued for the account of each Exiting Lender prior to the Closing Date will be paid to such Exiting Lender, and each Exiting Lender shall cease to be a Lender under this Agreement as of the Closing Date. The assignments effected by this Section 2.13(i) shall be an assignment for all purposes of this Agreement and be deemed to have been consummated in accordance with Section 9.5.

**2.14 Ratable Sharing.** Lenders hereby agree among themselves that, except as otherwise provided in the Security Documents with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Financing Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, amounts payable in respect of Letters of Credit, fees and other amounts then due and owing to such Lender hereunder or under the other Financing Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided that, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker's lien, consolidation, set off or counterclaim with respect to any and all monies owing by Borrower to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.14 shall not be construed to apply to (i) any payment made by Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

**2.15 Making or Maintaining ~~LIBO Rate~~Term SOFR Loans.**

(a) Inability To Determine Applicable Interest Rate. Subject to Section 2.24 (~~LIBO Rate~~Benchmark Replacement), ~~in the event that~~ Setting, if, on or prior to the first day of any Interest Period for any Term SOFR Loan, Administrative Agent ~~shall have determined~~determines (which determination shall be ~~final and~~conclusive ~~and binding~~).

~~upon all parties hereto), on any Interest Rate Determination Date with respect to any LIBO Rate Loans, that by reason of circumstances affecting the London interbank market absent manifest error) that adequate and fair~~ reasonable means do not exist for ascertaining the interest rate applicable to such Loans on the basis provided for in the definition of Adjusted LIBO Rate (such circumstances, the “**LIBO Rate Circumstances**”); Adjusted Term SOFR or Term SOFR, then the Administrative Agent shall ~~on such date~~ give notice ~~(by e-mail or by telephone confirmed in writing) to Borrower and each Lender of such determination, whereupon (i) no Loans may be made as, or converted to, LIBO Rate Loans until such time as~~ thereof to Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, ~~and; (ix) any Funding Notice or Conversion/Continuation Notice given by Borrower with respect to the Loans in respect of which such determination was made shall be deemed to be rescinded by Borrower.~~ that requests a Term SOFR Loan shall instead be deemed to be a Funding Notice for a Base Rate Loan; and (y) any outstanding Term SOFR Loan shall on and from the end of the applicable Interest Period be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

(b) Illegality or Impracticability of LIBO Rate Term SOFR Loans. Subject to Section 2.24 (~~LIBO Rate~~ Benchmark Replacement Setting), in the event that on any date (i) any Lender shall have reasonably determined that a Change in Law has made the making, maintaining, converting to or continuation of its ~~LIBO Rate~~ Term SOFR Loans unlawful, or that any Governmental Authority has asserted that it is unlawful, or (ii) Administrative Agent is advised by the Requisite Lenders that the Adjusted ~~LIBO Rate~~ Term SOFR for any requested Interest Period with respect to a proposed ~~LIBO Rate~~ Term SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making, maintaining, converting to or continuing such ~~LIBO Rate~~ Term SOFR Loan as a result of contingencies occurring after the Closing Date which materially and adversely affect the ~~London interbank~~ Term SOFR market or the position of the Lenders in that market, then, and in any such event, any Lender requesting compensation under this Section 2.15 shall be an “**Affected Lender**” and such Affected Lender shall on that day give notice (by e-mail or by telephone confirmed in writing) to Borrower and Administrative Agent of such determination (which notice Administrative Agent shall promptly transmit to each other Lender). If Administrative Agent receives a notice from (x) any Lender pursuant to clause (i) of the preceding sentence or (y) a notice from Lenders constituting Requisite Lenders pursuant to clause (ii) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, ~~LIBO Rate~~ Term SOFR Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a ~~LIBO Rate~~ Term SOFR Loan then being requested by Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan, (3) the Lenders’ (or in the case of any notice pursuant to clause (i) of the preceding

sentence, such Lender's) obligations to maintain their respective outstanding ~~LIBO-RateTerm SOFR~~ Loans (the "Affected Loans") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law and (4) the Affected Loans shall automatically convert into Base Rate Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a ~~LIBO-RateTerm SOFR~~ Loan then being requested by Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, Borrower shall have the option, subject to the provisions of Section 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving written (which may be by e-mail) or telephonic notice (promptly confirmed by delivery of written notice thereof) to Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission Administrative Agent shall promptly transmit to each other Lender).

(c) Compensation for Breakage or Non-Commencement of Interest Periods. Borrower shall compensate each Lender, within thirty (30) days of written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to lenders of funds borrowed by it to make or carry its ~~LIBO-RateTerm SOFR~~ Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any ~~LIBO-RateTerm SOFR~~ Loan does not occur on a date specified therefor in a Funding Notice or a telephonic request for borrowing, or a conversion to or continuation of any ~~LIBO-RateTerm SOFR~~ Loan does not occur on a date specified therefor in a Conversion/Continuation Notice or a telephonic request for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its ~~LIBO-RateTerm SOFR~~ Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its ~~LIBO-RateTerm SOFR~~ Loans is not made on any date specified in a notice of prepayment given by Borrower. With respect to any Lender's claim for compensation under this Section 2.15, Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) calendar days prior to the date that such Lender notifies Borrower of the event that gives rise to such claim.

(d) Booking of ~~LIBO-RateTerm SOFR~~ Loans. Any Lender may make, carry or transfer ~~LIBO-RateTerm SOFR~~ Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

~~(e) Assumptions Concerning Funding of LIBO-Rate Loans. Calculation of all amounts payable to a Lender under this Section 2.15 and under Section 2.16 (Increased Costs; Capital Adequacy) shall be made as though such Lender had actually funded each of its relevant LIBO-Rate Loans through the purchase of a Eurodollar~~

~~deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of Adjusted LIBO Rate in an amount equal to the amount of such LIBO Rate Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided that each Lender may fund each of its LIBO Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.15 and under Section 2.16 (Increased Costs; Capital Adequacy).~~

## **2.16 Increased Costs; Capital Adequacy.**

(a) Compensation for Increased Costs and Taxes. Subject to the provisions of Section 2.17 (Taxes; Withholding, Etc.) (which shall be controlling with respect to the matters covered thereby), in the event that any Lender (which term shall include each Agent and Issuing Bank for purposes of this Section 2.16(a)) shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any Change in Law has occurred that: (i) subjects such Lender (or its applicable lending office or Affiliate) or any company controlling such Lender to any additional Tax (other than any Indemnified Taxes, Other Taxes covered by Section 2.17 (Taxes; Withholding, Etc.) or Excluded Taxes) with respect to this Agreement or any of the other Financing Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to LIBO RateTerm SOFR Loans that are reflected in the definition of Adjusted LIBO RateTerm SOFR) or any company controlling such Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or any company controlling such Lender or such Lender's obligations hereunder ~~or the London interbank market~~; and the result of any of the foregoing is to increase the cost or decrease the yield to such Lender of agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) hereunder or to increase the cost to such Lender of issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit); then, in any such case, Borrower shall pay to such Lender, within thirty (30) days following receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in yield or amounts received or receivable hereunder. Such Lender shall deliver to Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for

calculating the additional amounts owed to such Lender under this Section 2.16(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error. Notwithstanding any of the foregoing, a Lender shall be entitled to request compensation for increased costs or expenses described in this Section 2.16(a) only to the extent it is the general practice or policy of such Lender to request such compensation from other borrowers under comparable facilities under similar circumstances.

(b) Capital Adequacy Adjustment. In the event that any Lender (which term shall include each Issuing Bank for purposes of this Section 2.16(b)) shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (A) the introduction, adoption, effectiveness, phase in or applicability of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or (B) compliance by any Lender (or its applicable lending office) or any company controlling such Lender with any guideline, request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, in each case after the Closing Date, has or would have the effect of reducing the rate of return on the capital of such Lender or any company controlling such Lender as a consequence of, or with reference to, such Lender's Loans, Commitments or Letters of Credit or participations therein or other obligations hereunder with respect to the Loans or Letters of Credit to a level below that which such Lender or such controlling company could have achieved but for such introduction, adoption, effectiveness, phase in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling company with regard to capital adequacy), then from time to time, within five (5) Business Days after receipt by Borrower from such Lender of the statement referred to in the next sentence, Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling company on an after-tax basis for such reduction. Such Lender shall deliver to Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.16(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error. Notwithstanding any other provision herein, no Lender or Issuing Bank shall demand compensation pursuant to Section 2.16(a) or 2.16(b) if it shall not at the time be the general policy or practice of such Lender or Issuing Bank to demand such compensation from similarly situated borrowers.

(c) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.16 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section 2.16 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or Issuing Bank's

intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

## **2.17 Taxes; Withholding, Etc.**

(a) Payments To Be Free and Clear. All sums payable by or on behalf of Borrower hereunder and under the other Financing Documents shall be paid free and clear of, and without any deduction or withholding on account of, any Tax, except to the extent required by law.

(b) Withholding of Taxes. If any applicable law (as determined in the good-faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall (i) be entitled to make such deduction or withholding; (ii) pay, or cause to be paid, the full amount deducted or withheld to the appropriate Governmental Authority before the date on which penalties attach thereto; and (iii) if the Tax is an Indemnified Tax, and unless otherwise provided in this Section 2.17, then the sum payable by Borrower in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of the deduction, withholding or payment for Indemnified Taxes (including such deductions and withholdings applicable to additional sums payable under this Section 2.17(b)), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction, withholding or payment for Indemnified Taxes been made.

(c) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Financing Document shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower or Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.17(c)(ii)(A), 2.17(c)(ii)(B), and 2.17(c)(ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), whichever of the following is applicable:

(1) in the case of a Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Financing Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Financing Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a “10 percent shareholder” of Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(4) to the extent a Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner;

(C) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of

copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or Administrative Agent to determine the withholding or deduction required to be made; and

(D) If a payment made to a Lender under any Financing Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by Borrower or Administrative Agent as may be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(c), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered under this Section 2.17(c) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and Administrative Agent in writing of its legal inability to do so.

(d) Payment of Other Taxes. Without limiting the provisions of Section 2.17(b) (*Withholding of Taxes*), Borrower shall timely pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law, or at the option of Administrative Agent timely reimburse it for the payment of any Other Taxes. Borrower shall deliver to Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to Administrative Agent in respect of any Other Taxes payable hereunder promptly after payment of such Other Taxes.

(e) Evidence of Payments. Within thirty (30) days after any payment of Taxes by Borrower to a Governmental Authority pursuant to this Section 2.17, Borrower shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent.

(f) Indemnification by Borrower. Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of Indemnified Taxes (including any such Indemnified Taxes imposed or asserted on or attributable to amounts

payable under this Section 2.17) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund, from the Governmental Authority imposing the Tax, of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17(g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) For purposes of this Section 2.17, the term “Lender” shall include any Issuing Bank, and applicable laws include FATCA.

(i) Survival. Each party’s obligations under this Section 2.17 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Financing Document.

**2.18 Obligation To Mitigate**. Each Lender (which term shall include each Issuing Bank for purposes of this Section 2.18) agrees that, as promptly as practicable after the officer of such Lender that is directly or indirectly responsible for administering its Loans or Letters of Credit, as the case may be, becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such

Lender to receive payments under Sections 2.15 (*Making or Maintaining ~~LIBO-Rate~~Term SOFR Loans*), 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*), it will (at the request of Borrower), to the extent not inconsistent with any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Sections 2.15 (*Making or Maintaining ~~LIBO-Rate~~Term SOFR Loans*), 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*) would be eliminated or materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of Commitments, Loans or Letters of Credit through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect the Commitments, Loans or Letters of Credit or the interests of such Lender; provided that such Lender will not be obligated to utilize such other office pursuant to this Section 2.18 unless Borrower agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by Borrower pursuant to this Section 2.18 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to Borrower (with a copy to Administrative Agent) shall be conclusive absent manifest error.

### **2.19 Defaulting Lenders.**

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 7 (Events of Default) or otherwise) or received by Administrative Agent from a Defaulting Lender pursuant to Section 9.4 (Set Off) shall be applied at such time or times as may be determined by Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; *third*, as Borrower may request (so long as no Default or Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; *fourth*, if so determined by Administrative Agent and Borrower, to be held in a Deposit Account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders or any Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender or such Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, so long as no Default or Event of Default shall have occurred and be continuing, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees. No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.9(a) (Fees) for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(iii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations shall be reallocated among the Lenders that are not Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the principal amount of all outstanding Loans and L/C Obligations of any Lender that is not a Defaulting Lender to exceed such Lender's Commitment. Subject to Section 2.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Lender that is not a Defaulting Lender as a result of such Lender's increased exposure following such reallocation.

(b) Defaulting Lender Cure. If Borrower and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and

subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the applicable Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided further, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

**2.20 Removal or Replacement of a Lender.** Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an “**Increased Cost Lender**”) shall give notice to Borrower that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.15 (*Making or Maintaining LIBO-Rate Term SOFR Loans*), 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*), and (ii) such Lender shall fail to withdraw such notice within five (5) Business Days after Borrower’s request for such withdrawal; (b) (i) any Lender shall become a Defaulting Lender and continues to be a Defaulting Lender, and (ii) such Defaulting Lender shall fail to cure the default pursuant to Section 2.19(b) (*Defaulting Lender Cure*) within five (5) Business Days after Borrower’s request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 9.5(b) (*Affected Lenders’ Consent*), the consent of the Requisite Lenders shall have been obtained but the consent of one or more of such other Lenders (each a “**Non-Consenting Lender**”) whose consent is required shall not have been obtained; then, with respect to each such Increased Cost Lender, Defaulting Lender or Non-Consenting Lender (the “**Terminated Lender**”), Borrower may, by giving written notice to Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and its Commitments, if any, in full to one or more Eligible Assignees (each a “**Replacement Lender**”) in accordance with the provisions of Section 9.6 (*Successors and Assigns; Participations*) and Borrower shall pay the fees, if any, payable thereunder and any other expenses incurred by Borrower or the Secured Parties in connection with any such assignment from an Increased Cost Lender, a Non-Consenting Lender or a Defaulting Lender; provided that (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender, (B) an amount equal to all unreimbursed drawings that have been funded by such Terminated Lender, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.9 (*Fees*) (but, in the case of any Defaulting Lender, subject to Section 2.19(a)(ii) (*Certain Fees*)); (2) on the date of such assignment, Borrower shall pay any amounts payable to such Terminated Lender pursuant to Section 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*), 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*) or otherwise, as if it were a prepayment (without

regard to any *pro rata* payment obligation in respect of any other Loans); (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender; and (4) in the case of any such assignment resulting from a claim for payment under Section 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*), or payments required to be made pursuant to Section 2.17 (*Taxes; Withholding, Etc.*), such assignment will result in a reduction of such payments; provided that Borrower may not make such election with respect to any Terminated Lender that is also an Issuing Bank, unless, prior to the effectiveness of such election, Borrower shall have caused the outstanding Letters of Credit issued thereby to be cancelled. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's Commitments, if any, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided further that any rights of a Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. Each Lender agrees that if Borrower exercises its option hereunder to cause an assignment by such Lender as a Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 9.6 (*Successors and Assigns; Participations*). In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one (1) Business Day after receipt of such notice, each Lender hereby authorizes and directs Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 9.6 (*Successors and Assigns; Participations*) on behalf of a Terminated Lender and any such documentation so executed by Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 9.6 (*Successors and Assigns; Participations*).

### **2.21 Increased Commitments.**

Borrower shall have the right, at any time after the Closing Date and from time to time prior to the date that is thirty (30) days prior to the Commitment Termination Date, to increase the aggregate Commitments hereunder up to a maximum aggregate amount equal to the greater of (A) \$2,000,000,000 and (B) 5.0% of Consolidated Net Tangible Assets (measured as of the last day of the most recent fiscal period for which internal consolidated financial statements of Borrower and its Subsidiaries are available), by causing one or more Additional Commitment Lenders (which may include any existing Lender, provided that no existing Lender shall be obligated to increase its Commitment) to provide a (or, in the case of an existing Lender, to increase its) Commitment (each such increase, a "**Commitment Increase**"), provided that (i) no Lender shall have any obligation hereunder to become an Additional Commitment Lender and any election to do so shall be in the sole discretion of each Lender and (ii) each Additional Commitment Lender shall have entered into an agreement in form and substance reasonably satisfactory to Borrower and Administrative Agent pursuant to which such Additional Commitment Lender shall provide a Commitment (or, if such Additional Commitment Lender is an existing Lender, pursuant to which its Commitment shall be increased). Notwithstanding the foregoing, no Commitment Increase pursuant to this Section 2.21 shall be effective unless:

(a) Borrower shall have given Administrative Agent notice of any such increase at least five (5) Business Days prior to the relevant effective date of such Commitment Increase;

(b) no Default or Event of Default shall have occurred and be continuing on such effective date; and

(c) each of the representations and warranties of Borrower in the Financing Documents is true and correct in all material respects on and as of such date (or, if stated to have been made solely as of an earlier date, as of such earlier date), except for those representations and warranties that are qualified by materiality, which shall be true and correct in all respects (after giving effect to any qualification therein) on and as of such date (or, if stated to have been made solely as of an earlier date, as of such earlier date).

Each notice under clause (a) above shall be deemed to constitute a representation and warranty by Borrower as to the matters specified in clauses (b) and (c) above. On the effective date of each Commitment Increase, Administrative Agent may, in consultation with Borrower, take any and all actions as may be reasonably necessary to ensure that, after giving effect to such Additional Commitment Lender's Commitment Increase, the percentage of the aggregate Loans held by each Lender (including each such Additional Commitment Lender) will equal the percentage of the aggregate Commitments of all Lenders represented by such Lender's Commitment (which may be accomplished, at the discretion of Administrative Agent following consultation with Borrower, (x) by requiring the outstanding Loans to be prepaid with the proceeds of a new Loan, (y) by causing non-increasing Lenders to assign portions of their outstanding Loans to Additional Commitment Lenders or (z) by a combination of the foregoing).

**2.22 Currency Matters.** All Obligations of Borrower under the Financing Documents shall be payable in Dollars. All calculations, comparisons, measurements or determinations under the Financing Documents shall be made in Dollars.

**2.23 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.** Notwithstanding anything to the contrary in any Financing Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Financing Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Financing Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

**2.24 LIBO Rate Benchmark Replacement Setting.** Notwithstanding anything to the contrary herein or in any other Financing Document:

~~(a) **Replacing LIBO Rate Benchmark Replacement.** On March 5, 2021 the Financial Conduct Authority (“FCA”), the regulatory supervisor of LIBO Rate’s administrator (“IBA”), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-month, 3-month, 6-month and 12-month LIBO Rate tenor settings. On the earlier of (i) the date that all Available Tenors of LIBO Rate have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (ii) the Early Opt-in Effective Date, if the then-current Benchmark is LIBO Rate, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Financing Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Financing Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.~~

~~(b) **Replacing Future Benchmarks.** Upon the occurrence of If a Benchmark Transition Event, ~~the~~ and its related Benchmark Replacement ~~will~~ Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the Administrative Agent and Borrower may amend this Agreement to replace the then-current Benchmark ~~for all purposes hereunder and under any Financing Document in respect of any~~ with a Benchmark setting at or after Replacement. Any such amendment will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders (without any amendment to, or further action or consent of any other party to, this Agreement or any other Financing Document), so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Requisite Lenders. At any time that the administrator of the then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative of the underlying market and economic reality that such Benchmark is intended to measure and that representativeness will not be restored, Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be~~

~~made, converted or continued that would bear interest by reference to such Benchmark until Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans. During the period referenced in the foregoing sentence, the component of Base Rate based upon the Benchmark will not be used in any determination of Base Rate.~~

(b) ~~(e)~~ Benchmark Replacement Conforming Changes. In connection with the ~~implementation and use~~, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right, in consultation with the Borrower, to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Financing Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Financing Document.

(c) ~~(d)~~ Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement ~~and~~, ~~(iii)~~ the effectiveness of any Benchmark Replacement Conforming Changes, and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.242.24, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party ~~hereto~~ to this Agreement or any other Financing Document or any notification by the Administrative Agent, except, ~~in each case~~, as expressly required pursuant to this Section 2.242.24.

~~(e)~~ Unavailability of Tenor of Benchmark. At any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR or LIBO Rate ~~Reference Rate~~) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may ~~remove any tenor of such Benchmark that is~~ modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative ~~for Benchmark (including Benchmark Replacement) settings and (ii) tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a~~

Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate ~~any~~ such previously removed tenor ~~for Benchmark (including Benchmark Replacement) settings.~~

(d) **Benchmark Unavailability Period.** Upon Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any Funding Notice for a Term SOFR Loan to be made, and any request for a conversion of a Base Rate Loan to a Term SOFR Loan and, failing that, Borrower will be deemed to have converted any Funding Notice for a Term SOFR Loan into a request for a Base Rate Loan and to have revoked any request for a conversion of a Base Rate Loan into a Term SOFR Loan. Furthermore, if any Term SOFR Loan is outstanding on the date of Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.24, such Term SOFR Loan shall, on the last day of the then-current Interest Period for such Term SOFR Loan, be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

## **2.25 Amend and Extend.**

(a) Borrower may at any time and from time to time request that all or a portion of the Commitments (each, an "**Existing Commitment**") be converted to extend the scheduled maturity date of any payment of principal with respect to all or a portion of any principal amount of such Commitments (any Commitments which have been so converted, "**Extended Commitments**") and to provide for other terms consistent with this Section 2.25. In order to establish any Extended Commitments, Borrower shall provide a notice to Administrative Agent (who shall provide a copy of such notice to each of the Lenders, which such request shall be offered equally to all Lenders) (an "**Extension Request**") setting forth the date on which Borrower proposes that the Extended Commitments shall be effective, which shall be a date not less than thirty (30) days after the date on which such notice is delivered to the Administrative Agent, and the proposed terms of the Extended Commitments to be established, which terms shall be identical in all material respects to the Existing Commitments; provided, however, that (i) the scheduled Final Maturity Date shall be extended for such Extended Commitments, (ii) (A) the interest margins and commitment fees with respect to the Extended Commitments may be higher or lower than the interest margins and commitment fees for the Existing Commitments and/or (B) additional fees and premiums may be payable to the Lenders providing such Extended Commitments in addition to or in lieu of any increased margins or commitment fees contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) all borrowings and all repayments of outstanding loans (including permanent repayments) under the Extended Commitments shall be made on a pro rata basis or less than pro rata basis with all other Commitments, and (iv) the Extension Amendment may provide for such other terms and

conditions (in addition to those provided in the foregoing clauses (i) through (iii)) with respect to the Extended Commitments that either, at the option of Borrower, (x) reflect market terms and conditions (taken as a whole) at the time of such Extension Amendment (as determined by Borrower in good faith), (y) if otherwise not consistent with the Existing Commitments subject to such Extension Request, are not materially more restrictive to Borrower (as determined by Borrower in good faith), when taken as a whole, than the terms of such Existing Commitments subject to such Extension Request, except, in each case under this clause (y), with respect to covenants and other terms applicable solely to any period after the Final Maturity Date of the Existing Commitments in effect immediately prior to such Extension Request or (z) such terms shall be reasonably satisfactory to Administrative Agent (*provided* that, at Borrower's election, to the extent any term or provision is added for the benefit of the lenders of Extended Commitments, no consent shall be required from Administrative Agent or the Lenders to the extent that such term or provision is also added, or the features of such term or provision are provided, for the benefit of the Lenders providing the Existing Commitments (and, for the avoidance of doubt, such term shall be deemed reasonably satisfactory to Administrative Agent)). No Lender shall have any obligation to agree to have any of its Commitments converted into Extended Commitments pursuant to any Extension Request; provided that Borrower shall be entitled to exercise its right to remove any Lender who does not agree to such conversion as a Non-Consenting Lender pursuant to Section 2.20 (*Removal or Replacement of a Lender*).

(b) Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Commitments subject to such Extension Request converted into Extended Commitments shall notify Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Commitments subject to such Extension Request that it has elected to convert into Extended Commitments. In the event that the aggregate amount of Commitments subject to Extension Elections exceeds the amount of Extended Commitments requested pursuant to the Extension Request, Commitments subject to Extension Elections shall be converted to Extended Commitments on a pro rata basis based on the amount of Commitments included in such Extension Election.

(c) Extended Commitments shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement (which, except to the extent expressly contemplated by Section 2.25(e) and notwithstanding anything to the contrary set forth in Section 9.5 (*Amendments and Waivers*), shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Commitments) executed by Borrower, Administrative Agent and the Extending Lenders. In addition to any terms and changes required or permitted by this Section 2.25 each Extension Amendment may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity of new Commitments obtained following the date of such Extension Amendment.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any existing Commitments are converted to extend the related scheduled maturity date(s) in accordance with this Section 2.25, in the case of the existing Commitments of each Extending Lender, the aggregate principal amount of such existing Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Commitments so converted by such Lender on such date, and the Extended Commitments shall be established as a separate class of Commitments (together with any other Extended Commitments so established on such date).

(e) Administrative Agent and the Lenders hereby (i) consent to the consummation of the transactions contemplated by this Section 2.25 (including, for the avoidance of doubt, payment of any principal, interest, fees, or premium in respect of any Extended Commitments on such terms as may be set forth in the relevant Extension Amendment) and (ii) hereby waive any requirement to obtain the consent of the Requisite Lenders for any Extension Amendment that is effectuated pursuant to Section 2.25(c).

(f) No conversion of Commitments pursuant to any Extension Amendment in accordance with this Section 2.25 shall (i) constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement or (ii) be made if an Event of Default has occurred and is continuing.

(g) At least three (3) Business Days prior to the effectiveness of the Extension Amendment, Borrower shall deliver to Administrative Agent a certificate of an Authorized Officer that identifies each Lender and the amount of its Existing Commitments and Extended Commitments (after giving effect to the applicable Extension Amendment), the maturity date of each Extending Lender's Extended Commitments, and attaches a copy of the proposed Extension Amendment.

**2.26 Acknowledgement Regarding Any Supported QFCs.** To the extent that the Financing Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Financing Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit

Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Financing Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Financing Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 2.26, the following terms have the following meanings:

(i) “**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) “**Covered Entity**” means any of the following:

(A) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §252.82(b);

(B) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §47.3(b); or

(C) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §382.2(b).

(iii) “**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) “**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

### SECTION 3. CONDITIONS PRECEDENT

**3.1 Closing Date.** The occurrence of the Closing Date is subject to the satisfaction or waiver of the conditions precedent set forth in this Section 3.1, in each case to the satisfaction of Administrative Agent and each Lender (such satisfaction to be deemed upon each Lender's delivery of a signature page to this Agreement to the Administrative Agent), unless, in each case, waived by Administrative Agent and each Lender:

(a) Financing Documents. Administrative Agent shall have received true, correct and complete copies of the following documents, each of which shall have been duly authorized, executed and delivered by the parties thereto:

(c) Historical Financial Statements. Administrative Agent shall have received the Historical Financial Statements.

(d) Opinion from Counsel. Administrative Agent shall have received the legal opinion of Sullivan & Cromwell LLP, as counsel to Borrower, in form and substance reasonably satisfactory to Administrative Agent.

(f) Involuntary Bankruptcy; Appointment of Receiver, Etc. (i) A court of competent jurisdiction shall enter a decree or order for relief in respect of Borrower in an involuntary case or proceeding under any Debtor Relief Laws, or any receiver, sequestrator, trustee, conservator, liquidator or other custodian or other officer having similar powers over Borrower or over all or a substantial part of its property shall be appointed, or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of Borrower and any such event described in this clause (i) shall remain undismissed or unstayed for sixty (60) days; or (ii) a case or proceeding shall be commenced against Borrower without the consent or acquiescence of such party seeking relief under any Debtor Relief Laws or seeking the appointment of a receiver, sequestrator, trustee, conservator, liquidator or other custodian or other officer having similar powers over Borrower or over all or a substantial part of its property, and any such event described in this clause (ii) shall continue for sixty (60) days without having been dismissed, bonded or discharged; or (iii) any analogous step or procedure is taken under the laws of any jurisdiction in respect of Borrower; or

(g) Voluntary Bankruptcy; Appointment of Receiver, Etc. (i) Borrower shall have an order for relief entered with respect to it or shall commence a voluntary case or proceeding under any Debtor Relief Laws, or shall consent to the entry of an order for relief in an involuntary case or proceeding, or to the conversion of an involuntary case to a voluntary case or proceeding, under any such law, or shall seek or consent to or acquiesce in the appointment of or taking possession by a receiver, trustee, conservator, liquidator or other custodian for all or a substantial part of its property; or Borrower shall make any assignment for the benefit of creditors or take any other similar action for the protection or benefit of creditors; or (ii) Borrower shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or (iii) the board of directors (or similar governing body) of Borrower (or any committee thereof) shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to herein or in Section 7.1(f) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*); or (iv) any analogous step or procedure is taken under the laws of any jurisdiction in respect of Borrower; or

(j) Change of Control. A Change of Control shall occur; or

(k) Security Documents and other Financing Documents. At any time after the execution and delivery thereof, (i) this Agreement or any Security Document ceases to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the Discharge of Obligations in accordance with the terms hereof) or shall be declared null and void, or Collateral Agent shall not have or shall cease to have a valid and perfected Lien on the Collateral purported to be covered by the Security Documents with the priority required by the relevant Security Document (except to the extent that any such loss of perfection or priority results from the failure of the Collateral Agent to (x) maintain control of Collateral or possession of Collateral actually delivered to it and pledged under the Security Documents, (y) file UCC amendments relating to Borrower's change of name or jurisdiction of formation (solely to the extent that Borrower provides the Collateral Agent with notice thereof) or continuation statements or (z) take any other action contemplated to be taken by it under the Financing Documents within the Collateral Agent's control); provided, in each case, that such event results in the invalidation of any Lien in a material portion of the

## SECTION 8. AGENTS

**8.1 Appointment of Agent.** Société Générale is hereby appointed Administrative Agent hereunder and under the other Financing Documents and each Lender and Issuing Bank hereby authorizes Société Générale to act as Administrative Agent in accordance with the terms hereof and the other Financing Documents, and Société Générale hereby accepts such appointment. Administrative Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Financing Documents, as applicable. The provisions of this Section 8 are solely for the benefit of the Agents and Lenders and Borrower shall have no

rights as a third-party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries. Notwithstanding anything to the contrary herein, none of the Arrangers, in their capacity as such, shall have any duties, responsibilities or obligations under this Agreement or any other Financing Document nor any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Arrangers, in such capacity, but each Arranger, in such capacity, shall be entitled to all benefits of this Section 8. Each of the Arrangers and any Agent described in clause (d) of the definition thereof appointed to serve in a similar capacity may resign from such role at any time, with immediate effect, by giving prior written notice thereof to Administrative Agent and Borrower.

**8.2 Powers and Duties.** Each Lender irrevocably authorizes each Agent (a) to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Financing Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto and (b) to enter into any and all of the Security Documents together with such other documents as shall be necessary to give effect to the Collateral contemplated by the Security Documents, on its behalf. For the avoidance of doubt, each Lender and Issuing Bank agrees to be bound by the terms of the Intercreditor Agreement to the same extent as if it were a party thereto. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Financing Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Financing Documents, a fiduciary relationship in respect of any Lender or any other Person; and nothing herein or any of the other Financing Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Financing Documents except as expressly set forth herein or therein.

**8.3 General Immunity.**

(a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Financing Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of Borrower to any Agent or any Lender in connection with the Financing Documents and the transactions contemplated thereby or for the financial condition or business affairs of Borrower or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Financing Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to

make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or L/C Obligations or the component amounts thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Financing Documents except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Financing Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 9.5 (Amendments and Waivers)) or, in the case of Collateral Agent, in accordance with the applicable Security Documents or Intercreditor Agreement, and upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be) or in the case of Collateral Agent, in accordance with the applicable Security Documents or Intercreditor Agreement, such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions, including for the avoidance of doubt refraining from any action that, in its opinion or the opinion of its counsel, may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Financing Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 9.5 (Amendments and Waivers)). Without limiting the generality of the foregoing, no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Financing Document or applicable law; and no Agent shall, except as expressly set forth herein and in the other Financing Documents, have any duty to disclose, and no Agent shall be liable for the failure to disclose, any information relating to Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as such Agent or any of its Affiliates in any capacity. Each Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by Borrower or a Lender.

(c) Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Financing Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 8.3 and of Section 8.6 (Right to Indemnity) shall apply to any Affiliates of Administrative Agent or Collateral Agent (as applicable) and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent (as applicable).

**8.4 Agents Entitled to Act as Lender.** The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans and the Letters of Credit, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term “Lender” shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with any of Borrower’s Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from Borrower for services in connection herewith and otherwise without having to account for the same to Lenders.

**8.5 Lenders’ Representations, Warranties and Acknowledgment.**

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Borrower in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Borrower. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender or Issuing Bank, as applicable, by delivering its signature page to this Agreement or an Assignment Agreement and funding a Loan or issuing a Letter of Credit hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Financing Document and each other document required to be approved by any Agent, Requisite Lenders, Issuing Banks or Lenders, as applicable on such Credit Date.

(c) Notwithstanding anything herein to the contrary, each Lender acknowledges that the Lien and security interest granted to Collateral Agent pursuant to

the Pledge and Security Agreement and each other applicable Security Document and the exercise of any right or remedy by Collateral Agent thereunder are subject to the provisions of the Intercreditor Agreement and that in the event of any conflict between the terms of the Intercreditor Agreement and such other Security Document, the terms of the Intercreditor Agreement shall govern and control.

**8.6 Right to Indemnity.** Each Lender or Issuing Bank, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent, to the extent that such Agent shall not have been reimbursed by Borrower, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Financing Documents or Letters of Credit or otherwise in its capacity as such Agent in any way relating to or arising out of this Agreement or the other Financing Documents or Letters of Credit; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided that in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further that, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

**8.7 Successor Administrative Agent.**

(a) Administrative Agent may resign from the performance of all its functions and duties hereunder and under the other Financing Documents at any time by giving thirty (30) days' written notice to Borrower and the Lenders. Administrative Agent may be removed at any time (i) by the Requisite Lenders (x) for such Person's gross negligence or willful misconduct or (y) if such Person is a Defaulting Lender pursuant to clause (d) of the definition thereof, to the extent permitted by applicable Government Rule or (ii) by Borrower, with the consent of the Requisite Lenders, for such Person's gross negligence or willful misconduct. In the event Société Générale is no longer Administrative Agent, any successor Administrative Agent may be removed at any time with cause by the Requisite Lenders. Any such resignation or removal shall take effect upon the appointment of a successor Administrative Agent, in accordance with this Section 8.7.

(b) Upon any notice of resignation by Administrative Agent or upon the removal of Administrative Agent by the Requisite Lenders, or by Borrower with the

approval of the Requisite Lenders pursuant to Section 8.7(a), the Requisite Lenders shall appoint a successor Administrative Agent, hereunder and under each other Financing Document to which Administrative Agent is a party, which successor Administrative Agent shall be a commercial bank having a combined capital and surplus of at least one billion Dollars (\$1,000,000,000); provided that, if no Default or Event of Default shall then be continuing, appointment of a successor Administrative Agent shall also be acceptable to Borrower (such acceptance not to be unreasonably withheld, conditioned or delayed). The fees payable by Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor.

(c) If no successor Administrative Agent has been appointed by the Requisite Lenders within thirty (30) days after the date a notice of resignation was given by the resigning Administrative Agent, or the Requisite Lenders elected to remove such Person, any Secured Party may petition any court of competent jurisdiction for the appointment of a successor Administrative Agent. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor Administrative Agent, who shall serve as Administrative Agent hereunder and under each other Financing Document to which it is a party until such time, if any, as the Requisite Lenders appoint a successor Administrative Agent, as provided above.

(d) Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent, and the retiring (or removed) Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Financing Documents. After the retirement or removal of Administrative Agent hereunder and under the other Financing Documents, the provisions of this Section 8 and Section 9.3 (Indemnity) shall continue in effect for the benefit of such retiring (or removed) Person, its sub-agents and their respective Agent Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Person was acting in its capacity as Administrative Agent.

## **8.8 Security Documents.**

(a) Agents under Security Documents. Each Secured Party hereby further authorizes Administrative Agent to (or to authorize Collateral Agent to, as applicable), on behalf of and for the benefit of the Secured Parties, (i) be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents, to enter into the Security Documents on behalf of the Secured Parties, and to take such actions on its behalf and to exercise such powers as are delegated to Administrative Agent and to Collateral Agent, respectively, by the terms of this Agreement, the Collateral Agency Appointment Agreement and the other Security Documents, together with such powers and discretion as are reasonably incidental thereto, (ii) enter into the Intercreditor Agreement and (iii) acknowledge its consent, as may be necessary under each applicable

jurisdiction, to the granting of the first-priority Lien (subject to Permitted Liens) pursuant to each of the Security Documents.

(b) Right to Realize on Collateral. Anything contained in any of the Financing Documents to the contrary notwithstanding, Borrower, and subject at all times to the provisions of the Intercreditor Agreement, Administrative Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Financing Documents may be exercised solely by Administrative Agent or Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Security Documents may be exercised solely by Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof; provided that, notwithstanding the foregoing, (A) in any proceeding under Debtor Relief Laws, any Secured Party may file a proof of claim or statement of interest with respect to the Obligations owed to the Secured Parties; (B) any Secured Party may take any action to preserve or protect the validity and enforceability of the Liens granted in favor of Secured Parties, provided that no such action is, or could reasonably be expected to be, (x) adverse, in any material respect, to the Liens granted in favor of the Secured Parties or the rights of Collateral Agent, Administrative Agent or any other Secured Parties to exercise remedies in respect thereof or (y) otherwise inconsistent with the terms of this Agreement and the Security Documents and (C) any Secured Party may file any responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of such Secured Party, including any claims secured by the Collateral, in each case, to the extent not inconsistent with the terms of this Agreement and the Security Documents; (ii) subject at all times to the provisions of the Intercreditor Agreement, Administrative Agent shall be entitled to instruct Collateral Agent to and Collateral Agent (at the instruction of Administrative Agent) shall be entitled, for the benefit of the Secured Parties, to sell, transfer or otherwise dispose of or deal with any Collateral as provided in this Agreement and in the Security Documents and (iii) in the event of a foreclosure or similar enforcement action by Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), Collateral Agent (or any Lender, except with respect to a “credit bid” pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code,) may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities) shall be entitled, upon instructions from Administrative Agent at the instruction of the Requisite Lenders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or disposition, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale or other disposition.

(c) Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of Collateral Agent's Lien thereon, or any certificate prepared by or on behalf of Borrower in connection therewith, nor shall Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

**8.9 Withholding Taxes.** To the extent required by any applicable law, Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify Administrative Agent fully for all amounts paid, directly or indirectly, by Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Financing Document or otherwise payable by Administrative Agent to the Lender from any other source against any amount due to Administrative Agent under this Section 8.9.

**8.10 Administrative Agent May File Bankruptcy Disclosure and Proofs of Claim.** In case of the pendency of any proceeding under any Debtor Relief Laws relative to Borrower, Administrative Agent (irrespective of whether the principal of any Loan or Obligation under a Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Issuing Banks and Administrative Agent, including any claim for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its respective agents and counsel and all other amounts due

Administrative Agent under Sections 2.2 (Letters of Credit), 2.9 (Fees), 9.2 (Expenses) and 9.3 (Indemnity) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders and Issuing Banks to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 2.2 (Letters of Credit), 2.9 (Fees), 9.2 (Expenses) and 9.3 (Indemnity). To the extent that the payment of any such compensation, expenses, disbursements and advances of Administrative Agent, its agents and counsel, and any other amounts due Administrative Agent under Sections 2.2 (Letters of Credit), 2.9 (Fees), 9.2 (Expenses) and 9.3 (Indemnity) hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders or Issuing Banks may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

**8.11 Intercreditor Agreement.** Each Lender and Issuing Bank hereby authorizes the Administrative Agent and the Collateral Agent to enter into the Intercreditor Agreement and any arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender or Issuing Bank and such Intercreditor Agreement shall be binding upon the Lenders and the Issuing Banks.

**8.12 Erroneous Payments.**

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a “**Payment Recipient**”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or

repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and (y) demands in writing the return of such Erroneous Payment (or a portion thereof) (provided, that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within 5 Business Days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 8.11 and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank, Secured Party or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within two Business Days of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.12(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.12(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.12(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Financing Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party under any Financing Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d)

(i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) with respect to which such Erroneous Payment was made (the "**Erroneous Payment Impacted Class**") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "**Erroneous Payment Deficiency Assignment**") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to the Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment

Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 9.6 (but excluding, in all events, any assignment consent or approval requirements (whether from Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Financing Documents with respect to such amount (the “**Erroneous Payment Subrogation Rights**”) (*provided* that Borrower’s Obligations under the Financing Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by Borrower; *provided* that this Section 8.12(e) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; *provided, further*, that for the

avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 8.12 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Financing Document.

### **8.13 Certain ERISA Matters.**

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of Borrower, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Employee Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the

Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84- 14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of Borrower, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Financing Document or any documents related hereto or thereto).

## SECTION 9. MISCELLANEOUS.

### 9.1 Notices.

(a) Notices Generally. Any notice or other communication herein required or permitted to be given to Borrower, Collateral Agent, Administrative Agent or each Issuing Bank, shall be sent to such Person's address as set forth on Appendix B or in the other relevant Financing Document, and in the case of any Lender, the address as indicated on Appendix B or otherwise indicated to Administrative Agent in writing. Except as otherwise set forth in Section 3.3 (Notices) or Section 9.1(b) (Electronic Communications), each notice hereunder shall be in writing and may be personally served or sent by facsimile (except for any notices sent to Administrative Agent) or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile, or three (3) Business Days after depositing it in the United States mail with postage prepaid and properly addressed; provided that no notice to any Agent shall be effective until received by such Agent; provided further that, any such notice or other communication shall at the request of Administrative Agent be provided to any sub-agent appointed pursuant to Section 8.3(c) (Delegation of Duties) hereto as designated by Administrative Agent from time to time.

(b) Electronic Communications.

(i) Notices and other communications to any Agent, Lenders and each Issuing Bank hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites, including the Platform) pursuant to procedures approved by Administrative Agent, provided that the foregoing shall not apply to notices to any Agent, any Lender or any Issuing Bank pursuant to Section 2 (*Loans and Letters of Credit*) if such Person has notified Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. Administrative Agent or Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(ii) Borrower understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(iii) The Platform and any Approved Electronic Communications are provided "as is" and "as available". None of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives (the "**Agent Affiliates**") warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects is made by the Agent Affiliates in connection with the Platform or the Approved Electronic Communications.

(iv) Borrower, each Lender, each Issuing Bank and each Agent agrees that Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with Administrative Agent's customary document retention procedures and policies.

(i) Administrative Agent shall give prompt notice to each Lender and Issuing Bank of receipt of each notice or request required or permitted to be given to Administrative Agent by Borrower pursuant to the terms of this Agreement or any other

Financing Document (unless also concurrently delivered to all Lenders and Issuing Banks by Borrower).

(ii) Any notice of Default or Event of Default may be provided by telephone if confirmed promptly thereafter by delivery of written notice thereof.

(c) **Private Side Information Contacts.** Each Public Lender agrees to cause at least one (1) individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the “Public Side Information” portion of the Platform and that may contain Non-Public Information with respect to Borrower, its Affiliates or their respective Securities for purposes of United States federal or state securities laws. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither Borrower nor Administrative Agent has any responsibility for such Public Lender’s decision to limit the scope of the information it has obtained in connection with this Agreement and the other Financing Documents.

**9.2 Expenses.** Borrower agrees to pay promptly (a) all actual, reasonable and documented fees and expenses of advisors to the Agents (in the case of legal fees and expenses, limited to the legal fees, expenses and disbursements of Skadden, Arps, Slate, Meagher & Flom LLP and one local counsel to Agents in each jurisdiction in which security over property of Borrower has or will be granted in connection with the Financing Documents; provided that in the event of an actual or potential conflict of interest, the affected Agents shall be entitled to reimbursement of the actual, reasonable and documented fees, expenses and disbursements of one additional counsel) in connection with the negotiation, preparation, execution and administration of the Financing Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by Borrower; (b) all actual, reasonable and documented out-of-pocket costs and reasonable expenses of creating, perfecting, recording, maintaining and preserving Liens in favor of Collateral Agent, for the benefit of Secured Parties, including filing and recording fees, expenses and taxes (including stamp or documentary taxes), or search fees; (c) the actual, reasonable and documented out-of-pocket costs and reasonable expenses (including the reasonable fees, expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by Collateral Agent and its counsel) in connection with the custody or preservation of any of the Collateral; (d) without duplication of the foregoing clauses (a) through (c), all other actual, reasonable and documented out-of-pocket costs and expenses incurred by each Agent in connection with the syndication of the Loans and Commitments and the transactions contemplated by the Financing Documents and any consents, amendments, waivers or other modifications thereto; and (e) after the occurrence and during the continuance of a Default or an Event of Default, all actual, documented and reasonable out-of-pocket costs and expenses, including the reasonable fees and out-of-pocket

expenses of one counsel and, to the extent applicable, one local counsel reasonably necessary in each applicable material jurisdiction, incurred by the Secured Parties, taken as a whole, in enforcing any Obligations of or in collecting any payments due from Borrower hereunder or under the other Financing Documents by reason of such Default or Event of Default (including in connection with the sale, lease or license of, collection from, or other realization upon any of the Collateral) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a “work out” or pursuant to any insolvency or bankruptcy cases or proceedings; provided that in the event of an actual or potential conflict of interest, each affected Agent, Issuing Bank and Lender shall be entitled to reimbursement of the actual, reasonable and documented fees, expenses and disbursements of one additional counsel. This Section 9.2 shall not apply with respect to Taxes that are imposed with respect to payments to or for the account of any Agent or any Lender under any Financing Document which are covered by Section 2.17 (Taxes; Withholding, Etc.) or that are specifically excluded from the scope of Section 2.17 (Taxes; Withholding, Etc.).

### **9.3 Indemnity.**

(a) In addition to the payment of expenses pursuant to Section 9.2 (Expenses), Borrower agrees to defend (subject to Indemnitees’ selection of counsel), indemnify, pay and hold harmless, each Arranger, each Agent, each Issuing Bank and Lender and each of their and their Affiliates’ respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents, affiliates, administrators, managers, representatives and controlling Persons (each, an “**Indemnitee**”), from and against any and all Indemnified Liabilities; provided that Borrower shall not have any obligation to any Indemnitee hereunder with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from (x) such Indemnitee’s gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction or (y) material breach of such Indemnitee’s express obligations hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 9.3 may be unenforceable in whole or in part because they are violative of any law or public policy, Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them. If for any reason the foregoing indemnification is unavailable to any Indemnitee, or insufficient to hold it harmless, then Borrower will contribute to the amount paid or payable by such Indemnitee, as applicable, as a result of such Indemnified Liability in such proportion as is appropriate to reflect the relative economic interests of (i) Borrower and its Affiliates, shareholders, partners, members or other equity holders on the one hand and (ii) such Indemnitee on the other hand with respect to the transactions under the Financing Documents, as well as the relative fault of (x) Borrower and its Affiliates, shareholders, partners, members or other equity holders and (y) such Indemnitee with respect to such Indemnified Liability. The reimbursement, indemnity and contribution obligations of Borrower under this Section 9.3 will be in addition to any liability which Borrower may otherwise have, and will be binding upon and inure to the benefit of any successors,

assigns, heirs and personal representatives of Borrower, the Indemnitees, any such Affiliate and any such Person. Notwithstanding the foregoing, Borrower shall not be required to indemnify any indemnified party for losses, claims, damages or liabilities arising solely out of disputes as between the indemnified parties that are not based on any act or omission of Borrower or any of its subsidiaries or affiliates, excluding any disputes against any Agent acting in such capacity.

(b) To the extent permitted by applicable law, Borrower shall not assert, and Borrower hereby waives, any claim against each Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and Borrower hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. Other than with respect to the obligations of Borrower pursuant to Section 9.3(a), to the extent permitted by applicable law, no Arranger, Lender, Issuing Bank or Agent shall assert, and each Arranger, Lender, Issuing Bank and Agent hereby waives, any claim against Borrower and its Affiliates, officers, partners, members, directors, trustees, advisors employees, attorneys, agents, sub-agents or controlling Persons, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and ~~no~~each Arranger, Lender, Issuing Bank and Agent hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. No Indemnitee referred to in this paragraph (b) shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Financing Documents or the transactions contemplated hereby or thereby, except to the extent such damages are found in a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the bad faith, willful misconduct or gross negligence of such Indemnitee.

(c) Borrower also agrees that no Indemnitee will have any liability, based on its or their exclusive or contributory negligence or otherwise, to Borrower (or its Affiliates) or any Person asserting claims on behalf of or in right of Borrower (or their respective Affiliates) or any other Person in connection with or as a result of this

Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, in each case, except to the extent that any losses, claims, damages, liabilities or expenses incurred by Borrower or its affiliates, shareholders, partners or other equity holders have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (x) the gross negligence or willful misconduct of such Indemnitee or (y) the material breach of such Indemnitee's express obligations under the Financing Documents by, such Indemnitee in performing its obligations under this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein; provided, however, that in no event will such Indemnitee have any liability for any indirect, consequential, special or punitive damages in connection with or as a result of such Indemnitee's activities related to this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein. Notwithstanding the foregoing, Borrower shall not be required to indemnify any Indemnitee for any Indemnified Liabilities arising solely out of disputes as between the Indemnitees that are not based on any act or omission of Borrower or any of its Subsidiaries or Affiliates, excluding any disputes against any Agent acting in such capacity.

(d) Promptly after receipt by any Arranger, Lender, Issuing Bank or Agent of notice of its involvement in any action, proceeding or investigation, such Arranger, Lender, Issuing Bank or Agent will, if a claim for indemnification in respect thereof is to be made against Borrower under this Section 9.3, notify Borrower in writing of such involvement. Failure by any Arranger, Lender, Issuing Bank or Agent to so notify Borrower will not relieve Borrower from the obligation to indemnify the Indemnitees under this Section 9.3 except to the extent that Borrower suffers actual prejudice as a result of such failure, and will not relieve Borrower from its obligation to provide reimbursement and contribution to such Arrangers, Lenders, Issuing Banks or Agents.

This Section 9.3 shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

#### **9.4 Set Off.**

In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence of any Event of Default each Lender and each Issuing Bank is hereby authorized by Borrower at any time or from time to time, without notice to Borrower or to any other Person (other than Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender or such Issuing Bank to or for the credit or the account of Borrower against and on account of the obligations and liabilities of Borrower to such Lender or

such Issuing Bank hereunder, the Letters of Credit and participations therein and under the other Financing Documents, including all claims of any nature or description arising out of or connected hereto, the Letters of Credit and participations therein or with any other Financing Document, irrespective of whether or not (a) such Lender or such Issuing Bank shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any amounts in respect of the Letters of Credit or any other amounts due hereunder shall have become due and payable pursuant to Section 2 (Loans and Letters of Credit) and although such obligations and liabilities, or any of them, may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Sections 2.14 (Ratable Sharing) and 2.19 (Defaulting Lenders) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent, Issuing Banks and the Lenders, and (y) the Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section 9.4 are in addition to other rights and remedies (including other rights of setoff) that such Lender, Issuing Bank or their respective Affiliates may have. Failure of any Lender or Issuing Bank to give notice of any such setoff and application to Administrative Agent shall not affect the validity of such setoff and application.

#### **9.5 Amendments and Waivers.**

(a) Requisite Lenders' Consent. Subject to the additional requirements of Sections 9.5(b) (Affected Lenders' Consent) and 9.5(c) (Other Consents), no amendment, modification, termination or waiver of any provision of the Financing Documents, or consent to any departure by Borrower therefrom, shall in any event be effective without the written concurrence of Requisite Lenders; provided that (x) Administrative Agent may, with the consent of Borrower only, amend, modify or supplement this Agreement or any other Financing Document (i) to cure any ambiguity, omission, defect or inconsistency (as reasonably determined by Administrative Agent), so long as such amendment, modification or supplement does not adversely affect the rights of any Lender (or any Issuing Bank if applicable) or the Lenders shall have received at least five (5) Business Days' prior written notice thereof and Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Requisite Lenders stating that the Requisite Lenders object to such amendment, (ii) to enter into additional or supplemental Security Documents, (iii) to release Collateral in accordance with Section 9.22 (Release of Liens) of this Agreement and the Security Documents, (iv) to make any change that would provide any additional rights or benefits to the Lenders, (v) to make, complete or confirm any grant of Collateral permitted or required by any of the Security Documents, including to secure any Indebtedness that is permitted under Section 6.1 (Indebtedness) that may be secured by a Permitted Lien on the Collateral, or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Security Documents, (vi) to revise any schedule to reflect any change in notice information, (vii) to revise the name of the

Collateral Agent on any UCC financing statement or other Security Document as may be necessary to reflect the replacement of the Collateral Agent or (viii) to amend this Agreement or the other Financing Documents in order to effectuate the provisions of [Section 2.24](#) (~~LIBO Rate~~[Benchmark Replacement Setting](#)) and (y) Administrative Agent, with the consent of Borrower and ESG Coordinator only, may amend, modify or supplement [Schedule I](#) (*Eligible Expenditures*).

(b) [Affected Lenders' Consent](#). No amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) extend any Commitment or the scheduled Final Maturity Date of any Loan or Note without the written consent of the Lender or Issuing Bank holding such Commitment, Loan or Note; provided that no amendment, modification or waiver of any condition precedent, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall constitute an extension of a Commitment or a Final Maturity Date unless expressly agreed in such waiver, amendment or modification;

(ii) waive, reduce or postpone repayment (but not voluntary prepayment or mandatory prepayment, which shall be governed by [Section 9.5\(a\)](#) (*Requisite Lenders' Consent*)) of any Loan beyond the Final Maturity Date without the written consent of the Lender or Issuing Bank holding such Loan;

(iii) extend the Letter of Credit Expiration Date beyond the Commitment Termination Date without the written consent of each Issuing Bank;

(iv) subject to [Section 2.24](#) (~~LIBO Rate~~[Benchmark Replacement Setting](#)), reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to [Section 2.8](#) (*Default Interest*)), any premium or any fee payable to a Lender or an Issuing Bank under this Agreement or any other Financing Documents without the written consent of the Lender or Issuing Bank to which such interest, premium or fee is payable hereunder;

(v) extend the time for payment of any interest, fees or premium payable to a Lender or Issuing Bank under this Agreement or any other Financing Documents (but not voluntary prepayment or mandatory prepayment, which shall be governed by [Section 9.5\(a\)](#) (*Requisite Lenders' Consent*)) without the written consent of the Lender or Issuing Bank to which such interest, fee or premium is payable (it being understood that no amendment, modification or waiver of any condition precedent, covenant, Default, Event of Default or mandatory prepayment shall constitute an extension of any time for payment of interest or fees unless expressly agreed in such waiver, amendment or modification);

(vi) reduce the principal amount of any Loan or any reimbursement obligation in respect of any Letter of Credit without the written consent of the Lender or the applicable Issuing Bank to which such Loan or reimbursement obligation, as applicable, is payable;

(vii) amend, modify, terminate or waive any provision of this Section 9.5(b), Section 9.5(c) (*Other Consents*) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required, without the written consent of all Lenders;

(viii) amend (A) the definition of “**Requisite Lenders**,” (B) the definition of “**Pro Rata Share**,” (C) any other provision of this Agreement specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determinations or grant any consent hereunder, in each case, without the written consent of all Lenders;

(ix) amend the provisions of Section 2.9(b) (*Fees*), Section 2.12 (*Application of Prepayments*), Section 2.13(c) (*General Provisions Regarding Payments*), Section 2.13(d) (*General Provisions Regarding Payments*), Section 2.13(g) (*General Provisions Regarding Payments*), Section 2.14 (*Ratable Sharing*) or clause (x) of the proviso in Section 9.4 (*Set Off*), in each case in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the consent of each Lender adversely affected thereby;

(x) release all or substantially all of the Collateral except as expressly provided in the Financing Documents and except in connection with a “credit bid” undertaken by Collateral Agent at the direction of the Requisite Lenders pursuant to section 363(k), section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code or other sale or disposition of assets in connection with an enforcement action with respect to the Collateral permitted pursuant to the Financing Documents (in which case only the consent of the Requisite Lenders will be needed for such release), without the written consent of all Lenders and Issuing Banks; or

(xi) consent to the assignment or transfer by Borrower of any of its rights and obligations under any Financing Document, without the written consent of all Lenders;

provided that, (1) for the avoidance of doubt, all Lenders and Issuing Banks shall be deemed directly affected by any amendment described in Sections 9.5(b)(vii), 9.5(b)(viii) and 9.5(b)(x); (2) no amendment, waiver or consent shall, unless in writing and signed by the applicable Issuing Bank in addition to the Lenders required above, affect the rights or duties of such Issuing Bank under this Agreement, any Issuer Document or any other Financing Document relating to any Letter of Credit issued or to be issued by it; and (3) any amendment, waiver or consent of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders (but not the Issuing Banks) or the Issuing Banks (but not the Lenders) may be effected by a written instrument executed by Borrower and by or on behalf of the requisite percentage in interest of the Lenders or the Issuing Banks, as applicable, that would be required to consent thereto under the foregoing provisions of this Section 9.5 if such class of Lenders or Issuing Banks were the only class of Lenders or Issuing Banks hereunder at the time;

provided, further, that notwithstanding anything herein to the contrary, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent that by its terms requires the consent

of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the maturity of any of its Loans may not be extended, the rate of interest or fees on any of its Loans may not be reduced and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (y) any amendment, waiver or consent requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender materially and more adversely than the other affected Lenders shall require the consent of such Defaulting Lender.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Financing Documents, or consent to any departure by Borrower therefrom, shall:

(i) increase any Commitment of any Lender over the amount thereof then in effect without the consent of such Lender or Letter of Credit Issuance Commitment of any Issuing Bank over the amount thereof in effect without the consent of such Issuing Bank; provided that no amendment, modification or waiver of any condition precedent, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall constitute an increase in any Commitment of any Lender or Letter of Credit Issuance Commitment of any Issuing Bank, as applicable; or

(ii) amend, modify, terminate or waive any provision of the Financing Documents as the same applies to any Agent or Arranger, or any other provision hereof as the same applies to the rights or obligations of any Agent or Arranger, in each case without the consent of such Agent or Arranger, as applicable.

(d) Execution of Amendments, Etc. Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender or any Issuing Bank, execute amendments, modifications, waivers or consents on behalf of such Lender or Issuing Bank. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on Borrower in any case shall entitle Borrower to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 9.5 shall be binding upon each Lender and Issuing Bank at the time outstanding, each future Lender or Issuing Bank and, if signed by Borrower, on Borrower.

#### **9.6 Successors and Assigns; Participations.**

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and permitted assigns and shall inure to the benefit of the parties hereto and the successors and permitted assigns of Lenders. Neither Borrower's rights or obligations hereunder nor any interest therein may be assigned or delegated by Borrower without the prior written consent of all Lenders. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties

hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Agents and Lenders and other Indemnitees) any benefit, legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Register. Borrower, Administrative Agent and Lenders shall deem and treat the Persons listed as Lenders or Issuing Banks in the Register as the holders and owners of the corresponding Commitments and Loans listed therein for all purposes hereof. The entries in the Register shall be conclusive absent manifest error. No assignment or transfer of any such Commitment or Loan shall be effective, in each case, unless and until recorded in the Register following receipt of a fully executed Assignment Agreement effecting the assignment or transfer thereof, together with the required forms and certificates regarding tax matters and any fees payable in connection with such assignment, in each case, as provided in Section 9.6(d) (Mechanics). Each assignment shall be recorded in the Register promptly following receipt by Administrative Agent of the fully executed Assignment Agreement and all other necessary documents and approvals, prompt notice thereof shall be provided to Borrower and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the “**Assignment Effective Date.**” Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender or Issuing Bank shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Commitments or Loans.

(c) Right To Assign. Each Lender or Issuing Bank (in such capacity and in its capacity as a Lender) shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment, Loans and L/C Obligations owing to it (provided that *pro rata* assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and any related Commitments; and provided further that, no partial assignment of any outstanding Letter of Credit shall be permitted) to a Person who is (A) an Eligible Assignee and (B) in the case of an Issuing Bank, has the Required Ratings (or its guarantor, as contemplated by the definition of “Required Ratings,” has the Required Ratings), and, in each case, is reasonably satisfactory to Administrative Agent and consented to by each Issuing Bank and Borrower (such consent not to be (x) unreasonably withheld, conditioned or delayed or (y) required (1) from Borrower at any time an Event of Default pursuant to Sections 7.1(a) (Failure To Make Payments When Due), 7.1(f) (Involuntary Bankruptcy; Appointment of Receiver, Etc.) or 7.1(g) (Voluntary Bankruptcy; Appointment of Receiver, Etc.) shall have occurred and then be continuing or (2) in case of assignment to a then-existing Lender or Issuing Bank or an Affiliate of such Lender or Issuing Bank); provided further that Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within ten (10) Business Days after having received notice thereof. Upon a Lender’s or Issuing Bank’s assignment of L/C Obligations,

Commitments and outstanding Loans to an additional Lender or Issuing Bank, as applicable, (i) such additional Lender or Issuing Bank shall become vested with all of the rights, powers, privileges and duties of a Lender or Issuing Bank (as applicable) hereunder, and (ii) if the assignee is an Issuing Bank, such assignee Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, assigned to such Issuing Bank.

(d) Mechanics.

(i) Assignments and assumptions of Loans and Commitments by Lenders shall be effected by execution and delivery to Administrative Agent of an Assignment Agreement. Assignments made pursuant to the foregoing provision shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to Administrative Agent such forms, certificates or other evidence, if any, with respect to withholding tax matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.17(c) (*Status of Lenders*), together with payment to Administrative Agent of a registration and processing fee of \$3,500 (except that no such registration and processing fee shall be payable in the case of an assignee which is already a Lender or is an affiliate or Related Fund of a Lender or a Person under common management with a Lender).

(ii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (i) it is an Eligible Assignee (and, if the assignee is to be an Issuing Bank, has the Required Ratings (or whose guarantor, as contemplated by the definition of "Required Ratings," has the Required Ratings)); (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or Loans, as the case may be; (iii) it will make or invest in, as the case may

be, its Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 9.6, the disposition of such Commitments or Loans or any interests therein shall at all times remain within its exclusive control); and (iv) it will not provide any information (other than customary administrative information) obtained by it in its capacity as a Lender to Borrower or any Affiliate of Borrower.

(f) Effect of Assignment. Subject to the terms and conditions of this Section 9.6, as of the Assignment Effective Date (i) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder and under the other Financing Documents to the extent of its interest in the Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which survive the termination hereof under Section 9.8 (*Survival of Representations, Warranties and Agreements*)) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender’s rights and obligations hereunder, such Lender shall cease to be a party hereto on the Assignment Effective Date; provided that, anything contained in any of the Financing Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (iii) the Commitments shall be modified to reflect any Commitment of such assignee and any Commitment of such assigning Lender, if any; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to Administrative Agent for cancellation, and thereupon Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(g) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations without restriction to any Person (other than Borrower, any of its Subsidiaries or any of their respective Affiliates, or any natural Person) in all or any part of its Commitments, Loans or any other Obligation. Each Lender that sells a participation pursuant to this Section 9.6(g) shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it records the name and address of each participant and the principal amounts (and stated interest) of each participant’s participation interest with respect to the Commitments, Loans and other Obligations (each, a “**Participant Register**”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Loans or its other obligations under any Financing Document) except to the

extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by applicable law, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the IRS. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable participation for all purposes under this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by Borrower of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Collateral under the Security Documents (except as expressly provided in the Financing Documents) supporting the Loans hereunder in which such participant is participating.

(iii) Borrower agrees that each participant shall be entitled to the benefits of Sections 2.15(c) (*Compensation for Breakage or Non-Commencement of Interest Periods*), 2.16 (*Increased Costs; Capital Adequacy*) and 2.17 (*Taxes; Withholding, Etc.*) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.6(c) (*Right To Assign*); provided that (x) a participant shall not be entitled to receive any greater payment under Section 2.16 (*Increased Costs; Capital Adequacy*) or 2.17 (*Taxes; Withholding, Etc.*) than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation, (y) a participant shall not be entitled to the benefits of Section 2.17 (*Taxes; Withholding, Etc.*) unless such participant agrees, for the benefit of Borrower, to comply with Section 2.17 (*Taxes; Withholding, Etc.*) and provide all forms required by Section 2.17(c) (*Status of Lenders*) as though it were a Lender (it being understood that the forms required by Section 2.17(c) (*Status of Lenders*) shall be delivered to the participating Lender and if required by law for reduced withholding, copies shall be delivered to Borrower) and (z) a participant agrees to be subject to the provisions of Sections 2.18 (*Obligation to Mitigate*) and 2.20 (*Removal or Replacement of a Lender*) as if it were an assignee under Section 9.6(c) (*Right To Assign*); provided further that, except as specifically set forth in clauses (x) and (y) of this

sentence, nothing herein shall require any notice to Borrower or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 9.4 (*Set Off*) as though it were a Lender, provided such participant agrees to be subject to Section 2.14 (*Ratable Sharing*) as though it were a Lender. Each Lender that sells a participation agrees, at Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Sections 2.18 (*Obligation to Mitigate*) and 2.20 (*Removal or Replacement of a Lender*) with respect to any participant.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 9.6, any Lender or Issuing Bank may assign, pledge and/or grant a security interest in all or any portion of its Loans, the other Obligations owed by or to such Lender or Issuing Bank, and its Notes, if any, to secure obligations of such Lender, including to any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors and any operating circular issued by such Federal Reserve Bank or other central bank; provided that no Lender or Issuing Bank, as between Borrower and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge, and provided further that in no event shall the applicable Federal Reserve Bank, pledgee or trustee, be considered to be a "Lender" or "Issuing Bank" or be entitled to require the assigning Lender to take or omit to take any action hereunder.

### **9.7 Independence of Covenants.**

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. Any determination regarding whether or not a Default or Event of Default has occurred or is existing or continuing under this Agreement or any other Financing Document shall be made by Borrower and the Requisite Lenders (or Administrative Agent) to the extent such Default or Event of Default, if it had occurred, would be waivable by the Requisite Lenders pursuant to Section 9.5 (*Amendments and Waivers*) hereof. The Lenders shall act collectively through Administrative Agent with respect to all such determinations; provided that the Requisite Lenders may direct Administrative Agent with respect to any such determination; provided further that the foregoing shall not in any manner prohibit any Lender from communicating with any other Lender or with Administrative Agent regarding any such actual or claimed Event of Default, Default, default, event or condition, what action Borrower or Lender has taken, is taking, or proposes to take with respect thereto, the terms and conditions of any amendment or waiver with respect to such Default or Event of Default or any other matter relating to Borrower or any Financing Document.

### **9.8 Survival of Representations, Warranties and Agreements.**

All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of Borrower set forth in Sections 2.15(c) (Compensation for Breakage or Non-Commencement of Interest Periods), 2.16 (Increased Costs; Capital Adequacy), 2.17 (Taxes; Withholding, Etc.), 9.2 (Expenses), 9.3 (Indemnity), 9.4 (Set Off), 9.8 and 9.23 (No Fiduciary Duty) and the agreements of Lenders set forth in Sections 2.14 (Ratable Sharing), 8.3(b) (Exculpatory Provisions) and 8.6 (Right to Indemnity) shall survive the payment of the Loans, the cancellation or expiration of the Letters of Credit and the reimbursement of any amounts drawn thereunder and the termination hereof.

### **9.9 No Waiver; Remedies Cumulative.**

No failure or delay on the part of any Agent, any Issuing Bank or any Lender in the exercise of any power, right or privilege hereunder or under any other Financing Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Financing Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy. Nothing herein shall prohibit any Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank) hereunder and under the other Financing Documents.

### **9.10 Marshalling; Payments Set Aside.**

Neither any Agent nor any Lender or Issuing Bank shall be under any obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of any or all of the Obligations. To the extent that Borrower makes a payment or payments to Administrative Agent, any Issuing Bank or Lenders (or to Administrative Agent, on behalf of Lenders or any Issuing Bank), or any Agent, Issuing Bank or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

### **9.11 Severability.**

In case any provision in or obligation hereunder or under any other Financing Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. Without limiting the foregoing provisions of this Section 9.11, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by Administrative Agent or an Issuing Bank, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

### **9.12 Obligations Several; Independent Nature of Lenders' Rights.**

The obligations of Lenders (which term shall include each Issuing Bank for purposes of this Section 9.12) hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Financing Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and (subject to the provisions hereof) enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

### **9.13 Headings.**

Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

**9.17 Confidentiality.**

Each Agent and each Lender (which term shall for the purposes of this Section 9.17 include each Issuing Bank) shall hold all non-public information regarding Borrower and its Subsidiaries and Affiliates and their respective businesses in accordance with such Agent's and such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by Borrower that, in any event, Administrative Agent may disclose such information to the Lenders and each Agent and each Lender and each Agent may make (a) disclosures of such information to Affiliates of such Lender or Agent and to their respective officers, directors, partners, members, employees, representatives, administrators, managers, legal counsel, independent auditors, insurers and other experts, agents, trustees and advisors (and to other Persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 9.17) who need to know such information and on a confidential basis, (b) disclosures of such information reasonably required by any potential or prospective assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein, by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to Borrower and its obligations under the Loans or by any potential providers of credit protection, in each case, who are advised of the confidential nature of such information and who acknowledge and accept that such information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to Borrower), (c) disclosure to any rating agency on a confidential basis; provided that such information is supplied to such rating agency after consultation with Administrative Agent, (d) disclosure on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, (e) disclosures in connection with the exercise of any remedies hereunder or under any other Financing Document or any action or proceeding relating to this Agreement or any other Financing Document or the enforcement of rights hereunder or thereunder, (f) disclosures to the extent that such information is publicly available or becomes publicly available other than by reason of improper disclosure by such Person, (g) disclosures received by a Person on a non-confidential basis from a source (other than the disclosing party or any of its affiliates, advisors, members, directors, employees, agents or other representatives) not known by such Person to be prohibited from disclosing such information to such Person by a legal, contractual or fiduciary obligation, (h) disclosures to the extent that such information was already in the disclosing party's possession or is independently

developed by the disclosing party, (i) with respect to the Arrangers only, disclosures for purposes of establishing a “due diligence” defense, (j) disclosures to market data collectors and similar services providers in the lending industry, and service providers to Agents and Lenders in connection with the administration and management of the Loans, (k) disclosures required or requested by any court, administrative or governmental agency, body, committee or representative thereof or pursuant to applicable law or legal, administrative or judicial process, or pursuant to a subpoena or order issued by a court of competent jurisdiction, in which case such Person agrees to inform Borrower promptly thereof to the extent permitted by applicable law, (l) disclosures upon the request or demand of any regulatory or quasi-regulatory authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners) purporting to have jurisdiction over such Person or any of its Affiliates, (m) disclosures to any other party hereto or to Collateral Agent in its capacity as such, (n) disclosures subject to an agreement containing provisions substantially the same as (or more stringent than) those set forth in this [Section 9.17](#) and (o) disclosures with the consent of Borrower. Notwithstanding anything to the contrary set forth herein, each party (and each of their respective employees, representatives or other agents) may disclose to any and all Persons without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions and other tax analyses) that are provided to any such party relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure shall remain subject to the confidentiality provisions hereof (and the foregoing sentence shall not apply) to the extent reasonably necessary to enable the parties hereto, their respective Affiliates, and their respective Affiliates’ directors and employees to comply with applicable securities laws. For this purpose, “tax structure” means any facts relevant to the U.S. federal income tax treatment of the transactions contemplated by this Agreement but does not include information relating to the identity of any of the parties hereto or any of their respective Affiliates.

#### **9.18 Usury Savings Clause.**

Notwithstanding any other provision herein, the aggregate interest rate charged by any Lender with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law, shall not exceed the Highest Lawful Rate applicable to such Lender. If the rate of interest (determined without regard to the preceding sentence) under this Agreement charged by any Lender at any time exceeds the Highest Lawful Rate applicable to such Lender, the Outstanding Amount of the Loans held by such Lender made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due thereunder equals the amount of interest which would have been due thereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made thereunder are repaid in full the total interest due thereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due thereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrower shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid to such Lender and the amount of interest which would have been paid to such Lender if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and

Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate applicable to such Lender, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the Outstanding Amount of the Loans made hereunder to such Lender or be refunded to Borrower.

**9.19 Effectiveness; Counterparts.**

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by Borrower and Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic format (*i.e.*, "pdf" or "tif") shall be effective as delivery of an original executed counterpart of this Agreement.

**9.20 Entire Agreement.**

This Agreement and the other Financing Documents with respect to fees payable to Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract and understanding among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

**9.21 PATRIOT Act.**

Each Lender and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Borrower that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow such Lender or Administrative Agent, as applicable, to identify Borrower in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act and is effective for each Lender, Agent and Issuing Bank.

**9.22 Release of Liens.**

(a) In the event that (i) Borrower disposes of all or any portion of any of its assets to any Person, (ii) all or any portion of Borrower's assets become Excluded Assets, in the case of each of clauses (i) and (ii), in a transaction not prohibited by this Agreement or the other Financing Documents, (iii) the Discharge of Obligations has occurred, (iv) an Investment Grade Ratings Event occurs or (v) Requisite Lenders (or such other Lenders as may be required to give such consent under Section 9.5 (*Amendments and Waivers*)) have otherwise consented, any Lien created by any Financing Document for the benefit of the Secured Parties in respect of such assets shall be automatically released and the Administrative Agent shall, and shall direct the

Collateral Agent to, promptly (and each other Secured Party hereby authorizes and directs the Administrative Agent and the Collateral Agent or any of them to) take such action and execute any such documents as may be requested by Borrower and at Borrower's expense to evidence such release. Without limiting the foregoing, each Secured Party hereby agrees to provide such cooperation and assistance as may be reasonably requested by Administrative Agent or Collateral Agent to facilitate and effect actions taken or intended to be taken by Administrative Agent or Collateral Agent, as applicable, including execution and delivery of notices, instruments and other documents as are reasonably deemed necessary by Administrative Agent or Collateral Agent to effect such actions, and joining in any action, motion or proceeding initiated by Collateral Agent (at the instruction of Administrative Agent) for such purposes.

(b) Without limiting the generality of the foregoing clause (a), and notwithstanding anything to the contrary in this Agreement or any other Financing Document, upon three Business Days' prior notice by Borrower to Administrative Agent of the occurrence of an Investment Grade Ratings Event (which notice may be provided in advance of the occurrence of an Investment Grade Ratings Event based on preliminary ratings that meet the requirements set forth in this definition of "Investment Grade Ratings Event", provided that the applicable final rating is equal to or exceeds such preliminary rating):

(i) the Administrative Agent shall withdraw from the Intercreditor Agreement; and

(ii) to the extent that the Administrative Agent is the last remaining First Lien Debt Representative (as defined in the Intercreditor Agreement) and there are no remaining First Lien Debt Representatives party to the Intercreditor Agreement, the Administrative Agent (or counsel on its behalf) shall direct the Collateral Agent (or counsel on its behalf) to, upon the request of Borrower, (x) authorize Borrower to file UCC-3 termination statements with respect to the UCC-1 financing statements naming Borrower as debtor, (y) cause to be transferred, delivered and returned, but without any recourse, warranty or representation whatsoever, any remaining assets and properties of Borrower granted and pledged to the Collateral Agent under the Security Documents (including related certificates of membership interests) (such assets and properties, the "**Released Collateral**") in its possession and money received in respect of Released Collateral but not applied to any Obligations and (z) furnish, execute and deliver such documents, instruments, certificates, notices, mortgage releases or further assurances as Borrower may request and as necessary to effect such termination and release, all at Borrower's sole expense.

### **9.23 No Fiduciary Duty.**

Each Arranger, each Agent, each Lender, each Issuing Bank and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), are full service financial institutions engaged, either directly or through their respective affiliates, in a broad array of activities, including commercial and investment banking, financial advisory, market

making and trading, investment management (both public and private investing), investment research, principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage and other financial and non-financial activities and services globally. In the ordinary course of their various business activities, each Lender and funds or other entities in which the Lenders invest or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers. In addition, any Lender may at any time communicate independent recommendations and/or publish or express independent research views in respect of such assets, securities or instruments. Any of the aforementioned activities may involve or relate to assets, securities and/or instruments of Borrower and/or any of its Affiliates, as well as of Borrower and/or other Persons which (a) may be involved in transactions arising from or relating to the Financing Documents or (b) have other relationships with Borrower or its Affiliates. In addition, any Lender may provide investment banking, commercial banking, underwriting and financial advisory services to such other Persons. The transactions contemplated by the Financing Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this Section 9.23, and employees working on the financing contemplated hereby may have been involved in originating certain of such investments and those employees may receive credit internally therefor, and may have economic interests that conflict with those of Borrower, their respective equity holders and/or their respective Affiliates. Although any Lender in the course of such other activities and relationships may acquire information about the Financing Documents and transactions contemplated thereby or other Persons which may be the subject of the Financing Documents, none of the Lenders shall have any obligation to disclose such information, or the fact that such Lender is in possession of such information, Borrower or to use such information on Borrower's behalf. Borrower acknowledges and agrees that nothing in the Financing Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and Borrower and its equity holders or Affiliates, on the other. Borrower acknowledges and agrees that (i) each Lender will act under the Financing Documents as an independent contractor, (ii) the transactions contemplated by the Financing Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and Borrower, on the other, and (iii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of Borrower, its equity holders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise Borrower, its equity holders or its Affiliates on other matters) or any other obligation to Borrower except the obligations expressly set forth in the Financing Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of Borrower, or any of its management, equity holders, Affiliates, creditors or any other Person. Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that Borrower, its equity holders and its Affiliates are each responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar

duty to Borrower in connection with such transaction or the process leading thereto. In addition, any Lender may employ the services of its Affiliates in providing services hereunder and may exchange with such Affiliates information concerning Borrower or its equity holders or its Affiliates and other companies that may be the subject of the transactions contemplated by the Financing Documents, and such Lender Affiliates will be entitled to the benefits afforded to such Lender hereunder. Consistent with each Lender's policies to hold in confidence the affairs of its customers, each Lender will not furnish confidential information obtained from Borrower by virtue of the transactions contemplated by the Financing Documents to any of its other customers. Furthermore, Borrower acknowledges that none of the Lenders or any of their respective Affiliates has an obligation to use in connection with the transactions contemplated by the Financing Documents, or to furnish to Borrower, confidential information obtained or that may be obtained by them from any other Person.

Each of the Lenders or Issuing Banks or its respective Affiliates are, or may at any time be, a counterparty (in such capacities, the **"Derivative Counterparties"**) to Borrower and/or any of its Subsidiaries with respect to one or more agreements with respect to any swap, forward, future or derivative transaction or option or similar agreement involving, or settled by reference to, one or more rates, currencies, commodities, equity or debt instruments or securities, or economic, financial or pricing indices or measures of economic, financial or pricing risk or value or any similar transaction or any combination of these transactions, in each case, entered into by Borrower (collectively, the **"Derivatives"**). Borrower acknowledges and agrees for itself and its Subsidiaries that each Derivative Counterparty (a) will be acting for its own account as principal in connection with the Derivatives, (b) will be under no obligation or duty as a result of such Lender's or its respective Affiliates' role in connection with the transactions contemplated by the Financing Documents or otherwise to take any action or refrain from taking any action, or exercising any rights or remedies, that such Derivative Counterparty may be entitled to take or exercise in respect of the applicable Derivatives and (c) may manage its exposure to the Derivatives without regard to such Lenders' or its respective Affiliates' role hereunder.

#### **9.24 Authorization of Filing of Financing Statements.**

Collateral Agent is hereby authorized to file one or more financing statements (including fixture filings), continuation statements, or other documents for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by Borrower pursuant to the Security Documents, without the signature of Borrower, and naming any Borrower as debtor and Collateral Agent as secured party. Borrower authorizes Collateral Agent to use the collateral description "all assets," "all personal property, whether now existing or hereafter acquired," "all of the debtor's assets, whether now owned or hereafter acquired" or words of similar effect in any such financing statements filed or other filings for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted hereunder by Borrower.

**9.25 Electronic Execution of Documents.** The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement, any Assignment Agreement, the other Financing Documents

and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**9.26 Amendment and Restatement.**

This Agreement amends, restates and supersedes the Existing Credit Agreement in its entirety, but does not constitute a novation of the Existing Credit Agreement or any document entered into in connection therewith.

**9.27 Affirmation of Security Documents**

All rights, benefits, interests, duties, liabilities and obligations of the parties to the Security Documents, are hereby confirmed, renewed, affirmed and continued by this Agreement and continue to secure, apply and extend to all debts, liabilities and obligations, present or future, direct or indirect, absolute or contingent, matured or unmatured, at any time or from time to time due or accruing due and owing by or otherwise payable by Borrower to the Collateral Agent for the benefit of the Secured Parties, or any one or more of them, in any currency, under, in connection with or pursuant to the Financing Documents. Without limitation of the foregoing, all security interests, pledges, assignments and other Liens previously granted by Borrower, pursuant to the Security Documents are confirmed, renewed, affirmed and continued by this Agreement, and all such security interests, pledges, assignments and other Liens shall remain in full force and effect as security for all obligations thereunder with no change in the priority applicable thereto, in each case, subject only to Permitted Liens.

### **Report of Independent Registered Public Accounting Firm**

The Board of Directors  
Cheniere Energy, Inc.:

We have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of Cheniere Energy, Inc. and subsidiaries (the Company) as of December 31, 20[●], and the related consolidated statements of operations, stockholders' equity (deficit), and cash flows for the year then ended, and have issued our report thereon dated [●].

In connection with our audit, nothing came to our attention that caused us to believe that the Company failed to comply with the terms, covenants, provisions, or conditions of Section 1.10(a), of the Second Amended and Restated Revolving Credit Agreement dated October 28, 2021, by and among the Company, the lenders and issuing banks party thereto, Société Générale, as Administrative Agent, Sumitomo Mitsui Banking Corporation, as ESG Coordinator, and the other agents and arrangers party thereto from time to time (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the Credit Agreement) and the Eligible Expenditure Certificate delivered by the Company pursuant to the Credit Agreement on *[insert date of delivery]* insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

This report is intended solely for the information and use of the boards of directors and management of the Company and its subsidiaries, Société Générale, as Administrative Agent, Sumitomo Mitsui Banking Corporation, as ESG Coordinator, and the other lenders and issuing banks party to the Credit Agreement, and is not intended to be and should not be used by anyone other than these specified parties.

(A) subject to Section 2.3(b)(iii) (Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit), the expiry date of the requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless such Issuing Bank and the Required Lenders have approved such expiry date; or

(B) the expiry date of the requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Lenders and the applicable Issuing Bank have approved such expiry date.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it;

(B) the issuance of the Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and the applicable Issuing Bank, the requested Letter of Credit is in an initial stated amount less than \$50,000;

(D) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder;

(E) the proposed use of the Letter of Credit is not in accordance with Section 2.5(b) (*Use of Proceeds*); or

(F) the requested form of such Letter of Credit is not acceptable to the Issuing Bank, in its reasonable discretion.

(iii) No Issuing Bank shall amend any Letter of Credit if such Issuing Bank would not be permitted at such time to issue the Letter of Credit in its amended form under the terms hereof.

(iv) An Issuing Bank shall be under no obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(v) Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the Issuing Banks shall have all of the benefits and immunities (A) provided to the Administrative Agent in Section 9 (*Agents*) with respect to any acts taken or omissions suffered by any Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in Section 9 (*Agents*) included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to each Issuing Bank.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit

(i) Subject to Section 3 (*Conditions Precedent*), each Letter of Credit shall be issued or amended, as the case may be, upon the request of Borrower delivered to the applicable Issuing Bank during the period specified in Section 2.3(a) (*Letter of Credit Commitment*) (with a copy to the Administrative Agent) in the form of an Issuance Notice, appropriately completed and signed by an Authorized Officer of Borrower. Such Issuance Notice or Letter of Credit application, as applicable, must be received by the applicable Issuing Bank and Administrative Agent not later than 12:00 p.m. (New York City time) at least one (1) Business Day (or such later date and time as the Administrative Agent and the applicable Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Issuance Notice or Letter of Credit application, as applicable, shall specify in form and detail satisfactory to the applicable Issuing Bank: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof (including a final expiration date in the case of an Auto-Extension Letter of Credit); (D) the name and address of the beneficiary thereof; (E) the form of such letter of credit (which shall be in compliance with the requirements of this Section 2.3 (*Letters of Credit*)) and the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit, which shall be in accordance with Section 2.5(b) (*Use of Proceeds*), or as otherwise approved by the Issuing Bank in its sole discretion; and (H) such other matters as the applicable Issuing Bank may reasonably require and shall be accompanied by such application as the applicable Issuing Bank may specify to the Borrower for use in connection with such requested Letter of Credit and such other information as shall demonstrate compliance of such Letter of Credit with the requirements specified in this Agreement and the relevant application. In the case of a request for an amendment of any outstanding Letter of Credit, such Issuance Notice or Letter of Credit application, as applicable, shall specify in form and detail satisfactory to the applicable Issuing Bank (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as the applicable Issuing Bank may reasonably require and shall be accompanied by such application as the applicable Issuing Bank may specify to the Borrower for use in connection with such requested Letter of Credit and such other information as shall demonstrate compliance of such Letter of Credit with the requirements specified in this Agreement and the relevant application. Additionally, Borrower shall furnish to the applicable Issuing Bank and Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the applicable Issuing Bank or the Administrative Agent may reasonably require.

(ii) Promptly after receipt of any Issuance Notice and/or Letter of Credit application, as applicable, the applicable Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Issuance Notice and/or Letter of Credit application, as applicable, from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof, and the Administrative Agent shall notify the Lenders of such Issuance Notice and/or Letter of Credit application. Unless the applicable Issuing Bank has received written notice from any Lender, Administrative Agent or any Loan Party, in any case, at least one (1) Business Day

prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 3.2 (Conditions to Each Credit Extension not on the Closing Date) shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be, in each case in accordance with such Issuing Bank's usual and customary business practices and, with respect to any amendment of a Letter of Credit, so long as the amendment is satisfactory to the Issuing Bank. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to (regardless of whether the conditions set forth in Section 3.2 (Conditions to Each Credit Extension not on the Closing Date) have been satisfied), purchase from the applicable Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Issuance Notice and/or Letter of Credit application, as applicable, the applicable Issuing Bank shall issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit such Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a date to be agreed in each such twelve-month period at the time such Letter of Credit is issued (the "**Non-Extension Notice Date**"). Once an Auto-Extension Letter of Credit has been issued, unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, each Lender shall be deemed to have authorized (but may not require) the applicable Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the applicable Issuing Bank shall not permit any such extension if (A) such Issuing Bank has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.3(a) (Letter of Credit Commitment) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Section 3 (Conditions Precedent) is not then satisfied (or a Default or Event of Default has occurred and is continuing), and in each such case directing such Issuing Bank not to permit such extension.

(iv) Subject to Section 2.3(a)(ii)(E) (Letter of Credit Commitment), if the Borrower so requests in any applicable Issuance Notice and/or Letter of Credit application, as applicable, the applicable Issuing Bank shall issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an "**Auto-Reinstatement Letter of Credit**"). Once an Auto-Reinstatement Letter of Credit has been issued, unless otherwise directed by the applicable Issuing Bank in its sole discretion, Borrower shall not be required to make a specific request to such Issuing Bank to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, each Lender shall be deemed to have authorized (but may not require) the applicable Issuing Bank to and the applicable Issuing Bank shall permit the reinstatement of all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits such

Issuing Bank to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the “**Non-Reinstatement Deadline**”), such Issuing Bank shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Reinstatement Deadline from Administrative Agent, any Lender or Borrower that one or more of the applicable conditions specified in Section 3 (*Conditions Precedent*) is not then satisfied (or a Default or Event of Default has occurred and is continuing) (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing such Issuing Bank not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to the beneficiary thereof, the applicable Issuing Bank will also deliver to the Borrower, the Administrative Agent and each Lender a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower, the Administrative Agent and the Lenders thereof. Not later than 1:00 p.m. (New York City time) on the date of any payment by the applicable Issuing Bank under a Letter of Credit in accordance with normal banking procedures in the place of payment (each such date, an “**Honor Date**”), the Borrower shall reimburse such Issuing Bank in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse such Issuing Bank by such time, such Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”) and the amount of such Lender’s Pro Rata Share thereof. In such event, Borrower shall be deemed to have requested a Loan from such Issuing Bank that is an ABR Loan to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.1 (*Loans*) for the principal amount of ABR Loans or the conditions set forth in Section 3 (*Conditions Precedent*). Any notice given by an Issuing Bank, Administrative Agent or any Lender pursuant to this Section 2.3(c)(i) (*Drawings and Reimbursements; Funding of Participations*) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall, upon receiving any notice pursuant to Section 2.3(c)(i) (*Drawings and Reimbursements; Funding of Participations*), make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of, the applicable Issuing Bank at the Principal Office designated by such Issuing Bank in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the applicable Issuing Bank (with a copy to the Administrative Agent and the Borrower), whereupon, each Lender that so makes funds available shall be deemed to have made a Loan that is an ABR Loan to the Borrower in such Unreimbursed Amount.

(iii) Until each Lender funds its Loans pursuant to this Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*) to reimburse the applicable Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such Issuing Bank.

(iv) Each Lender's obligation to make Loans to reimburse the applicable Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any Issuing Bank, Borrower, any Subsidiary Guarantor or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default or Event of Default; (C) the form, validity, sufficiency, accuracy, genuineness or legal effect of any Letter of Credit or any document submitted by any party in connection with the application for and issuance of a Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (D) failure of the beneficiary to comply fully with the conditions required in order to demand payment under a Letter of Credit; or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing, including any of the events specified in Section 2.3(f) (*Obligations Absolute*). No such making of a Loan shall relieve or otherwise impair the obligation of Borrower to reimburse the applicable Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(v) If any Lender fails to make available to the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*) by the time specified in Section 2.3(c)(ii) (*Drawings and Reimbursements; Funding of Participations*), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the L/C Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan, included in the relevant Revolving Commitment. A certificate of the applicable Issuing Bank submitted to any Lender (with a copy to the Administrative Agent and the Borrower) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the applicable Issuing Bank has made a payment under any Letter of Credit and has received from any Lender such Lender's Pro Rata Share of the Unreimbursed Amount in respect of such payment in accordance with Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*), if such Issuing Bank receives any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the applicable Issuing Bank pursuant to Section 2.3(c)(i) (*Drawings and Reimbursements; Funding of Participations*) is required to be returned under any of the circumstances described in Section 10.11 (*Marshalling; Payments Set Aside*) (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Lender shall pay to such Issuing Bank its Pro Rata Share thereof on demand of such Issuing Bank, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the L/C Overnight Rate. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Cash Collateralization Upon Event of Default. Upon the occurrence and during the continuation of an Event of Default under Section 8 (*Events of Default*), the Administrative Agent may, and at the direction of the Required Lenders shall, require the Borrower to Cash Collateralize the L/C Obligations.

(f) Obligations Absolute. The obligation of Borrower to reimburse the applicable Issuing Bank for each drawing under each Letter of Credit and to repay each Loan, in either case, deemed made pursuant to Section 2.3(c)(ii) (*Drawings and Reimbursements; Funding of Participations*) shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Financing Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the Issuing Bank of any requirement that exists for the Issuing Bank's protection and not the protection of Borrower or any waiver by the Issuing Bank which does not in fact materially prejudice Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by the Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the UCC or the ISP, as applicable;

(vii) any payment by the applicable Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the applicable Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(viii) any amendment or waiver of or any consent or departure from all or any of the provisions of the Financing Documents or Letter of Credit;

(ix) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of Borrower or any Subsidiary; or

(x) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, Borrower or any Subsidiary.

Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with Borrower's instructions or other irregularity, Borrower will immediately notify the applicable Issuing Bank. Borrower shall be conclusively deemed to have waived any such claim against such Issuing Bank and its correspondents unless such notice is given as aforesaid.

(g) Role of an Issuing Bank. Each applicable Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the applicable Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any Issuing Bank shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any Issuing Bank shall be liable or responsible for any of the matters described in clauses (i) through (ix) of Section 2.3(f) (Obligations Absolute); provided, however, that anything in such clauses to the contrary notwithstanding, Borrower may have a claim against any Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which Borrower proves were caused by such Issuing Bank's willful misconduct or gross negligence or such Issuing Bank's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of all the documents specified in such Letter of Credit

strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, any Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and such Issuing Bank shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Bank may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication (“**SWIFT**”) message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

(h) Applicability of ISP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued or when it is amended with the consent of the beneficiary thereof, the rules of the ISP shall apply to each Letter of Credit and as to all matters not governed thereby, the law of the State of New York. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and each Issuing Bank’s rights and remedies against Borrower shall not be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(i) Letter of Credit Fees. Borrower shall pay to the Administrative Agent for the account of each Lender, in accordance with its Pro Rata Share, a Letter of Credit fee (the “**Letter of Credit Fee**”) for each Letter of Credit equal to the Applicable Margin for Loans, that are Term SOFR Loans times the daily maximum aggregate amount available to be drawn under such Letter of Credit; provided, however, any Letter of Credit Fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable Issuing Bank pursuant to Section 2.20 (Defaulting Lenders) shall be payable, to the maximum extent permitted by applicable law, to the other Lenders in accordance with the upward adjustments in their respective Pro Rata Share allocable to such Letter of Credit pursuant to Section 2.20(a)(iii) (Certain Fees), with the balance of such fee, if any, payable to such Issuing Bank for its own account. For purposes of computing the daily maximum aggregate amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.5 (Letter of Credit Amounts). Letter of Credit Fees shall be (i) due and payable on each Interest Payment Date for ABR Loans (commencing with the first such date to occur after the issuance of such Letter of Credit), on the Letter of Credit Expiration Date and thereafter on demand (to the extent remaining unpaid) and (ii) computed on a quarterly basis in arrears. If there is any change in the Applicable Margin during any quarter, the daily maximum aggregate amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. Notwithstanding anything to the contrary contained herein, upon the request of Issuing Banks having aggregate Letter of Credit Issuance Commitments in excess of

50% of all of the aggregate Letter of Credit Issuance Commitments, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Letter of Credit Fees Default Rate.

(j) Documentary and Processing Charges Payable to applicable Issuing Bank. Borrower shall pay directly to the applicable Issuing Bank, for its own account, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank in connection with Letters of Credit issued by such Issuing Bank as from time to time in effect. Such customary fees and standard costs and charges, if any, are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of a Subsidiary, Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Borrower and the Subsidiary Guarantors hereby acknowledge that the issuance of Letters of Credit in support of any obligations of Subsidiaries, inures to the benefit of Borrower and such Subsidiaries, and that Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

(m) Resignation as Issuing Bank. Any Issuing Bank may, upon 60 days' notice to the Borrower and Administrative Agent, resign as Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower or, if the Borrower fails to make such appointment in 30 days, the Administrative Agent shall be entitled to appoint a Person with the Required Ratings who is also an Eligible Assignee and reasonably satisfactory to the Administrative Agent as a successor Issuing Bank hereunder. If any Issuing Bank resigns as Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit that it issued, including Letters of Credit outstanding as of the effective date of its resignation as Issuing Bank and all L/C Obligations with respect thereto. Upon the appointment of a successor Issuing Bank, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank, (b) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the applicable Issuing Bank to effectively assume the obligations of such Issuing Bank with respect to such Letters of Credit and (c) the resigning Issuing Bank shall assign its Letter of Credit Issuance Commitment to issue Letters of Credit and Loans, as applicable, to such successor Issuing Bank.

(n) Replacement of Issuing Banks.

(i) If at any time an Issuing Bank ceases to have the Required Ratings, then such Issuing Bank shall promptly, and in any event within two (2) Business Days after such cessation, notify the Borrower thereof and the Borrower may, upon 30 days' prior written notice, in each case, to such Issuing Bank and Administrative Agent, (A) (x) elect to replace such Issuing Bank in its capacity as an Issuing Bank with a Person selected by the Borrower with the Required Ratings so long as such Person is an Eligible Assignee and is reasonably satisfactory to the Administrative Agent and (y) cause such Issuing Bank to assign its Letter of Credit Issuance Commitment to issue Letters of Credit to the successor Issuing Bank or (B) cause such Issuing Bank to assign its Letter of Credit Issuance Commitment to issue Letters of Credit to another or

additional Issuing Bank with the Required Ratings selected by the Borrower, so long as such Person is an Eligible Assignee and is reasonably satisfactory to the Administrative Agent; and

(ii) The Borrower shall notify the Administrative Agent of any such replacement of an Issuing Bank pursuant to paragraph (i) above. At the time any such replacement shall become effective, the Borrower shall have (A) paid all unpaid fees and Unreimbursed Amounts accrued for the account of the replaced Issuing Bank and (B) effected the Cash Collateralization at 102% of the replaced Issuing Bank's Letters of Credit outstanding at such time or the cancellation and return to the replaced Issuing Bank, of its Letters of Credit outstanding at such time. From and after the effective date of any such replacement, (1) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (2) references herein to the term "**Issuing Bank**" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights, powers, privileges and duties of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such collateralization or replacement but shall not be required to issue additional Letters of Credit.

#### 2.4 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares.

(i) All Loans made pursuant to Section 2.1 (Loans) shall be made by Lenders simultaneously and proportionately to their Pro Rata Shares.

(ii) No Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan in respect of which such other Lender has a Revolving Commitment requested hereunder or to purchase a participation required hereby nor shall any Revolving Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan in respect of which such other Lender has a Revolving Commitment requested hereunder or to purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender, as the case may be, does not intend to make available to the Administrative Agent the amount of such Lender's Loan requested on such Credit Date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Credit Date and the Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to the Borrower a corresponding amount on such Credit Date (any such amount made available by the Administrative Agent to the Borrower, the "**Corresponding Amount**"). If such Corresponding Amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such Corresponding Amount on demand from such Lender, together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the customary rate set by the Administrative Agent for the correction of errors among banks for three (3) Business Days and thereafter at the Alternate Base Rate. In the event that the Administrative Agent does not make available to the Borrower a requested amount on the applicable Credit Date until such time as all applicable Lenders have made payment to the Administrative Agent, the Administrative Agent shall deem

any payment by or on behalf of a Lender hereunder that is not made in immediately available funds prior to the time period specified herein and such delay causes the Administrative Agent's failure to fund to the Borrower in accordance with its Borrowing Notice, a non-conforming payment and such Lender, as the case may be, shall not receive interest hereunder with respect to the requested amount of such Lender's Loans for the period commencing with the time specified in this Agreement for receipt of payment by the Borrower through and including the time of Borrower's receipt of the requested amount. If such Lender, as the case may be, does not pay such Corresponding Amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such Corresponding Amount to the Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for ABR Loans for such Loans. Nothing in this Section 2.4(b) (Availability of Funds) shall be deemed to relieve any Lender from its obligation to fulfill its Revolving Commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder.

## **2.5 Use of Proceeds.**

(a) Revolving Loans. The proceeds of the Loans made on any Credit Date shall be applied by the Borrower for (i) the refinancing and replacement of loans outstanding under the Existing Revolving Credit Facility Agreement, (ii) fees and expenses related to this Agreement and (iii) the general corporate purposes of the Borrower and/or its Subsidiaries.

(b) Letters of Credit. Letters of Credit may be applied by the Borrower for general corporate purposes of the Borrower and/or its Subsidiaries.

## **2.6 Evidence of Debt; Lenders' Books and Records; Notes.**

(a) Lenders' Evidence of Debt. Each Lender and Issuing Bank shall maintain on its internal records an account or accounts evidencing the Obligations of the Borrower to such Lender or Issuing Bank, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrower, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's or Issuing Banks' Revolving Commitment or Borrower's Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's or Issuing Bank's records, the recordations in the Register shall govern.

(b) Register. Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at its Principal Office a register for the recordation of the names and addresses of all Lenders and Issuing Banks; the Revolving Commitment, Letter of Credit Issuance Commitment, Loans and L/C Obligations of each Lender and Issuing Bank; and principal amounts (and stated interest) of the Loans owing to each Lender or Issuing Bank pursuant to the terms hereof from time to time (the "**Register**"). The Register shall be available for inspection by the Borrower or any Lender or Issuing Bank (with respect to (i) any entry relating to such Lender's or Issuing Bank's Loans or L/C Obligations or (ii) the identity of the other Lenders and Issuing Banks (but not any information with respect to such other Lenders' or Issuing Bank's Loans or L/C Obligations)) at any reasonable time and from time to time upon reasonable prior notice. Administrative Agent shall record, or shall cause to be recorded, in the Register the Revolving Commitments and the Loans in accordance with the provisions of Section 10.7

(*Successors and Assigns; Participations*), and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on the Borrower, each Lender and each Issuing Bank, absent manifest error; provided, that failure to make any such recordation, or any error in such recordation, shall not affect any Lender's or Issuing Bank's Revolving Commitment or Letter of Credit Issuance Commitment or Borrower's Obligations in respect of any Loan. Borrower hereby designates Administrative Agent to serve as Borrower's non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section 2.6 (*Evidence of Debt; Lenders' Books and Records; Notes*), and the Borrower hereby agrees that, to the extent Administrative Agent serves in such capacity, Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute Indemnitees.

(c) Notes. If so requested by any Lender by written notice to the Borrower (with a copy to the Administrative Agent) at least two (2) Business Days prior to the Closing Date, or at any time thereafter, Borrower shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.7 (*Successors and Assigns; Participations*)) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after receipt by the Borrower of such notice) a Note or Notes to evidence such Lender's Loan, as the case may be.

## 2.7 Interest on Loans.

(a) Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows (without duplication of amounts payable in connection with Section 2.7(f) (*Interest on Loans*)):

(i) if an ABR Loan, at the Alternate Base Rate plus the Applicable Margin; or

(ii) if a Term SOFR Loan, at the Term SOFR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(b) The basis for determining the rate of interest with respect to any Loan, and the Interest Period with respect to any Term SOFR Loan, shall be selected by the Borrower and notified to the Administrative Agent and Lenders pursuant to the applicable Borrowing Notice or Conversion/Continuation Notice, as the case may be.

(c) In connection with Term SOFR Loans there shall be no more than eight (8) Interest Periods outstanding at any time with respect to each Loan. In the event Borrower fails to specify between a Type of Loan in the applicable Borrowing Notice or Conversion/Continuation Notice, such Loan (if not then outstanding, will be made as (or if outstanding as an ABR Loan will remain as) an ABR Loan, or if outstanding as a Term SOFR Loan, will be automatically converted into an ABR Loan on the last day of the then current Interest Period for such Loan). In the event Borrower fails to specify an Interest Period for any Term SOFR Loan in the applicable Borrowing Notice or Conversion/Continuation Notice, Borrower shall be deemed to have selected an Interest Period of one month. As soon as practicable after 12:00 p.m. (New York City time) on each Interest Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding

upon all parties) the interest rate that shall apply to the Term SOFR Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Borrower and each Lender.

(d) Interest payable pursuant to Section 2.7(a) (*Interest on Loans*) shall be computed (i) in the case of ABR Loans on the basis of a 365 or 366 day year, as the case may be, and (ii) in the case of Term SOFR Loans, on the basis of a 360 day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to an ABR Loan being converted from a Term SOFR Loan, the date of conversion of such Term SOFR Loan to such ABR Loan shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to an ABR Loan being converted to a Term SOFR Loan, the date of conversion of such ABR Loan to such Term SOFR Loan, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each such payment date; (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; (iii) shall accrue on a daily basis and shall be payable on any day that a Term SOFR Loan is converted prior to the expiration of the Interest Period applicable to such Term SOFR Loan, and (iv) shall accrue on a daily basis and shall be payable in arrears at maturity of the Loans, including final maturity of the Loans; provided, however, with respect to any voluntary prepayment of an ABR Loan, accrued interest shall instead be payable on the applicable Interest Payment Date.

(f) Without duplication of any amounts payable under Section 2.7(a) (*Interest on Loans*), Borrower agrees to pay to each Issuing Bank, with respect to drawings honored under any Letter of Credit, interest on the amount paid by such Issuing Bank in respect of each such honored drawing from the date such drawing is honored to but excluding the date such amount is reimbursed by or on behalf of Borrower at a rate equal to (i) for the period from the date such drawing is honored to but excluding the date that is one (1) Business Day immediately following the date on which such drawing is honored, the rate of interest otherwise payable hereunder with respect to Loans that are ABR Loans, and (ii) thereafter, a rate which is 2% *per annum* in excess of the rate of interest otherwise payable hereunder with respect to Loans that are ABR Loans.

(g) Interest payable pursuant to Section 2.7(f) (*Interest on Loans*) shall be computed on the basis of a 365/366 day year for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. Promptly upon receipt by any Issuing Bank of any payment of interest pursuant to Section 2.7(f) (*Interest on Loans*), such Issuing Bank shall distribute to each Lender, out of the interest received by such Issuing Bank in respect of the period from the date such drawing is honored to but excluding the date on which such Issuing Bank is reimbursed for the amount of such drawing (including any such reimbursement out of the proceeds of any Loans), the amount that such Lender would have been entitled to receive in respect of the letter of credit fee that would have been payable in respect of such Letter of Credit for such period if no drawing had been honored under such Letter of Credit.

In the event any Issuing Bank shall have been reimbursed by a Lender for all or any portion of such honored drawing, such Issuing Bank shall distribute to each Lender which has paid all amounts payable by it under Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*) with respect to such honored drawing such Lender's Pro Rata Share of any interest received by such Issuing Bank in respect of that portion of such honored drawing so reimbursed by Lenders for the period from the date on which such Issuing Bank was so reimbursed by Lenders to but excluding the date on which such portion of such honored drawing is reimbursed by the Borrower.

## 2.8 Conversion/Continuation.

(a) Subject to Section 2.16 (*Making or Maintaining SOFR Rate Loans*) and so long as no Default or Event of Default shall have occurred and then be continuing.

(i) Borrower shall have the option to convert at any time all or any part of any Loans, equal to \$1,000,000 and integral multiples of \$1,000,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, a Term SOFR Loan may only be converted prior to the expiration of the Interest Period applicable to such Term SOFR Loan if the Borrower shall pay all amounts due under Section 2.16 (*Making or Maintaining SOFR Rate Loans*) in connection with any such conversion; or

(ii) in the case of Term SOFR Loans, Borrower shall have the option upon the expiration of any Interest Period applicable to any Term SOFR Loan, to continue all or any portion of such Loan equal to \$1,000,000 and integral multiples of \$1,000,000 in excess of that amount as a Term SOFR Loan.

(b) Subject to Section 3.3 (*Notices*), Borrower shall deliver a Conversion/Continuation Notice to the Administrative Agent no later than 12:00 p.m. (New York City time) at least one (1) Business Day in advance of the proposed conversion date, in the case of a conversion to an ABR Loan, and at least three (3) Business Days in advance of the proposed Conversion/Continuation Date, in the case of a conversion to, or a continuation of, a Term SOFR Loan. Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Term SOFR Loans shall be irrevocable on and after the related Interest Rate Determination Date, and the Borrower shall be bound to effect a conversion or continuation in accordance therewith. If on any day a Loan is outstanding with respect to which a Borrowing Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be an ABR Loan.

(c) Each notice pursuant to this Section 2.8 (*Conversion/Continuation*) shall refer to this Agreement and specify (A) the identity, amount and currency of the Borrowing that the Borrower requests be converted or continued, (B) whether such Borrowing is to be converted to or continued as a Term SOFR Borrowing or an ABR Borrowing, (C) if such notice requests a conversion, the date of such conversion (which shall be a Business Day) and (D) if such Borrowing is to be converted to or continued as a Term SOFR Borrowing, the Interest Period with respect thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a Term SOFR Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall advise the Lenders of any notice given pursuant to this Section 2.8 (*Conversion/Continuation*) and of each

Lender's portion of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.8 (Conversion/Continuation) to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.8 (Conversion/Continuation) to convert such Borrowing), such Borrowing shall, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), automatically be converted or continued into an ABR Borrowing.

**2.9 Default Interest.** Upon the occurrence and during the continuance of an Event of Default pursuant to Section 8.1(e) (Involuntary Bankruptcy; Appointment of Receiver, Etc.), Section 8.1(f) (Voluntary Bankruptcy; Appointment of Receiver, Etc.) or, at the direction of the Required Lenders, Sections 8.1(a) (Failure to Make Payments When Due), the overdue principal amount of all Loans outstanding and, to the extent permitted by applicable law, any overdue interest payments on the Loans or any fees or other amounts owed hereunder (including Letter of Credit Fees ("**Letter of Credit Fees Default Rate**")), shall thereafter bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is 2% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is 2% per annum in excess of the interest rate otherwise payable hereunder for ABR Loans); provided, in the case of Term SOFR Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Term SOFR Loans shall thereupon become ABR Loans and shall thereafter bear interest payable upon demand at a rate which is 2% per annum in excess of the interest rate otherwise payable hereunder for ABR Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.9 (Default Interest) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Lender or any Issuing Bank.

**2.10 Fees.** In addition to certain fees described in subsections (i) and (j) of Section 2.3(a) (Letter of Credit Commitment):

(a) Borrower agrees to pay to Lenders, as applicable, having Revolving Exposure, commitment fees equal to the Applicable Margin multiplied by the average of the daily difference between (i) the Revolving Commitments and (ii) the aggregate principal amount of (A) all outstanding Loans, plus (B) the L/C Obligations (collectively, "**Commitment Fees**").

(b) All Commitment Fees shall be paid to the Administrative Agent at its Principal Office and upon receipt, the Administrative Agent shall promptly distribute to each applicable Lender its Pro Rata Share thereof.

(c) All Commitment Fees shall be calculated on the basis of a 360 day year and the actual number of days elapsed and shall be payable quarterly in arrears on the last Business Day of March, June, September and December of each year during the Availability Period, commencing on the first such date to occur after the Closing Date, and on the Maturity Date (or, if earlier, the Revolving Commitment Termination Date).

(d) Borrower agrees to pay to each Issuing Bank, a fee in respect of each Letter of Credit issued by such Issuing Bank (the “**Fronting Fee**”), for the period from and including the date of issuance of such Letter of Credit to but excluding the termination or expiration date of such Letter of Credit, equal to 0.15% per annum multiplied by an amount equal to (a) the average daily stated amount of such Letter of Credit minus (b) an amount equal to the product of (i) the average daily stated amount of such Letter of Credit multiplied by (ii) the Pro Rata Share of such Letter of Credit participated in by such Issuing Bank in its capacity as Lender. The Fronting Fee shall be (x) due and payable on each Interest Payment Date for ABR Loans, commencing on the first such day to occur after a Letter of Credit has been issued by the applicable Issuing Bank in respect of which other Lenders have a participation and (y) computed on the basis of a year of three hundred sixty (360) days and shall be payable the actual number of days elapsed (including the first but excluding the last day).

(e) In addition to any of the foregoing fees, Borrower agrees to pay to the Administrative Agent for the account of the Lenders and Issuing Banks such other fees in the amounts and at the times separately agreed upon (including pursuant to the Fee Letter).

## 2.11 Voluntary Prepayments; Commitment Reductions.

### (a) Voluntary Prepayments.

(i) At any time and from time to time the Borrower may prepay Loans on any Business Day in whole or in part, in an aggregate minimum amount of \$1,000,000 and integral multiples of \$1,000,000 in excess of that amount (provided that, in any such case, such minimum amounts shall not apply to a prepayment of all outstanding Loans);

(ii) All such prepayments shall be made:

(A) upon not less than one (1) Business Day’s prior written or telephonic notice in the case of ABR Loans;

and

(B) upon not less than three (3) Business Days’ prior written or telephonic notice in the case of Term SOFR

Loans;

in each case given to the Administrative Agent by 12:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed by delivery of written notice thereof to the Administrative Agent (and the Administrative Agent will promptly transmit such original notice for Loans, by facsimile or telephone to each applicable Lender or Issuing Bank). Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein; provided, that such prepayment obligation may be conditioned on the occurrence of any subsequent event (including

a refinancing transaction). Any such voluntary prepayment shall be applied as specified in Section 2.13 (*Application of Prepayments*).

(b) Voluntary Commitment Reductions.

(i) Borrower may, upon not less than three (3) Business Days' prior written or telephonic notice promptly confirmed by delivery of written notice thereof to the Administrative Agent (which original written notice Administrative Agent will promptly transmit by facsimile or telephone to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part, without premium or penalty, the Revolving Commitments in an amount up to the amount by which the Revolving Commitments exceed the Total Utilization of Revolving Commitments at the time of such proposed termination or reduction; provided, any such partial reduction of the Revolving Commitments shall be in an aggregate minimum amount of \$1,000,000 and integral multiples of \$1,000,000 in excess of that amount.

(ii) Borrower's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Revolving Commitments shall be effective on the date specified in Borrower's notice and shall reduce the Revolving Commitment of each Lender proportionately to its Pro Rata Share thereof; provided, that any such termination or reduction may be conditioned on the occurrence of any subsequent event (including a refinancing transaction).

(iii) If, after giving effect to any reduction of the Revolving Commitments, the aggregate Letter of Credit Issuance Commitments exceed the aggregate Revolving Commitments, the Issuing Banks and the Borrower shall agree on how to allocate such excess to reductions of the Letter of Credit Issuance Commitments; provided, that if the Issuing Banks and the Borrower shall not so agree within thirty (30) days of giving effect to such reduction, such allocation shall be made pro rata across all unused Letter of Credit Issuance Commitments.

**2.12 Mandatory Prepayments.**

If the aggregate principal balance of the Loans plus all outstanding Letters of Credit exceeds the Total Utilization of Revolving Commitments, then the Administrative Agent shall notify Borrower of the same. The Borrower shall pay or prepay three (3) Business Days after receiving such notice such that the aggregate balance of the Loans plus all outstanding Letters of Credit does not exceed the Total Utilization of Revolving Commitments after giving effect to such payments or prepayments.

**2.13 Application of Prepayments.**

With respect to each payment or prepayment made pursuant to Section 2.11 (*Voluntary Prepayments; Commitment Reductions*) or Section 2.12 (*Mandatory Prepayments*), such prepayment of the Loans shall be applied as directed by the Borrower as between any outstanding Loans and pro-rata to each Lender in respect of each Loan.

**2.14 General Provisions Regarding Payments.**

(a) All payments by any Loan Party of principal, interest, fees and other Obligations shall be made in immediately available funds, without reduction, defense, recoupment, setoff or counterclaim, free of any restriction or condition, and, except as otherwise required herein, delivered to the Administrative Agent not later than 12:00 p.m. (New York City time) on the date due at the Principal Office of Administrative Agent for the account of Lenders.

(b) All payments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) The Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's or Issuing Bank's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes ABR Loans, in lieu of its Pro Rata Share of any Term SOFR Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Subject to the provisos set forth in the definition of "Interest Period" as they may apply to Loans, whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and, with respect to such Loans only, such extension of time shall be included in the computation of the payment of interest hereunder or of the Revolving Commitment fees hereunder.

(f) The Administrative Agent shall deem any payment by or on behalf of Borrower hereunder that is not made in immediately available funds prior to 3:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower and each applicable Lender (confirmed in writing) if any payment is non-conforming. Interest and fees shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.9 (Default Interest) from the date such amount was due and payable until the date such amount is paid in full.

**2.15 Ratable Sharing.** Lenders hereby agree among themselves that, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Financing Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, amounts payable in respect of Letters of Credit, fees and

other amounts then due and owing to such Lender hereunder or under the other Financing Documents (collectively, the “**Aggregate Amounts Due**” to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify the Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of the Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. The Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker’s lien, consolidation, set off or counterclaim with respect to any and all monies owing by the Borrower to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.15 (Ratable Sharing) shall not be construed to apply to (a) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it.

#### 2.16 Making or Maintaining SOFR Rate Loans.

(a) Inability to Determine Rates. Subject to Section 2.30 (Effect of Benchmark Replacement), if:

(i) the Administrative Agent determines reasonably and in good faith (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term SOFR Borrowing, that adequate and reasonable means do not exist for ascertaining the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis) for such Interest Period, or

(ii) the Administrative Agent is advised by the Required Lenders reasonably and in good faith that prior to the commencement of any Interest Period for a Term SOFR Borrowing, the Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Borrowings (or its Borrowings) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Lenders, or the Required Lenders notify the Administrative Agent and the Borrower, as the case may be, that the circumstances giving rise to such notice no longer exist with respect to the relevant benchmark rate (which notice shall be delivered within five (5) Business Days after such circumstances cease to exist) and (y) the Borrower delivers a notice of conversion or continuation in accordance with the terms of Section 2.8 (Conversion/Continuation) or a Borrowing Notice in accordance with the terms of

Section 2.2 (Requests for Borrowings), any notice of conversion or continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term SOFR Borrowing, or any notice of Borrowing that requests a Term SOFR Borrowing, may be revoked by the Borrower and, failing that, shall instead be deemed to be a notice of conversion or continuation or a Borrowing Notice for an ABR Loan. Furthermore, if any Term SOFR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.16(a) (Inability to Determine Rates) with respect to the Term SOFR Rate, then until (x) the Administrative Agent notifies the Borrower and the Lenders, or the Required Lenders notify the Administrative Agent and the Borrower, as the case may be, that the circumstances giving rise to such notice no longer exist with respect to the relevant benchmark rate (which notice shall be delivered within five (5) Business Days after such circumstances cease to exist) and (y) the Borrower delivers a new notice of conversion or continuation in accordance with the terms of Section 2.8 (Conversion/Continuation) or a new Borrowing Notice in accordance with the terms of Section 2.2 (Requests for Borrowings), any such Term SOFR Loan shall on the last day of the Interest Period applicable to such Term SOFR Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute an ABR Loan.

(b) Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Term SOFR Loans (the "**Affected Lender**"), then, by written notice to the Borrower (which notice shall include documentation or information in reasonable detail supporting the conclusions in such notice) and to the Administrative Agent (an "**Illegality Notice**"), (a) any obligation of such Affected Lender to make Term SOFR Loans, and any right of the Borrower to continue Term SOFR Loans of such Affected Lender or to convert ABR Loans of such Affected Lender to Term SOFR Loans, shall be suspended, and (b) the interest rate on which ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate", in each case until such Affected Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of an Illegality Notice, the Borrower shall, if necessary to avoid such illegality, upon written demand from such Affected Lender (with a copy to the Administrative Agent), prepay or, at the Borrower's option, convert all Term SOFR Loans of such Affected Lender to ABR Loans (the interest rate on which ABR Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate"), on the last day of the Interest Period therefor, if such Affected Lender may lawfully continue to maintain such Term SOFR Loans to such day, or immediately, if such Affected Lender may not lawfully continue to maintain such Term SOFR Loans to such day. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16(c) (Compensation for Losses).

(c) Compensation for Losses. In the event of (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11 (Voluntary

*Prepayments; Commitment Reductions*) and is revoked in accordance therewith), or (d) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 (*Obligation to Mitigate*), then, in any such event, the Borrower shall compensate each applicable Lender for the reasonable loss, cost and expense attributable to such event (other than loss of anticipated profits). A certificate of any Lender setting forth any amount or amounts which such Lender believes it is entitled to receive pursuant to this Section 2.16(c) (*Compensation for Losses*), including the calculations and criteria applied to determine such amount or amounts, and other documentation or information reasonably supporting the conclusions in such certificate, shall be delivered to the Borrower and shall, absent clearly demonstrable error, be final and conclusive and binding. The Borrower shall pay such Lender the undisputed amount shown as due on any such certificate within 30 days after receipt thereof.

## 2.17 **Increased Costs; Capital Adequacy.**

(a) Compensation for Increased Costs and Taxes. Subject to the provisions of Section 2.18 (*Taxes; Withholding, Etc.*) (which shall be controlling with respect to the matters covered thereby), in the event that (A) any treaty, Government Rule or guideline, or any change therein or in the interpretation, administration or application thereof (regardless of whether the underlying treaty, Government Rule or guideline was issued or enacted prior to the Closing Date), including the introduction of any new treaty, Government Rule or guideline but excluding solely proposals thereof, or any determination of a court or governmental authority, in each case that becomes effective after the Closing Date, or (B) any guideline, request or directive by any central bank or other governmental or quasi-governmental authority (whether or not having the force of law) or any implementation rules or interpretations of previously issued guidelines, requests or directives, in each case that is issued or made after the Closing Date (in each case, a **“Change in Law”**): (i) subjects any Lender (which term shall include the Administrative Agent and Issuing Bank for purposes of this Section 2.17(a) (*Compensation for Increased Costs and Taxes*)) (or its applicable lending office or Affiliate) or any company controlling such Lender to any additional Tax (other than any Indemnified Taxes, Other Taxes covered by Section 2.18 (*Taxes; Withholding, Etc.*) and Excluded Taxes) with respect to this Agreement or any of the other Financing Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender or any company controlling such Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or any company controlling such Lender or such Lender’s obligations hereunder; and the result of any of the foregoing is to increase the cost or decrease the yield to such Lender of agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) hereunder; then, in any such case, the Borrower shall pay to such Lender, within 30 days following receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in yield or amounts received or receivable hereunder. Such Lender shall deliver to the Borrower (with a

copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.17(a) (*Compensation for Increased Costs and Taxes*), including the calculations and criteria applied to determine such amount or amounts, and other documentation or information reasonably supporting the conclusions in such certificate (but such Lender shall not be required to provide any information, calculations, or criteria that are proprietary to such Lender), which statement absent clearly demonstrable error, be final and conclusive and binding.

(b) Capital Adequacy Adjustment. In the event that any Lender (which term shall include each Issuing Bank for purposes of this Section 2.17(b) (*Capital Adequacy Adjustment*)) shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (A) the introduction, adoption, effectiveness, phase in or applicability of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or (B) compliance by any Lender (or its applicable lending office) or any company controlling such Lender with any guideline, request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, in each case after the Closing Date, has or would have the effect of reducing the rate of return on the capital of such Lender or any company controlling such Lender as a consequence of, or with reference to, such Lender's Loans, Revolving Commitments or Letters of Credit or participations therein or other obligations hereunder with respect to the Loans or Letters of Credit to a level below that which such Lender or such controlling company could have achieved but for such introduction, adoption, effectiveness, phase in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling company with regard to capital adequacy), then from time to time, within five (5) Business Days after receipt by the Borrower from such Lender of the statement referred to in the next sentence, Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling company for such reduction. Such Lender shall deliver to the Borrower (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.17(b) (*Capital Adequacy Adjustment*), including the calculations and criteria applied to determine such amount or amounts, and other documentation or information reasonably supporting the conclusions in such certificate (but such Lender shall not be required to provide any information, calculations, or criteria that are proprietary to such Lender), which statement shall be conclusive and binding upon all parties hereto absent clearly demonstrable error. For the avoidance of doubt, for all purposes of the Financing Documents, subsections (a) and (b) of this Section 2.17 (*Increased Costs; Capital Adequacy*) shall apply to all requests, rules, guidelines or directives concerning liquidity and capital adequacy issued or promulgated by any United States or foreign regulatory authority (i) under or in connection with the implementation of the Dodd-Frank Wall Street Reform and Consumer Protection Act and (ii) in connection with the implementation of the recommendations of the Bank for International Settlements, the United States regulatory authorities or the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority), regardless of the date adopted, issued, promulgated or implemented.

(c) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or Issuing Bank, as the case may be, notifies Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

## 2.18 Taxes; Withholding, Etc.

(a) Payments to Be Free and Clear. All sums payable by or on behalf of any Loan Party hereunder and under the other Financing Documents shall be paid free and clear of, and without any deduction or withholding on account of, any Tax, except to the extent required by law.

(b) Withholding of Taxes. If any Withholding Agent (but, for the avoidance of doubt, not including a Lender acting as a withholding agent with respect to payments made to its members, partners or beneficiaries) is required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by any Loan Party to the Administrative Agent or any Lender under any of the Financing Documents: (i) the applicable Withholding Agent shall be entitled to make such deduction or withholding; (ii) the applicable Withholding Agent shall pay, or cause to be paid, any such Tax to the appropriate Governmental Authority before the date on which penalties attach thereto; (iii) if the tax is an Indemnified Tax and unless otherwise provided in this Section 2.18 (Taxes; Withholding, Etc.), the sum payable by such Loan Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of the deduction, withholding or payment for Indemnified Taxes (including such deductions and withholdings applicable to additional sums payable under this Section 2.18(b) (Withholding of Taxes)), the applicable Recipient receives a net sum equal to what it would have received had no such deduction, withholding or payment for Indemnified Taxes been required or made; and (iv) within thirty (30) days after the due date of payment of any Tax which it is required by clause (ii) above to pay, the applicable Loan Party shall (if any Loan Party is responsible for the deduction, withholding or payment) deliver to the Administrative Agent the original or a certified copy of a receipt evidencing such payment, a copy of the return reporting such payment or other evidence reasonably satisfactory to the Administrative Agent of such deduction, withholding or payment and of the remittance thereof to the relevant Governmental Authority.

### (c) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Financing Document shall deliver to the Borrower and Administrative Agent, at the time or times reasonably requested by the Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the

Administrative Agent as will enable Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.18(c)(ii)(A) (Status of Lenders), 2.18(c)(ii)(B) (Status of Lenders) and 2.18(g) (Taxes; Withholding, Etc.) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender and Agent that is a "United States Person" as defined in Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a "United States Person" as defined in Section 7701(a)(30) of the Internal Revenue Code shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Financing Document, executed copies of IRS Form W-8BEN or W-8BEN-E (or applicable successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Financing Document, IRS Form W-8BEN or W-8BEN-E (or applicable successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "**U.S. Tax Compliance**");

**Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E (or applicable successor form), as applicable; or

(4) to the extent a Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E (or applicable successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(C) any Lender that is not a “United States Person” as defined in Section 7701(a)(30) of the Internal Revenue Code shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) MUFG Bank, Ltd., as the Administrative Agent, and any successor or supplemental Administrative Agent that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, shall deliver to the Borrower, on or prior to the date on which it becomes a party to this Agreement, two duly completed copies of IRS Form W-8IMY, with the effect that the Borrower may make payments to the Administrative Agent, to the extent such payments are received by the Administrative Agent as an intermediary, without deduction or withholding of any Taxes imposed by the United States.

Each Lender agrees that if any form or certification it previously delivered under this Section 2.18(c) (*Status of Lenders*) or under Section 2.18(g) (*Taxes; Withholding, Etc.*) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and the Administrative Agent in writing of its legal inability to do so.

(d) Without limiting the provisions of Section 2.18(b) (*Taxes; Withholding, Etc.*), Borrower shall timely pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law. Borrower shall deliver to the Administrative Agent the original or certified copy of an official receipt, a copy of the return reporting such payment or other

evidence of such payment reasonably satisfactory to the Administrative Agent in respect of any Other Taxes payable hereunder promptly after payment of such Other Taxes.

(e) Borrower shall indemnify Administrative Agent and any Lender for the full amount of Indemnified Taxes (taking into account all exceptions provided in this Section 2.18 (Taxes; Withholding, Etc.)) arising in connection with payments made under this Agreement or any other Financing Document (including any such Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.18 (Taxes; Withholding, Etc.)) payable or paid by the Administrative Agent or Lender required to be withheld or deducted from a payment to the Administrative Agent or Lender and for any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate of any Lender setting forth any amount or amounts which such Lender believes it is entitled to receive pursuant to this Section 2.18(e) (Taxes; Withholding, Etc.), including the calculations and criteria applied to determine such amount or amounts, and other documentation or information reasonably supporting the conclusions in such certificate, shall be delivered to the Borrower and shall, absent clearly demonstrable error, be final and conclusive and binding. The Borrower shall pay such Lender the amount (which is absent clearly demonstrable error) shown as due on any such certificate within 30 days after receipt thereof.

(f) If any party determines, in its sole discretion exercised in good faith, that it has received a refund, of any Taxes as to which it has been indemnified pursuant to this Section 2.18 (Taxes, Withholding, Etc.) (including by the payment of additional amounts pursuant to this Section 2.18 (Taxes, Withholding, Etc.)), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, under this Section 2.18 (Taxes, Withholding, Etc.) with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Taxes resulting in such indemnification payments or additional amounts and giving rise to such refund had never been imposed and such indemnification payments or additional amounts have never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) If a payment made to a Lender under any Financing Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or Administrative Agent as may

be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.18(g) (*Taxes, Withholding, Etc.*), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(h) For purposes of this Section 2.18 (*Taxes, Withholding, Etc.*), the term "Lender" shall include any Issuing Bank and the term "applicable law" shall include FATCA.

(i) Survival. Each party's obligations under this Section 2.18 (*Taxes, Withholding, Etc.*) shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of a Lender, the termination of the Revolving Commitments and the repayment, satisfaction or discharge of all obligations under any Financing Document.

#### **2.19 Obligation to Mitigate.**

Each Lender (which term shall include each Issuing Bank for purposes of this Section 2.19 (*Obligation to Mitigate*)) agrees that, as promptly as practicable after the officer of such Lender that is directly or indirectly responsible for administering its Loans or Letters of Credit, as the case may be, becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such Lender to receive payments under Sections 2.16 (*Making or Maintaining SOFR Rate Loans*), 2.17 (*Increased Costs; Capital Adequacy*) or 2.18 (*Taxes; Withholding, Etc.*), it will (at the request of the Borrower), to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Sections 2.16 (*Making or Maintaining SOFR Rate Loans*), 2.17 (*Increased Costs; Capital Adequacy*) or 2.18 (*Taxes; Withholding, Etc.*) would be eliminated or materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such Revolving Commitments, Loans or Letters of Credit through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Revolving Commitments, Loans or Letters of Credit or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office pursuant to this Section 2.19 (*Obligation to Mitigate*) unless the Borrower agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate of any Lender setting forth any amount or amounts which such Lender believes it is entitled to receive pursuant to this Section 2.19 (*Obligation to Mitigate*), including the calculations and criteria applied to determine such amount or amounts, and other documentation or information reasonably supporting the conclusions in such certificate, shall be delivered to the Borrower and shall, absent clearly demonstrable error, be final and conclusive and binding.

## 2.20 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.6 (Amendments and Waivers).

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 (Events of Default) or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.5 (Set Off) shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank hereunder; *third*, as Borrower may request (so long as no Default or Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fourth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders or any Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender or such Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, so long as no Default or Event of Default shall have occurred and be continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations with respect to Unreimbursed Amounts refinanced by a Loan in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 3 (Conditions Precedent) were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit are held by the Lenders pro rata in accordance with the applicable Revolving Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.20(a)(ii) (Defaulting Lender Waterfall) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.10 (Fees) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been

required to have been paid to that Defaulting Lender); provided, such Defaulting Lender shall be entitled to receive fees pursuant to Section 2.3(i) (Letter of Credit Fees) for any period during which that Lender is a Defaulting Lender only to extent allocable to its Pro Rata Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.20(d) (Cash Collateral).

(B) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the applicable Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Exposure of any such Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 2.27 (Acknowledgement and Consent to Bail-In of Affected Financial Institutions), no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders of the applicable Revolving Commitment or take such other actions as Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held pro rata by the Lenders in accordance with the applicable Revolving Commitments (without giving effect to Section 2.20(a)(iv) (Reallocation of Participations to Reduce Fronting Exposure)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) Cash Collateral. Upon the request of Administrative Agent and any Issuing Bank, as applicable, (1) if such Issuing Bank has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an Unreimbursed Amount, or (2) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, Borrower shall, in each case, immediately Cash Collateralize 102% of the amount of all L/C Obligations.

(e) Grant of Security Interest. All Cash Collateral provided by or on behalf of Borrower (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts located in the United States, at one or more institutions selected by Administrative Agent. Borrower hereby grants to Administrative Agent, for the benefit of Administrative Agent and each Issuing Bank, and agrees to maintain, a first-priority security interest in all such Cash Collateral. If at any time Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than Administrative Agent and the applicable Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, Borrower will, promptly upon demand by Administrative Agent, pay or provide to Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(f) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.20 (Defaulting Lenders), Section 2.3 (Letters of Credit) and Section 2.11(b) (Voluntary Commitment Reductions) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(g) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the applicable Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.20 (Defaulting Lenders) following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (B) the determination by the Administrative Agent that there exists excess Cash Collateral; provided that, (x) subject to the other provisions of this Section 2.20 (Defaulting Lenders), the Person providing Cash Collateral and the applicable Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations and (y) Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the existence of a Default or Event of Default.

**2.21 Removal or Replacement of Lenders.** Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an "**Increased Cost Lender**") shall give notice to the Borrower that such Lender is an Affected Lender or such Lender is entitled to receive payments under Sections 2.16 (Making or Maintaining SOFR Rate Loans), 2.17 (Increased Costs; Capital Adequacy) or 2.18 (Taxes; Withholding, Etc.) and (ii) such Lender shall fail to withdraw such notice within five (5) Business Days after Borrower's request for such withdrawal, (b)(i) any Lender shall become a Defaulting Lender and continues to be a Defaulting Lender, and (ii) such Defaulting Lender shall fail to cure the default pursuant to Section 2.20(b) (Defaulting Lender Cure) within five (5) Business Days after Borrower's request that it cure such default, or (iii) in connection with any proposed amendment, modification, termination,

waiver or consent with respect to any of the provisions hereof or any Financing Document as contemplated by Section 10.6(b) (*Affected Lenders' Consent*) or Section 10.6(c) (*Other Consents*), the consent of Required Lenders shall have been obtained but the consent of one or more of such other Lenders (each a “**Non-Consenting Lender**”) whose consent is required shall not have been obtained; then, with respect to each such Increased Cost Lender, Defaulting Lender or Non-Consenting Lender (the “**Terminated Lender**”), the Borrower may, by giving written notice to the Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and Revolving Commitments, if any, in full to one or more Eligible Assignee (each a “**Replacement Lender**”) in accordance with the provisions of Section 10.7 (*Successors and Assigns; Participations*) and the Borrower shall pay the fees, if any, payable thereunder in connection with any such assignment from an Increased Cost Lender, a Non-Consenting Lender or a Defaulting Lender; provided that (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender, (B) an amount equal to all unreimbursed drawings that have been funded by such Terminated Lender, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.10 (*Fees*) (but, in the case of any Defaulting Lender, subject to Section 2.20(a)(iii) (*Certain Fees*)); (2) on the date of such assignment, the Borrower shall pay any amounts payable to such Terminated Lender pursuant to Sections 2.17 (*Increased Costs; Capital Adequacy*), Section 2.16(c) (*Compensation for Losses*), or Section 2.18 (*Taxes; Withholding, Etc.*) or otherwise, as if it were a prepayment (without regard to any pro rata payment obligation in respect of any other Loans); (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender; and (4) in the case of any such assignment resulting from a claim for payment under Section 2.17 (*Increased Costs; Capital Adequacy*) or Section 2.18 (*Taxes; Withholding, Etc.*), or payments required to be made pursuant to Section 2.18 (*Taxes; Withholding, Etc.*), such assignment will result in a reduction of such payments; provided, Borrower may not make such election with respect to any Terminated Lender that is also an Issuing Bank, unless, prior to the effectiveness of such election, Borrower shall have caused the outstanding Letters of Credit issued thereby to be cancelled or 102% Cash Collateralized. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's Revolving Commitments, if any, such Terminated Lender shall no longer constitute a “Lender” for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. Each Lender agrees that if the Borrower exercises its option hereunder to cause an assignment by such Lender as a Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 10.7 (*Successors and Assigns; Participations*). In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one (1) Business Day after receipt of such notice, each Lender hereby authorizes and directs the Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.7 (*Successors and Assigns; Participations*) on behalf of a Terminated Lender and any such documentation so executed by the Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 10.7 (*Successors and Assigns; Participations*).

**2.22 Permitted Refinancing Debt.** The Borrower will, subject to the terms and conditions of this Section 2.22 (*Permitted Refinancing Debt*), be permitted to replace or refinance this Agreement, any Additional Secured Indebtedness, any Additional Unsecured Indebtedness or any other unsecured or secured Indebtedness (any such refinancing or replacement Indebtedness, “**Replacement Debt**”), at its sole discretion, subject to the satisfaction or waiver of the following conditions:

(a) no Default or Event of Default shall have occurred and be continuing;

(b) the maximum principal amount of the Replacement Debt does not exceed the sum of (i) the commitments being cancelled, plus (ii) the loans or notes being prepaid, plus (iii) all accrued interest on such loans or notes being repaid or redeemed, all premiums, reserves, termination or settlement costs, discounts, fees, costs and expenses associated with any such cancellation, prepayment, termination, unwinding or redemption incurred in connection with the Replacement Debt plus (iv) the amount required to be funded into any debt service reserve account for the benefit of the Replacement Debt lenders;

(c) the final maturity date of the Replacement Debt shall not occur prior to the Maturity Date; and

(d) the Replacement Debt shall otherwise be on reasonable terms and conditions, as determined by the Borrower in good faith.

**2.23 Additional Secured Indebtedness.** The Borrower may, subject to the terms and conditions of this Section 2.23 (*Additional Secured Indebtedness*), (a)(i) add one or more term loan facilities to this Agreement and the other Financing Documents or (ii) add one or more additional term loan, secured bond or other debt facilities pursuant to separate documentation (each such facility in this clause (a), “**Additional Secured Term Indebtedness**”) and/or (b)(i) add one or more senior revolving credit facilities to this Agreement and the other Financing Documents and/or (ii) add one or more additional revolving and/or letter of credit facilities pursuant to separate documentation (any such revolving or letter credit facility in this clause (b), “**Additional Secured Revolving Indebtedness**”; the Additional Secured Revolving Indebtedness and the Additional Secured Term Indebtedness are collectively referred to as “**Additional Secured Indebtedness**”), at its sole discretion, subject to the satisfaction or waiver of the following conditions:

(a) no Default or Event of Default shall have occurred and be continuing; provided that, if the Additional Secured Indebtedness at issue will be used to effect an acquisition permitted by the Financing Documents (i) as of the date of execution of the acquisition agreement related to such acquisition, no Event of Default under the Financing Documents has occurred and is continuing, (ii) as of the date of the consummation of such acquisition, no Event of Default pursuant to Sections 8.1(a) (*Failure to Make Payments When Due*), 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) and 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) has occurred and is continuing and (iii) any Event of Default under the loan documents related to such Additional Secured Indebtedness has been waived or limited as agreed by the Borrower and the lenders thereunder, then the Borrower shall be permitted to effect the consummation of such acquisition and the incurrence of Additional Secured Indebtedness related thereto (it being understood that any such closing or waiver will not waive any Event of Default under the Financing Documents);

- (b) the Additional Secured Indebtedness will have a final maturity no earlier than the Maturity Date;
- (c) it shall not be guaranteed by any Subsidiary of the Borrower other than the Subsidiary Guarantors;
- (d) it shall not be secured by any Principal Property other than pursuant to Permitted Liens;

(e) either (i) the Borrower shall certify that after giving effect to the incurrence of such Additional Secured Indebtedness, the Borrower's Projected Debt Service Coverage Ratio is not less than 1.35x or (ii) two of the Rating Agencies (or one Rating Agency, if only one Rating Agency is then rating the Borrower's long-term senior unsecured debt, the Loans under this Agreement, the Existing Indenture or the corporate family of the Borrower) shall have (A) assigned or reaffirmed an Investment Grade Rating of any of (w) the Borrower's long-term senior unsecured debt, (x) the Loans under this Agreement, (y) the Existing Indenture or (z) the Borrower's corporate family or (B) determined that the existing rating for any of the foregoing is not affected (in each case, after giving effect to the incurrence of such Additional Secured Indebtedness);

(f) the rate of interest applicable to any such Additional Secured Indebtedness, and, the amortization schedule (subject to clause (b) above), pricing and fees with respect thereto shall be determined by the Borrower and the respective lenders providing such Additional Secured Indebtedness; and

(g) except as otherwise required or permitted in clauses (a) through (f) above, all other terms of such Additional Secured Indebtedness shall not be materially more favorable (taken as a whole) to the lenders or the agent of such Additional Secured Indebtedness (except for provisions which apply after the Maturity Date, as the case may be) as determined by the Borrower in good faith (unless such terms are added to this Agreement).

To the extent any Additional Secured Indebtedness is incurred pursuant to this Agreement, this Agreement and the other Financing Documents shall be amended to give effect to the Additional Secured Indebtedness by documentation executed by the lender or lenders making the commitments thereunder, the Administrative Agent and the Borrower, without the consent of any other Lender (including the Required Lenders).

**2.24 Additional Unsecured Indebtedness.** The Borrower may, subject to the terms and conditions of this Section 2.24 (*Additional Unsecured Indebtedness*), (a)(i) add one or more unsecured term loan facilities to this Agreement and the other Financing Documents or (ii) add one or more additional unsecured term loan, unsecured bond or other unsecured debt facilities pursuant to separate documentation (each such facility in this clause (a), "**Additional Unsecured Term Indebtedness**") and/or (b)(i) add one or more senior unsecured revolving credit facilities to this Agreement and the other Financing Documents and/or (ii) add one or more additional unsecured revolving and/or letter of credit facilities pursuant to separate documentation (any such revolving or letter credit facility in this clause (b), "**Additional Unsecured Revolving Indebtedness**"; the Additional Unsecured Revolving Indebtedness and the Additional Unsecured Term Indebtedness are collectively referred to as "**Additional Unsecured Indebtedness**"), at its sole discretion, subject to the satisfaction or waiver following conditions:

(a) no Default or Event of Default shall have occurred and be continuing; provided that, if the Additional Unsecured Indebtedness at issue will be used to effect an acquisition permitted by the Financing Documents (i) as of the date of execution of the acquisition agreement related to such acquisition, no Event of Default under the Financing Documents has occurred and is continuing, (ii) as of the date of the consummation of such acquisition, no Event of Default pursuant to Sections 8.1(a) (*Failure to Make Payments When Due*), 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) and 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) has occurred and is continuing and (iii) any Event of Default under the loan documents related to such Additional Unsecured Indebtedness has been waived or limited as agreed by the Borrower and the lenders thereunder, then the Borrower shall be permitted to effect the consummation of such acquisition and the incurrence of Additional Unsecured Indebtedness related thereto (it being understood that any such closing or waiver will not waive any Event of Default under the Financing Documents);

(b) the Additional Unsecured Indebtedness will have a final maturity no earlier than the Maturity Date;

(c) either (i) the Borrower shall certify that after giving effect to the incurrence of such Additional Unsecured Indebtedness, the Borrower's Projected Debt Service Coverage Ratio is not less than 1.35x or (ii) two of the Rating Agencies (or one Rating Agency, if only one Rating Agency is then rating the Borrower's long-term senior unsecured debt, the Loans under this Agreement, the Existing Indenture or the corporate family of the Borrower) shall have (A) assigned or reaffirmed an Investment Grade Rating of any of (w) the Borrower's long-term senior unsecured debt, (x) the Loans under this Agreement, (y) the Existing Indenture or (z) the Borrower's corporate family or (B) determined that the existing rating for any of the foregoing is not affected (in each case, after giving effect to the incurrence of such Additional Unsecured Indebtedness); and

(d) the rate of interest applicable to any such Additional Unsecured Indebtedness, and the amortization schedule (subject to clause (b) above), pricing and fees with respect thereto shall be determined by the Borrower and the respective lenders providing such Additional Unsecured Indebtedness.

To the extent any Additional Unsecured Indebtedness is incurred pursuant to this Agreement, the Financing Documents shall be amended to give effect to the Additional Unsecured Indebtedness by documentation executed by the lender or lenders making the commitments thereunder, the Administrative Agent and the Borrower, without the consent of any other Lender (including the Required Lenders).

#### 2.25 Increase of Revolving Commitments.

(a) The Borrower shall have the right, at any time and from time to time request an increase of the aggregate Revolving Commitments by notice to the Administrative Agent in writing of the amount of such proposed increase (such notice, a "**Commitment Increase Notice**"); provided, however, that (i) each such increase shall be at least \$10,000,000, (ii) the cumulative increase in Revolving Commitments after the Closing Date pursuant to this Section 2.25 (*Increase of Revolving Commitments*) shall not exceed \$1,000,000,000 without the approval of the Required Lenders, and (iii) the Revolving Commitment of any Lender may not be increased without such Lender's consent and (iv) no Default or Event of Default shall have occurred and be continuing on the effective date of such Commitment Increase Notice.

Following any Commitment Increase Notice, the Borrower may, in its sole discretion, offer to any Eligible Assignee (with a copy to the Administrative Agent) the opportunity to participate in all or a portion of the increased Revolving Commitments pursuant to paragraph (c) or (d) below, as applicable.

(b) Any Lender that accepts an offer to it by the Borrower to increase its Revolving Commitments pursuant to this Section 2.25 (Increase of Revolving Commitments) shall, in each case, execute a Commitment Increase Agreement with the Borrower and the Administrative Agent, whereupon such Lender shall be bound by and entitled to the benefits of this Agreement with respect to the full amount of its Revolving Commitment as so increased, and the definition of Revolving Commitment in Section 1.1 (Definitions) hereof shall be deemed to be amended to reflect such increase. No Lender shall have any obligation whatsoever to agree to increase its Revolving Commitment. Each Commitment Increase Agreement shall be irrevocable and shall be effective upon notice thereof by the Administrative Agent at the same time as that of all other increasing Lenders.

(c) Any Eligible Assignee (other than a Lender) that accepts an offer to it by the Borrower to participate in the increased Revolving Commitments shall execute and deliver to the Administrative Agent a New Lender Agreement setting forth its Revolving Commitment, and upon the effectiveness of such New Lender Agreement, such bank or financial institution (a “**New Lender**”) shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement, and the signature pages hereof shall be deemed to be amended to add the name of such New Lender and the definition of Revolving Commitment in Section 1.1 (Definitions) shall be deemed amended to increase the aggregate Revolving Commitments of the Lenders by the Revolving Commitment of such New Lender, provided that, the Revolving Commitment of any New Lender shall be an amount not less than \$10,000,000. Each New Lender Agreement shall be irrevocable and shall be effective upon notice thereof by the Administrative Agent at the same time as that of all other New Lenders.

(d) Once a Commitment Increase Agreement or New Lender Agreement has been executed by the applicable Eligible Assignee and delivered to the Administrative Agent (and countersigned or otherwise acknowledged in writing by the Borrower), the Administrative Agent shall reflect the increases in the Revolving Commitments effected by such agreements by appropriate entries in the Register.

(e) Upon and after the effective date of any increase in the Revolving Commitments pursuant to this Section 2.25 (Increase of Revolving Commitments) (the “**Re-Allocation Date**”), additional Loans shall be made pro rata based on the respective Revolving Commitments of the Lenders in effect on or after such Re-Allocation Date, and continuations of Loans outstanding on such Re-Allocation Date shall be effected by repayment of such Loans on the last day of the Interest Period applicable thereto or, in the case of ABR Loan, on the date of such increase based on the respective Revolving Commitments in effect prior to the Re-Allocation Date, and the making of new Loans of the same Type pro rata based on the respective Revolving Commitments in effect on and after such Re-Allocation Date.

(f) If on any Re-Allocation Date there is an unpaid principal amount of Term SOFR Loans, such Term SOFR Loans shall remain outstanding with the respective holders thereof until the expiration of their respective Interest Periods (unless the Borrower elects to prepay any thereof in accordance with the applicable provisions of this Agreement), and interest

on and repayments of such Term SOFR Loans will be paid thereon to the respective Lenders holding such Term SOFR Loans pro rata based on the respective principal amounts thereof outstanding.

2.26 **Currency Matters.** All Obligations of each Loan Party under the Financing Documents shall be payable in Dollars. All calculations, comparisons, measurements or determinations under the Financing Documents shall be made in Dollars.

2.27 **Acknowledgement and Consent to Bail-In of Affected Financial Institutions.** Notwithstanding anything to the contrary in any Financing Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Financing Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Financing Document; or
  - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

2.28 **Amend and Extend.**

(a) The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments (each, an “**Existing Commitment**”) be converted to extend the scheduled Maturity Date of any payment of principal with respect to all or a portion of any principal amount of such Revolving Commitments (any Revolving Commitments which have been so converted, “**Extended Commitments**”) and to provide for other terms consistent with this Section 2.28 (*Amend and Extend*). In order to establish any Extended Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders, which such request shall be offered equally to all Lenders) (an “**Extension Request**”) setting forth the date on which the Borrower proposes that the Extended Commitments shall be effective, which shall be a date not less than thirty (30) days after the date on which such notice is delivered to the Administrative Agent, and the proposed terms of the Extended Commitments to be established, which terms shall be identical in all material respects to the Existing Commitments; provided that (i) the scheduled Maturity Date shall be extended for such Extended Commitments, (ii) (A) the interest margins and commitment fees with respect to the Extended Commitments may be higher or lower than the interest margins

and commitment fees for the Existing Commitments and/or (B) additional fees and premiums may be payable to the Lenders providing such Extended Commitments in addition to or in lieu of any increased margins or commitment fees contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) all borrowings and all repayments of outstanding loans (including permanent repayments) under the Extended Commitments shall be made on a pro rata basis with all other Revolving Commitments, and (iv) the Extension Amendment may provide for such other terms and conditions (in addition to those provided in the foregoing clauses (i) through (iii)) with respect to the Extended Commitments that either, at the option of the Borrower, (x) reflect market terms and conditions (taken as a whole) at the time of such Extension Amendment (as determined by the Borrower in good faith), (y) if otherwise not consistent with the Existing Commitments subject to such Extension Request, are not materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of such Existing Commitments subject to such Extension Request, except, in each case under this clause (y), with respect to covenants and other terms applicable solely to any period after the Maturity Date of the Existing Commitments in effect immediately prior to such Extension Request or (z) to the extent such term or provision is also added, or the features of such term or provision are provided, for the benefit of the Lenders providing the Existing Commitments. No Lender shall have any obligation to agree to have any of its Revolving Commitments converted into Extended Commitments pursuant to any Extension Request; provided that the Borrower shall be entitled to exercise its right to remove any Lender who does not agree to such conversion as a Non-Consenting Lender pursuant to Section 2.21 (*Removal or Replacement of Lenders*).

(b) Any Lender (an “**Extending Lender**”) wishing to have all or a portion of its Revolving Commitments subject to such Extension Request converted into Extended Commitments shall notify the Administrative Agent (an “**Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Revolving Commitments subject to such Extension Request that it has elected to convert into Extended Commitments. In the event that the aggregate amount of Revolving Commitments subject to Extension Elections exceeds the amount of Extended Commitments requested pursuant to the Extension Request, Revolving Commitments subject to Extension Elections shall be converted to Extended Commitments on a pro rata basis based on the amount of Revolving Commitments included in such Extension Election.

(c) Extended Commitments shall be established pursuant to an amendment (an “**Extension Amendment**”) to this Agreement (which, except to the extent expressly contemplated by Section 2.28(e) (*Amend and Extend*) and notwithstanding anything to the contrary set forth in Section 10.6 (*Amendments and Waivers*), shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Commitments) executed by the Borrower, the Administrative Agent and the Extending Lenders. In addition to any terms and changes required or permitted by this Section 2.28 (*Amend and Extend*) each Extension Amendment may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity of new Revolving Commitments obtained following the date of such Extension Amendment.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any existing Revolving Commitments are converted to extend the related scheduled Maturity Date in accordance with this Section 2.28 (*Amend and Extend*), in the case of the existing Revolving Commitments of each Extending Lender, the aggregate principal amount

of such existing Revolving Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Commitments so converted by such Lender on such date, and the Extended Commitments shall be established as a separate class of Revolving Commitments (together with any other Extended Commitments so established on such date).

(e) The Administrative Agent and the Lenders hereby (i) consent to the consummation of the transactions contemplated by this Section 2.28 (*Amend and Extend*) (including, for the avoidance of doubt, payment of any principal, interest, fees, or premium in respect of any Extended Commitments on such terms as may be set forth in the relevant Extension Amendment) and (ii) hereby waive any requirement to obtain the consent of the Required Lenders for any Extension Amendment that is effectuated pursuant to this Section 2.28 (*Amend and Extend*).

(f) No conversion of Revolving Commitments pursuant to any Extension Amendment in accordance with this Section 2.28 (*Amend and Extend*) shall (i) constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement or (ii) be made if an Event of Default has occurred and is continuing.

(g) At least three (3) Business Days prior to the effectiveness of the Extension Amendment, the Borrower shall deliver to Administrative Agent a certificate of an Authorized Officer that identifies each Lender and the amount of its Existing Commitments and Extended Commitments (after giving effect to the applicable Extension Amendment), the Maturity Date of each Extending Lender's Extended Commitments, and attaching a copy of the proposed Extension Amendment.

**2.29 Acknowledgement Regarding Any Supported QFCs.** To the extent that the Financing Documents provide support, through a guarantee or otherwise, for any Hedging Agreements or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Financing Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Financing Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution

Regime if the Supported QFC and the Financing Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 2.29 (*Acknowledgement Regarding Any Supported QFCs*), the following terms have the following meanings:

(i) “**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such part.

(ii) “**Covered Entity**” means any of the following:

(A) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §252.82(b);

(B) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §47.3(b); or

(C) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §382.2(b).

(iii) “**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) “**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

### 2.30 **Effect of Benchmark Replacement.**

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Financing Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Financing Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Financing Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Financing Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Financing Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark

Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(b) Benchmark Replacement Conforming Changes. In connection with the administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, with the written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed), will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Financing Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party (other than the Borrower) to this Agreement.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.30, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.30.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Financing Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. (ii) to fund any activities or business of or with any Person, or in any country or territory, that, at the time of such funding, is, or whose government is, the target of Sanctions in violation of applicable Sanctions Laws; or

(iii) in any other manner that would result in a violation of any Anti-Terrorism and Money Laundering Laws, Anti-Corruption Laws, or Sanctions, by any Person (including any Person participating in the Loans, whether as Lender, the Administrative Agent or otherwise).

**5.10 Subsidiaries.** In the event that any Person becomes a Subsidiary of the Borrower (other than any Excluded Subsidiary) after the Closing Date, the Borrower will, either (a) within thirty (30) Business Days of such Subsidiary's formation or creation (or such longer period as agreed by the Administrative Agent) or (b) within thirty (30) days of the end of the Fiscal Quarter in which such Subsidiary was formed or created, cause such Subsidiary to become a Subsidiary Guarantor hereunder by executing and delivering to the Administrative Agent a Counterpart Agreement.

**SECTION 6. NEGATIVE COVENANTS**

Each Loan Party covenants and agrees that so long as the Revolving Commitments have not been terminated and until the Discharge of Obligations:

**6.1 Indebtedness.** No Loan Party will, directly or indirectly, create or incur, assume or guaranty, or otherwise become liable with respect to any Indebtedness except for any Permitted Indebtedness.

**6.2 Liens.** No Loan Party will, directly or indirectly, create, incur, grant, assume or permit to exist any Lien on any Principal Properties other than Permitted Liens.

**6.3 Fundamental Changes.** The Borrower will not merge, wind-up, dissolve, consolidate or dispose of all or substantially all of the assets of the Borrower and its Subsidiaries

(taken as a whole), except that, if at the time thereof and immediately after giving effect thereto no Default or Event of Default shall have occurred and be continuing:

(a) any Person may merge or consolidate with or into the Borrower, provided that the Borrower shall be the surviving Person; or

(b) any Person may merge or consolidate with or into the Borrower, provided that the Person formed by or surviving any such consolidation, amalgamation or merger or resulting from such conversion (if other than the Borrower) or to which such sale, assignment, transfer, conveyance or other disposition has been made (i) is a corporation, limited liability company or limited partnership organized or existing under the laws of the United States, any State thereof or the District of Columbia and (ii) assumes the due and punctual payment of all the Obligations (including principal, interest and fees) and the performance of every covenant of this Agreement and the other Financing Documents on the part of the Borrower to be performed or observed; provided, that any such surviving Person (if other than the Borrower) shall have provided the Administrative Agent with all information necessary for the Lenders to identify such Person in accordance with the requirements of the PATRIOT Act (including applicable, and uniformly applied, “know your customer” regulations) and all other applicable Anti-Terrorism and Money Laundering Laws.

6.4 **Distributions.** The Borrower will not make or agree to make, directly or indirectly, any Restricted Payment in cash if, on the date of declaration thereof, an Event of Default exists or is continuing pursuant to Section 8.1(a) (*Failure to Make Payments When Due*), Section 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*), Section 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*), Section 8.1(d) (*Breach of Certain Negative Covenants*) or, solely in the case of a breach of Sections 6.4 (*Distributions*), 6.5 (*Hedging*), 6.6 (*Transactions with Affiliates*) or Section 8.1(g) (*Breach of Certain Other Covenants*).

6.5 **Hedging.** No Loan Party shall enter into any Hedging Agreement other than a Hedging Agreement that is entered into for bona fide hedging purposes and not for speculative purposes.

6.6 **Transactions with Affiliates.** No Loan Party will, directly or indirectly, enter into any transaction with aggregate consideration in excess of \$50,000,000 (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any of its Affiliates on terms that are materially less favorable in the aggregate to such Loan Party than such Loan Party would obtain in a comparable agreement with independent parties acting at arm’s length (or, if there is no comparable arm’s length transaction, then on terms that are reasonably determined by the board of directors (or other governing body) of such Loan Party to be fair and reasonable (or, in the case of a limited partnership, of the general partner, acting on behalf of such limited partnership)); provided that, the foregoing restriction shall not apply to (a) any indemnity provided to and any reasonable and customary fees paid to members of the board of directors of a Loan Party (or any direct or indirect parent thereof); (b)(i) compensation, benefits and indemnification arrangements for officers and other employees of any Loan Party (or any direct or indirect parent thereof) entered into in the ordinary course of business, and (ii) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options, stock ownership plans, including restricted stock plans, stock grants, directed share programs and other equity-based plans and the granting and stockholder rights of registration rights approved by the board of

directors of a Loan Party (or any direct or indirect parent thereof); (c) transactions in effect on the Closing Date, including amendments and extensions thereto entered into in accordance with this Section 6.6 (*Transactions with Affiliates*) (it being understood that the aggregate consideration payable in connection with any amendment or extension shall be determined based on the remaining term of the applicable transaction as amended or extended); (d) Subordinated Indebtedness; (e) the entering into of any tax sharing agreement or similar arrangement; (f) Permitted Intercompany Activities; (g) Restricted Payments, capital contributions or the issuance of Equity Interests, in each case, to the extent permitted by this Agreement; (h) transactions between or among Loan Parties; (i) transactions in which a Loan Party delivers to the Administrative Agent a letter from a third party financial advisor stating that such transaction is fair to the Borrower or such other Loan Party from a financial point of view or meets the arm's length requirement of this Section 6.6 (*Transactions with Affiliates*); or (j) any transaction between a Loan Party and a Subsidiary or, if applicable, Joint Venture, so long as the Borrower has determined in good faith that such transaction is in such Loan Party's commercial interest.

## SECTION 7. GUARANTY

7.1 **Guaranty of the Obligations.** Subject to the provisions of Section 7.2 (*Contribution by Guarantors*), the Subsidiary Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to the Administrative Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations, when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) or any equivalent provision in any applicable jurisdiction) (each, a "**Guaranteed Obligation**" and, collectively, the "**Guaranteed Obligations**").

7.2 **Contribution by Guarantors.** All Subsidiary Guarantors desire to allocate among themselves (collectively, the "**Contributing Guarantors**"), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Subsidiary Guarantor (a "**Funding Guarantor**") under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor's Aggregate Payments to equal its Fair Share as of such date. "**Fair Share**" means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the Guaranteed Obligations. "**Fair Share Contribution Amount**" means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "**Fair Share Contribution Amount**" with respect to any Contributing Guarantor for purposes of this Section 7.2 (*Contribution by Guarantors*), any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing

Guarantor. “**Aggregate Payments**” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2 (*Contribution by Guarantors*)), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2 (*Contribution by Guarantors*). The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 (*Contribution by Guarantors*) shall not be construed in any way to limit the liability of any Contributing Guarantor hereunder. Each Subsidiary Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2 (*Contribution by Guarantors*).

**7.3 Payment by Guarantors.** Subject to Section 7.2 (*Contribution by Guarantors*), the Subsidiary Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Subsidiary Guarantor by virtue hereof, that upon the failure of the Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) or any equivalent provision in any applicable jurisdiction), the Subsidiary Guarantors will upon demand pay, or cause to be paid, in cash, to the Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower becoming the subject of a case under the Bankruptcy Code or other similar legislation in any jurisdiction, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

**7.4 Liability of Guarantors Absolute.** Each Subsidiary Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Subsidiary Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Subsidiary Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Borrower and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Subsidiary Guarantor hereunder are independent of the obligations of the Borrower and the obligations of any other guarantor (including any other Subsidiary Guarantor) of the obligations of the Borrower, and a separate action or actions may be brought and prosecuted against such Subsidiary Guarantor, whether or not any action is brought

against Borrower or any of such other guarantors and whether or not Borrower is joined in any such action or actions;

(d) payment by any Subsidiary Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Subsidiary Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce any Subsidiary Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Subsidiary Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Subsidiary Guarantor, limit, affect, modify or abridge any other Subsidiary Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Subsidiary Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Subsidiary Guarantor) with respect to the Guaranteed Obligations; (v) subject to the provisions of this Agreement and the other Financing Documents, enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Subsidiary Guarantor against any other Loan Party or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Financing Documents; and

(f) this Guaranty and the obligations of Subsidiary Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Subsidiary Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Financing Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating

thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Financing Documents or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Financing Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Financing Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of the Borrower, or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set offs or counterclaims which Borrower may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor as an obligor in respect of the Guaranteed Obligations.

**7.5 Waivers by Guarantors.** Each Subsidiary Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Subsidiary Guarantor, to (i) proceed against Borrower, any other guarantor (including any other Subsidiary Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favor of any Loan Party or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Borrower or any other Subsidiary Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Borrower or any other Subsidiary Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Subsidiary Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Subsidiary Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including

acceptance hereof, notices of default hereunder or under any Financing Document, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to the Borrower and notices of any of the matters referred to in Section 7.4 (*Liability of Guarantors Absolute*) and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

**7.6 Guarantors' Rights of Subrogation, Contribution, Etc.** Until the Guaranteed Obligations shall have been paid in full and the Revolving Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled, each Subsidiary Guarantor hereby waives, any claim, right or remedy, direct or indirect, that such Subsidiary Guarantor now has or may hereafter have against Borrower or any other Subsidiary Guarantor or any of its assets in connection with this Guaranty or the performance by such Subsidiary Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Subsidiary Guarantor now has or may hereafter have against Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations shall have been paid in full and the Revolving Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled, each Subsidiary Guarantor shall withhold exercise of any right of contribution such Subsidiary Guarantor may have against any other guarantor (including any other Subsidiary Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2 (*Contribution by Guarantors*). Each Subsidiary Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Subsidiary Guarantor may have against Borrower or against any collateral or security, and any rights of contribution such Subsidiary Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrower, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Subsidiary Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and paid in full, such amount shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

**7.7 Subordination of Other Obligations.** Any Indebtedness of the Borrower or any Subsidiary Guarantor now or hereafter held by any Subsidiary Guarantor (an "**Obligee Guarantor**") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such Indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without

affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

7.8 **Continuing Guaranty.** This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations shall have been paid in full and the Revolving Commitments shall have terminated and all Letters of Credit shall have expired or been cancelled. Each Subsidiary Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 **Authority of Guarantors or Borrower.** It is not necessary for any Beneficiary to inquire into the capacity or powers of any Subsidiary Guarantor or Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

7.10 **Financial Condition of the Borrower.** Any Credit Extension may be made to the Borrower or continued from time to time, and any permitted Hedging Agreements may be entered into from time to time, in each case without notice to or authorization from any Subsidiary Guarantor regardless of the financial or other condition of the Borrower at the time of any such grant or continuation or at the time such permitted Hedging Agreement is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Subsidiary Guarantor its assessment, or any Subsidiary Guarantor's assessment, of the financial condition of the Borrower. Each Subsidiary Guarantor has adequate means to obtain information from Borrower on a continuing basis concerning the financial condition of the Borrower and its ability to perform its obligations under the Financing Documents, and each Subsidiary Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Subsidiary Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrower now known or hereafter known by any Beneficiary.

7.11 **Bankruptcy, Etc.**

(a) So long as any Guaranteed Obligations remain outstanding, no Subsidiary Guarantor shall, without the prior written consent of Administrative Agent acting pursuant to the instructions of Required Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Borrower or any other Subsidiary Guarantor. The obligations of Subsidiary Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of the Borrower or any other Subsidiary Guarantor or by any defense which Borrower or any other Subsidiary Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Subsidiary Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Subsidiary Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Subsidiary Guarantors pursuant hereto should

be determined without regard to any rule of law or order which may relieve Borrower of any portion of such Guaranteed Obligations. Subsidiary Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay Administrative Agent, or allow the claim of Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by the Borrower, the obligations of Subsidiary Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

**7.12 Discharge of Guaranty Upon Sale of Guarantor.** If all of the Equity Interests of any Subsidiary Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof to any party (other than a Loan Party) or such Subsidiary has been designated an Unrestricted Subsidiary in accordance with the definition thereof, then the Guaranty of such Subsidiary Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such disposition.

**7.13 Keepwell.**

(a) Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 7.13 (Keepwell) for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 7.13 (Keepwell), or otherwise under this Guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 7.13 (Keepwell) shall remain in full force and effect until the Guaranteed Obligations have been paid in full and the Revolving Commitments shall have terminated and all Letters of Credit shall have expired or have been cancelled or Cash Collateralized with at least 102% coverage. Each Qualified ECP Guarantor intends that this Section 7.13 (Keepwell) constitute, and this Section 7.13 (Keepwell) shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

**SECTION 8. EVENTS OF DEFAULT**

**8.1 Events of Default.** If any one or more of the following conditions or events (each, an “**Event of Default**”) shall occur:

(a) Failure to Make Payments When Due. Failure by the Borrower (i) to pay when due any principal or any amount payable to an Issuing Bank in reimbursement of any drawing under a Letter of Credit when due, unless, in each case, (x) such failure is caused by an administrative or technical error and (y) payment is made within three (3) Business Days of its due date, or (ii) to pay when due any interest on the Loans or any fee or any other amount payable by it under this Agreement or any other Obligation and such default continues unremedied for a period of three (3) Business Days after the occurrence of such default;

(b) Breach of Representations, Etc. Any representation, warranty, certification or other statement made or deemed made by any Loan Party in any Financing Document or in any statement or certificate at any time given by any Loan Party in writing pursuant hereto or thereto or in connection herewith or therewith shall be false in any material respect as of the date made or deemed made, unless, if such misstatement (and the effect thereof) is capable of being cured, such Loan Party cures such misstatement (and any effect thereof) within thirty (30) days of such Loan Party obtaining Knowledge thereof (or if such incorrect representation or warranty is not susceptible to cure within thirty (30) days, and such Loan Party is proceeding with diligence and in good faith to cure such default, and such default is susceptible to cure, such thirty (30) day period shall be extended as may be necessary to cure such default, such extended period not to exceed sixty (60) days in the aggregate (inclusive of the original thirty (30) day period));

(c) Cross Acceleration. Default with respect to any Indebtedness of any Loan Party that is in excess of \$500,000,000 in the aggregate and continued beyond any applicable grace period, the effect of which has been to cause the entire amount of such Indebtedness under this clause (c) to become due (whether by redemption, purchase, offer to purchase or otherwise) and such Indebtedness under this clause (c) remains unpaid or the acceleration of its stated maturity unrescinded;

(d) Breach of Certain Negative Covenants. Failure of any applicable Loan Party to:

(i) comply with its obligations described under Section 6.3 (Fundamental Changes); and

(ii) for 30 days to comply with the provisions of Section 6.1 (Indebtedness) or Section 6.2 (Liens) or;

(e) Involuntary Bankruptcy; Appointment of Receiver, Etc. (i) A court of competent jurisdiction shall enter a decree or order for relief in respect of the Borrower in an involuntary case or proceeding under any Debtor Relief Laws, or any receiver, sequestrator, trustee, conservator, liquidator or other custodian or other officer having similar powers over the Borrower or over all or a substantial part of its property shall be appointed, or a warrant of attachment, execution or similar process shall have been issued against any substantial part of the property of the Borrower and any such event described in this clause (i) shall remain undismissed or unstayed for sixty days; or (ii) a case or proceeding shall be commenced against the Borrower without the consent or acquiescence of such party seeking relief under any Debtor Relief Laws or seeking the appointment of a receiver, sequestrator, trustee, conservator, liquidator or other custodian or other officer having similar powers over the Borrower or over all or a substantial part of its property, and any such event described in this clause (ii) shall continue for sixty days

without having been dismissed, bonded or discharged; or (iii) any analogous step or procedure is taken under the laws of any jurisdiction in respect of the Borrower;

(f) Voluntary Bankruptcy: Appointment of Receiver, Etc. (i) The Borrower shall have an order for relief entered with respect to it or shall commence a voluntary case or proceeding under any Debtor Relief Laws, or shall consent to the entry of an order for relief in an involuntary case or proceeding, or to the conversion of an involuntary case to a voluntary case or proceeding, under any such law, or shall seek or consent to or acquiesce in the appointment of or taking possession by a receiver, trustee, conservator, liquidator or other custodian for all or a substantial part of its property; or Borrower shall make any assignment for the benefit of creditors or take any other similar action for the protection or benefit of creditors; or (ii) the Borrower shall be unable, or shall fail generally, or shall admit in writing its inability, to pay its debts as such debts become due; or (iii) in the case of the Borrower, the board of directors (or similar governing body) of the Borrower (or any committee thereof); or (iv) in the case of any Subsidiary Guarantor, the board of directors (or similar governing body) of such Subsidiary Guarantor (or any committee thereof), in each case shall adopt any resolution or otherwise authorize any action to approve any of the actions referred to herein or in Section 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*); or (v) any analogous step or procedure is taken under the laws of any jurisdiction in respect of the Borrower;

(g) Breach of Certain Other Covenants. Any Loan Party shall default in the performance of or compliance with any covenant contained herein or any of the other Financing Documents other than any such term referred to in any other clause of this Section 8.1, and such default shall not have been remedied, cured or waived within thirty (30) days after the earlier of (i) an Authorized Officer of such Loan Party becoming aware of such default or (ii) receipt by the Borrower of notice from the Administrative Agent or any Lender of such default; provided, that if such failure is not capable of remedy within such 30-day period, such 30-day period shall be extended to a total period of ninety (90) days in the aggregate (inclusive of the original thirty day period) so long as (A) such Default is subject to cure and (B) the Borrower or such Loan Party, as applicable, is diligently pursuing a cure;

(h) Judgments and Attachments. A final judgment or order, or series of judgments or orders, for the payment of money in excess of \$500,000,000 in the aggregate (net of insurance proceeds which are reasonably expected to be paid) shall be rendered against a Loan Party, in each case, by one or more Governmental Authorities, arbitral tribunals or other bodies having jurisdiction over any such entity and the same shall not be discharged (or provision shall not be made for such discharge), dismissed or stayed, within ninety (90) days from the date of entry of such judgment or order or judgments or orders;

(i) Illegality. Any Financing Document or any material provision of any Financing Document, (i) is declared by a court of competent jurisdiction to be illegal or unenforceable, (ii) should otherwise cease to be valid and binding or in full force and effect or shall be materially impaired (in each case, except in connection with its expiration in accordance with its terms in the ordinary course (and not related to any default thereunder)) or (iii) is (including the enforceability thereof) expressly terminated, contested or repudiated by any Loan Party;

(j) Change of Control. A Change of Control shall have occurred; or

(k) ERISA Event. There shall occur one or more ERISA Events that would reasonably be expected to result in a Material Adverse Effect.

**THEN**, (1) upon the occurrence of any Event of Default described in Section 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) or Section 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*), automatically, and (2) upon the occurrence and during the continuance of any other Event of Default, at the request of Required Lenders, upon notice to the Borrower by the Administrative Agent, (A) the Revolving Commitments, if any, of each Lender having such Revolving Commitments and the obligation of each Issuing Bank to issue any Letter of Credit shall immediately terminate; (B) each of the following shall immediately become due and payable, in each case without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by each Loan Party: (I) the unpaid principal amount of and accrued interest and premium, if any, on the Loans, (II) an amount equal to the maximum amount that may at any time be drawn under all Letters of Credit then outstanding (regardless of whether any beneficiary under any such Letter of Credit shall have presented, or shall be entitled at such time to present, the drafts or other documents or certificates required to draw under such Letters of Credit) and (III) all other Obligations; provided, the foregoing shall not affect in any way the obligations of Lenders under Section 2.3(c) (*Drawings and Reimbursements; Funding of Participations*); (C) pursue other remedies available under the Financing Documents and applicable laws; and (D) the Administrative Agent shall direct the Borrower to pay (and the Borrower hereby agrees upon receipt of such notice, or upon the occurrence of any Event of Default specified in Sections 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) or 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) to pay) to Cash Collateralize the L/C Obligations (in an amount equal to 102% of the amount of the Outstanding Amount of L/C Obligations thereof).

Notwithstanding anything to the contrary in this Agreement or any other the Financing Document, a Default or Event of Default that is capable of being cured and that is cured by a subsequent action prior to the expiration of any grace period or any remedial action pursuant to this Agreement or any other Financing Document (including the written declaration by the Required Lenders or the Administrative Agent acting at the direction of the Required Lenders of any Event of Default) shall be deemed cured for purposes of this Agreement and the other Financing Documents.

## SECTION 9. AGENTS

9.1 **Appointment of Agent.** MUFG Bank, Ltd. is hereby appointed Administrative Agent hereunder and under the other Financing Documents and each Lender and Issuing Bank hereby authorizes MUFG Bank, Ltd. to act as Administrative Agent in accordance with the terms hereof and the other Financing Documents. The Administrative Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Financing Documents, as applicable. The provisions of this Section 9 (*Agents*) are solely for the benefit of the Agents and Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries. Notwithstanding anything to the contrary herein, none of the Arrangers, in their capacity as such, shall have any duties, responsibilities or obligations under this Agreement or any other Financing Document nor any fiduciary relationship with any Lender, and no implied

covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Arrangers, in such capacity, but each Arranger, in such capacity, shall be entitled to all benefits of this Section 9 (*Agents*). Each of the Arrangers, and any Agent described in clause (d) of the definition thereof appointed to serve in a similar capacity may resign from such role at any time, with immediate effect, by giving prior written notice thereof to the Administrative Agent and the Borrower.

9.2 **Powers and Duties.** Each Lender irrevocably authorizes each Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Financing Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Financing Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Financing Documents, a fiduciary relationship in respect of any Lender or any other Person; and nothing herein or any of the other Financing Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Financing Documents except as expressly set forth herein or therein.

### 9.3 **General Immunity.**

(a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Financing Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of any Loan Party to any Agent or any Lender in connection with the Financing Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Financing Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or L/C Obligations or the component amounts thereof.

(b) Exculpatory Provisions. No Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Financing Documents except to the extent caused by such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Financing Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.6 (*Amendments and Waivers*)), and upon receipt of such instructions from Required Lenders (or such other Lenders, as the case may be), such Agent shall

be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions, including for the avoidance of doubt refraining from any action that, in its opinion or the opinion of its counsel, may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Financing Documents in accordance with the instructions of Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.6 (*Amendments and Waivers*)). Without limiting the generality of the foregoing, no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Financing Document or applicable law; and no Agent shall, except as expressly set forth herein and in the other Financing Documents, have any duty to disclose, and no Agent shall be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as such Agent or any of its Affiliates in any capacity. Each Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to such Agent by a Loan Party or a Lender.

(c) Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Financing Document by or through any one or more sub-agents appointed by the Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 9.3 (*General Immunity*) and of Section 9.6 (*Right to Indemnity*) shall apply to any Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

9.4 **Agents Entitled to Act as Lender.** The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Loans and the Letters of Credit, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term “Lender” shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with any of the Borrower’s Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from Borrower for services in connection herewith and otherwise without having to account for the same to Lenders.

9.5 **Lenders’ Representations, Warranties and Acknowledgment.**

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of the Borrower and its Subsidiary Guarantors in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of the Borrower and its Subsidiary Guarantors. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender or Issuing Bank, as applicable, by delivering its signature page to this Agreement, an Assignment Agreement and funding its Loan or issuing a Letter of Credit on a Credit Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Financing Document and each other document required to be approved by any Agent, Required Lenders, Issuing Banks or Lenders, as applicable on such Credit Date or the Closing Date.

9.6 **Right to Indemnity.** Each Lender or Issuing Bank, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent, to the extent that such Agent shall not have been reimbursed by any Loan Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Financing Documents or Letters of Credit or otherwise in its capacity as such Agent in any way relating to or arising out of this Agreement or the other Financing Documents or Letters of Credit; provided, no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

9.7 **Successor Administrative Agent.**

(a) Administrative Agent may resign from the performance of all its functions and duties hereunder and under the other Financing Documents at any time by giving thirty (30) days' prior notice to the Borrower and the Lenders. The Administrative Agent may be removed at any time (i) by the Required Lenders for such Person's gross negligence or willful misconduct or (ii) by the Borrower, with the consent of the Required Lenders, for such Person's gross negligence or willful misconduct. In the event MUFG Bank, Ltd. is no longer the Administrative Agent, any successor Administrative Agent may be removed at any time with

cause by the Required Lenders. Any such resignation or removal shall take effect upon the appointment of a successor Administrative Agent, in accordance with this Section 9.7 (*Successor Administrative Agent*).

(b) Upon any notice of resignation by the Administrative Agent or upon the removal of the Administrative Agent by the Required Lenders, or by the Borrower with the approval of the Required Lenders pursuant to Section 9.7(a) (*Successor Administrative Agent*), the Required Lenders shall appoint a successor Administrative Agent, hereunder and under each other Financing Document to which the Administrative Agent is a party, such successor Administrative Agent to be a commercial bank having a combined capital and surplus of at least one billion Dollars (\$1,000,000,000); provided that, if no Event of Default shall then be continuing, appointment of a successor Administrative Agent shall also be acceptable to the Borrower (such acceptance not to be unreasonably withheld, conditioned or delayed). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrower and such successor.

(c) If no successor Administrative Agent has been appointed by the Required Lenders within thirty (30) days after the date such notice of resignation was given by such resigning Administrative Agent, or the Required Lenders elected to remove such Person, any Lender may petition any court of competent jurisdiction for the appointment of a successor Administrative Agent. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor Administrative Agent, who shall serve as Administrative Agent hereunder and under each other Financing Document to which it is a party until such time, if any, as the Required Lenders appoint a successor Administrative Agent, as provided above.

(d) Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent, and the retiring (or removed) Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Financing Documents. After the retirement or removal of the Administrative Agent hereunder and under the other Financing Documents, the provisions of this Section 9 (*Agents*) and Section 10.4 (*Indemnity*) shall continue in effect for the benefit of such retiring (or removed) Person, its sub-agents and their respective Agent Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Person was acting in its capacity as Administrative Agent.

#### 9.8 **Guaranty.**

(a) Agents under Guaranty. Each Beneficiary hereby further authorizes Administrative Agent to, on behalf of and for the benefit of the Beneficiaries, be the agent for and representative of the Beneficiaries with respect to the Guaranty. Subject to Section 10.6 (*Amendments and Waivers*), without further written consent or authorization from any Beneficiary, the Administrative Agent may execute any documents or instruments necessary release any Subsidiary Guarantor from the Guaranty pursuant to Section 7.12 (*Discharge of Guaranty Upon Sale of Guarantor*) or with respect to which the Required Lenders (or such other Lenders as may be required to give such consent under Section 10.6 (*Amendments and Waivers*)) have otherwise consented.

(b) Right to Enforce Guaranty. Anything contained in any of the Financing Documents to the contrary notwithstanding, Borrower, Administrative Agent and each

Beneficiary hereby agree that no Beneficiary shall have any right individually to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Financing Documents may be exercised solely by the Administrative Agent, for the benefit of the Lenders and the Issuing Banks in accordance with the terms hereof and thereof.

(c) Rights under Permitted Hedging Agreements. No Hedging Agreements will create (or be deemed to create) in favor of any hedging counterparty that is a party thereto any rights in connection with the management or release of the obligations of any Subsidiary Guarantor under the Financing Documents.

(d) Release of Guarantees, Termination of Financing Documents. Notwithstanding anything to the contrary contained herein or any other Financing Document, upon the occurrence of the Discharge of Obligations, upon request of the Borrower, the Administrative Agent shall take such actions as shall be required to release all guarantee obligations provided for in any Financing Document. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Subsidiary Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Subsidiary Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

9.9 **Withholding Taxes.** To the extent required by any applicable law, Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding tax from such payment, such Lender shall indemnify Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Financing Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 9.9 (Withholding Taxes).

9.10 **Administrative Agent May File Bankruptcy Disclosure and Proofs of Claim.** In case of the pendency of any proceeding under any Debtor Relief Laws relative to any Loan Party, Administrative Agent (irrespective of whether the principal of any Loan or Obligation under a Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on the

Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Issuing Banks and Administrative Agent, including any claim for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its respective agents and counsel and all other amounts due Administrative Agent under Sections 2.3 (Letters of Credit), 2.10 (Fees), 10.3 (Expenses) and 10.4 (Indemnity) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that Administrative Agent shall consent to the making of such payments directly to the Lenders and Issuing Banks to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 2.3 (Letters of Credit), 2.10 (Fees), 10.3 (Expenses) and 10.4 (Indemnity). To the extent that the payment of any such compensation, expenses, disbursements and advances of Administrative Agent, its agents and counsel, and any other amounts due Administrative Agent under Sections 2.3 (Letters of Credit), 2.10 (Fees), 10.3 (Expenses) and 10.4 (Indemnity) hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders or Issuing Banks may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

#### 9.11 **Certain ERISA Matters.**

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Coordinating Lead Arranger and each of their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans or the Revolving Commitments;

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from the prohibitions of ERISA Section 406 and Code Section 4975, such Lender’s entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Revolving Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Revolving Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Coordinating Lead Arranger and each of their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, the Coordinating Lead Arranger or their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Financing Document or any documents related to hereto or thereto).

## SECTION 10.MISCELLANEOUS

### 10.1 Notices.

(a) Notices Generally. Any notice or other communication herein required or permitted to be given to a Loan Party, the Administrative Agent or each Issuing Bank, shall be sent to such Person’s address as set forth on Appendix B or in the other relevant Financing Document, and in the case of any Lender, the address as indicated to the Administrative Agent in

writing from time to time. Except as otherwise set forth in Section 3.3 (Notices) or paragraph (b) below, each notice hereunder shall be in writing and may be personally served or sent by facsimile (except for any notices sent to the Administrative Agent) or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile, or three (3) Business Days after depositing it in the United States mail with postage prepaid and properly addressed; provided, no notice to any Agent shall be effective until received by such Agent; provided further, any such notice or other communication shall at the request of Administrative Agent be provided to any sub-agent appointed pursuant to Section 9.3(c) (Delegation of Duties) hereto as designated by the Administrative Agent from time to time.

(b) Electronic Communications.

(i) Notices and other communications to any Agent, Lenders and each Issuing Bank hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites, including the Platform) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to (x) notices to any Agent, any Lender or any Issuing Bank pursuant to Section 2 (Loans and Letters of Credit) if such Person has notified the Administrative Agent or the Borrower, as applicable, that it is incapable of receiving notices under such Section by electronic communication or (y) the issuance of any Letter of Credit. The Administrative Agent, any Issuing Bank, any Lender or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to it to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(ii) Each Loan Party understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the willful misconduct or gross negligence of Administrative Agent, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(iii) The Platform and any Approved Electronic Communications are provided "as is" and "as available". None of the Agents or any of their respective officers, directors, employees, agents, advisors or representatives (the "**Agent Affiliates**") warrant the accuracy, adequacy, or completeness of the Approved Electronic Communications or the Platform and each expressly disclaims liability for errors or omissions in the Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of

third party rights or freedom from viruses or other code defects is made by the Agent Affiliates in connection with the Platform or the Approved Electronic Communications.

(iv) Each Loan Party, each Lender, each Issuing Bank and each Agent agrees that Administrative Agent may, but shall not be obligated to, store any Approved Electronic Communications on the Platform in accordance with Administrative Agent's customary document retention procedures and policies.

(v) The Administrative Agent shall give prompt notice to each Lender and Issuing Bank of receipt of each notice or request required or permitted to be given to the Administrative Agent by any Loan Party pursuant to the terms of this Agreement or any other Financing Document (unless concurrently delivered to the Lenders and Issuing Banks by the Loan Parties).

(vi) Any notice of Default or Event of Default to the Borrower shall be provided by delivery of written notice thereof.

(c) Private Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the "Public Side Information" portion of the Platform and that may contain Non-Public Information with respect to the Borrower, its Affiliates or their respective securities for purposes of United States federal or state securities laws. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither any Loan Party nor Administrative Agent has any responsibility for such Public Lender's decision to limit the scope of the information it has obtained in connection with this Agreement and the other Financing Documents.

## 10.2 Reserved.

10.3 **Expenses.** Whether or not the transactions contemplated hereby shall be consummated, the Borrower agrees to pay promptly (a) all actual, reasonable and documented fees and expenses of advisors to the Agents (but, in the case of legal fees and expenses, limited to the legal fees and expenses of Norton Rose Fulbright US LLP; provided that in the event of an actual or potential conflict of interest, the affected Agents shall be entitled to reimbursement of the actual, reasonable and documented fees, expenses and disbursements of one additional counsel) in connection with the negotiation, preparation, execution and administration of the Financing Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by the Borrower; (b) all the actual, reasonable and documented out-of-pocket costs and expenses incurred by each Agent in connection with the syndication of the Loans and Revolving Commitments and the transactions contemplated by the Financing Documents and any consents, amendments, waivers or other modifications thereto; and (c) after the occurrence and during the continuance of an Event of Default, all actual, documented and reasonable out-of-pocket costs and expenses (but, in the case of legal fees and expenses, limited to the legal fees and expenses of one primary counsel designated by the Coordinating Lead Arranger for all such Persons and, to the extent applicable, one local counsel

reasonably necessary in each applicable jurisdiction for all such Persons), incurred by any Agent, any Issuing Bank and Lenders in enforcing any Obligations of or in collecting any payments due from the Borrower or any of its Subsidiary Guarantors hereunder or under the other Financing Documents by reason of such Event of Default (including in connection with the enforcement of the Guaranty) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a “work out” or pursuant to any insolvency or bankruptcy cases or proceedings; provided that in the event of an actual or potential conflict of interest, each affected Agent, Issuing Bank and Lender shall be entitled to reimbursement of the actual, reasonable and documented fees, expenses and disbursements of one additional counsel. This Section 10.3 (*Expenses*) shall not apply with respect to Taxes that are imposed with respect to payments to or for the account of any Agent or any Lender under any Financing Document which are covered by Section 2.18 (*Taxes; Withholding, Etc.*) or that are specifically excluded from the scope of Section 2.18 (*Taxes; Withholding, Etc.*).

#### 10.4 Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.3 (*Expenses*), whether or not the transactions contemplated hereby shall be consummated, the Borrower agrees to defend (subject to Indemnitees’ selection of counsel), indemnify, pay and hold harmless, each Agent, each Issuing Bank and Lender and each of their and their Affiliates’ respective officers, partners, members, directors, trustees, advisors, employees, attorneys, agents, sub-agents, affiliates and controlling Persons (each, an “**Indemnitee**”), from and against any and all Indemnified Liabilities; provided that, the Borrower shall not have any obligation to any Indemnitee hereunder with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from (x) such Indemnitee’s gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction or (y) material breach of such Indemnitee’s express obligations hereunder, as determined by a final, non-appealable judgment of a court of competent jurisdiction. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.4 (*Indemnity*) may be unenforceable in whole or in part because they are violative of any law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them. If for any reason the foregoing indemnification is unavailable to any Indemnitee, or insufficient to hold it harmless, then the Borrower will contribute to the amount paid or payable by such Indemnitee, as applicable, as a result of such Indemnified Liability in such proportion as is appropriate to reflect the relative economic interests of (i) the Borrower and its Affiliates, shareholders, partners, members or other equity holders on the one hand and (ii) such Indemnitee on the other hand with respect to the transactions under the Financing Documents, as well as the relative fault of (x) the Borrower and its Affiliates, shareholders, partners, members or other equity holders and (y) such Indemnitee with respect to such Indemnified Liability. The reimbursement, indemnity and contribution obligations of the Borrower under this Section 10.4 (*Indemnity*) will be in addition to any liability which the Borrower may otherwise have, and will be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Borrower, the Indemnitees, any such Affiliate and any such Person. Notwithstanding the foregoing, the Borrower shall not be required to indemnify any Indemnitee for losses, claims, damages or liabilities arising solely out of disputes as between the Indemnitees that are not based on any act or omission of the Borrower

or any of its Subsidiaries or Affiliates, excluding any disputes against any Agent acting in such capacity.

(b) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against each Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. Other than with respect the obligations of each Loan Party pursuant to clause (a), to the extent permitted by applicable law, no Indemnitee shall assert, and each Indemnitee hereby waives, any claim against Borrower and its Affiliates, officers, partners, members, directors, trustees, advisors employees, attorneys, agents, sub-agents or controlling Persons, on any theory of liability, for special, indirect, consequential, exemplary or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Indemnitee hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(c) Each Loan Party also agrees that no Indemnitee will have any liability, based on its or their exclusive or contributory negligence or otherwise, to each Loan Party (or their respective Affiliates) or any Person asserting claims on behalf of or in right of any Loan Party (or their respective Affiliates) or any other Person in connection with or as a result of this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, in each case, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or its affiliates, shareholders, partners or other equity holders have been found by a final, non- appealable judgment of a court of competent jurisdiction to have resulted from (x) the gross negligence or willful misconduct of such Indemnitee or (y) the material breach of such Indemnitee's express obligations under the Financing Documents by, such Indemnitee in performing its obligations under this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein; provided, however, that in no event will such Indemnitee have any liability for any indirect, consequential, special or punitive damages in connection with or as a result of such Indemnitee's activities related to this Agreement or any Financing Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein. Notwithstanding the foregoing, the Borrower shall not be required to indemnify any Indemnitee for any Indemnified Liabilities arising solely out of disputes as between the Indemnitees that are

not based on any act or omission of the Borrower or any of its Subsidiaries or Affiliates, excluding any disputes against any Agent acting in such capacity.

(d) Promptly after receipt by any Arranger, Lender, Issuing Bank or Agent of notice of its involvement in any action, proceeding or investigation, such Arranger, Lender, Issuing Bank or Agent will, if a claim for indemnification in respect thereof is to be made against the Borrower under this Section 10.4 (Indemnity) notify the Borrower in writing of such involvement. Failure by any Arranger, Lender, Issuing Bank or Agent to so notify the Borrower will not relieve the Borrower from the obligation to indemnify the Indemnitees under this Section 10.4 (Indemnity) except to the extent that the Borrower suffers actual prejudice as a result of such failure, and will not relieve the Borrower from its obligation to provide reimbursement and contribution to such Arrangers, Lenders, Issuing Banks or Agents.

This Section 10.4 (Indemnity) shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

#### **10.5 Set Off.**

In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuation of any Event of Default each Lender and each Issuing Bank is hereby authorized by each Loan Party at any time or from time to time, without notice to any Loan Party or to any other Person (other than Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, time or demand, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against and on account of the obligations and liabilities of any Loan Party to such Lender or such Issuing Bank hereunder, the Letters of Credit and participations therein and under the other Financing Documents, including all claims of any nature or description arising out of or connected hereto, the Letters of Credit and participations therein or with any other Financing Document, irrespective of whether or not (a) such Lender or such Issuing Bank shall have made any demand hereunder or (b) the principal of or the interest on the Loans or any amounts in respect of the Letters of Credit or any other amounts due hereunder shall have become due and payable pursuant to Section 2 (Loans and Letters of Credit) and although such obligations and liabilities, or any of them, may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Sections 2.15 (Ratable Sharing) and 2.20 (Defaulting Lenders) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent, Issuing Banks and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section 10.5 (Set Off) are in addition to other rights and remedies (including other rights of setoff) that such Lender, Issuing Bank or their respective Affiliates may have.

#### **10.6 Amendments and Waivers.**

(a) Required Lenders' Consent. Subject to the additional requirements of clauses (b) and (c) and subject to clause (d), no amendment, modification, termination or waiver of any provision of the Financing Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of the Required Lenders; provided that the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any other Financing Document (i) to cure any ambiguity, omission, defect, inconsistency, any typographical error or other manifest error in any Financing Document (in each case, as reasonably determined by the Administrative Agent and the Borrower), (ii) to release Subsidiary Guarantors in accordance with this Agreement, (iii) to make any change that would provide any additional right or benefits to the Lenders (as reasonably determined by the Administrative Agent and the Borrower), so long as such amendment, modification or supplement does not adversely affect the rights of any Lender (or any Issuing Bank if applicable) or the Lenders shall have received at least five (5) Business Days' prior written notice thereof and Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Requisite Lenders stating that the Requisite Lenders object to such amendment, (iii) to revise any schedule or appendix to reflect any change in notice information, and (iv) to effectuate the implementation of a Benchmark Replacement pursuant to the terms of Section 2.30(a) (Benchmark Replacement).

(b) Affected Lenders' Consent. The consent of each Lender directly and adversely affected thereby shall be required with respect to:

(i) increases or extensions to the Revolving Commitment of such Lender or extensions of the Maturity Date of any Loan of such Lender; provided that, no amendment, modification or waiver of any condition precedent, covenant, Default, or Event of Default shall constitute an extension of a Revolving Commitment or the Maturity Date;

(ii) waivers, reductions or postponements of repayments of any Loan of such Lender beyond the Maturity Date;

(iii) reductions to the rate of interest on any Loan of such Lender or any premium or any fee payable to such Lender (other than a waiver of default interest and it being understood that any change in the levels set forth in the pricing grid agreed to between the Administrative Agent and the Borrower in accordance with the definition of Applicable Margin shall not constitute a reduction in any rate of interest or fees);

(iv) extensions to the time for payment of any interest, fees or premium payable to such Lender (it being understood that no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute any such extension); and

(v) reductions of the principal amount of any Loan owed to such Lender.

(c) Other Consents. Subject to clause (d), the consent of all Lenders shall be required with respect to:

(i) any amendment, modification, waiver or termination of any provision of this Section 10.6 or any other provision that purports to reduce any voting

percentages or requirements set forth in the definition of “Required Lenders” and this Section 10.6;

(ii) releases of all or substantially all of the value of the Guaranty (other than in accordance with the Financing Documents);

(iii) modifications to the pro rata sharing provisions among the Lenders or pro rata Commitment reductions, except as otherwise set forth in the Financing Documents;

(iv) consent to the assignment or transfer by the Borrower of any of its rights and obligations under any Financing Document, without the written consent of all Lenders, except with respect to any such assignment or transfer resulting from any transactions permitted by Section 10.7 (*Successors and Assigns; Participations*).

Notwithstanding anything herein to the contrary, (A) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder except that (x) the Revolving Commitment of any Defaulting Lender may not be increased or extended, or the maturity of any of its Loans may not be extended, the rate of interest on any of its Loans may not be reduced and the principal amount of any of its Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (y) any amendment, waiver or consent requiring the consent of all the Lenders or each affected Lender that by its terms affects any Defaulting Lender materially and more adversely than the other affected Lenders shall require the consent of such Defaulting Lender, (B) only the consent of the applicable Issuing Bank and the Administrative Agent shall be required with respect to any amendment that, (i) extends the Letter of Credit Expiration Date beyond the Final Maturity Date, (ii) extends the time for payment of any interest, fees or premium payable to such Issuing Bank (it being understood that no amendment, modification or waiver of any condition precedent, covenant, or event of default shall constitute any such extension), (iii) reduces any reimbursement obligation in respect of any Letter of Credit owed to such Issuing Bank or (iv) increases the Letter of Credit sublimit of such Issuing Bank, (C) the consent of the Administrative Agent or the applicable Issuing Bank, as applicable, will also be required with respect to modifications of the Financing Documents which adversely affects the rights and duties of the Administrative Agent or such Issuing Bank and (D) the Borrower and the Administrative Agent may (or, at the written direction of the Borrower, the Administrative Agent shall), without the need to obtain consent of any other Lender (other than, in the case of clause (x)(iv) below, the Extending Lenders with respect to the applicable Extended Commitments) or Issuing Bank, enter into an amendment or other modification to this Agreement and the other Financing Documents (x) to effectuate (i) any Additional Secured Indebtedness satisfying the conditions of Section 2.23 (*Additional Secured Indebtedness*), (ii) any Additional Unsecured Indebtedness satisfying the conditions of Section 2.24 (*Additional Unsecured Indebtedness*), (iii) any increase in Revolving Commitments in accordance with Section 2.25 (*Increase of Revolving Commitments*) and (iv) any Extension Amendment in accordance with Section 2.28 (*Amend and Extend*) and (y) to permit the extensions of credit from time to time thereunder and the accrued interest and fees in respect thereof to share equally and ratably in the benefits of this Agreement and the other Financing Documents, as applicable (including, by the Administrative Agent modifications to the “Required Lender” definition and related definitions).

(d) Non-Responding Lenders. If any Lender fails to respond to a request for a consent, waiver, amendment of or in relation to any term of any Financing Document or any other vote of Lenders under the terms of this Agreement, other than in respect of Section 10.6(b) above, within ten (10) Business Days or such longer period specified in the request (a “**Non-Responding Lender**”), the Revolving Commitment of such Non-Responding Lender shall be disregarded in determining the Revolving Commitments of the Lenders required to approve such consent, waiver or amendment.

(e) Execution of Amendments, Etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender or any Issuing Bank, execute amendments, modifications, waivers or consents on behalf of any Lender or Issuing Bank. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.6 (Amendments and Waivers) shall be binding upon each Lender and Issuing Bank at the time outstanding, each future Lender or Issuing Bank and, if signed by a Loan Party, on such Loan Party.

#### 10.7 **Successors and Assigns; Participations.**

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and permitted assigns and shall inure to the benefit of the parties hereto and the successors and permitted assigns of Lenders. Neither the Borrower’s rights or obligations hereunder nor any interest therein may be assigned or delegated by the Borrower without the prior written consent of all Lenders (except to the extent resulting from any transaction permitted pursuant to Section 6.3 (Fundamental Changes)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Agents and Lenders and other Indemnitees) any benefit, legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Register. The Borrower, the Administrative Agent and Lenders shall deem and treat the Persons listed as Lenders or Issuing Banks in the Register as the holders and owners of the corresponding Revolving Commitments and Loans listed therein for all purposes hereof. The entries in the Register shall be conclusive absent manifest error. No assignment or transfer of any such Revolving Commitment or Loan shall be effective, in each case, unless and until recorded in the Register following receipt of a fully executed Assignment Agreement effecting the assignment or transfer thereof, together with the required forms and certificates regarding tax matters and any fees payable in connection with such assignment, in each case, as provided in clause (d) below. Each assignment shall be recorded in the Register promptly following receipt by the Administrative Agent of the fully executed Assignment Agreement and all other necessary documents and approvals, prompt notice thereof shall be provided to the Borrower and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the “**Assignment Effective Date.**” Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender or Issuing Bank shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Revolving Commitments or Loans.

(c) Right to Assign.

(i) Lender Assignments. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Revolving Commitment and Loans owing to it and any participations in Letters of Credit that it has purchased (provided, however, that pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan and any related Revolving Commitments) to a Person (A) with the Required Ratings and (B) who also (1) meets the criteria of clause (i) of the definition of the term of “Eligible Assignee” or (2) meets the criteria of clause (ii) of the definition of the term of “Eligible Assignee” and, solely in the case of this clause (2) (or an Eligible Assignee not satisfying the Required Ratings requirement in clause (A) above), is consented to by the Borrower and the Issuing Banks (such consent not to be (x) unreasonably withheld or delayed or (y) in the case of Borrower, required at any time an Event of Default pursuant to Section 8.1(a) (*Failure to Make Payments When Due*), Section 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) or Section 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) shall have occurred and then be continuing); provided further that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof. Any assignment in violation of this Section 10.7(c)(i) (*Lender Assignments*) shall be null and void.

(ii) Issuing Bank Assignments. Each Issuing Bank shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Letter of Credit Issuance Commitment and any Letters of Credit that it has issued (provided, however, that pro rata assignments shall not be required; provided, further, that no partial assignment of any outstanding Letter of Credit shall be permitted) to a Person with the Required Ratings who is also an Eligible Assignee and reasonably satisfactory to the Administrative Agent as a Issuing Bank hereunder and consented to by the Borrower (such consent not to be (x) unreasonably withheld or delayed or, (y) in the case of Borrower, required at any time an Event of Default pursuant to Section 8.1(a) (*Failure to Make Payments When Due*), Section 8.1(e) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) or Section 8.1(f) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) shall have occurred and then be continuing); provided further that (A) Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof. Upon a Issuing Banks assignment of L/C Obligations and Letter of Credit Issuance Commitments to an additional Issuing Bank, (a) such additional Issuing Bank shall become vested with all of the rights, powers, privileges and duties of a Issuing Bank hereunder, and (b) the assignee Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, assigned to such Issuing Bank. Any assignment in violation of this Section 10.7(c)(ii) (*Issuing Bank Assignments*) shall be null and void.

(d) Mechanics.

(i) Assignments and assumptions of Loans and Revolving Commitments by Lenders shall be effected by execution and delivery to the Administrative

Agent of an Assignment Agreement. Assignments made pursuant to the foregoing provision shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to the Administrative Agent such forms, certificates or other evidence, if any, with respect to withholding tax matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.18(c) (*Status of Lenders*), together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (except that no such registration and processing fee shall be payable in the case of an assignee which is already a Lender or is an affiliate or Related Fund of a Lender or a Person under common management with a Lender).

(ii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Revolving Commitments and Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Revolving Commitments or Loans, as the case may be; (iii) it will make or invest in, as the case may be, its Revolving Commitments or Loans for its own account in the ordinary course and without a view to distribution of such Revolving Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.7 (*Successors and Assigns; Participations*), the disposition of such Revolving Commitments or Loans or any interests therein shall at all times remain within its exclusive control); and (iv) it will not provide any information (other than customary administrative information) obtained by it in its capacity as a Lender to the Borrower or any Affiliate of the Borrower.

(f) Effect of Assignment. Subject to the terms and conditions of this Section 10.7 (*Successors and Assigns; Participations*), as of the Assignment Effective Date (i) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder and under the other Financing Documents to the extent of its interest in the Loans and Revolving Commitments as reflected in the Register and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which

survive the termination hereof under Section 10.9 (*Survival of Representations, Warranties and Agreements*)) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender's rights and obligations hereunder, such Lender shall cease to be a party hereto on the Assignment Effective Date; provided, anything contained in any of the Financing Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (iii) the Revolving Commitments shall be modified to reflect any Revolving Commitment of such assignee and any Revolving Commitment of such assigning Lender, if any; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Administrative Agent for cancellation, and thereupon the Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Revolving Commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(g) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations without restriction to any Person (other than Borrower, any of its Subsidiaries or any of their respective Affiliates, or any natural Person) in all or any part of its Revolving Commitments, Loans or any other Obligation. Each Lender that sells a participation pursuant to this clause (g) shall, acting solely for U.S. federal income tax purposes as a non-fiduciary agent of the Borrower, maintain a register on which it records the name and address of each participant and the principal amounts (and stated interest) of each participant's participation interest with respect to the Revolving Commitments, Loans and other Obligations (each, a "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Revolving Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Revolving Commitment, Loan or other obligation is in registered form under United States Treasury Regulations Section 5f.103-1(c) and Proposed Section 1.163-5(b) (or, in each case, any amended or successor version). Unless otherwise required by the U.S. Internal Revenue Service ("**IRS**"), any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the IRS. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable participation for all purposes under this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) subject to the terms, conditions and limitations set forth in Section 10.6 (*Amendments and Waivers*), extend the final scheduled maturity of any Loan in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon or

reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Revolving Commitment shall not constitute a change in the terms of such participation, and that an increase in any Revolving Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), or (B) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, except to the extent resulting from any transaction permitted pursuant to Section 6.3 (*Fundamental Changes*) or (C) release all or substantially all of the Subsidiary Guarantors from the Guaranty (in each case, except as expressly provided in the Financing Documents) supporting the Loans hereunder in which such participant is participating.

(iii) The Borrower agrees that each participant shall be entitled to the benefits of Sections 2.17 (*Increased Costs; Capital Adequacy*) and 2.18 (*Taxes; Withholding, Etc.*) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (c) of this Section 10.7 (*Successors and Assigns; Participations*); provided, (x) a participant shall not be entitled to receive any greater payment under Section 2.17 (*Increased Costs; Capital Adequacy*) or 2.18 (*Taxes; Withholding, Etc.*) than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation, (y) a participant shall not be entitled to the benefits of Section 2.18 (*Taxes; Withholding, Etc.*) unless such participant agrees, for the benefit of the Borrower, to comply with Section 2.18 (*Taxes; Withholding, Etc.*) and provide all forms required by Section 2.18(c) (*Status of Lenders*) as though it were a Lender (it being understood that the forms required by Section 2.18(c) (*Status of Lenders*) shall be delivered to the participating Lender and if required by law for reduced withholding, copies shall be delivered to the Borrower or to the Administrative Agent) and (z) a participant agrees to be subject to the provisions of Sections 2.18 (*Taxes; Withholding, Etc.*) and 2.21 (*Removal or Replacement of Lenders*) as if it were an assignee under clause (c) of this Section 10.7 (*Successors and Assigns; Participations*); provided further that, except as specifically set forth in clauses (x) and (y) of this sentence, nothing herein shall require any notice to the Borrower or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.5 (*Set Off*) as though it were a Lender, provided such participant agrees to be subject to Section 2.15 (*Ratable Sharing*) as though it were a Lender. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Sections 2.18 (*Taxes; Withholding, Etc.*) and 2.21 (*Removal or Replacement of Lenders*) with respect to any participant.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 10.7 (*Successors and Assigns; Participations*) any Lender or Issuing Bank may assign, pledge and/or grant a security interest in all or any portion of its Loans, the other Obligations owed by or to such Lender or Issuing Bank, and its Notes, if any, to secure obligations of such Lender including any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors and any operating circular issued by such Federal Reserve Bank or other central bank; provided, that no Lender or Issuing Bank, as between Borrower and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge, and provided further that in no event shall the

applicable Federal Reserve Bank, pledgee or trustee, be considered to be a “Lender” or “Issuing Bank” or be entitled to require that assigning Lender to take or omit to take any action hereunder.

#### **10.8 Independence of Covenants.**

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists. Any determination regarding whether or not a Default or Event of Default has occurred or is existing or continuing under this Agreement or any other Financing Document shall be made by the Borrower and the Required Lenders (or Administrative Agent) to the extent such Default or Event of Default, if it had occurred, would be waivable by the Required Lenders pursuant to Section 10.6 (Amendments and Waivers) hereof. The Lenders shall act collectively through Administrative Agent with respect to all such determinations; provided that the Required Lenders may direct Administrative Agent with respect to any such determination; provided further that the foregoing shall not in any manner prohibit any Lender from communicating with any other Lender or with Administrative Agent regarding any such actual or claimed Event of Default, Default, default, event or condition, what action the Borrower have taken, are taking and propose to take with respect thereto, the terms and conditions of any amendment or waiver with respect to such Default or Event of Default or any other matter relating to the Loan Parties or any Financing Document.

#### **10.9 Survival of Representations, Warranties and Agreements.**

All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 2.16(c) (Compensation for Losses), 2.17 (Increased Costs; Capital Adequacy), 2.18 (Taxes; Withholding, Etc. ), 10.3 (Expenses) and 10.4 (Indemnity), 10.5 (Set Off), 10.8 (Independence of Covenants) and 10.24 (No Fiduciary Duty) and the agreements of Lenders set forth in Sections 2.15 (Ratable Sharing), 9.3(b) (Exculpatory Provisions) and 9.6 (Right to Indemnity) shall survive the payment of the Loans, the cancellation or expiration of the Letters of Credit and the reimbursement of any amounts drawn thereunder and the termination hereof.

#### **10.10 No Waiver; Remedies Cumulative.**

No failure or delay on the part of any Agent, any Issuing Bank or any Lender in the exercise of any power, right or privilege hereunder or under any other Financing Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Financing Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy. Nothing herein shall prohibit any Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank) hereunder and under the other Financing Documents.

#### **10.11 Marshalling; Payments Set Aside.**

Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent, any Issuing Bank or Lenders (or to the Administrative Agent, on behalf of Lenders or any Issuing Bank), or any Agent, Issuing Bank or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

#### **10.12 Severability.**

In case any provision in or obligation hereunder or under any other Financing Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. Without limiting the foregoing provisions of this Section 10.12 (Severability), if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent or an Issuing Bank, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

#### **10.13 Obligations Several; Independent Nature of Lenders' Rights.**

The obligations of Lenders (which term shall include each Issuing Bank for purposes of this Section 10.13 (Obligations Several; Independent Nature of Lenders' Rights)) hereunder are several and no Lender shall be responsible for the obligations or Revolving Commitment of any other Lender hereunder. Nothing contained herein or in any other Financing Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and (subject to the provisions hereof) enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

#### **10.14 Headings.**

#### **10.19 Usury Savings Clause.**

Notwithstanding any other provision herein, the aggregate interest rate charged by any Lender with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law, shall not exceed the Highest Lawful Rate applicable to such Lender. If the rate of interest (determined without regard to the preceding sentence) under this Agreement charged by any Lender at any time exceeds the Highest Lawful Rate applicable to such Lender, the outstanding amount of the Loans held by such Lender made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due thereunder equals the amount of interest which would have been due thereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made thereunder are repaid in full the total interest due thereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due thereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid to such Lender and the amount of interest which would have been paid to such Lender if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate applicable to such Lender, then any such excess shall be cancelled

automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder to such Lender or be refunded to the Borrower.

**10.20 Effectiveness; Counterparts.**

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Borrower and Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic format (i.e., "pdf" or "tif") shall be effective as delivery of an original executed counterpart of this Agreement.

**10.21 Entire Agreement.**

This Agreement and the other Financing Documents with respect to fees payable to the Administrative Agent or the syndication of the Loans and Revolving Commitments constitute the entire contract and understanding among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

**10.22 Patriot Act.**

Each Lender and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or Administrative Agent, as applicable, to identify such Loan Party in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act and is effective for each Lender, Agent and Issuing Bank. The Borrower agrees to provide any information reasonably requested in writing by the Administrative Agent, pursuant to this Section 10.22 in connection with its or any Lender's compliance with the PATRIOT ACT and Beneficial Ownership Regulations.

**10.23 Electronic Execution of Assignments.**

The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as an original executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state, provincial or territorial laws based on the Uniform Electronic Transactions Act.

**10.24 No Fiduciary Duty.**

Each Agent, each Lender, each Issuing Bank and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), are full service financial institutions engaged, either directly or through their respective affiliates, in a broad array of activities,

including commercial and investment banking, financial advisory, market making and trading, investment management (both public and private investing), investment research, principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage and other financial and non-financial activities and services globally. In the ordinary course of their various business activities, each Lender and funds or other entities in which the Lenders invest or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers. In addition, any Lender may at any time communicate independent recommendations and/or publish or express independent research views in respect of such assets, securities or instruments. Any of the aforementioned activities may involve or relate to assets, securities and/or instruments of the Borrower and/or any of its Affiliates, as well as of the Borrower and/or other Persons which (i) may be involved in transactions arising from or relating to the Transactions or (ii) have other relationships with Borrower or its Affiliates. In addition, any Lender may provide investment banking, commercial banking, underwriting and financial advisory services to such other Persons. The Transactions may have a direct or indirect impact on the investments, securities or instruments referred to in this Section 10.24 (No Fiduciary Duty), and employees working on the financing contemplated hereby may have been involved in originating certain of such investments and those employees may receive credit internally therefor, and may have economic interests that conflict with those of the Loan Parties, their respective equity holders and/or their respective Affiliates. Although any Lender in the course of such other activities and relationships may acquire information about the Transaction or other Persons which may be the subject of the Transactions, none of the Lenders shall have any obligation to disclose such information, or the fact that such Lender is in possession of such information, to the Loan Parties or to use such information on the Loan Parties' behalf. Each Loan Party acknowledges and agrees that nothing in the Financing Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, their respective equity holders or their respective Affiliates, on the other. The Loan Parties acknowledge and agree that (i) each Lender will act under the Financing Documents as an independent contractor, (ii) the transactions contemplated by the Financing Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (iii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, their respective equity holders or their respective Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its equity holders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Financing Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party, any of their respective management, equity holders, Affiliates, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that the Loan Parties, their respective equity holders and their respective Affiliates are each responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. In addition, any

Lender may employ the services of its Affiliates in providing services hereunder and may exchange with such Affiliates information concerning Borrower or its equity holders or their respective Affiliates and other companies that may be the subject of the Transactions, and such Affiliates will be entitled to the benefits afforded to such Lender hereunder. Consistent with each Lender's policies to hold in confidence the affairs of its customers, each Lender will not furnish confidential information obtained from the Loan Parties by virtue of the Transactions to any of its other customers. Furthermore, the Loan Parties acknowledge that none of the Lenders or any of their respective Affiliates has an obligation to use in connection with the Transactions, or to furnish to the Loan Parties, confidential information obtained or that may be obtained by them from any other Person.

Each of the Lenders or Issuing Banks or its respective Affiliates are, or may at any time be, a counterparty (in such capacities, the "**Derivative Counterparties**") to the Loan Parties and/or any of their respective subsidiaries with respect to one or more agreements with respect to any swap, forward, future or derivative transaction or option or similar agreement involving, or settled by reference to, one or more rates, currencies, commodities, equity or debt instruments or securities, or economic, financial or pricing indices or measures of economic, financial or pricing risk or value or any similar transaction or any combination of these transactions, in each case, entered into by to the Loan Parties (collectively, the "**Derivatives**"). Each Loan Party acknowledges and agrees for itself and its subsidiaries that each Derivative Counterparty (a) will be acting for its own account as principal in connection with the Derivatives, (b) will be under no obligation or duty as a result of such Lender's or its respective Affiliates' role in connection with the Transactions or otherwise to take any action or refrain from taking any action, or exercising any rights or remedies, that such Derivative Counterparty may be entitled to take or exercise in respect of the applicable Derivatives and (c) may manage its exposure to the Derivatives without regard to such Lenders' or its respective Affiliates' role hereunder.

#### 10.25 **Erroneous Payments.**

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or any Person who has received funds on behalf of a Lender or Issuing Bank (any such Lender, Issuing Bank, or other recipient (and each of their respective successors and assigns), a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof) (provided, that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within five (5) Business Days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 10.25 (*Erroneous Payments*) and held in trust for the benefit of the Administrative Agent, and such Lender or Issuing Bank shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient

to) promptly, but in no event later than two (2) Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or any Person who has received funds on behalf of a Lender or Issuing Bank (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Issuing Bank shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within two (2) Business Days of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.25(b) (*Erroneous Payments*).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 10.25(b) (*Erroneous Payments*) shall not have any effect on a Payment Recipient's obligations pursuant to Section 10.25(a) (*Erroneous Payments*) or on whether or not an Erroneous Payment has been made.

(c) Each Lender or Issuing Bank hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Issuing Bank under any Financing Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Issuing Bank under any Financing Document with respect to any

payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d)

(i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”), upon the Administrative Agent’s notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Revolving Commitments) with respect to which such Erroneous Payment was made (the “**Erroneous Payment Impacted Class**”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Revolving Commitments) of the Erroneous Payment Impacted Class, the “**Erroneous Payment Deficiency Assignment**”) (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with Borrower) deemed to execute and deliver an Assignment Agreement (or, to the extent applicable, an agreement incorporating an Assignment Agreement by reference pursuant to the Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Revolving Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Revolving Commitments of any Lender and such Revolving Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 10.6 (*Amendments and Waivers*) (but excluding, in all events, any assignment consent or approval requirements (whether from Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency

owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender or Issuing Bank, to the rights and interests of such Lender or Issuing Bank, as the case may be) under the Financing Documents with respect to such amount (the “**Erroneous Payment Subrogation Rights**”) (provided that Borrower’s Obligations under the Financing Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by Borrower; provided that this Section 10.25(e) (Erroneous Payments) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

Each party’s obligations, agreements and waivers under this Section 10.25 (Erroneous Payments) shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Revolving Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Financing Document

**10.26 Restricted Lenders.** Notwithstanding anything to the contrary in Section 5.9 (*Sanctions and Anti-Corruption Laws*) or Section 5.3(*Compliance with Law*) of this Agreement, in relation to each Loan Party that is incorporated in Germany or that otherwise notifies its Agent to this effect (each a “Restricted Lender”), the representations and undertakings in the provisions of such Sections shall only apply for the benefit of such Restricted Lender and shall only be given by a Loan Party to such Restricted Lender to the extent that the sanctions provisions would not result in (i) any violation of, conflict with or liability under EU Regulation (EC) 2271/96 or

(ii) a violation or conflict with Section 7 of the foreign trade rules (AWV) (Außenwirtschaftsverordnung) (in connection with section 4 paragraph 1 no. 3 and Section 19 paragraph 3 no. 1(a) foreign trade law (AWG) (Außenwirtschaftsgesetz)) or a similar anti-boycott statute as in effect in that Restricted Lender's home jurisdiction.
